Regweed
Enemy of Hay Fever Sufferers

It is estimated that 80% of the people in Ontario who suffer from hay fever each year have Ragweed to thank (?) for their complaint. Ragweed flowers from July until frost and the pollen is produced abundantly from mid-July until the frost comes. Relief is sometimes given by desensitizing inoculations. Regarding these, consult your Doctor. Others try to spend this time in an area free of ragweed.

Ragweed has been classed as a noxious weed under the Ontario Weed Control Act. The plants may be hand-pulled, mowed or sprayed with a chemical. In any case the Weed Control Act demands that the owner of land shall destroy the plants as often as necessary to prevent the ripening of the seeds.

LANGSTAFF NEWS

CORRESPONDENT: MRS. M. J. ROY
Phone Avenue 5-2806

Holy Trinity Church, Thornhill, was the setting for the wedding of Gail Marilyn Lockhart, daughter of Mr. and Mrs. Stanley W. Lockhart, Sussex Avenue, Langstaff, to Ernest Daniel Denby, son of Mr. and Mrs. Lawrence Denby of Thornhill, Ont., on Saturday, July 4, at 2 p.m. Rev. Ronald H. T. Owston, cousin of the bride, officiated.

The wedding music was played by Mr. Devey, and vocalist Mrs. Tomlin sang "The Wedding Prayer" and "O Perfect Love".

The bride, wearing a full length gown of white silk organza over taffeta with sabina neckline. Tiny iridescent beads and pearls sparkling against the French chantilly lace which formed the bodice with a full flowing front panel of lace on the bouffant skirt. A small high crown of pearls and orange blossoms held her full fingered illusion veil, and she carried orchids and stephanotis.
Linda Howe, maid of honour, was gowned in pale blue organza with chantilly lace top and carried pink roses. Bridesmaids Sherrin Kent, cousin of the bride, and Martha Baker, cousin of the groom, were dressed similarly in pink and carried blue tinted roses. They wore matching headbands.

Sheila Moulton, cousin of the bride, was flower girl and wore blue organza, and a headress of blue flowers.

Best man was Pierre Bokers and ushers were Paul Baker and Robert Ohlis.

Receiving at the Four Winds, the mother of the bride chose a Dior blue lace and organza sheath and corsage of pink rosebuds.

The groom's mother assisted in a pink lace sheath and corsage of blue tinted rosebuds.

Later in the evening, the bride and groom left for a two weeks wedding trip to Parry Sound and North Bay. On their return, they will reside in Maple.

Daily Vacation Bible School
For school age boys and girls who love stories, singing, surpris-

es. You will enjoy thrilling Bible stories, wonderful choruses, contests, object lessons, pictures, hand work and other interesting things to do and hear. Daily Vacation Bible School sponsored by the Christian Service Centres of Canada will be held at Langstaff Baptist Church, July 20 to July 31, commencing each morning at 9:30 a.m.

Graduates Enjoy Banquet
On June 25, 32 members of the graduating class of Langstaff School sat down to a delicious dinner given them by the Home and School Association. Parents of the children arrived at 7:30 p.m. for the evening's entertainment and presentation of awards. The scholarship award given by the home and school association was won by Terry Lazar, and the proficiency award was won by Lawrence Drew. Terry Lazar gave the valedictory address.

Principal Urquhart and Mrs. Windrim presented the students with their graduation pins.

The guest speaker of the evening was Mr. A. S. Elson, Principal of Thornhill High School.

Other guests were the staff of the school, Mr. Sand, Supervising Principal, Mr. Martin, Music Supervisor, Mrs. Elliott, Art Supervisor, Mrs. Neal, Mr. Facey of the home and school association.

During the evening, the grade 8 choral group under the direction of Mrs. Evans sang several songs.

News writing today has been accompanied by the pounding of the huge construction machinery at the street line as the workmen go about the job of laying the water pipes on Sussex Ave.

With the completion of Sussex, all the water pipes will be laid on the side streets from Yonge Street to Bayview. It will indeed be nice to be able to give the lawns and gardens plenty of water and not to watch them wither away depending on nature herself. Let us hope there will be a plentiful supply available when all of Water Area No. 1 is hooked up.

Miss Outdoors, Nancy Robson, presents Dr. Ross Lord, chairman of the Metropolitan Toronto and Region Conservation Authority, with a gift at the opening of the Authority's new conservation area, Glen Haff, today. Glen Haff, the sixth conservation area to be opened by the Authority, is located on the brink of the Niagara Escarpment high in the hills of Albion Township, one-half mile south of Mono Mills.

HEADFORD NEWS

CORRESPONDENT: MRS. H. ACREMAN
R. R. 2 Gormley — Phone T'Urner 4-2236

Mrs. Hugh Deverell, Mrs. Percy Briggs, and Mrs. Acreman attended Victoria Square W. M. S. meeting for July, on Wednesday last at the home of Mrs. Lawson Mumberson. Repeating their delightful gesture of last year at this time, Mrs. Mumberson and her committee invited us all to an al-fresco luncheon. There was a very good attendance, and we were all happy to be able to see and greet Miss Olive Glover, home now after her long stay in St. John's Convalescent Home.

Following a brief meeting, during which the Literature Sec. was instructed to procure the Study Packet, which this year deals with Africa, we all adjourned to the Mumberson garage. Here we viewed many things brought by the members to be sold; a procedure ably conducted, with much mirth by Mr. Briggs, when last "object" was gone, those in charge found themselves richer by \$38, and eight cents, which is designated for buying Literature.

Victoria Square is well on the way to becoming York Presbytery's best read branch. Our very sincere thanks to all who participated in making it a memorable occasion, as well as a very pleasant one.

On Monday last, Mrs. Cummer Lee, saw her mother, Mrs. J. McDougal of Toronto, off to spend the summer with relatives in Grand Valley.

It was nice to have Miss Emma Barker with us in Church on Sunday last.

Belated birthday greetings to Michael Calder, and very many happy returns for next Monday to Susan Terry.

Murray Acreman was in Lindsay at the weekend; and on Sunday evening he and Lorraine brought from Toronto, Johnny and Theresa Pierce to spend their summer vacation with them.

Did you know Headford has growing pains? Or perhaps it would be more correct to say our Vacation School has. Keeping up its already well established reputation, our numbers are increasing daily. Attendance on Monday was 116 pupils, while Tuesday was 130 present. The co-operation of the weather man was perfect for these two days. On Friday evening all parents are invited to

attend Headford Church at 7 o'clock, to see the display of work done during the week, and for a brief look at how we conduct our worship there. For Monday, opening day, everyone was extremely happy, and our hard-working Mrs. Rumble, in addition to leading the singing, told a delightful and meaningful story in the worship period. Up to the time of writing there were no casualties hadn't even heard of the use of a single band-aid! Mothers may rest assured of the safety of their youngsters - we have police cooperation this year in view of the fact there are some heavy gravel trucks on the road. Leadership this year is both outstanding and plentiful.

Freak Accident Is Nearly Fatal

Charles Crawford, 45, of Oak Ridges is resting quietly at home with a short piece of wire one-half inch from his heart.
The piece of wire drilled into his chest when tossed up by a power mower as Mr. Crawford was mowing his lawn about 8:30 p.m. Monday night. He described feeling an impact on his chest and a stab of pain as though he had been shot.

Mrs. Garland Vine, sister of Mrs. Crawford, drove the injured man to Dr. Gordon Chunn's office in Aurora and from there he was ordered to York County Hospital. X-rays showed a piece of wire, from a quarter to half-inch long, lodged about one half-inch from the heart.

Mr. Crawford was kept in hospital for observation and then allowed to go home at 5 p.m. Tuesday. He was told to rest and not do much moving around. Doctors advised him that as long as the wire stayed where it is there is not much danger. In time, Mrs. Crawford said Wednesday, a major operation may be needed to remove the wire.

Attends 2 Weeks Summer School

B. F. Glavin of Richmond Hill was among the 275 secondary school teachers who attended an intensive two-weeks summer school at Lawrence Park Collegiate, Toronto. The course, which ended July 10, was the fifty consecutive summer school sponsored by the Ontario Secondary School Teachers' Federation for its members. In age the teachers ran from 2. to 50. They voluntarily switched roles to become students again in order to improve their professional qualifications. The course is part of the year-round program of professional development sponsored by the Federation. Living expenses plus a fee are paid by the teachers themselves.

Come on in out of the heat

What sweeter invitation than that! And you step from the scorching heat into the refreshing coolness of an electrically air-conditioned home. All through summer's hottest days an electric air conditioner lets you work in comfort—sleep in comfort—wake refreshed... keeps the air in your home alive—rids it of smoke and odors. You get more out of life when you get the most out of electricity.

live better ELECTRICALLY
