**TO WISH IS TO HAVE WITH A WELL STOCKED FREEZER**

Mr. and Mrs. John Russell live at 295 Browndale Crescent, Beverley Acres. They have three lovely children, Ronnie 8, Richard 5 and the baby of the family, Bobbie. Ron & Dick are pupils at Beverley Acres School.

Mr. John Russell is a truck driver for Canadian Packers and two years ago the couple bought their first freezer. "Best buy we ever made" says Mrs. Russell. Neighbours persuaded them then, "but we would require no persuading today" says Mrs. Russell. It saves such a lot of time, keeps fruit and vegetables such a long time so freshly, lets me buy bread wholesale and so saves again. "In fact it easily pays for itself by the genuine savings," added Mrs. Russell. "Such nice foods are delivered under the food plan that we honestly do eat better for less," confirmed Mrs. Russell. "And when I bake I do a really big bake-a-dozen of everything because they will stay fresh in the freezer indefinitely," went on the Russells. "It saves so many shopping errands," explained Mrs. Russell. "I really cannot understand any home getting along without a freezer."

**YOU can obtain YOUR home freezer TODAY simply by telephoning TOWN & COUNTRY MARKETERS, 210 Markham Road, Richmond Hill, AV. 5-5401, AV. 5-5402 and AV. 5-5403. OR COME & SEE our wide display. Open daily until 10 p.m.**

**Brownies**

The Third Thornhill Brownie Pack met at Henderson Avenue School on Friday night, September 18th, at 6:30 p.m. to leave for Camp Samac in Oshawa for a weekend Camp Out. Camp Samac is actually a Boy Scout camp with heated cabins and the Brownies were given the privilege of using it last weekend as it was not in use by the Boy Scouts. Five cars took the 14 Brownies and their Brown Owl Leaders to Oshawa. When they arrived at the parking lot there, a tractor trailer took their gear down to the camp and the girls hiked.

On Saturday they went on a hike and had great fun fording the river by exchange of rubber boots back and forth. They also had a good ball game on Saturday and finished the night off with a demonstration of fire lighting and a marshmallow roast.

On Sunday, the girls had a church parade, the Catholic girls going to their own church and the Protestant girls held a service in a beautiful open air church in the trees, which has been prepared expressly for that purpose. After lunch, the girls busily packed up for the return journey home and hiked back up to the parking lot where the parents met them with cars to transport them back to Toronto. A tired but happy group of Brownies arrived back at Highland Park on Sunday evening, safe and sound with no casualties. Birthday congratulations are in order for Jimmie Darley who celebrated his 10th birthday on Tuesday, September 22nd. Also for Jane Goodyear of 91 Woodward Ave., who celebrated her third birthday on Tuesday, September 22nd.

**Girl Guides**

The 1st Thornhill Girl Guide Company spent a very enjoyable week-end, camping out at Georgetown, Ontario. A former Girl Guide, now living on a farm at Georgetown, has given permission to our Guide Company to use an area on the farm at any time they so desire. This is a lovely spot, quite secluded and ideal for such camps and the Guides are very grateful.

Nineteen Guides went out on Friday night under the supervision of the Guide leaders. Three of the senior girls tried for their Campers Badge. Mary Gage, Lucy Trudel and Sharon Sturgess had to take over complete charge of things from the preparation for departure to the return trip home. The girls did a wonderful job and passed their test successfully. Four tents were used on this camp out. Three of these were purchased by the Company from funds raised by the girls selling wrapping paper, birthday cards etc.

One of these tents was purchased outright by a very generous donation from the Doncaster Community Ladies Club, for which the Guides are very thankful.

The Girl Guides also spent a wonderful ten days camping, back in July at Vandorf, just east of Aurora, along with group of Guides from Aurora district.

The fall session of Guide meetings commenced on Tuesday, September 15th, in the auditorium of Henderson Avenue School.

One Girl Guide who was unable to complete her holidays was Bonnie Barnes of 34 Woodward Avenue. Bonnie had to be brought home from Summer Camp in July, due to ill health. When Bonnie was taken to the Doctor's Office, he had her hospitalized immediately in the Sick Children's Hospital, Toronto. Bonnie's diagnosis showed that she had Scurvy and she was treated accordingly and brought back to health again. However, Bonnie did not stop at this. When she got home, she developed a virus and was confined to bed again. Just recuperating from this, poor Bonnie contacted the

mumps and once again was ordered to bed. We all like our bed at times but I think Bonnie has seen enough of it for this year.

Bonnie and her family are very grateful to the Girl Guides, their leaders, neighbours, friends and relatives for their kind thoughtfulness during her long illness and wish to express their thanks to one and all.

Bonnie will be staying with her married sister in Aurora for a short time as her mother, Mrs. Mary Barnes is now in Branson Hospital undergoing surgery. You have had a busy summer, Mrs. Barnes and we wish you a very speedy recovery.

**Brownies** Brownies opened their Fall session with a meeting at Henderson Avenue School at 4:00 p.m. on Tuesday, September 15th. The main topic at this time was the planning and preparation of a weekend camp-out to be held at Camp Samac in Oshawa, commencing on Friday, September 18th.

**Scouts And Cubs** Approximately 75 letters of invitation were sent out to cubs and parents to attend a general meeting on Thursday, September 10th but only 8 responded. This proved very discouraging to those who have worked so hard in past years.

It is felt that there will be no cubs and scouts this year unless more volunteers come forward to assist in this commendable work.

Cubs and Scouts is a wonderful organization for young boys and helps keep them busy and out of mischief. If anyone is interested enough in the youth of this district to assist in such a worthwhile endeavor, Mr. Harry Johnson of 43 Woodward Avenue would be very pleased to hear from you.

If enough assistance is not offered, there will be no Cub or Scout in this area as it is too much work for one or two people to carry on.

The Petronella dancing classes commenced on Friday evening, September 18th, at 8:15 p.m. in the auditorium of Henderson Avenue School. Petronella is the name of an Old Country Dance and this class for adults to learn Scottish Country dancing. The classes are run by Mr. and Mrs. A. R. Foster, 117 Woodward Avenue and are held every Friday night. All adults are invited to come and spend an enjoyable evening together.

Mrs. Pollock of 19 Grandview Avenue is going to hold her ballet classes again this year commencing Friday evening, September 18th, for the seniors and Saturday, September 26th for the Juniors. Mrs. Pollock was over-crowded last year and will be limiting the number of pupils this year.

**Thornhill United Church News** Sunday, September 13th was the last service for the Rev. E. B. Eddy at Thornhill United Church. Dr. Eddy and his family are leaving this community to live in Hespeler, Ontario. It is expected that a new minister will be appointed in the next couple of weeks. All members are urged to come out on Sunday, September 20th, to hear the minister from Minden, Ontario.

The Sunday School, which is held at 11 a.m. is desperately in need of teachers and any volunteers would be greatly appreciated. Instead of sending your children to Sunday School, why not take them and assist them to learn of God and His wonderful promises.

The Sunday School will also be in need of a Superintendent and Mrs. Gage, who has done a wonderful job in the past two years will be unable to carry on this year.

The Highland Park branch of the Thornhill United Church Women's Auxiliary held a meeting on Tuesday, September 15th, at which time they discussed plans for their bazaar which will be held on Saturday, November 7th. It is hoped that this year's proceeds will top that of last year which was approximately \$2500. The ladies have been busy decorating plastic carrying baskets with colorful foam trimmings during the summer and have netted over \$300,000 on the sale of these.

**Socials** Miss June Lahonen of 24 Woodward Avenue was given a shower by her aunt, Mrs. Browning of Toronto, last Thursday evening. About twenty-five people attended and June received some very lovely gifts. June is to be married on Saturday, September 26th.

Mrs. D. Darley held a family surprise party for her sister and family, Mr. and Mrs. E. Graham of Church St. S., Richmond Hill, on Wednesday, September 9th. The Graham's have lived in Richmond Hill for about 9 years and Mr. Graham worked for Loblaw Groceries at Fleet Street, Toronto. However, Mr. Graham was born and raised on a farm and felt the call to go back to farming. They moved from Richmond Hill on Friday, September 11th to live on a farm at Beaverton, Ontario.

**Birthday Congratulations** Lynda Harris of Woodward Avenue celebrated a belated birthday on Saturday, September 12th. Lynda invited about twelve young friends to her house for a barbecue supper in the garden. Lynda was 8 in August but was away camping with her mother and brother Ricky at the time of her birthday.

Mrs. D. Darley celebrated her birthday on Monday, September 14th.

We are sorry to report that Mrs. A. A. Smith of 80 Woodward Avenue who was burned badly a couple of weeks ago when the grease from her frying pan caught fire, is still in hospital. The shock upset Mrs. Smith considerably and she is now under treatment for her nerves.

Marie Curie who, with her husband Pierre, discovered radium in 1898, once made the remark that "Nothing is to be feared. It is only to be understood."

**York Pioneer & Historical Soc. Honour Three For Their Work**

Honorary life membership in the York Pioneer and Historical Society was conferred on Harry I. Price, President of the Canadian National Exhibition; Major A. A. Mackenzie M. L. A. for North York and Alfred H. Cowling, M. L. A. for High Park at the society's annual special meeting in the Scadding Cabin at the C. N. E. Grounds on September 10th. This action was by way of recognition of the services of these gentlemen to the cause of local history, particularly in the preservation of the historic sites of the exhibition area. Of Mr. Price the citation stated "We are happy to testify that Mr. Price has an appreciation of the place this area has in our country's history. This year the Bay of Humber was again a place of historic importance. Nearly a century and a half ago this shore was the landing place of an invading army carried here by a hostile fleet. The naval display of 1959 in the Bay of Humber was an event marking 146 years of unbroken international peace as well as

**Men Wanted For Free Dinner Offer**

THE ST. MATTHEW'S UNITED CHURCH (Crosby Avenue) Men's Club meetings will be resumed next Tuesday, September 29th, at 8 p.m.

The Chief Constable of Richmond Hill will be installed as president for the coming year by the retiring president, Mr. Orville McGee.

The purposes of the club which has been popular in the past, is to provide an opportunity for men to get together in Christian Fellowship and to promote activities of interest and value to the community.

Last year the regular monthly meetings were held every 4th Tuesday evening. The Club will decide at next Tuesday's meeting when future meetings will be held. This is to be the last meeting with the retiring officers of the club. The installation of the officers for the coming year will take place during the evening.

**Thornhaven School For Retarded Children To Hold Bazaar October 15**

Gradually over the past few years Thornhaven School for Retarded Children has come to hold a vital place in the heart and spirit of the wide community it serves and the people, touched by its unique requirements, have wholeheartedly rallied to its cause.

This year its annual Mammoth Bazaar will be held again at York Farmers' Market, Yonge St., Thornhill on Thursday, October 15, and as in the past everyone will sense the typical bustle and excitement to be found only at all fairs and bazaars.

More than ever before the resources of the community will be contributing to make a success of the event. As in the past, Mrs. Gordon Dues of Thornhill and a group of her friends will make and serve afternoon tea. Five new groups have graciously offered their services. The Richmond Hill Jayettes have taken the toy table in hand, the Richmond Hill Kinettes have chosen white elephants, the Women's Auxiliary to the Ontario Land Surveyors have taken the gift table, and the Thornhill Women's Institute will help with arranging tables before the bazaar. The organized assistance added to an increasing number of individual donations of wares and help will go far to make this year's the best bazaar yet.

But Mrs. L. T. Redman, bazaar chairman reminds us it is still not too late to plan a contribution. Her telephone number is AV. 5-4108, and she would like to hear from those thinking of doing something to help, for even the smallest donation means money for Thornhaven School and is most gratefully acceptable. She realizes many kindly people just bring their contributions with them to the bazaar and leave them at the tables - and she would not discourage this practice - but she would like to be able to thank the donors. Articles of baking, gifts, white elephant, used clothing, are among those suggested as being easy for any one to give.

A feature of each bazaar is always the free bicycle draw for children, and as usual flyers will be distributed in schools in a wide area with entry forms for boys and girls. Teen-agers will be particularly interested in the Lucky Draw, first prize for which is a hi-fi portable record player and hi-fi library. Second and third prizes are a Sunbeam electric mixer and a portable radio.

Thornhaven School itself continues to expand, with an initial enrollment of 30, requiring an increased staff and two buses covering 250 miles daily. The bazaar helps keep the school operating. This year will mark the move in June from the old location on Bayview Avenue east of Thornhill to the new building in Richmond Hill later this fall. Meantime the school carries on thanks to the generosity of St. Mary's Anglican Church, Richmond Hill, in their beautiful and spacious church hall and school. One thing is sure - without the help and interest of the community there could be no school. Support the bazaar, come and have fun.

"I can't recall needing a telephone repair in 52 years!"

SAYS DR. NEIL SMITH, D.D.S., OF CHATHAM, ONT.

Dr. Smith, a graduate in dental surgery of the University of Toronto, was Commanding Officer of the Chatham Regiment in World War I and has represented Canada in shooting competitions at Bisley.

"Since 1906, I've had different phones as they developed better and better ones — and not once do I remember calling a repairman!"

Many other long-time users have to think hard to remember when they last had to have their telephone fixed.

When you stop to consider the pleasure and convenience you enjoy with never an extra repair expense, you may well agree that the value you get for your telephone dollar is truly unique.
