## "Dear Mr. Editor"

### Seeks More Music Teachers

Dear Mr. Editor:

For 40 years the Bureau has been active in promoting music, because we, the members, believe music is a force for good in our national life.

Our biggest single project is piano classes in the schools. Here we run up against the problem of teachers. At present, and for the past several years, all private teachers have full classes, with waiting lists. It is impossible to interest such active teachers in this work; therefore we must look elsewhere.

In every community there must be competent pianists or teachers who have married and raised a family, who would be interested in this work, which is remunerative, interesting and definitely brings the joy of music to the young.

We want to reach these people, and therefore try to do so through the columns of your paper. If any one wishes further information, please write me.

### Seeks Information On French Huguenots

Dear Editor:

I am making a comprehensive study of the Huguenots (French-Protestants) in Canada and find that a large number of persons in Ontario have Huguenot blood in their veins. Since I am the first to undertake such a study of the origin and contribution of Huguenots to Canada, there are no records available to discover such persons. In my study so far I have found many but they have no appreciation of what wonderful people the Huguenots were and what contributions they have made to Canada.

I would therefore request that such persons advise me of their background and provide me with what facts they have concerning it. Only in this way will I be able to give credit where credit is due. Such information will be included in my forthcoming book *THE TRAIL OF THE HUGUENOT CROSS*.

Thanking you for your co-operation in this matter.

### Questions Action Of School Board

Dear Mr. Editor:

While we are all talking about the high cost of education may I make remark about one factor in that cost which most all of us could do something about. Your news pages have reported a recent item from the school at Temperanceville. In doing what he did the young teacher committed

### Attend "Gang Show"

Mr. and Mrs. Mick Ensor were two of the fortunate thousands who attended the Gang Show held at Eaton Auditorium of last week with the exception of Tuesday. It consisted of two and one half hours of singing, dancing and comedy put on by the Cubs, Scouts, Rovers and Leaders of the Lakeshore District. It was Lakeshore's first attempt at putting on a Gang Show and those who saw it hope it certainly won't be their last.

Gang Show... just what is it? Gang Shows originated in England and Lakeshore was very fortunate in having old man Gang Show himself, Ralph Reader, assist them in their production. A Gang Show is not made up of good actors, it is made up of Good Scouts... every single one of them belongs to a wider and more important outfit than any Gang Show. It is important to keep in mind that this Gang is only in being to serve the real gang in this game we call Scouting. The gang show is just one of the branches of training them towards team spirit and discipline... and then when it's over, the members go back to their packs, troops and crews.

If people find that they're better scouts because they've been in a Gang Show... well... that's the greatest tribute to these shows which are being held in Hong Kong, Australia, New Zealand, Malaya and every part of the world where the Gang is at play.

The May meeting of St. John's Evening W.A. was held at the home of Mrs. Ted Gamble on Thursday, May 14th. The most important business on the agenda was the June tea. This will be held in the beautiful gardens and home of Mr. and Mrs. S. C. Snively, Glenolney, South Road, Lake Wilcox. The tea will be held on Wednesday, June 17th, at 2.30 p.m. and members of the afternoon and evening W.A. will be only too happy to assist you in your selection at the home baking and sal. of work tables set up in the gardens.

The Fortieth Annual Woman's Auxiliary Conference of the Deanery of York was held at Holy Trinity Church, Thornhill, on May 13th. Those attending from St. John's Church were Mrs. S.

### Scout News

Two separate groups of boys camped out this weekend. The first group consisting of Johnny McFee, Tommy Hobson, Douglas Greg and Billy Powell and the second: Peter LeCuyer, Dwight Powell and Fred Waters. The two camps combined forces Sunday night sharing their beds and food. Who said weiners should be eaten any other way than covered with ashes - not these boys. Anything tastes good outdoors and boys are always hungry. Several of the boys rose early Sunday morning to return home and dress for Bible Class then home again to change and collect more food for camp. All in all a most successful weekend.
