Super-Lastic 100-Level Nylon Tires are **SPEED SAFE - HEAT SAFE - SHOCK SAFE and MOISTURE PROOF**

You've never seen a better buy!

The racing car drivers at the big Indianapolis "500" chose Nylon for the same reasons that you know you are **SPEED SAFE** when you ride safely on Nylon. Super-Lastic Nylon cushions the shocks and protects against impact and bruise damage when the tire strikes curbs or potholes or rocks on the road. Nylon withstands flexing strain, gives extra blow-out protection - cool running and heat resistant. Super-Lastic Nylon ends blowout hazards due to moisture and cord rot. Install Super-Lastic 100-Level Nylon Cord Tires on your car - for Nylon safety, at lowest cost.
