NOTICE

TAKE NOTICE that The Board of Trustees of the Roman Catholic Separate School for School Section No. 1 in the Township of King did on the 9th day of May, 1959, pass By-law Number 13 to authorize the borrowing of the sum of \$60,000.00 by the issue of debentures to the principal amount of \$60,000.00 bearing interest at the rate of six per cent. (6%) per annum, payable annually and maturing in twenty annual instalments of principal of varying amounts as set forth in Schedule "A" hereto.

The purpose for which the money is to be borrowed is to build and equip a new school containing two classrooms and a playground.

The security for the amount to be borrowed is as follows:

(a) During twenty years, the currency of the debentures, the respective sums set forth in the fourth column of Schedule "A" hereto are required to be levied and collected annually by the said Board by a special rate sufficient therefor over and above all other rates in the same manner and from the like persons and property by, from, upon or out of which other separate school rates may be levied, raised and collected by the said Board.

(b) The debentures, as to both principal and interest, are a charge upon the separate school rates and upon the school house property and premises and any other real or personal property vested in the said Board.

Vaughan Council

**Award Tenders Low Bids
 2 Bridges—Watermains
 Ratepayers Support CNR**

Vaughan Township Council accepted two tenders for two bridges in session on Monday night, both tenders were from A. C. McNaughton Ltd. and were the lowest submitted.

Nine tenders, ranging from A. C. McNaughton's low of \$13,312.50, to a high bid of \$22,988.80, were submitted for the Brownleigh Bridge at Teston, west of 400 highway.

Six tenders, for the Kerr Bridge on Concession No. 7 above the Maple sideroad were received and opened by Township Engineer Keith Hopper, assisted by Phillip Breithaupt, road engineer for the Department of Highways. Tenders for this bridge ranged from McNaughton's bid of \$17,225.50 to a high of \$33,220.45.

Referring to the building of the new bridges, which will replace old, narrow bridges, Councillor Ralph asked, "What is the time element involved in the construction of these?" Mr. Hopper replied, the engineers plan to use half of the present construction while the bridges are being built. "We will build half of the Kerr bridge and then allow it to cure before taking out the other half of the old bridge and finishing the job."

Separate tenders were called for re-inforcing steel and the lowest tender, \$136.00 from Re-inforcing Steel Products was accepted. Highest tender submitted was \$138.20 a ton. Mr. Hopper said the company whose tender was accepted keeps its prices down by buying up odd lengths of steel — testing results show no reason why we should not use their steel, he said.

Watermain Tenders
 Monday night's session of council was practically reserved for tenders, with five more being opened by Clerk J. McDonald for the construction of the watermain on Keele St., in Maple.

Leaside Construction Ltd., presented a low bid of \$54,647.75, which was accepted unanimously by council. Highest bid received was for \$63,321.00.

Re: Dust Laying
 Vaughan Township Council agreed to a varied road program for dust laying, after hearing reports on five tenders from Clerk James McDonald. Tenders for asphalt prime and brine-calcium ran from a high of 27.06 cents down to 10 cents a gallon and tenders were awarded on three bids by two tenderers.

Beamish Construction Co., for oiling with asphalt prime, 25.07 cents; Miller Paving Co. for Paladine Brine — a 34% calcium-brine solution at 15.02 cents; and Beamish Construction for a calcium solution from the mineral well on South Keele St., Maple. This is a 20 per cent calcium solution pumped from a deep well in ready-to-use solution which is lower in calcium content than calcium-brine, and will need more applications. It costs 10 cents a gallon. Council will study results and various costs after the summer program is completed to ascertain

the merits or demerits for the three types of dust layers used. Council called a recess at 8 p.m. after one hour's session, in order that the Planning Board meeting might be held in the council chamber. Council reconvened again at 9.30 p.m.

Commend CNR Route
 A new switch regarding the proposed marshalling yard and access line was heard with apparent relief by Council when Assistant Clerk Ted Jackson read letters from Northolt Property Owners and West Scott Subdivision owners who indicated their support of the present plans submitted by the C.N.R. Reeve John Perry said he had received a similar letter from the Uplands Ratepayers.

"From now on, as per our official statement of last week, we will file all citizens' briefs without comment. We have done all we can do no more about citizens' letters re the C.N.R.," the reeve stated.

Mr. C. T. Hamley, appeared unofficially as a ratepayer and not, he said, in his capacity as president of the Northolt Subdivision, at Monday night's council meeting along with Mr. J. K. Stott to discuss paving of Roosevelt Drive to Denham Road. Apropos of the marshalling yard, he said he approved Council's handling of the CNR yard question, and hoped it would be built on its original planned site. "We will resist very strongly," Mr. Hamley said, "any change of location on the basis that it will cost more money... even if it costs only one dollar more it is against public interest."

Councillor William Anstey told Mr. Hamley "This is the sort of thing we need. We've been working without any support." After Mr. Hamley said "We are not second-class citizens in this area and after examining the situation from every angle it indicates good economics and good planning and we will do our best to see that it is carried out. We propose to write to the CNR along the same lines, if necessary we will also flood the newspapers," Mr. Anstey said, "We do appreciate your support."

Council adjourned until a further meeting at 9.30 a.m. today, Thursday, to complete the balance of this week's agenda.

**"Milky Way" 4-H Theme
 154 Girls Participate**

"The Milky Way" 4-H Homemaking Club project was completed by one-hundred-and-fifty-four York County girls Saturday, May 9th, in the Newmarket Town Hall. The program was under the supervision of Miss Wilda Gordon, York County Home Economist, assisted by Miss Frances Lampman, of Victoria, Peterborough and Durham Counties; Mrs. Grover Smith, of Prince Edward and Northumberland Counties and Mrs. Marion Montgomery, Nobleton.

Each club member exhibited her record book, a recipe file and a baked custard. The morning program consisted of judging a class of baked custards, and completing partially planned menus. Menus were judged for nutritional value, attractiveness and cost, each girl giving oral reasons to support her judgment. The morning program was completed with lunch, served by the Women's Institutes of East York.

Parents, institute members and friends attended the afternoon program of demonstrations, skits and exhibits. "The Milk Bar" was the title of the exhibits presented by Vellore Happy Homemakers, Temperanceville Happy Gang, Snowball Snowbells and Nobleton Dairy Queens. A three-minute comment was given by a representative of each club, Freda Constable, Joan Hare, Gloria Brown and Joan MacBain respectively. Brenda Glover commented on "Milk for the Convalescent," for Bogartown Springtime Sparklers, as did Frances Cairns for Schornberg Sunlight Misses, and Lorna Harrington for Agincourt Custard Queens.

"Milk, the Ch'ls Delight," was the title of the skit presented by Buttonville Club 15, Merrylea of South Vaughan, Vandorf Busy Bees and Laskay Milk Lassies. Edgeley Economists presented "Play Safe With Milk." The Purpleville Pixies chose "Milk on the Invalid's Tray" for their presentation.

Sixty-six girls received certificates of achievement for having completed two more projects successfully. Recipients of county honour certificates for having completed six projects were Ann Constable, Bogartown; Margaret Hendry, Edgeley; Judy Scott, Laskay; Betty Lou Williams, Nobleton; Gloria Brown, Lynette Patterson, Carol Snider, Snowball, Helen Tomlinson, South Vaughan and Mary Ellen Foote, Vandorf. The county honour pins will be presented at the junior farmer awards ban-

quet, May 30th. Special congratulations were extended to Evelyn Mactaggart, Nobleton, for having completed her seventeenth project. This is the total number of projects offered to 4-H homemaking club girls.

Each member, leader and assistant leader received a silver 4-H homemaking club spoon, for having completed the project successfully. The fall project in York County will be "Dressing Up Home Grown Vegetables." The training school for this will be held in September. Anyone interested in taking part in or group wishing to start the same lines, if necessary information from the Ontario Department of Agriculture, Newmarket.

Jaycee's Officers

Thursday, May 7, was a big night for the Richmond Hill Junior Chamber of Commerce as over 50 members and their wives gathered at the Richmond Theatre Grill for dinner and the election of officers.

The evening was kept lively by candidates of the various offices participating in lively electioneering.

Following a delicious meal, President Cec Williams awarded the following members with special awards for outstanding efforts on various committees: George Nablo, effective speaking instructor; Earl Roberts, Dale Carnegie chairman; Brian Longbottom, awards chairman; Glen Gandy, radio program; Peter Coppin, Orange Home; Leon Lambert, effective speaking contest winner; Keith Jean Marie and Ken Davis, photography committee. George Nablo then presented Leon Lambert with a beautiful award cup as the winner of the effective speaking contest.

The election of officers resulted as follows: President Murray McLeod; First Vice-president Ralph Markham; Second Vice-president Colin Burgess; Secretary Bernard Crane; Treasurer Brian Longbottom; Directors Les Buckler, Peter Pfennig.

**Mrs. E. Redelmeier Gen. Convenor
 Toronto Garden Club Flower Show**

8,000 programs to fill with advertising, make up and have printed; 92 flower arrangements to schedule, arrange and place in niches; 500 donated posters to display in the city; 10,000 advertising flyers to distribute — 2800 of them in one mammoth addressing and stamping bee — 23 commercial exhibitors to house happily in Casa Loma; five visitors from Bermuda and two Show Judges from New Jersey to entertain; 250 hostesses in nine shifts to brief in their duties; vehicles and drivers for courtesy transportation from the St. Clair-Spadina car stop; 600 jars of wine

jelly and 150 boxes of novelty annuals; these are some of the problems that have kept the Flower Show Committee of The Garden Club of Toronto very busy since last October. Now with show day less than a week away all sections of the show are ready and telephones are busy with details to ensure smooth running of the 6th annual flower show.

The general convenor of the show is Mrs. Ernest Redelmeier, a resident of the Richmond Hill area for eight years, and well-known for her work with Girl Guides and the Richmond Hill Horticultural Society. Mrs. Redelmeier is enthusiastic about the work of her committee. Everyone is eager to work for the show and its cause. The Enchanted Gardens for Crippled Children. The Gardens, to which show proceeds will go, are being planned and built by the Garden Club at the new centre of the Ontario Society for Crippled Children, and will form part of the therapeutic program when completed.

The flower show has something for everyone, with horticultural displays and flower arrangements, displays by members of the Bermuda Garden Club, lectures and demonstrations by experts, garden gift shop and gourmet corner, church flower arrangements by several altar guilds and many commercial displays.

The show is at Casa Loma next Tuesday, Wednesday, and Thursday, 10 a.m. to 10 p.m., with meals and plenty of free parking available. The admission is just 50c, with a chance at a door prize. (Mrs. Joy Milligan of Richmond St., won the wheelbarrow last year.) Mrs. Redelmeier hopes that many Richmond Hill residents will come and see what has been keeping her busy this past year.

Queen's Scout Bill Newton-Smith of the 1st Beverley Acres Troop, accompanied by his Scoutmaster, father, mother and brother Robin, was in attendance Saturday, May 9th, in the auditorium of the Midland-Penitangishene District High School in Midland. The occasion was the fifth annual Queen's Scout recognition ceremony, during which Bill received his certificate from the Honourable J. Keller Mackay, D.S.O., V.D., L.L.D., Lieutenant-Governor of Ontario. At this point in the program his honour, through his aide-de-camp, requested that the P.A. system be turned off, and proceeded to talk without the aid of it. A reception was held in the cafeteria immediately following the ceremony at which light refreshments were served.

As the troop completed the third swim night, six swimmers and seven rescuers badges have been earned thus far. The beginners' class is progressing very well.

At the regular meeting, Tuesday, May 12th, we were very pleased to have as a visitor, D.S. M. George Jarvey. The troop enjoyed an Olympic Capers night and as a result 18 athlete badges were earned.

3rd Richmond Hill Cubs
 The 3rd Richmond Hill Cubs of "B" Pack held their regular weekly meeting on Wednesday, May 7, at the Walter Scott School. The first outdoor meeting of the year was held that night and enjoyed by all. Tom Johnson and Craig Canning received their first stars. A second star was won by Larry Black and Gerry Kay and Doug Bridge. The meeting closed with a sing-song around the campfire.
