New St. Matthew's United Church

Shown above is the architect's drawing of the new St. Matthew's United Church located on Crosby Avenue.

The congregation of St. Matthew's met in the church on Thursday evening, October 15th, and considered further plans for ready submitted to them the week before by the building committee, and the architects, Messrs. Pentland and Baker of Toronto. Following upon the opening worship, and the reading of the previous minutes, the general chairman, Mr. Robert Wylie, made a statement concerning the issues before the meeting, and called the congregation to unity of purpose combined with frankness of discussion in the issues before them. The first matter considered was the order of the building program. Should the congregation build first a building which would be predominantly for Christian education, or should the first unit contain at least as a major part of the building the facilities under congregational worship. After full and free presentation of the arguments for both the decision was made to follow the recommendation of the building committee, and build the church nave in the first unit, together with facilities for Sunday School to the greatest extent possible. The discussion then centered itself upon the merits of the design which had been prepared by the architects. These church plans had been presented the week previous by Mr. S. Urquhart, secretary of the plans and construction committee. Some of the highlights of this presentation were recalled, and many people spoke declaring their enthusiasm and their reservations relative to the design proposed. The motion to proceed to build on the basis of the submitted design was then put to a vote, and the result was, by a substantial majority in favour. The meeting then instructed the building committee to prepare some further drawings which might show more adequate facilities for Sunday School as a part of the first unit of building. A meeting will be held in about two weeks time to consider these changes in structure, and if satisfactory the architect will be asked to prepare the detailed drawings. St. Matthew's congregation had its first meeting in Walter Scott School a little over three years ago, with Vacation School, Sunday School, and then regular worship the last Sunday in September that year. Just over a year later on October 30th, the congregation was duly constituted as a congregation of the United Church of Canada by the York Presbytery. The second anniversary of this day of beginning will be celebrated on Sunday next, with service at 11.00 a.m. The Rev. F. C. Miller of Parkdale United Church in Toronto will be the guest preacher.

The new church which will replace a portable now in use, will serve the area east of the railway tracks.

Last year on anniversary week the congregation completed their first campaign for building funds, and announced its successful conclusion. This year the decision has been made to proceed to build according to the plans already submitted. Could it be that the new building would be dedicated on the same Sunday next year?

Beverley Acres Ladies Initiate "Take A Break"

On Monday evening, October 26, the ladies of Beverley Acres will launch their new "Take A Break" program in the gymnasium of Beverley Acres Public School. It has been organized by a group of interested residents who heard of the popularity of TAB day-time programs in other Toronto suburban communities. They are conducted under the leadership of the Y.W.C.A. for the benefit of housewives whose activities outside the home are restricted because of family responsibilities and lack of transportation in subdivisions, for example. The Beverley Acres group decided upon an evening rather than a daytime program to be held the second and fourth Mondays of each month. The October 26th meeting commences at 8:15 p.m. sharp and will run to 10:30 p.m. It will feature mild exercise, for which "first-nighters" should come prepared with slacks and rubber-soled shoes, and a talk by Mrs. Helen Goodman entitled "Glamour On A Budget"; there will be time to discuss this over coffee. Future possibilities of the program will be explained - crafts, demonstrations, lectures, etc., according to the wishes of the participants. All Beverley Acres ladies are welcome. The nightly fee is 35 cents which covers expenses incurred by the group, and there is a yearly fee of \$2.00 which covers membership and support of the Y.W.C.A. of Canada, the World Y.W.C.A. and a subscription to "The Journal," which is a Canadian "TV" publication.

Members of the Beverley Acres Sub-Committee who have planned and organized the program are: Mrs. Irene Worrall, Chairman, Mrs. Ruth Pears, Mrs. Muriel McAlister, Mrs. Rita Oakley, Mrs. Jean Castello, Mrs. Verna Davies, Mrs. Sylvia Brown, Mrs. Lynn McArthur, Mrs. Rose Arch, Mrs. Shirley Brown, Mrs. Eldor, Mrs. Betty M. Hamilton, Mrs. Beverley Linders, Mrs. Carol Ginzman, Mrs. Peggy O'Toole. Assisting them is an Advisory Committee whose members are: Mrs. Lois Miller, Chairman, Mrs. Ellen MacGregor, Mrs. Hazel Loughbridge, Mrs. Grace Jackson, Mrs. Ann Fraser, Mrs. Edith Clement, Mrs. I. Worrall, Mrs. Ruth Pears, Mrs. Jessie Morrow, Mrs. A. Price and Mrs. Betty Cook. Other Richmond Hill ladies who are interested in this type of daytime or evening program for

Nomination Date November 23rd

Richmond Hill Town Council might fix the date of the annual nomination meeting for Monday, November 23rd. The voting will be held Saturday, December 5th. Polling places and hours of voting will be announced later. Last year for the first time voting was on Saturday, and council members feel this should be the most satisfactory day, although the turnout was rather disappointing. Mayor Tomlin expressed the hope that this year the people would show more interest.

Scarcity Of Fire Brigade Volunteers

"The Richmond Hill Fire Chief is experiencing some difficulty in recruiting volunteer firemen for the local brigade" stated Mayor Ken W. Tomlin at Monday night's town council meeting. He said there were several vacancies due to removals and retirements and response to appeals for new members has not been encouraging. Through the years there has been difficulty in keeping the force at full strength, and generally there was a long waiting list of men anxious to join, so the present situation is something new in the experience of the local brigade. If volunteers are not forthcoming Mayor Tomlin said next year's council will have to face up to the problem and it is possible the formation of a permanent paid force will have to come in the not too far distant future. Councillor Paterson suggested the Chief prepare a report on the minimum daytime force required. "I have already asked the Chief for such a report" replied the Mayor. Local volunteer firemen are paid at the rate of \$5.00 per call.

MAYOR KENNETH W. TOMLIN

Who has announced that he will stand for re-election as Richmond Hill's Mayor for 1960. "I don't want to be Mayor of the town indefinitely," said Mr. Tomlin to "The Liberal", "but there are still several unfinished projects in which I am interested in seeing through to completion and I will stand for re-election this year".

Although only forty-five years of age Mayor Tomlin is a veteran in municipal affairs and was first elected to Richmond Hill Village Council in 1948. He was councillor for three years, and served as deputy-reeve from 1952 to 1956. He is completing his second term as Mayor having been first elected in 1958 and re-elected by acclamation a year ago.

In private life the Mayor is an executive member of the motor firm of Mills and Hadwin, and has been a resident of Richmond Hill since 1942. He lives on Centre Street West, is married and the father of two children, Ken Jr. age 21 and Betty Jane age 16. He has a summer home in Muskoka and is a keen and enthusiastic angler. An Anglican in religion, he is a Mason and a member of the Richmond Hill Lions Club of which he is a Past President. During his public life he has served as a member of the Industrial Commission and as a member of the Planning Board, and is a former chairman of the York County Health Unit.

Wanted - Fifty Old Folk, Invalids Invalid Children Too! Free Country Drive

NOW IS THE LAST CHANCE TO ENROLL any old folk or invalids for the free country drive which has been offered by the driver members of the North Toronto Motor Sports Club, led by the local Shelton-Mansell team which has won so many trophies in Canadian motor sports.

The date and final details of the drive will be set in the next few days and will be published next week. Meanwhile if any reader of "The Liberal" knows of any old person, man or woman, who does not normally enjoy the opportunity for a country ride occasionally, or of any invalid children in similar conditions, please telephone "The Liberal" the full name, address and age of such persons or children, or these details may be taken into or telephoned direct to Shelton-Mansell Motors on Yonge St., Richmond Hill, adjoining the Richmond Theatre.

Please take steps now to have every deserving case included. There is no charge whatsoever, it is an entirely free outing and is by courtesy of the North Toronto Motor Sports Club, the members of which are giving up a day to make it possible and providing their own cars and gasoline. It is a generous gesture and it is desired that every possible old person and invalid child possible be included for the drive. This is just the right time of year when the countryside will be glorious in its fall beauty, and those participating are certain to enjoy this wonderful trip and its memory will sustain them in the cold winter months ahead. Entries Received. Some names and addresses have already been sent in to "The Liberal" but there is still room for more passengers. Service clubs, church clubs, schools, take inventory now of all available old folk and invalid children and have their names enrolled for this excursion NOW. Don't delay please. Help the club to help these folk and children in this way. Watch for final details next week. All those enrolled will be collected from their addresses and brought to the rally point, and on conclusion of the outing will be returned to their addresses. Remember this is the final notice and that this is your last chance. So act now. Thank you.

Reeve Clark To Seek Re-Election

Reeve W. L. Clark

The members of Markham Township Council, with one exception, announced Monday they will be seeking re-election in the December municipal elections. The one exception was Ward I Councillor J. MacNeil who was absent from the meeting through illness. It is expected Mr. MacNeil will again be a candidate.

Reeve W. L. Clark, the senior member of council not only from the office held but also from the point of service stated he will definitely be seeking a fourth term. If re-elected Mr. Clark will stand for the wardenship of York County for 1960. Mr. Clark has been a County Commissioner during the present year. Deputy-reeve W. Dean a resident of Thornhill and Councillor L. Mumberson of Ward I, and Councillor S. Watson of Ward III all signified their intention to stand for re-election.

On motion of Councillor Mumberson and Deputy-reeve Dean council will include a question on this years ballot asking the rate payers if they favour a two year term for council. Last year vote on the same question was cancelled when council received an acclamation. Nominations will be held November 27 with voting on December 7th.

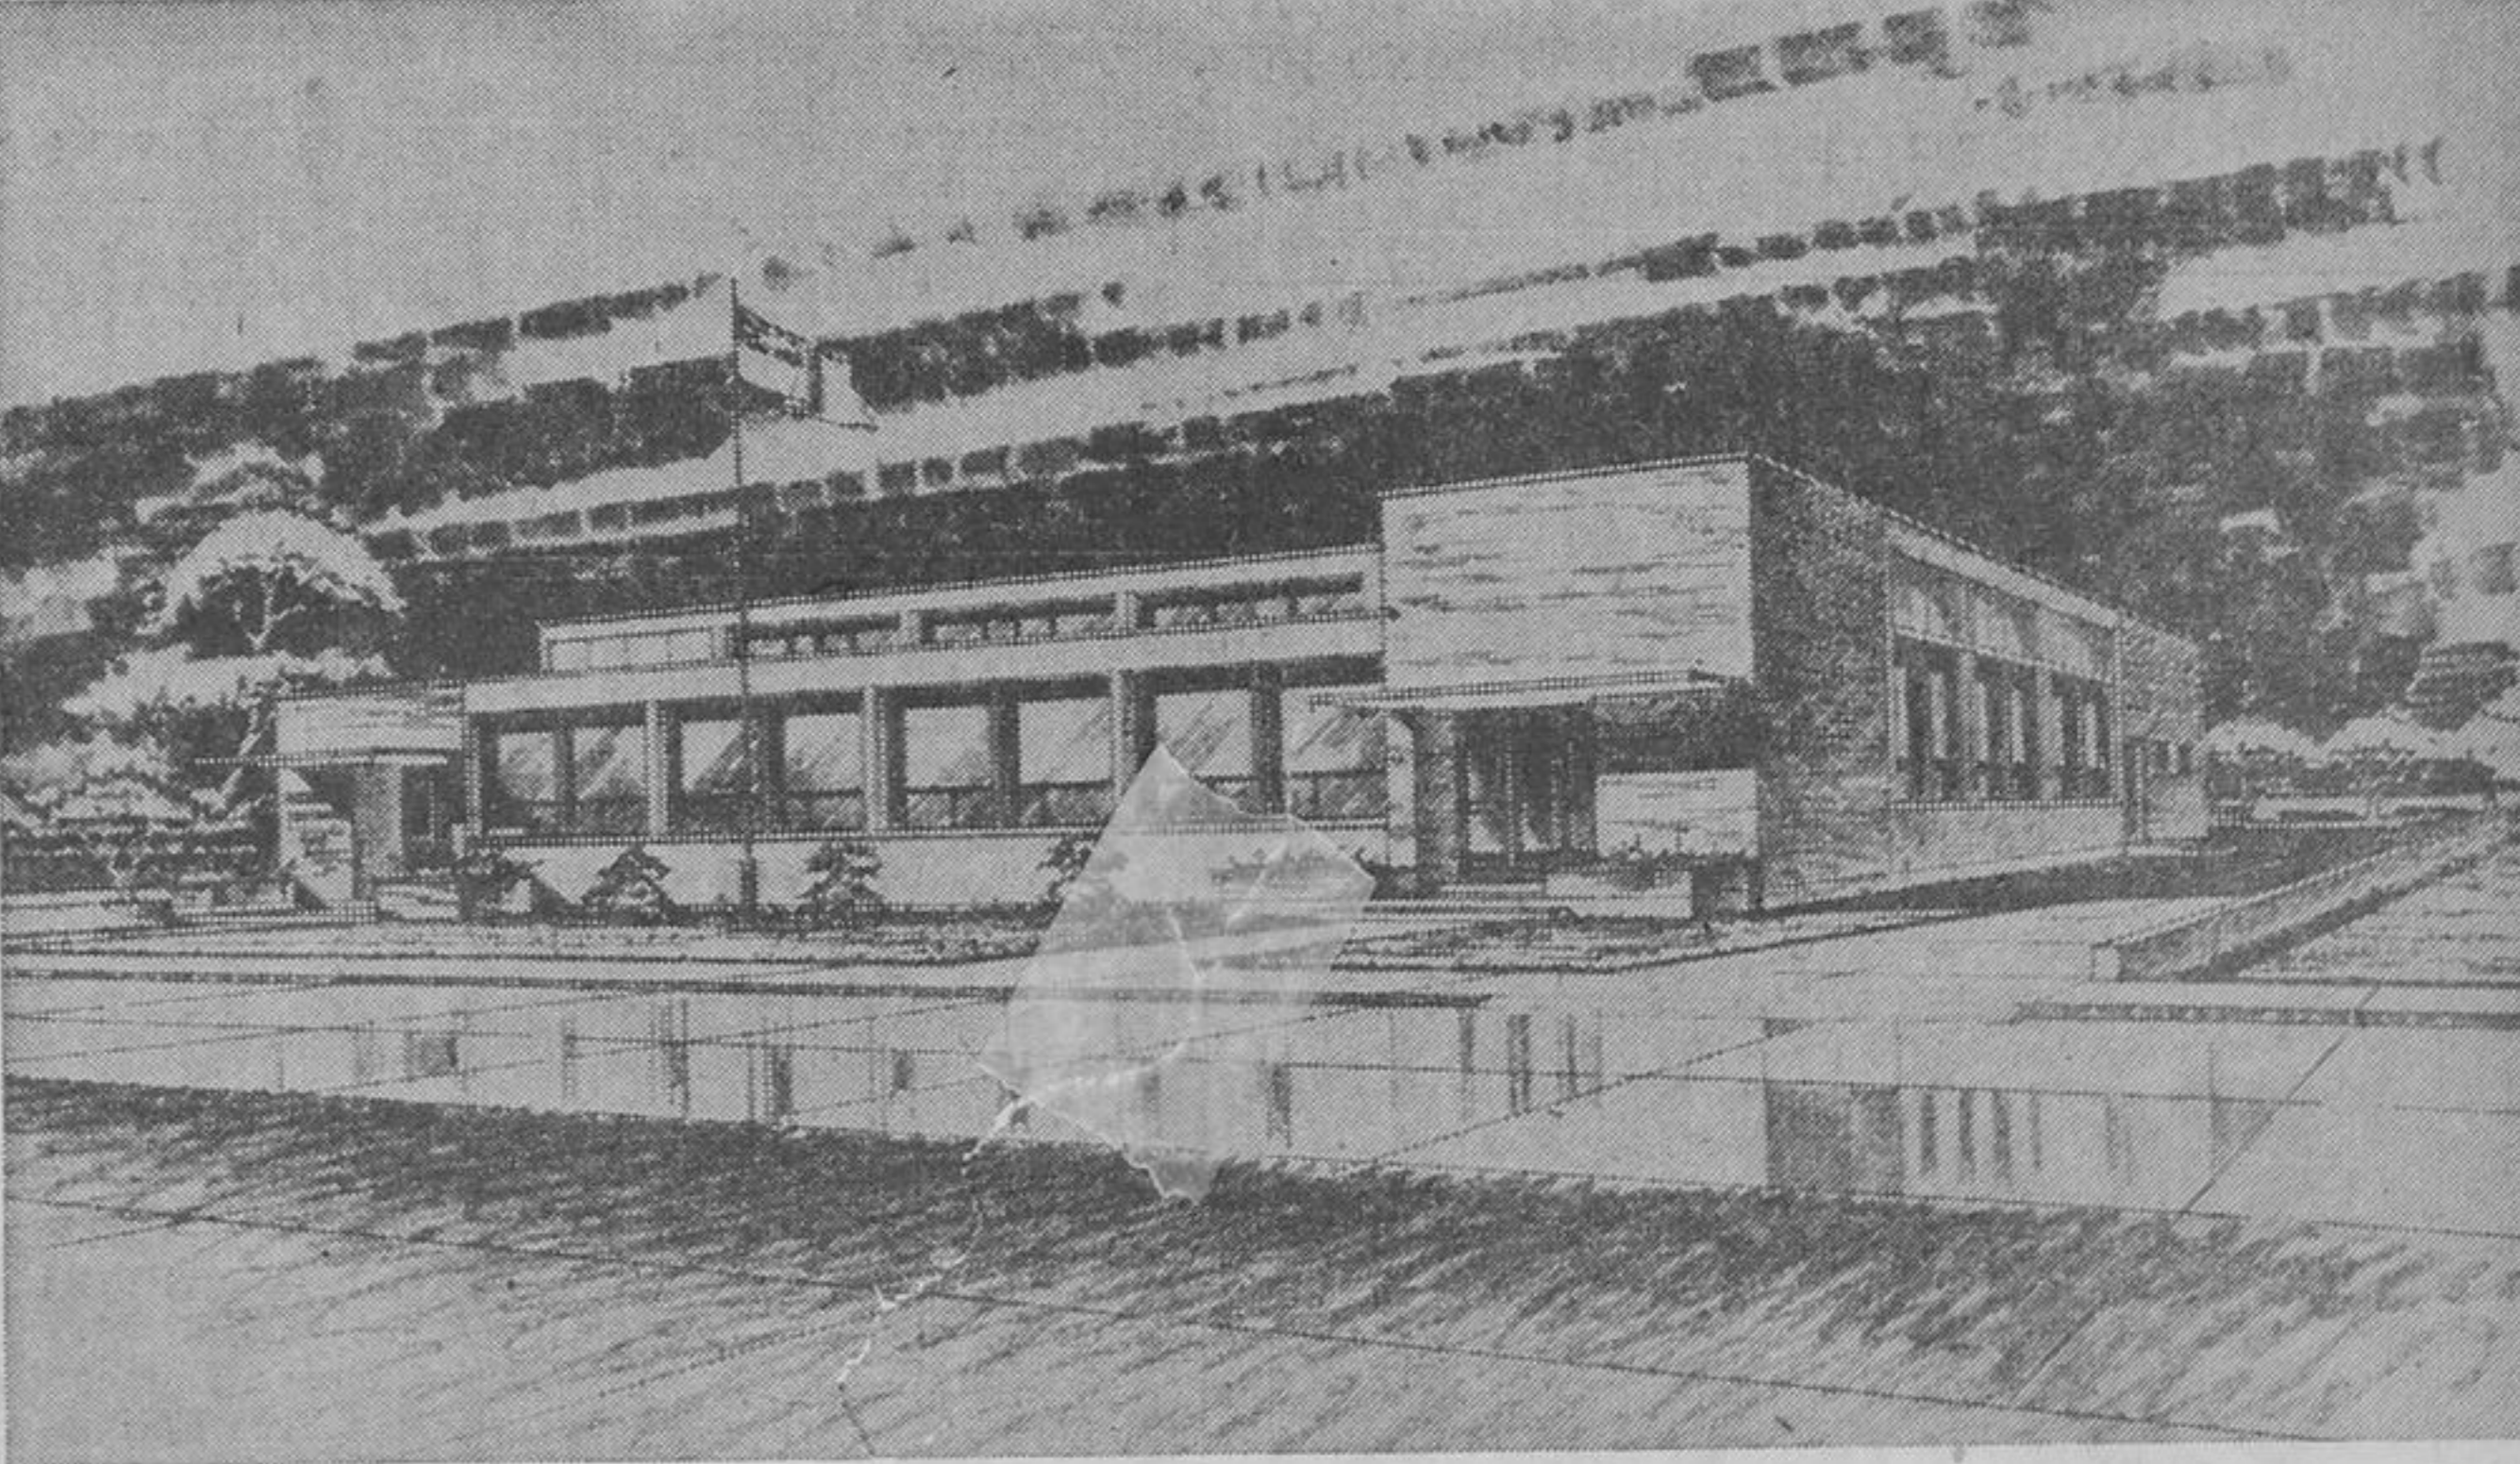

Door Prize Winners

LUCKY WINNERS during the recent official opening of Richmond Hill TV and Camera, 50 Yonge Street have now been announced. Mr. R. Sutherland of RR 1, Maple wins choice of a Movie Camera or Portable Stereo. Mr. V. L. Collier of 85 Crosby Avenue, Richmond Hill wins a set of Fiesta Ware.

St. John's Anglican Parish Hall Dedication Oct. 27

The new parish hall of St. John's Anglican Church, Oak Ridges (Yonge St. at Jefferson) will be dedicated in a special service at the church next Tuesday evening, October 27, at 8 p.m. The Lord Bishop of Toronto, The Rt. Rev. F. H. Wilkinson, M. A., D. D., will officiate at the ceremony. And all interested are most cordially invited to attend. NEWMARKET - A Planning Workshop will be held at York County buildings October 27 and 28. Through this session it may be possible to judge whether or not a county planning board would be an advantage.

Richmond Hill's New Post Office

Shown above is the architect's drawing of Richmond Hill's new Federal Building now under construction on Arnold Street just west of Yonge St. The one storey structure will have a frontage of approximately 97 feet with a depth of about 83 feet. The new building will be of structural steel and block construction with exterior finish of brick veneer and porcelain enamel panels on a granite base. Interior wall finish will be of plaster, painted, and the ceilings will be of acoustic tile. Floor coverings will be linoleum and terrazzo. The contract price for the new building is \$169,489. and the contractor Internorth Construction Ltd. of Cooksville. Clerk of Works for the Federal Government is Mr. C. O. Waters, well known local resident.
