Maple Notes

The picture "Proudest Cub in the Pack" which appeared on this page last week, should have read "Cub Robin Brock — received a plaque for a personal achievement award from Akela Ron Harding. Robin passed 13 proficiency tests to win the plaque."

Down Girl
Last week — as you may have noticed — several items concerning past and future events turned up missing in this column. "They can't do this to me," I cried. So with fire in my eye I marched into the Liberal office — only to be met with — "Well, we tried to contact you about that page that was missing from your news, but didn't get you, what happened?" My face took on a deeper shade of red and stammering somewhat, I retreated fairly gracefully.

Know what though! I have searched all through my papers at home and haven't found it. Of course it couldn't have been misplaced any other place . . . or could it?

Hay Ride; St. Stephen's G.A.
Last Friday evening the Girls' Auxiliary of St. Stephen's and their friends enjoyed a "Hay-Ride." Mr. F. Nicholson drove the happy group by a circuitous (that's not my word but it sure looks good) route to Maplewood Farms where they enjoyed a treat — a hunt and an exciting hour around the farm. The thirsty group certainly enjoyed the refreshments served by Mrs. Nicholson before returning on the hay wagon to the parish hall. There, the party continued with a lusty sing song, games and contests. Kodachrome slides were shown of Camp Couchiching followed by more refreshments. The pleasant evening closed with a brief devotional service and the singing of Taps.

Thanks to all those responsible for a really different evening of fun.
Bid Goodbye to Primary Class Teacher
St. Stephen's Sunday School will miss their primary class teacher, Mrs. Norman Currey, who has moved to Atlanta, Georgia. Before leaving, Mrs. Currey was presented with a sterling silver Maple Leaf pin in appreciation for her faithfulness to the Sunday School.

Annual Flower Sunday
Again at St. Stephen's — The annual Flower Sunday at the Sunday School, will be June 7th. The children will bring flowers on this day for those who are sick and for the shut-ins.
Maple Lions Club Doings
Thursday, May 28, was "Election of Officers Night" — the results will be announced next week.

Baseball
Lion Roy Wismer announced that 120 boys had registered for baseball and stressed the need for coaches and helpers to look after the teams. Anyone in this category would be a welcome sight on Monday or Wednesday nights at 6:45 p.m. Better still, give Ron a call at Maple 136, and ask how best you can help. These boys take their games very seriously and would appreciate your giving them a hand.

Big Things Planned For June 27.
Still with the Lions; this is a date to mark on your calendar. As we receive additional news, we will pass it along to you.

So far, tentative arrangements have been made, along with the big "draw" for a carnival in the afternoon and to top the day of fun — a dance in the community hall at night.

Your support is needed as it is from money raised at such "do's" that the Lions Club is able to support many community and charitable projects. In the past you have always been on hand so we expect to see you joining in the big day's enjoyment, thereby helping a worthwhile effort.

Draw tickets are available from any Lion and most of the stores round our town.
Watch for further exciting news.
Women's Institute
Planning to attend the picnic to be held at Shur-Gain Farms, June 10th? If you are, remember to bring your own cup and cutlery. Eating time 6:30.

There will be no W.I. meetings during July and August.
Maple United Church W.A.
Mrs. D. Jarrett presided over the May 26th meeting, with Mrs. K. Tilly in charge of the program. The worship was given by Mrs. E. Walker and the topic was "Consider the flowers," with Mrs. M. Palmer reading the scripture. Little Miss Shelley James sang two solos accompanied by Mrs. J. Yorke.

The pastor's wife, Mrs. H. Davies, told of her experiences with the National Youth Caravan, in the northern prairies, in a most interesting way.
Refreshments were served.
Don't forget the Tulip Tea to be held at the home of Mrs. R. A. Eighford, Saturday afternoon, June 6th, from 2 - 5 p.m. You are all invited and it is sponsored by Maple United Church W.M.S. (Thanks for the special invite).
Anniversary of United Church S.S.
On May 24th, Mr. Morley Kinnee, the S.S. superintendent, explained the purpose of an anniversary, which was to review the past and present. A special welcome was given to all visitors with a hope that if they had no place of worship of their own, they would feel especially welcome to join in with the members of this church.

The George Bailey Public School Choir sang most beautifully, "O God, Our Help in Ages Past" and "Brother James Air," accompanied by Mrs. W. G. Glegg, organist of the church.

Mr. W. G. Rigler, director of music, can be justly proud of his choir and Mr. Kinnee in thanking them for adding so much to the service, also congratulated Mr. Rigler, and them, for having won first prize at the York Music Festival, recently.

Children and adults alike enjoyed the Rev. J. Arnold Foster, as he talked to the boys and girls. Rev. Foster is associate secretary of the Ontario Council of Christian Education.

Having established, more or less, just what a "hobby" is, Rev. Foster said one of his hobbies was collecting cameras. He then proceeded to introduce his camera friends: there was Bob Brown, quite ordinary, made by the thousands, at one time given away to all children 12 years of age, he now was sort of a square! Then came a lady friend, Rosie, with pretty trim lines, took coloured pictures and always dependable. His next friend, Albert Einstein, was a complicated person with levers, buttons and meters, yes a very complicated character was Albert. While in Japan he picked up a Japanese camera and named it Sheegay, after a Japanese boy he met. Last but not least was a new member of family of friends. In 60 seconds she could take a picture and develop it, in fact she was so new he called her baby.

Cameras are very much like people, all shapes and sizes, all ages, young as Baby, old as Bob; some squares, some little, some trim as Rosie.

Are you a Bob Brown, dependable, solid, simple and easy to get along with, can keep your friends, wear well? Or like Rosie, this one always sees things in bright colours. Life looks happier and more cheerful because of them. Then there are people like Albert — complicated, interested in research, register in sharp focus. Now Sheegay was small, compact, had tremendous personality but Baby was new, bright and snappy, registered right away, very superficial.

Like a camera, you must polish the lens, the opening through which you look at life in clear terms, leave no dirt to black out life.

No camera works without a film, do not over expose film — it is likened to our soul — the heart of the camera. It must be solid, light proof, good film. Like the film your soul is sensitive, doesn't register only blanks. The lens through which you look at life, registers on the film — or soul.

Since you are like a camera, put your life in the hands of a master photographer, Jesus Christ who will take your life and aim in the right direction.

Whatever type you may be, a Bob, Rosie, etc. be sure you aim, take and use to register on your soul, what is worthwhile.

Your soul is sensitive, sees lots, some worthwhile registering and some not. So don't trust an amateur photographer — give yourself to the master, Jesus Christ.

1st Maple Cubs At Church Parade
Sunday last, A and B Cub Packs assembled at the shack and drove to Markham for the second annual district church parade held in the Markham Fair Grounds.

Brig. S. Jackson of the Salvation Army Danforth Citadel, in speaking to the boys, chose the Scout Signs and showed how they resembled the way of life for the Christian.

We hear the boys are showing great pride in their uniforms which is as it should be. The bottle drive seems to have been very successful.

District Rally Day at Thornhill June 13th, coming up next.
"B" Pack Achievements
Robin Brock (not Ron) with his 13 proficiency badges — soon going up to scouts. Willie Pat Langley, Richard Harrison, Claude Holmes, Doug Bridger, Larry Lloyd, John Kerr, Bill Hamilton and Eric Weir, having completed tests for the first star are progressing rapidly towards their second star and next comes scouts when nearing 12 years of age.

Working for completion of their first star, Philip Ballie, Bruce Palmer, Ricky Morris and new cubs Rainer Weidenfelder, Robert Bridger, Reay Lockhart, John Lippe, Ronald Harrison, and David Lockhart. Congratulations.

Advancements in "A" Pack
Karl Fynbo was made a second and Craig Severn and Bill Reeds were made sixers.

We understand members of this pack almost stopped traffic with their singing of the "Quarter Master's Stores," on their way to Markham.

Grades 6 and 7 Take In Museum
A gay bus load left George Bailey Public School, one morning last week to tour the Ontario Museum.

The baseball house league at the school consists of 4 boys and 4 girls' teams. Also in the inter-school league we understand G.B. Public School has won every game they have played. That sounds like a real team you have there.

Birthday Parties
We overheard Mrs. Yates was baking a birthday cake for her father. Hope he enjoyed the red candles his grandson picked out.

Don't Send Flowers
Hey, cut it out — I was only overheard for part of a morning. Thanks to those who worried about me anyway.
A Deeper Red!
So I found the missing copy from last week! At home!

Wed. At St. Andrew's, Maple

Mr. and Mrs. Art Hammond are seen above cutting their beautiful wedding cake at the reception in the Maple Community Hall which followed their recent wedding in St. Andrew's Presbyterian Church, Maple. Mr. and Mrs. Hammond honeymooned in the Adirondacks and the New England states and are now at home to their friends.

CONCORD SOCIALS

Cub and Scout News
Last Tuesday, May 26, several of the Scouts from First Concord Troop visited the Troop in Beverley Acres, Richmond Hill. The boys went right into the troop's patrols for the whole evening and joined in with their work and play periods.

On Friday, May 29, Assistant Scoutmaster Don Day took some of the Scouts bowling at Richmond Hill.

Three important dates are coming up in June that everyone connected with any Cub and Scout group should keep in mind. On June 13, a Cub rally will take place at Thornhill — more details later. June 20 is the date chosen for a weiner roast for the Cubs and Scouts and their families. The "big do" will take place at the home of the Scoutmaster, Nick Custareri. The following day, June 21, there will be a church parade at Thornhill Presbyterian Church.

The Mothers' Auxiliary held a stork shower last week for the Scoutmaster's wife, Mrs. Nick Custareri. Seventeen mothers were present at Mrs. Fred Orr's for the occasion and the "future Scout or Guide" received many useful and pretty gifts.

Guides and Brownies
Two important events took place last week in connection with Guiding. Last Friday evening Guides and Brownies from Concord joined with those from the other companies and packs of the Thornhill district for what we hope is to be an annual affair. The girls met at Mrs. Morrison's, Doncaster where they ate their supper and amused themselves hiking and tracking. The evening closed with campfire conducted by Nancy Watt. Between songs each company or pack presented a charade depicting something to do with guiding. Many, many, thanks from Concord to Mrs. Morrison for allowing us the use of her beautiful property by the river. Any time she wishes to ask us to return, we'll gladly oblige.

The morning after, Saturday, May 30, was the day of the Mothers' Group Committee Travelling Bake Sale. Always a success, the sale followed true to form. Only complaint is that the baking does not last long enough to make it possible for everyone to be called on. There is a fairly good reason for this: each mother is asked to bake three items (not three cookies or three tarts either) and this is the most that the mothers feel they can expect from each other. (After all, what would you say if someone asked you to bake four or even five items?) The only solution is for more girls to come to Guides and Brownies so there will be more mothers in the group committee and consequently more baking for the bake sale. Simple, eh?

Home and School
June is bustin' out all over for the Association this year. June 5 (that's tomorrow, Friday) in the morning from 9-10 a.m., is registration for next year's batch of recruits. So haul out your medical records, mother, and don't keep the nurse waiting while you try to remember whether it was chicken pox or measles that Junior had last year and whether or not he's been vaccinated.

Mrs. Baron and Mrs. Spurgeon will be assisting with the registration.

June 11 is election day in Ontario. Polls for Concord will be at the school and let's have 99 44/100 per cent of voters out. Last election, the turnout was very poor so let's have a good improvement on our score this year. It always seems to us that the people who holler loudest after election are the ones who "forgot" or "didn't bother" to

vote. You gals of the "baby carriage brigade" can always get a lift to the polls with a neighbour if hubby gets home too late. Now I'll get off the soap box and give someone else a chance.

The Home and School will hold a bake sale on June 11 at the school from 12:00 noon until the food is gone, so take along fifty cents or so when you go to vote.

Field day for the public schools of Vaughan Township will be June 19 this year. We'll have more details later.

June 24 will be the day for the school picnic to be held again this year at Dalziel Park, Jane St. and Steeles Ave. Pre-schoolers and their mothers welcome too. More about that affair later on.

Social
Latest measles victim is Bruce Webster and we expect sister Susan to follow shortly.

Mr. and Mrs. Fred Orr were deluged with company last week Tuesday evening they entertained Mr. and Mrs. Cliff Black, Toronto, Mrs. E. Stephenson and Mr. Ray Stephenson, Rexdale, and Mrs. H. Robertson, Minneapolis, Wednesday evening, prior to the departure of Mr. Orr's mother who left for Saint John, N.B., Mr. and Mrs. S. Stephenson and Mr. and Mrs. H. Orr, Downsview, visited the Orr's.

Mr. and Mrs. Lorne Madill, Barrie and Lorna, visited Mr. and Mrs. Omond Boves on Sunday.

Mr. and Mrs. Ed Thompson attended the funeral last Friday of Mr. Thompson's uncle.

With all the hoeing, cultivating, seeding, watering and more hoeing going on these days, Concord should display some mighty fine vegetable and flower gardens this year. One thing's sure — the weeds are sure to be a success again this year.

Local Guernsey Wins N.Y. Championship
Begacres Ada, an 8-year-old Guernsey cow owned by Mr. Jack Fraser, Concord took the award as grand champion female at the Empire State Guernsey Show, Syracuse, N.Y., on May 26. Sponsored by the New York State Guernsey Breeders' Cooperative Inc., the show was a highlight in the one-week 82nd annual meeting of the American Guernsey Cattle Club.

Begacres Ada's production record is as follows: 14,365 pounds of milk and 788 pounds of fat on 365 days test, twice a day milking. Fraserdale Farms is a doted landmark in Concord and everyone joins in extending to Mr. Fraser and "Begacres Ada" heartfelt congratulations for helping to put us "on the map."

Other noted Guernsey farms also took part in the show and here is a list of those who took prizes: Heifer calves, 3rd, Fraserdale Rex's Nona; junior yearling heifer, 1st, Brookmill R. B. Jolice, owner Howard J. Brooks, Aris, Ont.; senior yearling heifer, 1st, Tannery Hill Leader's Primrose, owner Henry Borden, King; junior champion female, Tannery Hill Leader's Primrose; reserved, junior champ, female, Brookmill R. B. Jolice; cow, 2 years, 2nd, Glenville Thor's Janet, owner J. H. Crang, Newmarket; cow, 3 years, 3rd, Tannery Hill Dr. Dersessa; cows, 5 years and under 10 years, 1st, Begacres Ada; senior champion, grand champion emale, Begacres Ada; best 3 females, Henry Borden, King. Congratulations to all these Canadian prize winners. Representing Fraserdale at the show (people-wise, that is) were Mr. and Mrs. J. Fraser Sr., Mr. and Mrs. J. Fraser Jr., Mr. and Mrs. Harold Clapp, Mrs. C. Sissons. Mr. Clapp is farm manager and deserves a great deal of credit in the production of such a fine herd as Fraserdale's.

Sherwood News

The annual meeting of the United Lutheran Church Women was held at the parsonage, Unionville, on May 20.

The U.L.C.W. held ten meetings during 1958. The members enjoyed a picnic in July and congregational suppers were held in October and in February.

"Education" was the theme of the programs. The Christian Service Committee held a quilting in February and donated the quilt to Waterloo College. Miss Maggie Keffer and Mrs. Langstaff also donated a quilt each and these were given to Waterloo College.

Each child baptized during the year was presented with a silver spoon.

A layette was made for Lutheran World Relief.

Boxes of fruit were sent to the sick and several were visited. A baby shower was held for Mrs. Lindeman and a shower to replenish cups for the kitchen was also held.

Baskets of fruit were packed for shut-ins at Christmas.

The annual meeting in 1958 was held under the unified plan. Thankofferings were sent in quarterly.

Life membership was bestowed on Mr. John Ash in September, honoring her years of service. The triennial convention of the U.L.C.W. of the U.L.C.A. was held in Toronto in September and several members served as hostesses and some attended the sessions and the reception at Casa Loma.

The biennial convention of the Canada Synod, U.L.C.W. was held in Hanover in October and was attended by a delegate and several visitors.

The new executive for the coming year are: Past President, Mrs. Ross Percival; President, Mrs. Roy Keffer; Vice-President, Mrs. Harvey; Secretary, M. S. Pierre Auger; Treasurer, Mrs. E. Boeckner; Membership, Mrs. Eric Winter; Education, Mrs. Ross Percival; Christian Service, Mrs. George Reid; Offering, Mrs. R. G. Keffer.

During the meeting a film strip on "Prayer" was shown and a talk in conjunction with the film strip was given by Mrs. Betty Harvey.

Edgeley Socials

May, 1959, can be described as a month of erratic weather in this locality. Temperatures soared to 66° on May 6, May 20 and May 27 and 28, while on the 15th, May turned into December with chilling temperatures and several hours of snowfall which melted as it touched the ground. As the month ended, the spring growth that was retarded by cold weather earlier in the month, made rapid progress in the warm humid weather.

Jerseys Win 14 Prizes
At the Jersey Show held in conjunction with the Richmond Hill Annual Spring Fair, Alf Bagg and sons captured many prizes with their Jersey cattle. In their winnings were included the grand champion cow, grand champion bull, junior champion bull and junior champion female. They also won 14 first prizes and with the exception of one, topped all in the "groups" classes.

Wedding Anniversaries
Mr. and Mrs. W. Butt are celebrating their fortieth wedding anniversary on June 4 and Mr. and Mrs. Eldon Fierheller are celebrating their seventeenth wedding anniversary on June 6. Best wishes and congratulations to you both.

Their many Edgeley friends extend congratulations to Mr. and Mrs. Eldon Boves of Concord on the occasion of their twenty-ninth wedding anniversary, June 5th.

Edgeley W.A. Meets
Mrs. Allan Poole of Concord was hostess at the regular meeting of the Edgeley Women's Association on May 28th. Mrs. Eldon Fierheller presided at the meeting opened with the theme song and the Lord's prayer.

The business arising from the minutes included a mainly a discussion regarding a suitable date on which to hold the annual W.A. church service. It was finally decided to hold it in the fall.

Plans were finalized to cater at a garden party on June 24. Invitations to attend a Tulip Tea in Maple on June 6 as guests of the Women's Missionary Society and the spring luncheon at Woodbridge United Church on June 12 when Mrs. K. Rose, president of the Dominion Council, will be the guest speaker, were discussed. As many ladies as possible are requested to attend these two fine events.

Mrs. C. H. Boake moved that \$200 be transferred to the church treasury.

The roll call was answered by each member quoting a verse from the Bible which contains the word "humble".

Mrs. Garnet Keffer read the lessons thoughts on "Humility" with Mrs. Boake following through on the theme of the lesson thoughts, "to humble yourself by giving more of yourself to missions."

Mrs. George Poole will be the hostess for the next meeting which will be held on June 18. Mrs. Frank Locke and Mrs. R. Stuart will be the social committee. Mrs. Fred Hedges will convene the program.

Sharon Wismer celebrated becoming a teen-ager, May 31st, with a party on Saturday. Having her cousin, Gail Hewitt, visiting at that time made it even more fun.

On Sunday Ron and Julie Wismer took Julie's sister, Mrs. J. H. Hewitt of New Westminster, B.C., and family, for a tour of the Niagara Peninsula.

MISS MARILYN PANKE, R.N.

Daughter of Mr. and Mrs. John Downing, R.R. 2, Woodbridge, who graduated this week from Hamilton General Hospital. Miss Panke is a graduate of Richmond Hill High School and Toronto Bible College.
