Here's new gem-bright beauty, room to sprawl in and sit tall in. New lean-muscle engine economy, new space and silence in the going. For fineness of features, for precise craftsmanship — for all the things that make a car good to own — the '60 Chevrolet stands alone in its price field.

If ever a car stood out from the rest of the crop, it's this '60 Chevy. From its clean-thrusting grille to its dapper rear deck, its styling is as fresh as a new-minted coin. You'll be just as wide-eyed over what's inside — the relaxing roominess, tasteful trim, hushed elegance, all

comfortably cradled by Full Coil springs at all four wheels. And yet, you'll find new economy of operation, new dependability, new longer life. Here, truly, is the nearest to perfection a low-priced car ever came. Take to the road in the sparkling new sixty Chevrolet.
