School News

Powell Road School Home and School Association has been disbanded temporarily at least as the association was unable to acquire sufficient members to fill the necessary executive offices.

The pupils of Powell Road School are busily preparing themselves for the Area School Field Day which will be held on Wednesday, October 7th at Thornlea School. The girls are also limbering up for future volleyball tournaments.

Henderson Avenue Home and School will hold its monthly meeting on Monday night, October 5th in the auditorium of the school at 8:00 p.m. Please note that the date is October 5th and not October 19th as was mentioned last week in another column. The guest speaker at that time will be Miss Helen DeLaporte from the DeLaporte Educational Clinic in Toronto. Miss DeLaporte will give an address on Remedial Reading which should prove very interesting and worthwhile making an effort to come out and hear.

Henderson Avenue School pupils are working hard at field day preparations which will also be held on October 7th along with the other schools of School Area No. 1 Markham and Vaughan.

Brownies New Brownies were accepted into the pack at the weekly meeting held Tuesday, September 29th after school in the Henderson Avenue School Auditorium.

Guides The Guides held their swim tests at the York Mills Collegiate swimming pool in the week and Julian Dempster of 86 Woodward Avenue passed her Swimmers Badge test with flying colors. Dianne Snary of 78 Highland Park Blvd. also passed her 1st class test.

Christmas catalogues were given out to the Guides at their meeting on Tuesday evening, September 22nd. The Guides will be selling Christmas cards, wrapping paper, ribbons etc. around the neighbourhood in the near future. Funds earned from these sales will go towards the purchase of more tents for the Girl Guides. They now own 4 tents and require about 6 or 7 more. On Tuesday October 6th the Brownies and the Girl Guides will hold a joint meeting at Henderson Avenue School Auditorium. Mrs. McTaggart-Cowan, District Commissioner for the Girl Guides will be present and several Brownies will "Fly Up" to Girl Guides. Parents are invited to attend this meeting.

C. G. I. T. The Canadian Girls in Training got underway on Tuesday, September 29th at 7:30 p.m. at the Thornhill United Church. This is an interdenominational group.

Official Board Meet

A very good representation from the Official Board of Victoria Square church met with Rev. Binnington at Brown's Corners church on Wed., evening last. Letters of appreciation were authorized to be sent to Rev. Douglas Davies and to Allan McIntosh for their valuable services during the past summer. It was decided to keep on with the morning service at Victoria Square, with a further decision to try and obtain the services of a student to help Mr. Binnington. Finances in this regard were discussed and agreed upon; and Rev. Mr. Butt will be asked to conduct Holy Communion at one of the churches, next Sunday, October 4, which is World Wide Communion Sunday.

There was also discussion concerning a questionnaire received by the joint boards, in connection with the proposed merging of the two major women's organizations of the church. Discussion was lively, but the matter was laid over for further study.

Injured Sliding Pole

Richard Burton suffered a painful injury to his leg last week when sliding down a pole. He made a gash requiring a multiple of stitches. For the repairing process, he had to have several "needles," thereby making himself quite the hero to his close chums. The injury is coming along quite nicely.

Trailer Jack-Knives

The folk at the north end had quite a bit of excitement on Friday morning last week when a heavily laden tractor trailer suddenly jack-knifed on the way up the steep hill from the bridge over the creek, and overturned. The driver, J. Ross of Stouffville, went to notify the police, and on his return found his truck on fire. Fortunately no one was injured.

Weiner Roast

The boys of Mrs. Acreman's Junior Sunday School class met in the flats at her home for a weiner party last Friday afternoon after school. They inspected "The Boat," and generally had a good time.

Headford United Anniversary

Anniversary services at Headford Church were well attended at both morning and evening sessions. Mrs. Binnington was present in the morning to introduce the speaker, Mr. Clarence Barret, a layman from Gible Road United Church. Mr. Barret delivered a powerful sermon on The Ark of the Covenant, choosing his text from Chronicles I, chap. 13, verse 14.

Headford's own choir, directed by Mrs. S. Rumble, rendered two very fine selections. We are quite proud of our choir, and on Sunday they added to their prestige. The evening service, in charge of Rev. Robert Curtis of Mt. Albert, was outstanding. The weather was perfect (it is not always so), the congregation good as to numbers present, the sermon fine, and the music by the York Chorales, directed by Mr. Edmonds and accompanied by Mrs. Andrews, something to remember and talk about. A friendly time over a cup of tea in the Sunday School room rounded out a wonderful day.

Social Notes

Driving up from California, Mr. and Mrs. Leland Hazen, sister and brother-in-law of Mrs. Wes Middleton, arrived in "our town" for a couple of week's visit. There is a rumor that when they return Mrs. Middleton may go with them. Sorry to have missed offering birthday congratulations for this Tuesday, to Marg Brodie. It is

Guide Notes

The second meeting of the G. A. was held Monday night in Wagon Hall. After opening exercises, the members made plans on holding a hike. Plans for the annual bazaar were made. Also discussed were the ideas of the executive meeting and the notes taken at the Camp Couchiching conference by Sheila Robinson and J. Goodier. After treat we closed at 8:30 with taps and a prayer, under the leadership of Miss Marjorie Carter.

The complete programme for brownies and guides in the east district will get under way in full swing this week. Thanks to the public school board, the superintendent of schools Mr. McIntyre, and the principals of Beverley Acres and Walter Scott Schools, a very suitable arrangement was made so that all groups could be accommodated at times suitable to all concerned.

Guides will meet at Walter Scott School, Monday evening at 7:30 p.m., Beverley Acres school, Wednesday evening at 7 p.m., and a new company will open at St. Gabriels Church on Tuesday at 7 p.m.

Brownies will meet at Walter Scott School, Wednesday at 4:15 p.m., and Thursday at 5 p.m., and at Beverley Acres School, Mondays at 5 p.m. and Wednesday at 4:15 p.m.

There will be brownie pack meetings as usual with Mrs. Rimmer, 446 Bent Crescent on Saturday mornings and a new pack will be opening in the very near future at St. Gabriels Church.

The Brownie Pack meeting at St. Matthews United Church have changed their meeting date to Friday at 4:15 p.m.

We hope all girls wanting to be brownies or guides will have the opportunity of joining anyone of these packs or companies and we ask that any women interested in helping in any way with Guides or Brownies please contact Mrs. MacGregor at TU. 4-2119.

also the birthday of Mr. Joe Fisher, former resident for many years.

Anniversary visitors in the neighbourhood were Mr. and Mrs. Louis Nichols, and the Bert Leeks of Gormley, the latter having dined with the Elmer Leeks and family.

We were happy also to see at the anniversary service, Mrs. Isaac Reaman with Mrs. Raeman Sr. and Bobby, Jean, and Marjorie. Happy to know Mr. Fred Lee was feeling able to have supper on Sunday with Herb and 'Gille' Lee and their family.

Week end visitors with the Acremans were the Gays of Toronto, the Porters of Iondale Heights, the Knappetts of Shaon, the Veerdoolds of Aurora, and the Cox's of Stouffville.

This is the last week of September, but the first week of a marvellously changing scene. The first leaves are turning, forecasting a glorious riot of color for the next two or three weeks. What a country we are privileged to live in!
