Thornhill Notes

Thornhill United Church

The General Women's Association meeting of the Thornhill United Church was held, Thursday afternoon, October 1st, in the Board Room.

There being no permanent President yet elected, Mrs. D. Smille presided at the meeting. The devotional was taken by Mrs. H. Tompkins. Following a brief business session, the meeting was taken over by Mrs. Frank Kellam, leader of Group Five, which group was in charge of the program.

Holy Trinity Anglican Church

The Autumn Fete held by the Women's Association of Holy Trinity Church on Friday October 2nd, was a great success and the group was to help to over 200 guests. The affair was particularly well patronized by the local school teachers, as well as many of the business men of the community.

The ladies sold almost \$100 worth of their cook books, the recipes for which were gathered from the ladies of the parish. Also very popular was the table of delicious baked goods, contributed by all the women of the parish.

The entire proceeds of this affair are to help defray the expenses of the theological student which Holy Trinity is sponsoring this year. The church budgets \$1,000 each year for this purpose and the ladies of the Women's Association this year made themselves responsible for the student's summer expenses when he worked in the western mission fields.

Thornhill Baptist Church

The September meeting of the Women's Association of Thornhill Baptist Church was held at the church, the third Tuesday in September, with Mrs. H. Ellam in the chair. Mrs. D. McWilliams led the devotional and spoke on "Words" - words that hurt or helped.

1st & 2nd Thornhill Brownie Packs

A charming ceremony took place last Wednesday, September 20th at Holy Trinity Church when a group of proud parents watched an excited group of Brownies "Fly Up" to the 2nd Thornhill Guide Company.

The Brownies formed a group around the Toadstool and Brown Owl (Mrs. C. G. Gibson) addressed them and first pinned on the cellophane wings for their "flight" and then the badge which they will proudly wear on their Guide uniforms. From the Fairy Ring they went to the Gate which leads to guiding and which was opened by the Gate Fairies. Once through the gate, they approached the Guide Company, drawn up in the form of a horseshoe and the Guide Leader halted them to ask by what right they entered. They replied, "by right of the golden hand," the Brownies most coveted award and which must be earned by the eleventh birthday.

Judy Allen, Patsy Chambers, Karen Glassow, Marilyn Hunter, Sharon Morgan and Wendy Willison were the Brownies of the 2nd Thornhill Pack who flew up to Guides. Diane Ziegler flew to the 370th Willowdale Brownie Pack and was kindly received into this pack by her new leader, Mrs. Lowell who attended the ceremony for this purpose.

The Brownies flying up from the 1st Thornhill Pack were Donna Bradley, Ann Cameron, Janice Crouter, Ruth Harrington, Elizabeth Laycock, Gail McCrae, Marion McDonough and Priscilla Mendoza.

Another touching portion of the evening was when the Brownies of the 1st Thornhill Pack bid farewell to Mrs. C. G. Gibson who has been their faithful Brown Owl for the past eight years, and to Mrs. Harrington who has been Tawny Owl for the past three years. Brown Owl was presented with a lovely cream and sugar set on a tray, and Tawny Owl graciously received a cup and saucer. They were both presented with a cake to take home.

The pack was happy to welcome Mrs. H. A. Mowder as their new Brown Owl. Mrs. Mowder lives on No. 7 Highway at Concord and is new to Guiding but she will get lots of help and is sure to find such a worthwhile task stimulating and enjoyable.

Mrs. John E. MacNeil, Brown Owl of the 2nd Thornhill Pack wishes to express her thanks and appreciation to the mothers who served as cooks at the Brownies recent weekend stay at Camp Samac. Mrs. M. Hunter and Mrs. A. E. Brain were the staunch mothers who volunteered for this very necessary chore, and without

them, Camp wouldn't have been much fun.

Greaves - Ledger Nuptials

In a candlelight ceremony in Holy Trinity Anglican Church on Friday, September 18th, Gwendolyn Bernadine Greaves, daughter of Mr. and Mrs. Bernard Greaves, became the bride of Rev. Charles Cecil Ledger, son of Mr. and Mrs. Cecil Ledger, Winnipeg, Man. Rev. Wm. Askew officiated, assisted by Rev. Logan Varey.

The bride, give in marriage by her father, wore a gown of antique satin and lace, fashioned on princess lines and with a chapel train. Her fingertip veil of French illusion tulle, was held to a tiara and she carried a prayer book and white baby mums.

Matron of honour was Mrs. Robert Hood, sister of the bride and bridesmaids were Mrs. Wilbur Brunwell, Mrs. Charles Wood and Miss Margaret Jennings. They wore full skirted gowns of Wedgewood Blue taffeta with matching picture hats. Flower girls, Debbie and Dawn Hood, wore floor length gowns of Wedgewood Blue and had halos of blue and white baby mums.

The Holy Trinity Church Choir sang the 23rd Psalm and the soloist, Miss Marion Fraser, a member of the choir, sang "Oh Perfect Love."

Council Turns Down Billboards Budget

Acting on a request of Thornhill Village Trustees, Markham Township Council Monday instructed its building department not to renew the annual permit for two billboards on the east side of Yonge Street close to the traffic lights. The signs were erected by an outdoor advertising company in October 1958. The trustees objected to them from the beginning on the grounds that they contravened the village's zoning by-law.

Agreeing that they are an "eyesore" council unanimously agreed to not renew the permit.

New Lights Traffic Hazard

Councillor J. MacNeil took strong exception at Monday's meeting of Markham Township Council to the new stop lights installed in Thornhill at the corner of Yonge Street and No. 7 Highway. The lights, the first of a new provincial wide traffic control system were recently installed by the Department of Highways.

"Why pick on Thornhill" queried Mr. MacNeil. "These new lights are creating a serious traffic hazard," added the speaker. Mr. MacNeil said the new lights which can be controlled by pedestrians by means of push buttons are piling up traffic during rush hours. Any pedestrians using the push buttons have to move quickly to avoid being caught in the middle of the traffic. Council will draw the matter to the attention of the Department of Highways.

On motion of Deputy-reeve W. Dean council will petition the Department of Highways and the county to consider the installation of traffic lights at the intersection of Numbers 47 and 48 Highways at Ringwood.

IDEAL FOR HOME & SHELTER

TO WISH IS TO HAVE WITH A WELL STOCKED FREEZER

FOR MANY WEEKS NOW, this column has been telling the story of very many families in the district who have invested in a home freezer. These people have told you how much their freezers have meant to them. Family after family has told you, "We don't know how we would get along without one now, how we ever managed before is a mystery". They have told you, the people from Beverley Acres, from Yonge Street, the farmer and his wife, the caretaker of Dunlap Observatory, the barber, and so many others. You remember the bank cashier, and the many other housewives who have told their stories. You remember the lady who "made it work" for her, and who was so pleased she has so far persuaded twenty of her friends to make a similar investment. And she says they are all so surprised. You remember how these good people have told us about how they are able to stock up at home. They do not even have to go to the stores. With winter snow and ice on its way and many hard months ahead think of the pleasure that will mean to receive in the post or delivered to your door a complete list of everything you can possibly need, then making your choice and having mailed or telephoned your order to our office, having our courteous staff deliver to your home, one month or three or six months supply and pack it carefully and expertly in your own home freezer where it will keep absolutely pure for as long as you wish. You don't have to go out in inclement weather any more. And you can have some splendid out of season treats. The beauty of it all is that it actually costs less to eat better. More than that even, one family after another, and their names and addresses have been given in full, they are your neighbours and friends, have said that the savings on food and on trips to town and so on have actually paid for the freezer so that in effect they have been telling you, "We eat better for less and get the freezer free" — it is paid for out of savings. And it is such a wonderful piece of equipment to have in the house to show to one's friends. When they see it, they always want one too. In these days — you simply cannot afford to be without a home freezer. And have you heard the broadcast advice and the reports in the press about preparing a fall-out shelter at home. Have you realized how the home freezer fits perfectly into such a plan, how in fact it is quite an essential to it because you must have in storage against emergency up to two weeks or more food supplies for the whole family. Ask yourself now, "CAN I AFFORD TO BE WITHOUT A FREEZER?"

YOU can obtain YOUR home freezer TODAY simply by telephoning TOWN & COUNTRY MARKETERS, 218 Markham Road, Richmond Hill, AV. 5-5401, AV. 5-5402 and AV. 5-5403, or COME & SEE our wide display. Open daily until 10 p.m.
