Neighbourhood Notes

Mr. McGimpsey is home from hospital now, and last week was able to enjoy the first warm days outside. And wasn't it a wonderful week! before it was over farmers were seeding the high fields, and the dust was blowing!

Mr. and Mrs. Aubrey Stephenson spent last week-end at Port Colborne with Mr. and Mrs. Galbraith who were celebrating their 50th wedding anniversary.

So it is curtains for the Markham Township Concert Association, at least for the coming year. Announcement of discontinuation was made at last Wednesday evening's concert when the Toronto Men Teachers' Choir were program guests.

The committee has provided excellent concert entertainment, but have had two bad winters against them and felt it was inadvisable to continue. Among those attending last week's concert were Mrs. S. J. English, Mrs. Wm. Rodick and Rev. and Mrs. A. F. Binnington.

Rev. F. Muir was guest minister at Brown's Corners United Church on Sunday morning of this week. Mr. Muir is on furlough from Japan and brought along a costume worn by Japanese men, which he donned for the service.

In the afternoon Mr. Muir spoke at the Victoria Square W.M.S. service where C.G.I.T. and Explorer groups provided the music.

Off on business trips last week were Messrs. Rae Donaldson who went to Detroit; John Wilkins motored to Washington, D.C., and other American cities, and Harold Wright flew to Montreal. Mr. and Mrs. B. K. Wilson are visiting their son Johnny and his family in Wheeling, W. Virginia, this week.

Miss Adele Carruthers will demonstrate floral arrangement at the Buttonville Home & School Association on Wednesday evening of next week. Adele is the clever artist who has made the florist shop windows of Eunice Derby Ltd. on Eglinton Ave. W. a delight for uptown Torontonians. Come along and take advantage of this excellent opportunity to watch an expert, and catch ideas.

Rae and Betty Donaldson and Betty's sister, Mary Lyn Snider, are now settled in their new North Buttonville home. We welcome them to the community.

It was with a deep sense of loss that we noted the recent passing of Miss Lillian Risebrough of Willowdale whose death occurred suddenly at the Toronto General Hospital on Tuesday, April 7. Her many friends in this neighbourhood will remember her for her gentleness of spirit and her great kindness. To her sister, Mrs. George Kelly and brothers Roy and Gordon and their families we offer sincere sympathy.

C.G.I.T. and Explorer members taking part in the W.M.S. service at Victoria Square church last Sunday afternoon included Patricia Paterson, Marcelle Storey, Berta Storey, Susan Harrott, Maureen Martin, Explorers, and Margaret Patterson, Judy Hord, Jean Maw, Janet Craig, Joy Fuller and Donna Denby. At a recent Explorer meeting gifts were presented to Mrs. Binnington and Mrs. Bennett for their new grandsons. Berta Storey made the presentation.

C.G.I.T. and Explorer Activities
May will be a busy month for younger girls in the community. The Mother and Daughter banquet is scheduled for May 11, with the annual affiliation service for Explorers and C.G.I.T. members taking place at an earlier date as yet not determined. May is also the month of their Lilac

Tea, and already the Explorers are busy. If you are looking for a Mother's Day corsage, these girls can supply you with one which will last for years. They are making some from plastic foam which are very attractive.

Friendship Club
Mrs. Bryce Jacksie was hostess to the Friendship Club members on Wednesday evening of last week. The most important guest of the evening was the Jacksie's new 10-weeks-old baby, Bryan, who was the centre of attention. Mrs. Jacksie entertained her guests with coloured slides of West Coast life sent by her brother.

Present were Mrs. Maw, Mrs. Storey, Mrs. Foster, Mrs. Turner, Mrs. Harrott, Mrs. Vidler, Mrs. Burr, Mrs. Greensides, Mrs. Martin, Mrs. Dunlop.

Cancer Society Collections

Up 50 Per Cent
Mrs. Gordon Purves tells us that local collections for the Canadian Cancer Society are up on an average of 50 per cent per book over last year. Miss Beryl Clark, Arncliffe Heights, was the first canvasser out in this area.

The Ladies' Unionville Curling Club members held their final dinner at Cedarbrae Golf Club on Thursday evening of last week, winding up a successful season. Local women present were: Mrs. Russell Boyington, Mrs. Bill Hood, Mrs. Ray McTavish, Mrs. F. W. Baker, Mrs. James Rodick, Mrs. John Brown, Mrs. Norman Reid, Mrs. Harry Barber, Mrs. Garney Francey, Miss Marjorie Barber, Mrs. Donna Brigger and Mrs. June Griffin.

Euclre At Buttonville Hall
At Cedarbrae Cumings, Mrs. Florence Denby, Mrs. Adam Brown, Messrs. Howard Trimble, W. Muirhead and Wm. Wray.

The lucky draw was won by Matt Davie, and freezeout winners were Messrs. R. Burr and A. Brown against H. Trimble and H. Forster.

Hostesses for the evening were Mrs. A. Brown, Mrs. D. Arnott, Mrs. R. Pralet.

Davidson Mission Band

Davidson Mission Band members entertained their mothers and small brothers and sisters on Saturday afternoon of last week, when they held their Easter Thank-Offering.

Mrs. S. R. Patterson was guest speaker during the worship service, and the children enjoyed a special treat in a film strip, "Puppy for Jose." Donna Kerr presided and Margaret Patterson and Margaret Champion assumed responsibility for music. Piano solos were played by Mary Champion, Susan Harrott and Patricia Patterson.

Mite boxes returned contained a total of \$17.28.

Among the mothers attending were Mrs. Kerr, Mrs. Leitch, Mrs. Patterson, Mrs. Ken Stephenson, Mrs. Bauhaus, Mrs. S. J. English, and Mrs. Craigie. 10-months-old Christine Craigie was the youngest child present.

Junior Farmers At Buttonville Hall Saturday Night

The program the Junior Farmers have been working so hard on will be presented at Buttonville Hall on Saturday evening of this week. There's hidden talent around these parts, and it would be definitely worth your while to come and see some of it in action. These boys and girls will entertain you with songs, skits, solos, trios — the works, and their youthful enthusiasm is something to see. Make a date for Saturday night at 8.30, Buttonville Hall.

Home and School Bridge and Euchre

There was a good evening's fun at Buttonville School on Tuesday evening of last week when the Home and School Association held the annual bridge and euchre. For those whose curiosity about the hockey game needed to be satisfied, Mr. Sherman of T.V. Sales & Service provided a T.V. set for the evening. Euchre prizes were won by Mrs. Douglas Hood, Mrs. R. Burr, Mrs. Gardhouse, Mr. Burke and Art Storey. Bridge prizes were taken home by Mrs. John Brown and Mr. M. Roberts. Mr. Ray McTavish was M.C. for the evening and the social hour was under the sponsorship of Mrs. J. Harrott, with Mrs. K. Stephenson and Mrs. Bauhaus assisting.

Door prizes were won by Mrs. Arnott, Mr. D. Hood, Art Storey, and Mr. and Mrs. Nichols.

W.I. Elects Officers

On Thursday afternoon of last week, when Buttonville W.I. members met at Buttonville Hall for their annual meeting, Mrs. John Wilkins was named president for 1959-60. Mrs. R. Mrs. McGimpsey stated that quilts had netted \$236.00, and a first prize display at Markham Fair brought an additional \$13. Mrs. Russell Boyington reported on catering activities. E. Stots reported for Citizenship and Education, and H. Robinson for Agriculture and Industry.

The May meeting will be held at the home of Mrs. John Donaldson on the evening of Wednesday, May 20. Mrs. Arthur Kennedy of Unionville will show pictures of Alaska.

Henceforth meetings will be held on the third Wednesday in the month.

AURORA — There is still ice in Musselman's Lake, Wilcox and Bond Lakes and in the southern arm of Lake Simcoe. Off Keswick there are a half-dozen scattered ice-fishing huts abandoned on the ice, some of them sinking slowly through the surface.

NORTH YORK — The Board of Education of North York requested the Toronto Telegram print a statement which sets forth "there was in fact no justification" regarding slanderous implications regarding a North York Collegiate.

MARKHAM — Mr. Percy Wilson of Locust Hill died at Scarborough Hospital on April 11th, in his 63rd year. Born in Fenelon Falls, he moved as a young boy to West Hill. In 1924 he operated the general store and post office at Locust Hill.

Good Choir And Speaker At McConaghy H. & S.

The meeting of the McConaghy Home and School Association held on Monday evening, April 20, was most enjoyable and instructive. The school choir under the direction of Mr. Shantz sang a well chosen selection, the first three unaccompanied were The Newfoundland folk song, The Squid Jiggin' Ground; a Slavonic round, The Miller; and the English round Summer is Acumin' In. Then came the words set to Finlandia by Sibelius, a Scottish border march, The Skye Boat Song, The King's Men and finally the Happy Wanderer. Mr. Shantz is to be congratulated on the quality of tone he has achieved.

The skit by grade 7 was extremely funny and the audience thoroughly enjoyed this expression of creative English — there must have been some morals behind it all somewhere!

Mrs. Elliott, the guest speaker, art supervisor for School Area No. 1 Markham and Vaughan was educated in Kenora and at Western University. She was one of a panel on "Art in Education" at home and school a few years ago and is very well qualified to speak for she has taught all grades from 1 to 13. She had a delightfully informal way of talking about the pictures she was showing of children in action in creative work. One might have been in a small room with Mrs. Elliott and her slides so quietly yet clearly did she speak.

The paintings of the boys and girls from kindergarten to grade 8 showed the various stages of development; in the early ones, mother with her large hands and arms was the central figure detail, balance and form comes gradually. There is no need for elaborate art rooms or expensive equipment or materials to give a child a chance to create something. Old envelopes can be cut into all kinds of shapes, figures can be made from paper rolled up and dressed from scraps of material, even boys love sewing; boxes can be made into animals and paper bags into teepees. The paper tearing, mosaic and razor cutting work all showed what children can do if given the opportunity — discipline problems in these art classes do not exist for all become too engrossed to bother with his neighbour, while work on group projects helps greatly in promoting a spirit of co-operation.

In this way art has a great part to play in the ability of children to fit into any environment and to make them artists in living."

Mrs. C. Matthews thanked Mrs. Elliott for coming and commented that she had never seen so much children's work so well done. Refreshments were served. Next month the guest speaker will be from the Metro Conservation Authority and the program planned to tell us all of the lovely parks and historical places in this district.

Pauline was a policewoman

Receiving a traffic ticket is never a pleasant experience . . . except, perhaps, when it's presented by an officer as attractive as Pauline Alkins. Yes, believe it or not, before coming to Canada and The Toronto-Dominion Bank in London, Ont. Pauline was a policewoman with the London, England constabulary. Pauline Alkins likes meeting and assisting customers of "The Bank"—an attitude you'll find reflected in the friendly, efficient people at any nearby branch of The Toronto-Dominion Bank.
