## Reception For Thornhill Team

The members of the Thornhill Juvenile Hockey Team are seen above enjoying a pleasant reception held in their honour by the victorious Bowmanville team. Following their defeat by Bowmanville in the minor hockey finals, their hosts invited the district representatives to a reception and well earned "feed" at the Legion hall.

### Games Friday Night

## Four Teams Enter The Minor Hockey Finals

This Friday evening will see four teams battle it out in the semi-finals of the local minor hockey league. Two games, home and home series, with total goals to count, will settle the issue.

Little's Fords and Birrell's Chev's will see action at 7 p.m. Both these motor teams will have their throats wide open for a roaring, speedy game of hockey. Coaches Joe Greenfield and Jim Brides of Little's are confident they can continue their unbeaten record. On the other hand coaches Paul Morley and Warren Davey of Birrell's claim they have not taken their team out of second gear all season, but will shift into high gear this Friday.

Wimbridge Cleaners and Bayview Plaza will both be out to win the game at 9 p.m. Coaches Harold Clapp and Chuck Wimps are confident they can take this series if all their players are off the sick list. Tom McGurran and Archie Murray, coaches of the Bayview Plaza team feel their boys have gained momentum all season and are now in peak form.

These semi-final games should be a treat for all hockey fans and the R.H.&D.M.H.A. needs your support, so plan to attend, especially those parents who have boys playing.

## The Bantam Blueliners Swamp Woodbridge 8-0

The Richmond Hill Bantam Blueliners proved that they are still very much in the running for the North York Hockey League Championship, as they swarmed all over the Woodbridge entry and downed them 8 to 0. The first period of play was very ragged and for ten minutes it looked as if the Woodbridge outfit would more than hold their own with the classy local club.

Then Bruce Walker, 'old Fireball' himself burst out with a fast one at the 11 minute mark. Dean Wainwright slipped Walker a nifty pass and Bruce made certain of that one. At 13 minutes Wainwright got his first on a flip pass from Walker and Kelson, to make it 3 to 0 for the Richmond Hill Club.

To start off the second period

the Woodbridge team were pressing and Walker broke away to shoot in another goal, and again he came back at this time little Kelson, always a hard worker, passed to Bruce and he got another. This seemed to take the starch right out of the Woodbridge team and Ritchie Elliot and Ian Ross came down and scored for the Blueliners. Elliot's was on a fine pass from Ian Ross and Ross's from Addison. This made it the lopsided score of 7 to 0.

To start off the third period of play the Woodbridge team checked like fends to hold the Blueliners to one goal which was scored by Walker.

It seems a shame that the Woodbridge team didn't supply the locals with a little more opposition, because this is the time of the year that they need it. The hardest working player on the local team was John Grieves and the Robin Craig came up with his most improved game in many a day.

## Goalie Bob Deighton Sensational In Defeat

Thornhill's Juvenile A Hockey Club was eliminated by the Bowmanville Legionaires at Bowmanville Arena February 24 by the score of 7-3. The game was very fast and but for the brilliant goaltending of Bob Deighton in the Thornhill net, the score could easily have reached double figures. Bob turned aside 64 of the 71 shots fired at him and was especially spectacular in the second period when he stopped 29 shots and held Bowmanville to one goal.

The crowd of over 500 saw Clive McCullough score three goals for Bowmanville, with singles going to Clark, Haddfield and Smith. Thornhill's goals were scored by Stamp, Anderson and Bill Hogg.

Ralf Sundquist played a good two-way game for the Redmen. Thornhill tried to rally in the third, but again Deighton held them up as they fumbled badly. The team was treated to a banquet by the Legion at the Municipal Hall in Bowmanville after the game.

Flattery is the thinnest stuff there is, but it's mighty hard to see through.

### Richmond Hill Minor Hockey League

**Birrells 1, Legion 0**  
Peter Crack got the winning tally for Birrells to sink the hard-fighting Legion squad. It was a clean game, but both teams managed to hand out a few stiff body checks. Charlie Flynn got his third shutout of the season. Gary Bork and Bill Furse played hard for the Chevies as did Ted Tomlin and Grant Fryer for the Legion.

**A.B.C. 2, Wimbridge 0**  
Goals by Ray Baker and Ron McKay defeated the Wimbridge team. Bobby Lovell played outstanding hockey in goal for the A.B.C. as he stopped 32 shots. John Stanley and John Parting-

ton put in good efforts for the Wimbridge team while Jim Kingsley and John Edwards played well for the A.B.C. Squad.

**Bayview 3, Surf Marine 2**  
Two goals by Bob Brennan and a single by Fred Kyle put Surf Marine out of the playoffs. Jim Gotschalk and Earl Freeland counted for the Marines' lonely tallies. Doug Pratt and Harton Amos played well for the Plaza as did Tom Todd and Keith Sayers for the Marines.

**Little's 3, Village Taxi 1**  
Eric Prosser scored the winning tally to defeat the cellar dwelling taximen. Wayne Jackson counted for the other tally while Fred Kyle knocked home the lone goal for the losers. Ed Garner and Pal Greenfield played well for the Little squad, as did Ted Ross and Paul Haskett for the Taximen.

## Jack Diamond And Alex Jensen Vs. Red Garner & Aledo Orlando

Tag team night at Thornhill Market this coming Tuesday, March 17, will feature Jack Diamond and Alex Jensen against Red Garner and Aledo Orlando.

Diamond and Jensen who have only lost a very few tag team matches during the last few years, feel that they can defeat any team of locals that Joe Greenfield can throw at them and Joe in turn feels that with Red Garner and Al Orlando going against The Hamilton Hoods L. at these two stellar mat men are the one to slow down the rampaging Hoods. Garner and Orlando have never teamed up before. Although they were billed as a team a few weeks ago the match never came about, but they are ready now. If they can get by Diamond and Jensen they will be the first to beat them in over a year.

Now these nefarious characters from Hamilton have the advantage of wrestling together as a team for more than five years and they know every move that

they are going to make and both say, "Nuts to Garner and Orlando. Garner is over the hill and Orlando is a sissy. We should take these local heroes in two straight falls." A very modest statement from two very modest fellows, but we are of the opinion that they may be forced to swallow their words after the match is over next Tuesday night.

Gideon Gideen, newly crowned Canadian champion, will be in the semi-final event and will take on sturdy Billy Foster of Brampton in a two-out-of-three falls affair that should please the fans. Also on the card will be newcomer Rod Bell of Winnipeg, charging at round Billy Bey the people's choice as the wrestler they would most likely like to see beaten. Erstwhile referee Grant Wyleing of Aurora will try and drop Leif Len Hewitt in this event. This looks to be one of the better cards offered to the fans this season and our advice is, if you want a good seat get there early.

### Gideon Gideen Is Can. Middleweight

Gideon Gideen, outstanding middleweight of Irish extraction pulled a big surprise last Tuesday at Thornhill market as he wrestled the Canadian Middleweight championship belt from Jack Diamond in a fast double pin. He received an enthusiastic reception from the fans at the final bell and said he hopes to be around this neck of the woods for a few months. The Jennings brothers of

Sudbury defeated Freddy Labelle and Lucien Gosselin in a sensational team match that had the fans on the edge of their seats throughout. In the preliminaries Pal Greenfield, an up and coming Richmond Hill boy, went to a 20-minute draw with sturdy Angelo Minetti of Halifax and Billy Bey tossed Gerry Willson with Len Hewitt topping Freddy Hall who seemed confused by it all.
