Billy Jackson Leads Dynes In Record Department

So far this season Billy Jackson has been Dynes Jewellers leading mound ace. Bill has started and won four games for the Jeweller Team and in thirty-five innings has had only three runs scored against him. In this stretch Bill has struck out twenty seven batters and walked eleven, to compile a very enviable record.

Bill Bowen has pitched 40 and one-third innings, striking out 59 and giving up only five walks. This works out to about one walk per game and in softball this is quite a feat. Bill has had six runs scored against him all of the earned run variety. "Big Daddy" better known as George Ward, has pitched 35 and two-thirds innings, striking out 44, walking 12, and has had 13 runs scored against him, three runs being unearned. With a pitching staff capable of this high calibre performance, Dynes are leading the North York League with Avarrell's All Stars snapping at their heels in the second spot. Lorne McLean, Dynes' speedy centre field ace, is leading the Dynes' batsmen with a healthy .452 average. Eric Hillaby is batting a very respectable .367, while Moe Williamson is in third spot with .298. The same Mr. Lorne McLean is leading in the hit department, having connected safely 19 times this season and is credited with seven runs batted in. Moe Williamson is credited with eight runs, batted in and has crossed the plate himself to score 14 runs. Moe has three stolen bases to his credit, all of the spectacular variety. Dynes' catcher Sil Steffan has had two home runs while six of his team mates have had one each. Pitchers Ward and Jackson have each homered once, while Billy Bowen owns the only triple to be hit by the team. With pitchers who can hit as well as pitch how can you lose?

Vacation School
 Vacation School was the order of the day last week for the children on the Victoria Square charge. Every morning, Mr. Gordon Morton took one of his buses and picked the children up and took them to the Vacation School which was held in the Headford United Church and the Headford Public School. Then at 11:45 a.m. he went and took the children to their homes. We would like to say, "Thank you," Mr. Morton for doing this for the children to enable them to have such a good week.

The average attendance of children was 122 and Helpers 24. The Bible Study, singing period and Craft work made a most interesting morning along with a break for refreshments. In the closing exercises held on Friday evening when a number of parents were present, the Director, Mrs. F. Leaf thanked all who had helped to make the school so successful.

Sunday School Picnic
 The annual Sunday School and community picnic was held Tuesday afternoon and evening of last week at Musselman's Lake with 92 in attendance. Due to the flubbug flying around in the community the attendance was smaller than had been anticipated. Those who were victims of the bug were very disappointed that they were unable to attend.

Again Mr. Gordon Morton took one of his buses for those without transportation and we again extend our thanks to him. Following a sumptuous supper, races were held.

Oldest person present was Mrs. Rolph Boynton; youngest was Barbara Mackness. Largest family: Arnold Morton's; Longest (Tallest) married couple: Mr. and Mrs. E. Vanderkooy; Shortest (smallest) married couple, Mr. and Mrs. Nelson Boynton.

Everyone reports a wonderful time. The children and adults enjoyed the swimming.

Young People's Dance
 The Young People of the Victoria Square charge are holding a "Barn Dance" on Saturday July 25, at Arnold Morton's farm, 1 1/4 miles west of Victoria Square on the Elgin Mills sideroad. Turn north for one-half mile at the intersection, signs will guide you. A guest orchestra will be present. It starts at 8:30 p.m. sharp. Come and bring your friends.

Baseball
 On Monday evening of last week in the Junior Boys Softball League, Headford boys visited Victoria Square and won the game by the score of 30-11. On Monday, July 27, Brown's Corners team will play the local boys. The games are played at Norman Tyndall's.

Local International League

Marlins, Jets Still Tied For Top In International League
 The local International League is starting to develop into a two division league. With both Miami and Columbus still undefeated and pulling away from the rest of the pack the remaining four teams should have quite a battle for the other two playoff positions.

Last week the high-flying Marlins downed the winless Montreal Royals 23-15. Columbus kept pace by dropping the Toronto Maple Leafs 11-10, the second successive one-run defeat for the Leafs. Buffalo Bisons whipped the also winless Rochester Red Wings 16 to 9.

The Miami game saw the usually sharp Marlin defense become very sloppy as they built up an early 12-1 lead, just about blow it when the Royals scored 10 runs in the third inning, then bounce back as the Marlins chalked up 10 in the seventh. Peters was the big gun with a perfect four for four for Miami. Dave Deighton hurled the Buffalo win over Rochester and Wilson homered for the winners. The win moved Buffalo into second place behind Miami and Columbus. Columbus kept rolling as Mabley and Kinneer pounded Leaf pitching for three hits each.

This week finds Montreal at Buffalo, Toronto at Rochester, and the big one Miami at Columbus. The last game will give one of these teams its first loss and the other sole possession of first place.
