

# DISTRICT SPORT NEWS

## R.H. Peewees Win From Aurora 8-3

The Kinsmen's Peewee entry in the Aurora-Bradford-Richmond Hill loop were resplendent in their new uniforms for the game on Friday, July 3. Coach Austin Everatt says that the boys seemed to get a lift from the snappy new outfits and played like pros.

The dependable Jamie MacAnnel was again on the Hill for the Richmond Hill Club and was never in trouble at any time. As this boy grows into faster company, we expect to hear that he is really going places in the long-base game.

Catcher Gary Everatt played a good game behind the plate and was also potent with the bat. In this game a catcher can make or break his pitcher and Gary gave Jamie MacAnnel lots of support.

With only three games of the schedule behind them the local team has won two and lost one — not a bad record in any league. The parents of the boys on the club could help a lot by coming to the games. A little parental interest helps a young athlete immeasurably.

## Richvale Defeats Vellore 5 To 2

The league-leading Vellore Team were set down sharply on Thursday night at Vellore as the hungry Richvale Team came up with their best performance to date. Pitcher Glen Turnbull gave the Vellore batters lots of trouble as the old miser yielded only four hits, two of which were bunts.

Ken Roberts started the pitching job for Vellore, but after four Richvale runs had scored in the second inning, was relieved by brother Norm Roberts. Normie was tagged for only one run — a homer off the bat of Stan Thornington. Richvale's good second baseman, Bill Robson, the Richvale reliable, belted out a double in the second inning to drive in two very timely runs.

Richvale catcher Jack Christie played an outstanding game behind the plate. On two occasions Jack fielded bunts by Vellore speed-boys Harold Van Dyke to help Harold at first base. As the schedule enters its second phase, the league seems to be evening out and Richvale is out to make things tough for any opponent.

## Stouffville Girls Defeat R.H. 17-11

Nine members of the local team were on hand in the Stouffville Park for the game on July 2. Coach George Gourlay had no opportunity to make any substitutions whatever but the performance, barring the first inning, was a creditable one.

The local ladies failed to tally a run in the top of the first inning, but Stouffville was run-hungry in the bottom of the first as they scored 11 runs. Joyce Roberts, Marion Gayman, Ila Redshaw and company had Richmond Hill outfielders running in circles as the Stouffville Team shelled Dorothy King, on the mound for Richmond Hill.

With that disastrous first inning behind them, the Richmond Hill girls settled away and scored 11 runs while holding the opposition to six over the remainder of the seven inning route. The bright spots for Richmond Hill were home runs by Joan Halowachuk and Helen Vine while catcher Peggy Hopkins had six hits in six times at bat.

Don't forget that the girls' home games are in the local park on Monday nights. Come on along to the game, the girls deserve your support.

## L. Wilcox Defeats Vic. Square 5-4

On Thursday, July 2, the Red Hot Lake Wilcox crew invaded Victoria Square's home park and made off with a five to four win over the seven inning route.

John Bunn handled the pitching chore for Lake Wilcox and never, at any time, was in trouble. Bunn's pitching is one of the big factors in the Lakers' success to date. Hard working Johnny Night was on the hill for the Square and this windmill-style hurler must be the hardest-working pitcher in this or any other league. Johnny seldom if ever gets relief and has thrown just about every inning in every game. He seems to thrive on hard work and batters around the circuit claim that he is a much improved pitcher over last year when he was in the shadow of big Cliff Cox and Jack Rumney. This year he has come into his own.

Art Bedford, Victoria Square third baseman is becoming the batting slump he is in at the moment, and is positive that someone is pushing those hard hit balls right into fielders' hands. Benny Gallant and Skip Degeer continue to play good ball for the Lake team. Bruce Munro hit a long triple for Victoria Square in a vain but gallant attempt to snatch a victory for his hard-pressed club.

Jimmy Briden, coach of the Kinsmen-sponsored Juvenile Baseball Club needs help. The league that the juvenile entry was to play in this year folded up and so far the kids have only played the odd exhibition game and had plenty of practice. This sort of thing can become very boring and it is hard to hold the team together. What the boys need are some good exhibition games with other juvenile clubs around the country, within a forty or fifty mile radius.

Coach Briden can be contacted at TU. 4-3813. Anyone who could possibly help out by arranging an exhibition game either in the Hill or elsewhere please contact Jimmy at the above number or contact "The Liberal" and the message will be relayed. Come on, you ball fans, let's see what you can come up with. Monday, Wednesday or Friday nights are the most suitable or Sunday afternoon. Let's all see what we can do to hold the kids together.

### — SPORT SPOTS —

Dynes Jewellers, North York League leaders, had an open date last Thursday night and took advantage of the chance to enter the Kirkland Lake Dominion Day tournament. The weatherman turned out to be a real heel and provided weather that ducks would be ashamed of. No games — just cold, wet rain.

Assistant Coach Joe McLean enjoyed the eight hundred odd mile junket as he remarked, "The scenery was good". The only question is what scenery? Does he mean the rugged nature stuff or the feminine population of Kirkland Lake? Don't forget to ask if you should see him.

Brian Gillespie, Dynes' good first baseman, stopped in Orillia on the way up to Kirkland Lake. He took the opportunity of making new friends on the Orillia Police Force. Seems as how Gillie was a bit heavy-footed on the throttle in his anxiety to reach the site of the ball tournament and the gendarmes took a dim view. As Gillie says, "It isn't so much the money it's those (blessed) points."

### — SPORT SPOTS —

Stan Ransom and other members of the Dynes Team are proposing a softball tournament for our fair town. And why not! Our facilities are as good or better than most towns and we've got good teams in the surrounding territory. The proposal is for a one-day affair, either Civic Holiday or Labour Day, with two games at a time going in the town park. The finalists would meet at night under the lights, the winner to receive a substantial cash prize.

The tournament would be open to any team up to and including Intermediate "A" calibre. This is one way in which local residents could see what other towns have to offer softball-wise. Let's hope the local Softball Association gives its blessing to the proposed venture. How about it Doc?

### — SPORT SPOTS —

Had a nice talk with Mrs. Munroe, mother of Marion Munroe, the local girl speed-merchant. Marion now runs under the East York Track Club banner and this week-end was competing in a meet at St. Lambert, Que.

It seems as though this whole thing is a family production, and this is a great and wonderful thing. Marion's family are justly proud of her achievements to date and no attempt is being made to force the girl in anyway. Mrs. Munroe is the family statistician and carries times and records in her head so that if a question over record breaking times arise Mom has the answer. Nice relationship.

Marion also has an aunt from around Sarnia way, Dorothy Dalmage by name, who was also some shucks as a sprinter in her salad days. Back in the hungry thirties there just wasn't the opportunity that abounds today and Dorothy never got the breaks that are now coming her niece's way.

Marion Munroe is a girl who does not like people to make predictions about her future career and I couldn't agree more that this is not a good thing. The only thing that is ever sure in any track meet is that the competition is always fierce and a sprinter's condition is a delicate thing. We only hope that Marion achieves every goal she has set for herself and wish her the best of luck in whatever she undertakes.

### — SPORT SPOTS —

Last Thursday night the Richmond Hill and District Intermediate League held a meeting at the home of Mr. Connie Nason, Palmer Ave., Richmond Hill. At this meeting Ross Degeer of the Lake Wilcox Team was warned against any further attacks on umpires, verbal or otherwise, with suspension being automatic for any further offence. Ross is a good ball-player and we would like to see him around for the rest of the year. How about it, Ross? You can't beat the man in blue, so let's just play ball and everyone will be happy.

The league, also underwent a little overhauling. Mr. Norm Heintzman, of Oak Ridges, is president of the league, with Jimmy Barker of Victoria Square as Vice-President; Conrad Nason of Richmond Hill is now Secretary-Treasurer and has a somewhat unenviable job as the league financial structure is also undergoing an overhaul.

See you next week, same time, same place, with more Sport Spots.

# St. Lambert Meet Local Track & Field Stars Set New Provincial & Dominion Records

## Marion Munroe & Diane Hayes Are Sensational

by Ron Craine

A group of teenagers from Richmond Hill invaded St. Lambert, Quebec, last Saturday and proceeded to calmly and methodically rewrite Quebec & Canadian record books. Five Quebec Provincial records went by the board, and two new Canadian marks were set as the local stars went on a rampage.

Spearheading the assault was Marion Munroe who now runs under the banner of the East York Track Club. This speedy Miss started the day off by winning the 80 meter hurdles to establish a new Canadian Juvenile record of 11.9 seconds. Marion won the 100 yard dash in a time of 11.5 seconds to set a new Quebec record, then won the 220 yard dash in 26.3 seconds for another new mark in the Quebec record book. She won first place in the 60 yard dash in a time of 7.3 seconds. All this, mind you, on what was reportedly a slow track!

To cap the day Marion was entered by her coach in the running broad jump and the "Mighty Mite" won this event with a 16 ft 10 1/2 inch leap. Five gold medals in one track meet is some performance as any track and field fan can tell you.

Another Winner  
Fourteen year old Diane Hayes blazed her way to glory in this meet. By the time all the points were totaled up Diane was declared the Midget Champion and had had herself a big day. Diane established a new Canadian record by winning the 60 meter hurdles in a time of 10 seconds flat. Quebec records were the next items to be topped as Diane won the running broad jump covering a distance of 16 ft. 6 3/4 ins. Moving up into the Juvenile age group, Diane bettered the Quebec Juvenile Shotput mark by a heave of 31 ft. 11 ins. to better the old mark by 2 ft. 9 1/2 ins.

In the Discus event, Diane came up with a toss of 91 ft. even and to top the day placed second in the Midget High Jump. This was a remarkable feat, because between jumps Diane was dashing hither and yon, establishing new records in other events.

New Juvenile Javelin Record  
Gary Kozak established a new Quebec mark in the Juvenile Javelin throw by tossing the big spear a distance of 179 ft. 6 ins.

The prize list amounts to \$500.00 in cash and prizes and there will be eight awards this year. Holders of the low 64 averages for 12 cards turned in up to September 2nd, will meet in match play Tuesday night September 8th. The tournament is open to all men and women over 16 years. No entry fee is required.

Carl Beston of Thornhill, is the present Toronto & District Miniature Golf Champion.

## Dufferin Fairways To Be Scene Of Golf Finals

Interest in the biggest little golf tournament in the Toronto area — the fourth Annual Toronto & District Open Miniature Championship to be held at Dufferin Fairways, Dufferin St., at No 7 Highway, September 8th, is greater than ever, this year.

411 entries, including 72 women, have been received so far, from golfers in all parts of the city & adjoining townships. It is expected that more than 500 entries will be received before qualifying time closes.

## Stouffville Team Downs R. Hill Merchants 12-8

The game was featured by some very sharp defensive plays on the part of the Stouffville Team. In the fifth inning, Dot King sliced one over second base that looked as if it was going in for a single. Lenave Sykes, the Stouffville shortstop, moved fast to her left and made a one hand grab of the rising stop to end the inning.

The Richmond Hill Team also came up with some great fielding plays. Esther Bell on first base, grabbed off a hot line smash from the bat of Audrey Murison and stepped on first to nip Lorraine Holdsworth, who had started off with the crack of the bat. A nice double play, unassisted.

Jasia Budzianowski, in left field for the local gals, and Ange Bain in centre field, made several great catches. Jasia Budzianowski came from left field to make a great catch in back of second base on a ball hit by Ila Redshaw.

Doreen Jarvis was the starting pitcher for the Stouffville ladies. In the bottom of the fourth inning, Doreen lost her control and was relieved by Audrey Murison playing third base. Doreen Jarvis stayed in the game and went to the third base spot. In the bottom of the sixth, Doreen again came on to pitch, while Audrey Murison went back to third. Her control was still bad and she went in to catch in place of Lenora Loyst and Joan Gayman finished the pitching chore. If it sounds confusing, it was.

Helen King was George Gourlay's choice as the starting pitcher for Richmond Hill. Helen was in and out of trouble and was relieved in the fifth inning by right fielder Carol Seager with King going to right field. Carol allowed two singles and gave up two walks during her stint on the mound.

Metro Chairman Frederick G. Gardiner gives "Miss Outdoors", Nancy Robson, a few pointers in the ancient art of angling at the opening of the new Glen Haffy Conservation Area, last week. Glen Haffy, the sixth conservation area to be opened by the Metropolitan Toronto and Region Conservation Authority, is located on the brink of the Niagara Escarpment high in the hills of Albion Township.

## Whitby Ladies Down Local Gals Team 19-8

For three innings this had promise of being a good ball game as the local ladies played their best game to date. At the end of the third inning, the local team were leading by a three to one score. Then came the fateful fourth inning.

In the top of the fourth inning the Whitby team poured seven runs across to again take the lead with an 8-3 score. The seven runs were scored on five hits and three errors with five runs scoring after two were out. Carol Seager, handling the pitching chore for the Richmond Hill Team had grounds for surging the team for non-support at this point.

The top of the sixth inning was one of the most confusing innings ever seen in the local ball factory. Players were confused, spectators were confused, and most of all Plate Umpire Russ Cripps was so confused that he was literally shook up. By the time the smoke and confusion had cleared up, the Whitby side was retired and managed to score one run in this inning.

Errors continued to hurt the Richmond Hill Team and at the end of seven innings, the Whitby aggregation were leading by a 14-8 count. In the Whitby half of the eighth and final inning, five more runs were scored by Whitby, without the local team getting on the score sheet. The game ended 19-8, in Richmond Hill Merchants 8.

Irene Kehoe handled the mound duties for the Whitby Team and threw a competent game, allowing 13 hits and walking two over the eight inning route. Carole Seager, pitching for the Hill team, gave up 18 hits and walked four. One of the bright spots for the Richmond Hill Club was the batwork of Dorothy King. This girl seems to have found the range and her long home run into right field in the fifth inning was something to see.

The Whitby Team had no outstanding performers on the night's play as all the girls played steady percentage baseball all the way. Mary Sanderson at short for the local team made several fine defensive plays and finished them off with good throws to first base.

## Oak Ridges Wins 7-6 Over Cleaners

Norm Heintzman and company of Oak Ridges really pulled the July 2nd game out of the fire and pushed the Cleaner Team down into fourth spot in the league race. In the bottom of the seventh and final inning, the Cleaner Team had a 6 to 3 score going in their favour when a fine pitcher, Tony Achtmichuk showed that he can hit as well as pitch.

The first Oak Ridges batter, shortstop Bobby Wall singled and by some nifty footwork finally lighted on third base. Glen Wright laid down a perfect bunt to score Wall and Wright ended up on first base. With the score now Wimbridge 6, Oak Ridges 4, Jerry Glover hit into a fielder's choice, forcing Wright at second for the first out. Bill Costoff, who had relieved Howie Bennett, Wimbridge starter, in the fifth inning, walked Norm Heintzman, Shirley Smith, Oak Ridges' good left fielder, rapped out a sharp single and filled the bases. This set the stage for big Tony Achtmichuk to pitch and win his own ball game.

Tony took a look at a couple of Costoff's offerings, then drove a hard-hit ball down the third base line. The ball went into the dirt and bounced high over the Wimbridge third sacker's head and out into deep left field. Three runs scored on the hit as the game ended with the Oak Ridges crew victorious by a 7 to 6 count.

These are the sort of happenings that make any game of ball a great spectator sport. You can never know the final outcome until the last man is out.

Coach Austin Everatt told us that pitcher Jamie MacAnnel literally threw his arm off at Bradford on June 29, and although he ran into trouble at times, Jamie was the prop that held the team together.

## Vellore Leads Softball League

The game on June 30 was featured by plenty of hitting by both sides. The Roberts brothers, Ken and Norm, handled the throwing job for the league-leading Vellore Team and between them allowed 12 hits and gave up nine walks. Norm Roberts came on in relief for Brother Ken after one and a third innings. The first batter to face him was Wimbridge pitcher, Murray Thompson, who was hit by a wild pitch and got a free trip to first. Norm's control seemed shaky at times and in the seventh inning, Wimbridge left fielder Connie Nason was hit in the head by a wild pitch, and although shaken up remained in the game.

Murray Thompson started on the hill for Wimbridge, but the usually arful hurler just didn't seem to have the ball working for him. Murray stayed on the job for five average and two-thirds innings before Bill Costoff came on in relief. During his stint Thompson gave up 13 hits and walked three. Costoff finished out the remaining three and one-third innings, yielding seven hits and no walks.

This was a game where heavy hitters had a field day. Wimbridge Cleaner's nifty centre fielder Tony Hunter blasted out two hits in four official at bats — both home runs. The first hit was over the fence in left field and the next one was a long one to deep centre that landed well out beyond the lights. Norm Roberts did his darnedest to aid the Vellore cause by coming up with a two for five average — a ground rule double in the third and a triple in the eighth inning.

The Wimbridge Team had one of those nightmare evenings when everyone seems to be wearing snowshoes. They committed nine errors during the nine inning tour — four of them in the fourth inning. Vellore seemed to play much tighter defensive ball and made only three boos. The only bright spot of the game for Wimbridge was the stellar performance of Tony Hunter, both afield and at bat.

At the end of the seventh inning the draw for the Intermediate Softball league was held. Peggy Hopkins, catcher for the Richmond Hill Merchants Team, drew the winning tickets assisted by plate umpire George Gourlay. The first prize, a Bell & Howell movie camera went to Mrs. L. Wideman, 2 Merridale Ave., Toronto 18. The second prize, a transistor radio was won by Victoria Square shortstop Clem Elias and the \$15 third prize was won by Mr. Aubrey Stevens, R. R. 1 Gormley.

Summary —  
Winning pitcher: Ken Roberts (Norm Roberts).  
Losing pitcher: Murray Thompson (Bill Costoff).  
Vellore: 17 runs, 20 hits, 3 errors.  
Wimbridge: 10 runs, 12 hits, 9 errors, 2 home runs (Tony Hunter).

NORTH YORK: Five North York Township employees have resigned because they were not interested in the new township set-up. Three left from the planning department with two resigning from the building department.

Miami Marlins Tie Columbus For First  
Miami 10, Rochester 6

The Miami Marlins of the town's International League won the only game that was actually played in the league last week. Toronto defaulted against Columbus. The Marlins did it the hard way by coming from behind twice and scoring five runs in the sixth inning. Dave Grant, the winning pitcher was four for four as was Ken Peters in left field for the Marlins. Cook for Rochester went three for three at the plate and was walked twice. The Marlins, as a result of the win tied Columbus for first place and the Red Wings dropped into a tie for last. This week finds Miami at Toronto, Columbus at Buffalo, and Montreal at Rochester.

Team	R	H	E
Miami	10	18	4
Rochester	6	17	3

Miami 15, Toronto 14  
In the Richmond Hill Town International League last week, the Miami Marlins made a fantastic comeback against the Toronto Maple Leafs.

Trailing 12-1 with two innings left, they scored 12 runs in the top of the 6th and two more in the seventh inning to win 15-14. The win moved them into a first place tie with the Columbus Jets who had earlier captured a defaulted game from the Buffalo Bisons. Montreal at Rochester was postponed due to rain.

Parkes, Plummer, Mutch and Maddeux led the Miami assault on Toronto with three hits each. Toronto had the bases loaded in the bottom of the last inning with none out, but Dave Grant came in to pitch for the Marlins and retired the sides without any runs scoring. Toronto needed one run to tie the game.

Team	R	H	E
Miami	15	18	6
Toronto	14	18	5

Bradford Peewees Win 8 To 2 Game  
Coach Austin Everatt told us that pitcher Jamie MacAnnel literally threw his arm off at Bradford on June 29, and although he ran into trouble at times, Jamie was the prop that held the team together.

Terry Maddeux, playing centre field for the Richmond Hill crew, tried his best to even up the score as his big bat was very active throughout the entire game. Coach Everatt was pleased with his team's performance despite the loss and feels that this team is going to make its presence felt in the league.
