WIFE IS "LUCKY GIRL"

TO WISH IS TO HAVE WITH A WELL STOCKED FREEZER
RECENTLY, as was reported in "The Liberal", Mrs. Patricia Paxman of 245 Palmer Road, Richmond Hill, won absolutely free a wonderful freezer together with three months stock of frozen foods by correctly guessing the weight of radio announcer Teddy Froman in the contest organized by Town & Country Marketers of Markham Road. That was nearly three months ago. Mrs. Paxman is a well known crossing guard at the Walter Scott school and had never previously owned a freezer.
Interviewed this week after nearly three months of ownership Mrs. Paxman declared, "It is a real blessing and I don't know how we managed without it before". She said that following the announcement of her good fortune in winning the freezer many people greeted her in the streets with "You're a lucky girl". Patricia says she thought the freezer was "a lovely present". After it arrived and was installed by the Town & Country workmen, she said she looked at it a dozen times a day for a while because "she couldn't believe this really had been her good fortune." She sent clippings of "The Liberal" report of her win to friends in England and these in turn wrote to the local press there so that the report was reproduced in "The Southern Standard", Essex, England. The company's foods she says "are beautiful". Mrs. Paxman also explained that she was able to buy bread wholesale at a saving and it kept "wonderfully fresh in the freezer". This is also convenient because "with the town growing so fast the baker does not call so often". There are many other points in favour of her freezer which space does not permit to reproduce here but the company will be glad to advise at any time
YOU can obtain YOUR home freezer TODAY simply by telephoning TOWN & COUNTRY MARKETERS, 210 Markham Road, Richmond Hill, AV. 5-5401, AV. 5-5402 and AV. 5-5403, or COME & SEE our wide display. Open daily until 10 p.m.

HEADFORD NEWS
CORRESPONDENT: MRS. H. ACREMAN
R. R. 2 Gormley - Phone Turner 4-2236

W. A. Headford W. A. opened its Fall season with a meeting in the Church on Tuesday evening last, with a fair attendance. Letters of thanks were read for the fine floral tribute, and for various other services performed for the late Gwen Johnson. Gwen was a much valued member of our society. We had a delightful surprise when Mrs. Harry Burton sang two delightful numbers for us and accompanied herself on her guitar. Mrs. Charlie Horner was in charge and had asked Margaret Brodie to show slides of the trip she and her mother had taken to Florida in the Easter vacation. To the collection she had added a few local pictures taken by herself from the air, and a few taken by the Stewart Rumbles on their recent trip to the east coast.
Afterwards, Mrs. Burton sang again, one of her songs this time in her native Quebec French.
During the refreshment hour, a greeting was sung and a decorated birthday cake was presented to Mrs. Wyn Deverell, who had celebrated a day or two before.
Some equipment to make taking care of the church easier was authorized to be purchased; also to have the broken basement window repaired and the church doors varnished.
Next meeting will be at the home of Mrs. Stan Clarkson, on October 13, when the word for roll call will be "Power." Also, the Thanksgiving boxes are due to be brought in at that meeting.
Mrs. Deverell, her sister Mrs. Duncan of Vancouver, Mrs. Percy Briggs, and Mrs. Wm. Wellman, accompanied Mrs. Acreman to Markham to the home of Mrs. Angus Valliere for the September meeting of Victoria Square W. M. S. on Wednesday afternoon last. Despite the intense heat, there was a good turnout of members. The study book, "Africa Disturbed," was introduced by one of the members. Mrs. George was appointed delegate to the Fall Rally at Ashworth, taking place on September 15.
Returning home, Mrs. Acreman's circle of ladies in the added delight of an unofficial preview of the flower show at Unionville.

A meeting of teachers and officers of Headford Sunday School took place last Thursday evening when plans were finalized for the Rally Day and Promotion service which will be held next Sunday. The committee hopes that all parents who possibly can, will be on hand for this joint service at ten o'clock. Pupils should be in Sunday School a few minutes before ten if possible. Mr. Allan McIntosh will tell the story.
Please keep in mind also the Church Anniversary for the following Sunday, September 27, when services will be held at 11 a.m. and 7 p.m. Speakers and chorus will be announced next week.
The Cummer Lees were at Grand Valley last Sunday, to bring home Mrs. McDougall who had gone up to celebrate a very special family birthday.
Lorraine Acreman is remaining with her mother at the lake for this week.
