

NORTH YORK : For seven years ome 200 youngsters in North York have not gone to school in a permanent building. The school board has told objecting parents that before a permanent school is approved by Metro, all empty classrooms in nearby schools must be filled. The chairman of the school board. Frank Watson said the tendency will be to diminish in population since most of the lots in the area concerned are already built on and that enrol- ent is at its peak now.

by Ron Craine Phone TU. 4-4057

Sil Steffan and family drove some 400 miles to get back to the Hill so that Sil could play in the Dynes Jewellers - Bergson Drugs tilt last Thursday night. Vivian Steffan was not exactly overjoyed when they found that after cutting their holiday short, the Bergson Team had defaulted the game to the Jewellers and the trip had virtually been made to no avail. Don't feel too bad, Vivian, we are glad to see you back

### - SPORT SPOTS -

The Richmond Hill Track and Field Club got what may prove to be a big boost last week. The North York Board of Education has built a good track at Earl Haig Collegiate and have given the Willowdale Branch of the Y.M.C.A. the use of the track. The latter group upon hearing about the trackless track and field set up in the Hill have offered the local kids the chance to use the track every Tuesday and Thursday night. This is a very neghbourly gesture and deserves a hearty thanks from

- SPORT SPOTS -

Jack Dunn, good third sacker with the Wimbridge Cleaners Team in the Intermediate League, has moved up to play with Dynes Jewellers in the North York League. Jack is a polished infielder, who will certainly add to Dynes' already great defensive strength and his bat will add needed power at the plate. Stan Ransom was wearing a large grin after snaring this boy.

- SPORT SPOTS -

Carol Seager of the Richmond Hill Merchants Team is apparently finished as a ball player for this year. Carol was injured nearly two weeks ago on a close play at third base and reports range from a fractured ankle to torn ligaments. We hope that it is not too serious and that Carol will be able to return to the line-up before the end of the season.

- SPORT SPOTS -

Catcher Peg. Hopkins of the Merchants' Team won't be available for the next few games as Peg, her husband Ted and their two daughters have a Florida vacation. Peg says the reason is the popular price tags on Florida vacations at this time of year. Have fun and hurry back.

### - SPORT SPOTS -

The Dynes Jewellers Team are planning a picnic for the families of the players, to be held on the second Sunday in August. Site of the picnic is indefinite as of this writing, but wherever it is held the boys want to ensure the kids of a good day. Sometimes a ball player's family just doesn't see as much of husband and dad as they might like to during the season and for this reason a big family day seems like a darn good idea.

Norm Heintzman, president of the Intermediate League and Oak Ridges Ball player, was screaming loud and long last Thursday night. For the first time this year, the Ridge Team finally defeated their arch rivals, Wilcox Lake, by a 10-6 score. This should have pleased brother Norm no end but the only trouble was that no league umpire showed for the game and it was classed as an exhibition. Wha' happen George Gourlay, umpirein-chief? Someone get his signals crossed?

— SPORT SPOTS —

A girl named Joan Kevill seems to be the answer to what was wrong with the Richmond Hill Merchants' Team. Joan is a pitcher and a hitting pitcher to boot. According to our sources of information, this girl is a control pitcher with a fine change of pace. Pitching has been the weak spot on the club and with this department adequately filled the club should start to roll. The only fly in the ointment is the fact that Joan plays with the "Glens" who are not affiliated with any league, but play exhibition games and then enter the P.W.S.O. Playdowns. Joan has not yet decided to throw in completely with the local team. We hope that she does decide in favour of the Richmond Hill Team and are sure she won't regret it.

- SPORT SPOTS -Last Thursday night the local Police Force returned the home plate from the hardball diamond. The plate had been found along the C.N.R. tracks, just thrown away. That's just plain malicious stupidity. However we're very grateful to the boys in blue for returning the plate and hope they can bat 1.000 by finding the microphone from the P.A. Note to Tubby Barrow, Minor Hockey League official, and Centre Street resident, a new microphone was purchased, Tubby, or hadn't you noticed?

- SPORT SPOTS -

The results of the Richmond Hill vs Woodbridge All-Star game are recorded elsewhere on this page. The Richmond Hill boys lost by a very lopsided score, but some explanation is in order.

Under the Minor Softball League rules a senior must be under 16 years old. The wearing of spikes is prohibited both by common sense and by a clause in the

league insurance policy.

The Woodbridge Team wore spikes, not just softball spikes, but in some cases, baseball spikes which are longer and more deadly. Russ Jones, a game little guy, who was playing good third base for the Richmond Hill Team was spiked near the knee by a Woodbridge player who we think would be lucky to see 18 again.

It would seem that some more careful scheduling and rigid adherence to rules are needed to keep the kids from humiliating defeats and possible serious injury.

- SPORT SPOTS -

Haven't heard too much lately about the proposed Labor Day Softball Tournament. How about it Stan Ransom and Sil Steffan? If your Dynes Jewelers Team wants to go ahead with tournament plans you know that all kinds of help and support will be forthcoming.

- SPORT SPOTS -

The Argonaut Football Club is using St. Andrew's College at Aurora as their pre-season training camp. We got a letter signed by Lew Hayman inviting us to Aurora next Wednesday for a round of golf - an Argo workout and a dinner. The golf we're going to skip as the club would go broke re-sodding divots, but the workout and dinner sound great. Tell you about it next week, so don't miss the next exciting (?) chapter.

## Ball Game Results

Thursday, July 16 Richmond Hill Merchants 10

East York Kiwanis 6 East York Kiwanis. The local good starting pitcher.

alive in this game as centrefielder | run league. son. Joan Kevill helped her own hopes to stage a game in the ning by an old knee injury. ball that proved she is as good future. with the big stick as she is effective as a hurler.

Team spirit seems to have improved one hundred percent, and if Joan decides to stay with the team, local fans will notice a big improvement. The team played faultless ball the other night and foolish errors that have killed their chances in the past, just weren't committed.

Tuesday, July 14 Dynes Down Bergson Drugs 9-1

and officials. Dave Ferguson, the from the game, and forced to leave the bench as the game threatened to get out of control. A report of the game has been given to league officials and suspensions may result when all the facts are in.

George Ward, who is rapidly coming back to his old form, was Dynes' starting pitcher. George struck out 15, gave up one walk and was tapped for three hits while facing 25 batters. Ken Harris was the Bergson hurler and Ken had five strikeouts, issued four walks and was hit 10 times.

The only Bergson run came in the third inning off a home run hit by right fielder Bob Pearson. From this point on Ward was in perfect command of Bergson batters while his team mates enjoyed a quiet night afield.

Dynes came up with two home runs in racking up their nine run total. In the fifth inning, Jack Dunn, making his debut with Dynes at third base, blasted a long homer with Lorne McLean on base to score two runs. A nice way to begin with any team.

In the ninth inning, Lorne Mc-Lean came to bat with the bases loaded. Lornie poked one out into right close to the foul line. Right fielder Pearson, travelling fast to his left for the ball saw it take a freak bounce to his right and give him no chance for a play on the ball. Four runs came in and wrapped up the scoring, Dynes 9, Bergson 1.

Winning Pitcher: George Ward. Losing Pitcher: Ken Harris. Dynes Jewellers: 9 runs, 10 nits, 0 erros, 2 home runs (Jack Dunn, Lorne McLean). Bergson Drugs: 1 run, 3 hits,

Thursday, July 16

Bradford 5, Richmond Hill 3 The Bradford Team proved to be too big a nut for the Richmond Hill Pee Wee Team to crack as they twice fought down rallies by the local team. On two occasions the Hill Team had the bases loaded but the Bradford Team retired the side with no runs resulting. Jamie Macanuel and Paul Ramer shared the pitching duties for the Hill with starter Macanuel being charged with the loss. The infield combination of Jimmie Fleming, Doug Danter and Jimmie Walsh produced a snappy double play while third baseman Billy

Richards played heads-up ball. There will be no further action in the league until August as holidays are cutting the schedule to shreds. The local club is entering the Newmarket baseball tournament in August and local fans are asked to watch the paper for information as to the date and

times of games. \* \* \* Wednesday, July 15
