The Doncaster community ladies' club met at the home of Mrs. T. Clemence, Clarke Ave., on Monday, May 4.

Plans were made for the June meeting and final arrangements for the cure marathon to be held May 11 at the Thornhill Public School.

It was decided to hold a community picnic at Morrison's, 29 Sprucewood Ave. The date will be announced at a later time.

The remainder of the evening was spent in sewing articles for the bazaar, to be held on Wednesday, June 17.

The club is raffling a beautiful large table lamp which is to be drawn for at the June 17 bazaar.

While visiting the Barbours, 24 Henderson Ave., since Tuesday, May 5, Mr. Wm. Bridle, of Hamilton, became suddenly very ill on Saturday evening, May 9, and he passed away about an hour later.

He was accompanied by Doncaster by Mrs. F. Smith and Mr. F. Dow also of Hamilton.

Mr. and Mrs. Barbour attended the funeral, which was at Goddard, Ontario, on Tuesday of this week.

The most intensive medical search in history is going on for a drug that will cure cancer. Although "wonder drug" has yet been found there are a number of chemicals that assist in the treatment of cancer.

Birthday greetings are in order for Arthur Chomiak, 38 Glen Cameron Ave., who will celebrate his 15th birthday on Friday, May 15.

A memorable event took place on Friday afternoon when all the pupils assembled in the front yard for the arbour day planting of a maple tree given to the school by Mrs. L. Riley of Elgin St., Thornhill.

Mr. Martindale reminded the pupils of beauty, size and uses of trees and in particular the maple tree.

Mr. Laycock read from the Bible, Genesis 1, verses 11-18 and 28-31. James Binch recited Joyce Omer's famous poem, "A Tree," while Brian Dale, Joanne Bragan and Ricky Manners assisted in the planting of the tree. The pupils, directed by Mrs. H. Burke, sang "The Maple Leaf Forever."

Mr. Martindale stressed the necessity of preserving and planting trees and voiced the hope of those present that our arbour day red maple tree would be a source of beauty and shade for many future pupils of Henderson Ave. School. Other trees planted during the same week were six maples, 3 spruce and a Russian olive flowering shrub.

The area baseball series has begun with Henderson teams having lost three games and won one game but aiming to reverse the scores in the next games.

On Monday, May 11, at the Thornhill Public School, the Doncaster community ladies' club concluded another successful euchre marathon. There were 26 marathon teams and 82 others enjoyed progressive euchre.

First prize of the marathon went to Mrs. Martin and D. H. Morrison, their total was 375. Mr. Baker and Mr. Harrison took second prize with a total of 367 and third prize went to Mr. and Mrs. Riseborough who totalled 364 points.

The prize for most lone hands went to Mr. Joe Luerx, getting 18 in the 5 game marathon.

Seek 10 Year Extension Of T.T.C. Agreement The three municipalities joint owners of the North Yonge Bus Line have made formal application to the T.T.C. for a 10-year extension of the present agreement covering its operation. The agreement is due to end next December.

Following a meeting of the municipalities of Markham, Vaughan and Richmond Hill held some time ago, Mayor Ken Tomlin of Richmond Hill was authorized to seek an extension of the present agreement.

At Monday's council meeting Deputy-revee W. Dean suggested the municipalities also investigate the possibility of engaging an independent operator. Reeve W. L. Clark doubted if an independent could provide the frequency of service the T.T.C. does and still operate with closed doors from Steeles Avenue south. The T.T.C. have a transportation monopoly in the Metro area. Operating with closed doors would speed up the service for the people living north of Steeles Avenue, but would seriously cut into revenue from the line.

Councillor L. Mumberson also questioned if an independent could supply a proper terminal adjacent to the northern terminal of the subway.

News From Next Door NEWMARKET: The 26th annual art exhibition of the Newmarket Art Club featured some 90 paintings, pens and ink sketches and charcoal. They were shown by members of the club which has grown larger every year.
