

Richmond Hill . . .

"The Liberal" is always glad to receive social and personal items for this page and a call to Turner 4-1105 will receive courteous attention. This newspaper will also welcome news reports about church organizations, women's and men's societies, lodges and other groups. While copy will be accepted up to Wednesday of each week, it is desirable to have it in earlier if possible to ensure its publication.

Visitors at the Herb Butt home this week were Mr. and Mrs. Butt's daughter Mary and her family, Mr. and Mrs. Don Pinder and children, Julia and Tommy, from Montreal.

The Richmond Hill Junior Chamber of Commerce is responsible for the handsome barbeque at the orange home, members of the Jaycees built it themselves. Every Monday night and each weekend the Jaycees visit children at the home and instruct them in physical activities.

J. E. Smith, publisher of "The Liberal" and Mrs. Smith are in Regina, attending the annual convention of the Canadian Weekly Newspapers Association.

by Frances Barton of GENERAL FOODS KITCHENS

A friend of mine said "If you can make jelly from one kind of fruit, then jelly made from two kinds of fruit will be twice as good!" Well, that's certainly true of the following recipe:

CURRENT AND RASPBERRY JELLY
 4 1/2 cups juice (about 1 quart) fully ripe red currants and 1 1/2 quarts ripe red raspberries
 7 cups (3 lbs.) sugar
 1/2 bottle Certo fruit pectin

First, prepare the juice. Crush 1 quart fully ripe red currants. Add 3/4 cup water and bring to a boil. Crush about 1 1/2 quarts fully ripe raspberries. Place fruits in jelly bag and squeeze out juice. Measure 4 1/2 cups into very large saucpan.

Now make the jelly. Add sugar to juice in saucpan. Mix well. Place over high heat. Bring to a boil, stirring constantly. Stir in Certo at once. Bring to a full-rolling boil. Boil hard 1 minute, stirring constantly. Remove from heat, skim off foam with metal spoon. Pour quickly into glasses. Cover at once with 1/4 inch hot paraffin. Makes about 11 medium glasses.

Where does pectin come from? Well, pectin is the jelling substance found in all fruits in varying amounts. Certo is pectin extracted from fruits rich in this natural substance, then refined, concentrated and performance-controlled. Your jam and jelly set exactly right when you use Certo and follow the tested Certo recipes.

Preserving Pointer: It's wise to buy new rubber rings each season. A good rubber is elastic and not brittle. Test each ring before using. It's poor economy to save a rubber ring at the expense of a quart of fruit.

Jam and jelly making can sometimes bring problems . . . if you have any, write and tell me. I'd be glad to help. And please visit with me again in my next column.

Mrs. R. Josland of Richmond Street, accompanied by three-year-old son Stephen, took off from Malton Airport aboard T. C.A. liner bound for London, England, via Prestwick, on Friday evening of last week. During their two month's stay in England, they will be visiting the parents of Mr. and Mrs. Josland in Horsham, Sussex, also relatives and friends in other parts. Mr. Ron Josland is manager of Dominion Stores Limited, Richmond Hill branch.

Mrs. Albert Chapman, of 153 Yonge Street South, has just returned home from an extensive tour of the continent with side trips to Shannon, Ireland and Switzerland.

Amsterdam, Brussels, Luxembourg, Venice and the Brenner Pass, Pompeii and Naples, these names with the sound of magic and spelling romance and adventure were just some of the many places Mrs. Chapman visited with her sister-in-law, a niece and their cousin when she flew by TCA to Ireland six weeks ago.

Following a four-day visit in London, the party joined 36 other tourists and flew to Amsterdam, landing at the Hook; then to Brussels, where they saw how Brussels lace is made. At Baden-Baden, by way of Heidelberg, they visited a 13th century wine cellar and saw a wine vat which had once held 55,000 gallons of wine. It is said the royal court of that era emptied the vat of its sparkling contents every three months!

At Luzerne, and past the Rhine Falls, the group walked through the covered Chapel bridge and saw the water tower. Now long out of use, the bridge crosses the lake and is beautifully decorated with centuries-old murals of knights in armour and other delights. They journeyed through the famed Albert and Brenner Pass, through Florence to Rome, by bus, "a lovely drive".

While in Rome they made a side trip to Naples and saw the ancient city of Pompeii. Mrs. Chapman told "The Liberal" that the instruments, utensils, surgical instruments, even compact and hairpins on display were quite comparable to our own. "We have only re-discovered what was once lost to man," she said.

Italy's mountainous country was much enjoyed, for the mountains are all planted in terraces right to the top with grape vineyards, and orange and lemon groves, as well as flowers that are, "out of this world". At the tiny principedom of Monaco, the visitors saw walls of purple flowers, huge hydrangeas and oleanders, "even more beautiful and far, far larger than those in the southern states", Mrs. Chapman told us.

The contrast between the Italian Riviera and the French Riviera was most noticeable she felt because of the lack of flower gardens in France.

In Paris the tour broke up and Mrs. Chapman went to Switzerland for 6 days where she stayed at Schaffhausen with some cousins living there. In Switzerland she enjoyed trips up the mountains by chair car, travelling as high as 7,200 feet — away up above the snow. Then back to Paris, broiling in 95 degrees of heat; to London and a cooler 60 degrees and in Sharron, Ireland, they shivered in temperatures as low as 40 degrees before flying back to Detroit, from whence Mrs. Chapman came back to Richmond Hill by bus.

Five members of the Richmond Hill Women's Institute attended the York County Institute Rally held at Vanoff Park on Thursday, July 9. Mrs. Reddick, President of York County W.I., presided. Mrs. S. Burnett, President of Vandorf branch welcomed the ladies and gave a short history of the park. It was interesting to hear there were 411 aprons donated from York County institute members to be sent to Scotland to be given to delegates attending the A.C.W.W. conference. A donation of \$370.50 was made from the four Yorks for the redecoration and furnishing of Doan house at Sharon Temple. After the business session, Boggartown Girls Homemaking Club put on a demonstration and gave a talk on "Milk for the Convalescent." Agincourt branch put on a short skit entitled "The Little Hen." Everyone enjoyed the meeting and the picnic lunch held in the shade of the large willows.

Mrs. May Menzies of Richmond Hill, is spending a month at Port Sanfield, Muskoka.

Misses Patricia Barnes and Bette-Jane Tomlin left Malton Monday for Windsor to join Mr. and Mrs. W. T. Barnes, formerly of Richmond Hill, who have taken up residence in that city. For the past three weeks, Pat has been the guest of Mayor Ken Tomlin, Mrs. Tomlin and Bette-Jane at their cottage in Muskoka Bay, Gravenhurst.

Mrs. Moreen Hay of Rockport Cres., arrived home after a flying visit to the U.K. While there she visited Edinburgh, Skye, London and other places of interest. During her stay in London, Mrs. Hay took some of the tours that are arranged for tourists and was able to visit places such as the Wax Museum, Westminster Abbey, Tower of London, Windsor Castle, and with her movie camera has been able to bring home a lasting souvenir of her trip abroad.

Mrs. E. R. Bradley and her two youngest sons, John and Ross are home after a pleasant two week's holiday at Beaverton. Brian and Colin spent the same two weeks at Lake Couchiching at the Church of England camp near Orillia. Brian and Colin had the added pleasure of seeing the Queen and Prince Philip as their royal train went through that district.

Congratulations are in order for Ede Butlin, who for the second successive month has led the entire women's organization of the Canada Life Sales Staff. Mrs. Butlin, who is attached to the Toronto Osgoode Branch of the company has already made many new friends in the Canada Life, and "The Liberal" wishes her every success in her new work.

The annual District Eight Convention held again this year at Cleveland House, Muskoka, with the Oshawa Club as hosts, was a big success. Over 400 Kinsmen and their wives attended from the district. Those representing Richmond Hill, were Mr. and Mrs. Dalt Hicks, Mr. and Mrs. Ray Gemmill and Mr. and Mrs. Geo. Flagler.

At a joint executive meeting, Chairman of the Baseball Committee, Harry Thomson, reported the hard ball team playing hard and making good use of their hard ball diamond in the park. The draw for the Electrohome Hi-Fi Set has been postponed until July 23 at the local park, where tickets will be sold. The set will be shown this week-end at Northtown Plaza, Willowdale.

CARD OF THANKS

Mr. and Mrs. Harvey Jackson wish to thank their many friends and neighbours for their many acts of kindness, help and transportation during Mr. Jackson's recent stay in hospital. *1w3

Engagements

WOOD — Mr. and Mrs. Ray Wood, Blind River, wish to announce the engagement of their daughter, Avril Dawn Wood, to Peter John Osmond, son of Mr. and Mrs. E. S. Osmond of Richmond Hill. The wedding will take place at St. Mary's Anglican Church, July 25, at 4 p.m. clw3

Deaths

MUNRO Donald—Suddenly at the Branson hospital, Wednesday, July 8, 1959, Donald Munro, retired member Toronto Police force, of 21 Edgar Ave., Richvale, beloved husband of Mary Fearnhead, dear brother of Mrs. A. Dowle (Jane). The funeral was held from Richmond Hill, Saturday morning at 10.30 a.m. Interment followed in Richmond Hill cemetery. ****

GLENN, Jane—At her home, Oxford St. Elgin Mills, Thursday, July 9, 1959, Jane Glenn, dear sister of Joseph, Mrs. R. H. Johnston (Mary), and the late James, David, and Robert. The funeral was held from the Wright and Taylor Funeral Home, 126 Yonge St. N., Richmond Hill, on Saturday at 3 p.m. Interment followed in Richmond Hill Cemetery. ****

MacKERACHER, John Newton — Suddenly, as a result of drowning, at Penlake, Tuesday, July 7, 1959, John Newton, loving son of Mr. and Mrs. Donald M. MacKeracher of 20 Dyson Road, Rosebank, aged 3 1/2 years, dear brother of Donald and James and grandson of the Rev. D. A. MacKeracher. The funeral was held from the Wright and Taylor funeral home, Richmond Hill on Friday morning at 11 o'clock. Interment followed in Richmond Hill cemetery. clw3

"We Love Canada—And It's People"

Mr. and Mrs. John Ashton are seen above with the oil painting Mr. Ashton has just completed of his daughter

Alice. The Ashtons are visiting another daughter, Joan, Mrs. Alex. Paterson of Ruggles Avenue, Richmond Hill.

— Photo by Mona Robertson

Fifteen months ago Mrs. Ashton decided to come to Canada for a short visit with her daughter Joan. As the months sped by and mother (so enamored with Canadian living and friendliness she found all about her in Richmond Hill) had not returned, her husband decided he had "better come across, and take her home". Mr. Ashton in turn decided to extend his visit and as he now says, "What was to be a visit of about a month has stretched into five months".

Both Mr. and Mrs. Ashton feel that they would like to come back to Canada some day, and settle down . . . whether they really will or no remains to be seen for they still have another of their children, a son Robert, at home in England now, impatiently awaiting their return. Their fourth child John, was killed in a motorcycle accident in England shortly after coming out of the army. It was after John's death that

the Ashton family first visited Canada, ten years ago, and lived for some time near Sault Ste. Marie. But Mrs. Ashton got word that her parents were very ill, and she and the children went back to England, followed shortly after by Mr. Ashton.

A retired cotton mill executive, Mr. Ashton paints as a hobby, and when they return to England they will take back more than just memories of the pleasant life they have lived while here, since Mr. Ashton has done several excellent water-colour paintings of this town.

Both daughters take after Dad, as regards painting, and the two girls attended the Bolton Art School in England before coming out to Canada several years ago. Joan, who is also a nurse, has been enjoying a stint of private duty at Branson Hospital, while her parents are home to look after their two young grandchildren. Alice works at the head of

the Canadian Bank of Commerce in Toronto.

We were interested to learn that their nephew, Alfred Ashton, is the official picture-restorer for the Guild Hall, London, England, and we hope to have a little story about his work in a later issue of The Liberal.

Mr. and Mrs. Ashton will be sailing on the S. S. Manchester City for England, August 4 — and we want to take this opportunity of wishing them a pleasant trip. We also want to say "Happy Birthday" today, Thursday, July 16, 1959, to Mrs. Ashton, from all her friends and neighbours in Richmond Hill.

And Mrs. Ashton has asked us to "thank all the many people for their untold kindnesses to us, during the months we have visited here. It would take up too much room to thank them all by name. But we do love and appreciate Canada and our Canadian friends."

Set Parish Boundaries

Church Of St. Gabriel Opens New Parish Hall

The Rector, Rev. J. W. Newton-Smith, and the churchwardens of St. Gabriel's Anglican Church, have just received confirmation from the Bishop of Toronto that the Parish of St. Gabriel's has been officially set up and that the boundaries are as follows:

On the North - Elgin Mills Side Road, both sides of this road and its production east and west.

On the East - A line approximately one-half mile east of Bayview Avenue extending from Elgin Mills Side Road in a southerly direction to the southern boundary of Richmond Hill, south of Paliser Crescent.

On the South - The southern boundary of Richmond Hill south of Paliser Crescent and its production east and west on both sides of the road.

On the West - The Canadian National Railway right-of-way and its production north and south.

First Service New Bldg.

It is only fitting, following the receipt of this official approval, that this coming Sunday morning at 11 o'clock, parishioners will gather for their first service — one of Thanksgiving and Holy Communion in the newly erected parish hall, which is to serve the congregation as a temporary church. Built in traditional church of England style — with modern materials, the hall has "to one's way of thinking" more stateliness than many modern church structures.

A campaign for funds for the new parish hall was started just one year ago and since that time services have been held in the Beverley Acres public school. Accommodation is available now to seat 300 people, both on the floor of the hall and in the balcony of the fine new building.

The new parish hall is the first Anglican Church building in Canada to be built almost exclusively of concrete — it has concrete flooring, overlaid with tile (in a permanent badminton court has been incorporated); concrete walls, and even the roof is composed of foamed concrete slabs, which were laid into place by crane. The building itself has a chapel, kitchen, vestry and complete washroom facilities, besides

FLY CATCHER IS MAN'S FRIEND TOO

Amongst the many birds whose activities benefit the human race, the Book of Knowledge gives high place to the modest little flycatcher. Weak of foot but strong on the wing, they live entirely on insects which are injurious to mankind.

TO RENT

On Yonge St., in Richmond Hill, 3,000 square feet of office space, in new modern building. Will divide to suit tenant. Reasonable rent. TU. 4-2922, or write 85 Yonge Street North.

Births

UNDERHILL — Denis and Betty are happy to announce the arrival of their daughter at York County Hospital, Newmarket, on July 13th. A sister for Nancy, Stephen, Noreen and Cheryl. clw3

Girl Guide Notes

Monday saw a group of happy guides returning home after a wonderful week at Camp Macapac. This was the district's first camp and everyone, Guides and Leaders enjoyed it very much.

The guides made many new friends and learned about living in the great outdoors. For many this was their first time away from home. Each night at camp represented a special day in the year. Hallowe'en was held on Wednesday. The girls dressed up and toasted marshmallows around campfire. Thursday as Christmas, the guides made gifts and exchanged them with each other. The local association sent up fresh fruit pies for dessert.

Santa's arrival caused quite a sensation. The junior leaders led the parade. The leaders dressed as Reindeer with one as Santa himself.

Never in History has Santa or his Reindeer looked the way they did. All this helped to make camp Macapac the great camp it was. Everyone felt a little sad as the last tent came down and we had to bid farewell to the place we called home for a week.

Many thanks to the local merchants for their co-operation and to all the people who helped make this camp possible.

If I had a nice little airplane. Back to Camp Macapac I'd fly. That's where I'd like to live again. There I would stay 'till I die.

The PLAYPEN

You'll find sail-boats and "sales" at THE PLAYPEN. Modern Toys for modern kids. Also kiddie furniture — at prices Mom will like.

TU 4-3861

PIGMIES ARE NEGRITOS
 There are several tribes of pigmies, or dwarf negroes, in Africa and elsewhere. The Book of Knowledge says that the name Negritos is applied to all of them.
