Maple Notes

Be! He's Taken to the Jungle
Remember the gone, but not forgotten, summer evenings when you used to relax in your back yard to the lazy sound of your neighbor's lawn mower as it clicked along cutting the grass, as if there was all the time in the world to get a done?

We'll bet the man who invented the first power lawn mower has thrown his first million to the wind and high tailed it to the deepest and thickest jungle where no one has the urge to cut even a path through its high grasses. Oh boy! did you ever try to concentrate on a particularly exciting novel, sprawled in a comfortable lawn lounge, while all about you the monstrocitys roared, throbbed and vibrated.

Like I say — those were the good old days! What was that you said? — Well, no — so we can't afford one yet!
No One Takes The Hint
For several issues the Shore boys were mentioned, having been somewhere or about to do something — in hopes we had given the local younger set a few clues as to what we would like to hear concerning their comings and goings.

Eventually someone mentions a trip or party or interesting happening that is now stale news (but not to me). When I ask, "Why didn't you let me know about it?" I get the standard reply — "Oh well, I never thought you'd be interested in that."

End of lesson for today, and I promise not to harp on it any more — if I start to receive the goods pretty soon, that is.

On Interesting "Pick-Up"
When driving in to Richmond Hill last Sunday, I picked up a hitch-hiker. During the course of conversation we found out that he, Nigel Cooper, had just been in Canada from England for three days.

Nigel attends Brighton University in England and is majoring in agriculture. In order to study the methods in Canada he had come over to work on a farm in Ontario for a period of ten weeks.

My Faithful Stand-by
While verbal bouquets are being handed out, I have a specially arranged one for Mrs. Margaret Woods who so faithfully arrived at my door each weekend with a written copy of the W.M.S. activities.

Not only did she confine her reports to the W.M.S., but if she thought no one else had sent in about any particular meeting connected with the Maple United Church, she tucked that in too — such as this week.

Maple United Church S. S. Picnic
Held on June 28 at Boyd Park north of Woodbridge, members and friends enjoyed their annual picnic. The weather was ideal and in no time the efficient committee had an abundance of food arranged on tables for the hungry mob.

Speaking of Meeting Nice People
Had a phone call concerning some news to her day, wonder of wonders, and it brought about my meeting a family that I would and hope to get to know better.

Gift of Bride-to-Be
On Sunday, July 5, Miss Marilyn Watson was the recipient of a lovely fruit bowl with matching bon bon dish. Mr. Norman Lund expressed on behalf of the Bible Class and teachers and officers, regret on losing Marilyn from the Maple United Sunday School.

Bible Class Outing
The Maple United Church Sunday School Bible Class, along with the teachers and officers, their families and friends from the Sunday School, accepted the invitation from Mr. and Mrs. Lloyd Kerswell, to visit them at their summer home at Brook's Beach.

Western Relations
Sounds like something concerning the U.N. or foreign policy! Nothing of the kind. Just happens to be my (Toby Shore's) uncle and aunt that came visiting their transplanted kin folk.

Double Ring Ceremony Unites Edward Smith — Anne Sibbick

A very pretty wedding took place in St. Clement's Anglican Church, Toronto, on Saturday, July fourth, at four o'clock in the afternoon where Stephanie Anne Sibbick, only daughter of Mr. and Mrs. Leonard George Sibbick of Pidgeon, Conn.; became the bride of Edward Marshall Smith, younger son of Mr. and Mrs. Donald McConkey Smith of Concord C.A.T. Rev. J. A. Roney, B. Sc. L. Th. officiated at the double ring ceremony, after which the bridal couple received Holy Communion.

The bride, who was given in marriage by her father, wore a wedding gown of white tulle appliqued with Italian lace, made on princess lines with long pointed sleeves and a cathedral train. Her finger tip veil was held in place by a coronet of seed pearls and she carried a bouquet of white gardenias and lily of the valley with a pendant silver horseshoe. The bride's attendants, Mrs. Peter Cunningham, Miss Pat Bell, Miss Nancy Raunard and

Normaple Residents To Save On Bell Mileage Charges

A plan to extend the telephone "base rate area" served by the Maple exchange means that future telephone subscribers in the new Normaple Subdivision will not have to pay the additional mileage charges customary in rural territories for individual and two-party service.
Bell Telephone has applied to the Board of Transport Commissioners for Canada to have the plan in effect on July 22.
"Much of the anticipated growth in Maple is centered around the Normaple Subdivision now under construction," said J. C. Garside, Bell Telephone Manager for this area. "About 200 homes are expected to be built by the end of 1960, and enlarging the Maple base rate area will bring rates of Normaple residents to the same level as in Maple."

Good Citizen Topic For July Meet Of Vellore Women's Institute

The topic for the July meeting of Vellore Senior Women's Institute was citizenship and the motto — "You Can Preach a Better Sermon With Your Life Than With Your Lips."
Mrs. W. Bryson convener of the programme read a paper on the topic showing that a good citizen must have the ability to live in harmony with his fellow beings and learn to adopt himself to other people and their ideas. Various group organizations have helped a great deal.
Mrs. E. Witherspoon based her topic on the motto. As an example of a life dedicated to a great work. She told the story of the life of Florence Nightingale — "The Lady With The Lamp."

Former Maple Resident Selected Lead Role

Sylvia Grant, who has appeared with The Toronto Opera Festival Company, the CBC radio and TV, and The Stratford Festival, left for Banff where she will be singing the title role in Puccini's opera, Madame Butterfly, August 9th. In addition to the performance in Banff, the opera will also be staged in the Jubilee Auditoriums of Calgary and Edmonton, accompanying Sylvia Grant on the western flight are her two sons, Jordan and Peter, who will visit their grandparents in Calgary. The Grants until recently were residents on Gramm Street in Maple.

"Constructive Breeder Award" Again Awarded To Don Head Farm

The well known Jersey herd of Don Head Farms at Richmond Hill, has again qualified for the "Constructive Breeder Award" and a certificate covering this has been sent to the Redelmeier family, owners of Don Head, by the Canadian Jersey Cattle Club.
This is the third time the herd has qualified. A certificate is renewed every two years if the herd lives up to the high standards, and so far Don Head has had no trouble in so qualifying.
There is in their herd at the present time a total of 137 cows on test that have a mature equivalent average production of 9,550 lbs. of milk, 509 lbs. of butterfat, with an average test of 5.33 per cent. 176 cows in the herd that have been classified have an average rating of 87.61 per cent which is one of the highest ratings of a herd of any size in Canada.
In addition to high production and type, Don Head has bred many sires that have qualified above 450 lbs. of fat on their tested daughters, in the past two years.

Teen Town
Close to thirty teenagers and adults attended the annual weiner roast held again this year at Mr. and Mrs. Orr's. The group enjoyed dancing to records on the lawn and of course consuming numerous hot dogs and bottles of pop. Several novelty dances took place and one of these, "The Lemon Dance," really kept everyone on the bit. Several kids (and a couple of older "kids") too won prizes for spot dances a ballroom dance and other games. Attendance could have been higher but with some members working and others on holidays, this was excusable.

F'rthday Party
Belated greetings to Johnny Russell who celebrated his sixth birthday last Saturday by having a little party. The children played games and ate a nice lunch. Enjoying themselves at the party were Lynn Keffer, Ronny Smith, Sharon and Nancy Russell and Danelle Day who came along to help Sharon to get things going. Unable to be present were Bruce and Marsha McClymont who went with the rest of their family to the cottage. Billy Johnson was on the sick list with a tonsil infection.
