Annual Meeting Local Figure Skating Club

"Need for greater voluntary parental supervision on and off the ice" was unanimously expressed at the annual meeting of the Richmond Hill Figure Skating Club on Monday night at the McConaghy Public School. Though the attendance was comparatively small, in proportion to the parents of the 200 children who benefitted throughout the season, the group present offset this lack of numbers by their earnestness and enthusiasm displayed in discussing and charting the future course of the club.

Club President, Mrs. William Wilson, chaired the meeting, and in reviewing the past year's activities, thanked the executive and members, one and all, for their participation and whole hearted co-operation throughout the year, especially to those whose untiring efforts of seven weeks of preparation for the three-day April carnival all contributed to make the fourth annual event such an outstanding success; however, it was unfortunate that other meetings and attractions in Richmond Hill were held during that period, adversely affecting the carnival attendance.

Special thanks were extended to Mr. Chuck Kiel, professional instructor, for his excellent choreography and training, and to the Carvinal Chairman, Mrs. H. Sanderson, Supervisors Mrs. Morley Hall and Mrs. J. Grainger; Test Chairman Mrs. E. Madden, Wardrobe Mistress Mrs. L. Wainwright, Secretary Mrs. Paul Morley; Publicity Convener Mrs. W. Angus; Scenery and Cover Design produced by Mrs. D. Featherstonhaugh, the many sewing mothers, court mothers, and with special emphasis, to all those "behind the scenes" hard workers.

During the business session, reports from the secretary, treasurer and other executive members were submitted and adopted. During the general discussion that followed, many interesting phases, problems, and improvements were discussed. Mr. D. MacLellan contributing an interesting suggestion relative to increased seating capacity and lighting effects — derived from a recent visit to the rink at Uplonville.

Mrs. L. Wainwright, as chairman of nominations, then announced the following nominees as 1959-60 directors of the Richmond Hill Figure Skating Club: Mrs. William Wilson, Mrs. Harold Sanderson, Mrs. Ross Smith, Mrs. William Hall, Mrs. Morley Williams, Mrs. Nelson Dean, Mrs. William Angus. As there were no further nominations from the floor, the slate was adopted by acclamation. At the next executive meeting to be held within the next several weeks, the president and other executive officers will be elected.

Football Club In Toronto Union

The Richmond Hill Football Club was officially accepted into the intermediate and midget series of the Toronto Rugby Union this week.

The introduction of the local midget team was well received by the TRU executive, and assistance was pledged to get this venture off the ground.

Starting from the very bottom, the midgets will require everything from players to equipment, not to mention coaching assistants. The age limit is 17, as of September 1, and all boys are welcomed regardless of ability. Coach, Bob Thompson, invites all interested boys to phone TU. 4-4100 so an estimate of the enthusiasm towards this proposal may be obtained.

The intermediate team is looking forward to another good season, and Coach Bill Points would be glad to hear from prospective players. Bill can be reached at TU. 4-1944.

Additions to the coaching staff were also presented to the TRU, with Del Maidley, Al Apps, and Ron Parsons joining Bill Points on the intermediate level.

The midget team is still searching for local help regarding the coaching problem. Bob Thompson being the only coach active with this entry to date.

The Richmond Hill Football Club welcomes all enquiries of assistance. Phone Del Maidley, TU. 4-3755.

As in the past the locals will try to uphold their slogan, "It's not what the boy does for the game, but what the game does for the boy."
