If you have not been already convinced that Spring is on the way, one look at the window of Warwick House should be enough to convince you. Once again the proprietor, Mr. Warwick Butt, has displayed his artistic talent in producing a window display worthy of mention. Taking the centre of the window is a charming Chinese bamboo wooden bird cage, with its new occupants, four gaily coloured budgies. This is flanked on either side by two large pots of daffodils, and completing this delightful picture are some lovely bouquets of real white apple blossom, and one solitary dress, the colours of which blend so beautifully with this touch of Spring.

## Council Reverses Decision On Night Sale Of Gasoline

Richmond Hill Town Council will take no action on the request of one service station operator for permission to keep open all night, until a change in existing by-law is requested by the majority of service station operators. It was pointed out that regulations were embodied in a by-law at the request of the operators and that any changes should be at the request of the same body.

At a previous meeting council under the impression the existing by-law gave authority for granting of one all-night permit granted the request of the Fina Station. However, it was found an amending by-law would be necessary and when Clerk Lynett read it Monday night council agreed to table it until a request is made by the operators.

Councillor Jos. Paterson said he had received some complaints from residents living near the service station. It was feared all night operation would prove a nuisance.

Reeve Perkins said some service station operators had expressed opposition to the council action.

"We will wait until we get official word from the operators," said Mayor Tomlin. Council passed the original regulatory by-law after a request from the service station operators.

3rd Richmond Hill Troop  
On Friday last, Mike Howard, Eagle Patrol Leader, gained his first class swimming test at Northview swimming pool on the troop's weekly swim night. Tony Loftus also passed his swimmer's proficiency badge requirement. On the week-end, all patrols were represented on the troop's third hike of the year. All patrols started from widely separated points and converged on a common camp site according to sealed orders issued the day before. Biggest error over the one-mile cross country course was 100 yards. This was achieved on Sunday morning with the temperature around zero and a stiff breeze blowing without help from the adult leaders.

After Scouts' Own service, all boys cooked their own meal over their patrol fire where Winston Chan passed his fire-lighting and cooking test, and after a few warm-up games the camp site was cleaned up and the three miles homeward journey was started. The going this time was tougher for the sun had melted the ice crust on 18 inches of snow and every third step or so one broke through the crust up to the knees. Nevertheless a very enjoyable hike resulted.

3rd Richmond Hill Cub "A" Pack held their regular meeting on March 17 in the Walter Scott School. During the evening Richard Parker received his first star, and James Docherty his team player's badge. Bill Mitchell, a new chum, was welcomed into the pack. Steven Lay has been transferred to "B" Pack, and Paul Armstrong has been transferred to Detroit. Mr. Goddard, the Aetna, took five boys from the Yellow Six down to the Ontario Museum on Sunday as a reward for the highest points for the month. There will be no meeting next week.

1st Richmond Hill Group  
Four Cubs from "B" Pack moved up to Scouts on Tuesday evening. The official Going Up Ceremony was held at the regular meeting of the 1st Richmond Hill Troop. The new Scouts are Richard Sinclair, Terry Thiel, Bob Thomson and David Walsh. Two of these boys, Terry Thiel and David Walsh, were awarded their 2nd Stars at the previous meeting of Cub Pack "B". This is an important award for new Scouts to bring with them since it automatically qualifies them as Leaping Wolves. Cubmaster Danny Crampton and all the Cubs of "B" Pack wished their old Chums well with a last Grand Howl.

New Chums recently invested in "B" Pack are Billy Curtis, Douglas Collier, Michael Jones, Terry Wilder and Ming Wong. It has been a very busy month for "B" Pack with regular training, recreation, investitures, presentation of awards, and the Going Up Ceremony.

## HAVE YOU HEARD THIS ONE?

The young wife was the beautiful but dumb kind and her husband was considerably upset: "You'll have to watch it, darling. The bank just returned the last two cheques you wrote." Wife: "Well, it's about time. Think of all the ones that just disappeared!" Unlike the beautiful but dumb wife you'll be money in the bank when you entrust your dry cleaning to us. Your clothes will look better, last longer, when they receive proper dry cleaning care. We've even been known to restore garments that were given up for lost . . . because making stubborn spots and stains DISAPPEAR is our specialty.
