Venture Plan For P.O. D. McCallum

Word has just been received by Sea Cadet Petty Officer Don McCallum that he has been selected by the Navy Board to train under the Venture Plan. His selection follows four and a half years in the Sea Cadets, where he has attained the rank of Petty Officer Second Class at the age of 19 years. He recently spent 10 days at Centralia undergoing various training and tests.

The son of Mr. and Mrs. Gordon McCallum of Richmond Hill, P. O. McCallum leaves for Esquimalt, B. C. tomorrow, Friday. He will be based at H.M.C.S. Venture, which is a land establishment at Esquimalt, a few miles from Victoria, B. C.

Under the navy's Venture Plan Don will become an officer cadet and may obtain his short service commission in seven years time. At present the program is: initial training and a year's academic training, which will follow him his permanent matriculation. Following this he will be able to transfer to regular officers' training for his permanent commission and go to a military college to get his degree in engineering or science. He also has another choice - which he is considering rather seriously - that is to remain at Venture and become a pilot with the Fleet Air Arm.

"The Liberal" offers congratulations to P. O. McCallum and wishes him continued success in his navy career.

Due to the increasing number of Jewish families taking up residence in the Richmond Hill, Aurora and Newmarket districts, the executive committee of the Richmond Hill Hebrew Congregation have found it necessary to employ the services of a spiritual leader. The Reverend Cantor Al-an Jacobs has been engaged, and recently took up residence, with his wife and two children, at 7 Rockport Crescent, Richmond Hill, Hill.

Until such time as premises are acquired for religious services, the lower part of Cantor's home will be used for Hebrew classes for the children, and for a small sanctuary for sabbath and holy day services.

Cantor Jacobs was born in England in 1929, and from the age of 14 years has been continually associated with the music of the synagogue. At one time he sang with the world famous London Jewish Male Voice Choir. He received part of his religious education at Jews College, London England, which is the seminary for Rabbis and Cantors. He studied music and cantorial art at the Conservatory of London, under the tutorage of the Reverend A. Garbacz, one of England's foremost cantors.

High Buildings Coming Soon In Richmond Hill
On the recommendation of the Planning Board and Town Planning Consultant, McAdams, Richmond Hill Town Council Monday evening passed a by-law, the first in a series amending the existing zoning by-law.
The new zoning by-law has been prepared by the planning consultant after consultations with the Planning Board and municipal heads. The new enactment will remove any ambiguity existing in the original land-use by-law.
Councillor Joseph Paterson expressed the hope that the new by-law had enough teeth to permit prosecutions for violations.
A change contemplated in future amendments is a change in the height requirement for new buildings. Under existing regulations height of buildings is limited to 35 feet. Council members intimated the regulations will be changed to permit higher buildings in the commercial area.
The zoning by-law amendments require approval of the Municipal Board.
