**Neighbourhood Notes**  
 Nice to think on this May morning that now all one has to do to get to Europe is hop aboard a freighter with passenger accommodation at the Toronto docks.  
 This week's Saturday Evening Post carries an article entitled "I Sailed the Eighth Sea to Europe", in which the writer describes the journey through the St. Lawrence Seaway, along the St. Lawrence and across the Atlantic. Now 80 per cent of the world's merchant shipping may enter the Great Lakes. One ship line, the Fjell-Oranje, has even built two special passenger-freighters, the Princess Irene and the Princess Margarit, for the run. Each will carry 110 passengers in elegant accommodation, matched only by the luxury liners, according to the article.  
 Now all we need is the funds! Now is the season of graduation exercises and last week two proud families saw their members participate. On Wednesday, Mr. and Mrs. F. Maw were present at the closing exercises at the Toronto Teachers' College where Marie was a member of the graduating class, and on Friday, Mr. and Mrs. A. W. Miller were guests at the luncheon held for graduating students and their parents and later at the convocation when Bob received his diploma in engineering at O.A.C., Guelph.  
 Next year Marie Maw will be a member of the Toronto teaching staff, and Bob Miller will take further work in civil engineering at the University of Toronto S.P.S.  
 We heard with regret of the illness of two community members. Mrs. Secrett suffered a slight stroke recently, and Mr. Wilfred Turner received an unfavourable report from the Gage Institute and is at Weston Sanatorium at present. We wish for them both a rapid return to health. We are pleased that Mrs. Wm. Graham is making a good recovery following an assist with a virus infection and a three week stay at the Toronto East General Hospital.  
 Several W. I. members from Buttonville attended the District Annual held this year at Cliffcrest United Church, Scarborough, on Thursday of last week. Among those present were: Mrs. John Wilkins, Mrs. George Kelly, Sr., Mrs. Charles Hooper, Mrs. A. Gardner, Miss E. French, Mrs. James Rodick and Mrs. Garnet Franczy.  
 Master Jimmy Jones, son of Al and Beverley Jones, was a guest of his grandparents Mr. and Mrs. McQuay for several days last week while his sister Linda was ill with the measles.  
 Dr. and Mrs. George Kelly Sr. are happy to have Dr. George Jr. staying with them at present. The latter is having major changes made in his home and office arrangements at Newmarket and is living with his parents in the meantime. His wife, Dorothy, and daughter Susan are visiting relatives in St. Thomas during the changeover.  
 Colleen and John, children of Mr. and Mrs. Ken Stephenson, each celebrated a birthday last week. Congratulations.  
 Dorothy Hood was a member of the wedding party when Lynn Reesor of Markham took a bride on Saturday of last week.  
**Young People's Activities**  
 YPU members on the Victoria Square charge have been having an interesting time recently. Two weeks ago a ball game with Milliken young people yielded a score of 26-5 which leaves the local group out of the house league, but they will still play for fun.  
 On Saturday evening of last week there was a hay ride around Leitchcroft Farms, with Dave Leper bemoaning the fact that he drove the tractor, and on Monday of this week they met at the Wrights' on No. 7 highway for hamburgers and fireworks to celebrate the Queen's Birthday.  
 On the evening of Sunday, May 10, Matt Taylor was convener of the YPU meeting and a rousing discussion was held: "Should we accept on faith or do we require proof."  
 Next Sunday evening the meeting will be held at Brown's Corners United Church and Margaret Smith is convening an evening on Missions.  
**Brown's Corners Church News**  
 Last Sunday morning Mr. Allan MacIntosh of Markham, who will be Mr. Binnington's assistant during the summer months, preached at Brown's Corners church for the first time. Mr. Binnington and Mr. MacIntosh will each attend service and assist in its conduct at Headford Church and then will proceed, one to Brown's Corners Church and one to Victoria Square Church, alternating each Sunday. This provides a morning service for Victoria Square congregation and leaves Mr. Binnington with only two sermons a Sunday. Mr. MacIntosh is a student in honour arts at Victoria College and is York Presbyterians only candidate for the ministry at the present time.  
 Last week we neglected to mention that the profusion of roses in Brown's Corners Church on Mothers Day were there by courtesy of Mr. Ken Bennett of Mills Greenhouses, Richmond Hill. Their beauty and perfume helped to make the service more memorable, and many sick dolls representing the years mission study program and coloured lotus blossoms. The place cards and programs were white and brown hands linked, carrying out the theme "Hands Across North America."

**10 Years of Progress**  
 with  
**Premier FROST**

These last ten years, beyond all comparison, have witnessed the greatest development in the history of our province. In these ten years, Ontario's advances in the development of resources, business expansion and human betterment have been unsurpassed anywhere.

The dynamic economic creed of the Government of Premier Leslie Frost has been—and continues to be—**MORE PEOPLE, MORE INDUSTRY, MORE JOBS, MORE WAGES, MORE OPPORTUNITY, and from these MORE PRODUCTIVITY AND REVENUE TO DO THE JOB.**

Great as Ontario's progress has been, under wise and sound Progressive Conservative policies, *even greater progress lies ahead.*

<p><b>RURAL ELECTRIFICATION</b></p> <p>90% of Ontario's farmers now have power. Provincial grants totaling \$100 million have increased rural power customers from 220,000 to 473,000 in ten years.</p> 	<p><b>HIGHWAYS</b></p> <p>In ten years, Ontario's investment in our vast provincial highway system has risen from \$65 million to \$238 million a year. Road grants for the improvement of municipal roads are up from \$15 million to \$61 million a year.</p> 
<p><b>FARM CASH INCOME</b></p> <p>Farm cash income in Ontario reached an all-time high last year. Great strides forward have been made in the orderly marketing of farm products. Price supports are a reality.</p> 	<p><b>MUNICIPAL AID</b></p> <p>P-C Government policies have lightened the burden on every municipal taxpayer. Provincial aid has increased from \$82 million to \$310 million annually in ten years.</p> 
<p><b>HEALTH, EDUCATION, WELFARE</b></p> <p>Ontario's advances in health, education and welfare are unequalled. Investment in human betterment has risen from \$104 million to \$329 million a year—about half of Ontario's total revenues. Personal income has risen much faster than living cost.</p> 	<p><b>HOUSING</b></p> <p>Vigorous government action has abated the acute housing shortage. In 10 years, 425,000 new dwelling units have been completed, a record without equal on this continent. 1958 saw an all-time high of 64,000 completions.</p>
