Maple Notes

Well, I knew it had to happen sooner or later and this seems to be it.

Here I sit waiting for inspiration (a substitute for news), and I sit and sit and sit!

News Via R. F. D.

Thanks to Mrs. D. Archibald for her interesting news through the mails. Here it is.

Local Boy With Britannia's Sailors:

Verne Archibald was lucky enough to have his picture taken with two sailors from the Queen's Royal Yacht, "Britannia," while visiting at Hamilton. Sister Sharon was right on hand with her book and was able to get their autographs.

Visitors from B. C.: Mrs. George Christian, with her sons, Evan and Jamie, from "Ernie, B. C.," visited at the home of Mr. and Mrs. David Archibald, last week.

More Like Living: Since John Johnston switched construction companies, he has been working in the Don Valley. Previously he had been batching it in a trailer while bridge construction kept him north. Now Lillas finds it much to her liking to "have" to cook week night dinners for one more. Paul is working during his holidays from college with his Dad.

David Johnston was available to entertain whenever his baby nephew demanded attention last week-end. Baby Weldie spent the week-end with his grandparents, Mr. and Mrs. John Johnston.

Luncheon With Prince Phillip: Apart from being there yourself, the next best thing is to have one of your friends among the lucky ones. So it was that Muriel Weir, having been a guest at a luncheon for Prince Phillip, took time out to answer our many questions concerning same.

The occasion was the recent inauguration of the Prince Phillip as President of the Canadian Medical Association. This took place in the Royal York Hotel and was followed by a luncheon.

How come Muriel made the big time? Well, her dad Dr. Routley, as President of the C. M. A., and also the B. M. A. (British), figured in the guest, and family, list.

Everyone present was greatly impressed with the Prince's charm and wit and his genuine

interest, and considerable knowledge concerning the many things that touches our everyday lives.

Former Maple Residents: The Wells, both families, Art's and Lorne's, were delighted to have Mrs. Ramsey and her daughter Margaret, visit them recently. They moved from Maple, where they had lived for some time, to Leaside, Toronto.

A Visit With Grandma: Susan Campbell kept grandma on the hop and well entertained this last week when she came a-visiting her grandparents, Mr. and Mrs. Wilford Park.

Asking For Trouble: While driving down from Newmarket the other Saturday, we encountered one of the more stupid forms of advertising we have come across. (Since the advertising business is our bread and butter we don't often knock it.)

—BUT—coming into Oak Ridges, we saw this clown cavorting in the middle of the highway, waving his arms, holding a bunch of balloons, trying to get passers-by to stop at some special sale or opening of a new place. Three cars came to a screaming stop in front of me, trying to avoid hitting this character, and I doubt if anyone dared glance over to see what he was trying to get folks to buy. Seemed like a perfect set up for a nasty accident, on a very busy highway!

Richil-Tee-Ca: Perhaps you have read about the Richiltea (Richmond Hill Day Camp), a camp for the little folk in town, that is held at R.H. High School under capable supervision.

Richil-Tee-Ca, (Richmond Hill Teen Camp) is a special division created for the teen-aged boys, 13-14-15 years of age.

This camp is held from July 27-August 7. During the first week it is planned to conduct a course in canoeing, swimming, water safety and campcraft, at the end of the week tests will be given in the various lessons taught.

As a result of these tests, the boys who have qualified, will be selected to go on a week long canoe trip to Algonquin Park.

Peter Shore took off Monday a.m. to start the week's training (at Musselman's Lake) with high hopes of making that desirous canoe trip. Just such a trip has been a not so secret wish for some time.

Has any other boy from Maple signed up for it, I wonder. Sounds like quite an adventure!

By the By: I had a very nice thank you note from my English chance acquaintance—the hitch hiker I invited to spend the night at our place, while he was waiting to be located on a farm—Nigel Cooper. He is at Loretto, Ontario, and I thought it was very thoughtful of him to drop me a line.

Getting Sold on Small Town: Since Len (Shore) has been in hospital, everyone has been so darned nice about phoning and making enquiries, - even folks that I hardly know, except by name, if people aren't careful I'm going to have to back track and come around to admitting what I have secretly surmised all along, that small towns are just about the nicest spot in which to hang your hat!

Fore-warned: Please note that "Maple Notes" now has to be in at the Liberal Office by NOON on Mondays. This means that I should have your news at an earlier time or it will have to be held over for the net issue; Just keep it coming in and eventually we'll get it worked out—this is what my right hand at "The Liberal," Associate Editor, Mona Robertson, tries to assure me.

News of Teen Town: Watch for news in your column next week concerning the efforts of a group of teen-agers in organizing a Teen Town, here in Maple.

On Holiday: The Rev. W. H. Davies of Maple United Church and his wife and children have left for a four week's holiday in Northern Ontario. During Mr. Davies' absence the Rev. E. M. Nichols will be the guest preacher.

William McMullen is a native of Ireland. He has been in Canada five years. Last October he and his family moved to Rich-

Joy, which is the largest warship on the Great Lakes, as it lay in dock at Midland. We understand that this was the first time since 1814 that an American warship has been in these waters.

This week we wish a very happy birthday to Fred Hendry, July 26; Bill Darlington, July 29; Alf Bagg and Louise Howden, July 30; and John Stuart, August 1.

Mr. and Mrs. Peter Sanders and Gregory and Paula visited the pool on Sunday.

York County Clubs: The 4-H Calf Clubs of York County spent an enjoyable day Wednesday July 22 when four bus loads of young people, among them a number from our district, toured the Niagara Peninsula. Among the interesting high lights of the day was a visit to Niagara Falls, a tour of a fruit farm and a look at the Welland Canal.

The York County Holstein-Friesian annual picnic was held Thursday last at Sibbald's Point Lake Simcoe. The noon hour rain did nothing to dampen the spirits of the members and their families who enjoyed a fine lunch, swimming and races.

Wedding

Maple United Church was the scene of a lovely evening wedding on July 17, 1959, when Miss Marilyn Watson, daughter of Mr. and Mrs. Gordon Watson of Maple, became the bride of Dale Edward Watts, son of Mr. and Mrs. J. E. Watts, Uxbridge, Ontario. The Rev. Harold Davies officiated and Mrs. Roy Clegg played the wedding music. Miss Lynda Reeds, nine years old, sang "The Wedding Prayer" and "Promise Me."

Wearing traditional white, with fingertip veil, the bride who was given in marriage by her father carried a bouquet of white carnations, red roses and baby's breath. Miss Margaret Wiltshire and Miss Catherine Johnson attended her in gowns of blue net over taffeta and carrying bouquets of pink roses and white carnations.

The groom's brother, Robert, was best man and Robert Gillies and Richard Taylor were ushers.

Following the ceremony a large reception was held in the United Church education hall, following which the happy couple left for a wedding trip through northern Ontario. On their return they will set up residence in Richmond Hill.

Nancy and Wilbur received many lovely and useful gifts. Miss Faye Nichols assisted the bride and groom-to-be in opening their gifts. Nancy and Wilbur thanked everyone for their gifts and for the kindnesses shown them.

The Woman's Association met at the home of Mrs. Heber McCague, Richmond Hill, on Wednesday evening of last week. The July group of which Mrs. McCague was the leader was in charge of the meeting. Other members of the group who assisted were Mrs. G. Joyce who presided, Mrs. Herb Nelson who read the scripture, Mrs. Nelson Boynton who gave the lesson thoughts and Mrs. Arnold Mortson who led in prayer.

All were sorry to hear of Mrs. John Clelland's illness which prevented her speaking at the meeting on behalf of the group. We were fortunate in having Mrs. Austin Rumble, Literature Secretary for the Woman's Association of York Presbytery as the speaker. She brought quite a display of literature and everyone learned that there is a W.A. program packet, and many leaflets and books with valuable information for the members.

Mrs. Arnold Mortson thanked Mrs. Rumble and presented her with a "Queen's Visit" souvenir spoon on behalf of the group.

We are sorry to report that the president of the W.A., Mrs. L. Mumberson was indisposed and the business portion of the meeting was taken by the 2nd Vice-President, Mrs. H. McCague. York County Appoints Central Bureau Staff

The four members of the York County Security Staff have now been named by the York County Police Committee. Chosen from 50 applicants were Sgt. Robert Burbidge, Newmarket, who will be in charge of fingerprinting and the identification bureau; William McMullen, Richmond Hill; and Joseph Madden, Oak Ridges, security drivers for the patrol wagon; and Gail Palmer, Aurora, chosen as matron. It is expected the central bureau will be in operation by August 15.

Robert Burbidge has been a Newmarket resident for the past 12 years, he attended Etobicoke High School and Ontario Agricultural College. In 1957 he studied all phases of police identification at the RCMP centre in Ottawa and graduated with a 96 per cent average. He started the county fingerprinting bureau in 1956 and was made sergeant of the Newmarket police force the same year. Sgt. Burbidge is married, with two children, Linda 5, and Bobbie 3.

William McMullen is a native of Ireland. He has been in Canada five years. Last October he and his family moved to Rich-

mond Hill. He is at present a guard at the Don Jail, Toronto, and was previously employed at A. V. Roe before the layoff last spring.

Joseph Madden is a resident of Oak Ridges for the past seven years, Joseph Madden is a graduate of DeLaSalle College in Toronto. He was a security guard at A. V. Roe, Matron for six years before being laid off last spring. He is married with two children, Bobbie 9, and Susan 3.

Gail Palmer is a former reporter-photographer for the Toronto Telegram. She has already started her duties as matron for the new York County central bureau. She was with the Telegram for nine years before which she worked on the Brampton Conservator and in Val D'Or. At present she resides in Aurora. The York County council agreed with the recommendation of its police committee, at the June session, to hire security guards to man the central bureau. The bureau will deal with all the transportation of male and female prisoners, photography and central records which the individual police departments throughout York County would require.

High Provincial Officials Visit York County Forest At Vivian

The Minister of Lands & Forests, the Hon. J. W. Spooner, accompanied by Deputy Minister, Frank MacDougall, division heads and other senior department officials from Toronto, visited the York County Forest, at Vivian, on Wednesday, July 8.

York County Forest is one of a large number of forest areas managed by the Department of Lands & Forests under agreement with counties and river valley authorities, totalling 110,000 acres in Southern Ontario.

Permanent sample plots were established early in the life of the forest and from periodic measurements of growth and yield, information is obtained to determine the proper age to thin plantations and also the degree of thinning required in stands represented by these sample plots.

One of the most significant factors obtained from plots is the rate of growth. The present merchantable volume of one stand visited by the group is 32 cords per acre which added to 19 cords taken out in previous thinnings amounts to 51 cords per acre.

In addition to the measurements taken on sample plots, the department staff has laid out a number of control plots which are left uncut and unmanaged.

Comparison of the two plots highlights, very clearly, the greater value received when plantations are properly managed. For example, in the managed area, trees — after 34 years had an average volume of 8½ cubic feet, compared to 4 cubic feet in the unmanaged control plot.

Of the commercial plantation area of 1800 acres under agreement with York County at Vivian, 500 acres falls in the 32-34 year age class, the delivered value of which in poles and posts would amount to \$1,000,000.00. While, obviously, there is no intention of clear-cutting these figures do give a very interesting indication of present volumes and market value after 34 years. A further 1885 acres is established, chiefly for protection purposes on very poor sites.

The Minister and his party also visited the forest headquarters, toured the main tract, and examined the pond and water reservoir. The latter is an important factor in fire protection, which had been established as a result of reforestation of the area.

For today's farming you need the new features of Massey-Ferguson machines

Today new farming methods; new technical developments and new engineering advances bring constant change and improvement in tractors, combines and other farm machines.

Old style machines can't give you the ease of handling and speed you want, they don't have the labour saving features you need and they don't give you the money-making

ability to help you farm profitably. Obsolete equipment doesn't have what is needed to meet the demands of farming today. Move ahead with the latest Massey-Ferguson machines and free yourself of the handicap of trying to farm modern with out of date equipment. Ask your local Massey-Ferguson dealer for full particulars about the latest models.
