Mrs. Jack Seaton, wife of our popular local sports commentator, is in hospital badly stricken with poliomyelitis. All our wishes and prayers for Mrs. Seaton's recovery go out to Jack and to members of the Seaton family.

Has anybody not noticed what the Leafs are doing this year? After the long, lean years, it seems like manna straight from heaven to see an aggressive Leaf team burning up the league. Sure hope that it lasts and that chippy Carl Brewer learns to be as crafty as Doug Harvey of Montreal and stops getting stupid penalties.

Tommy Easton and wife Betty are playing host and hostess to Dynes Jewellers ball team next Saturday night at their home, 341 South Taylor Mills Drive. This will be the club's final get-together for this year and it is expected that club sponsor Vern Dynes and his wife will attend and help with the evening's entertainment.

Jack Morkin and his good wife have a brand new sparkling daughter to give them a grand total of five girls. What does a shortstop know about coaching a basketball team? Congratulations to the Morkins and a big hello to the new daughter.

Practices started this week for Minor Hockey League teams. If you have not yet got your boy's application in DO IT NOW, as once teams are formed it will be too late. Make sure that your boy isn't one of the disappointed ones.

Marian Munroe, the girl with wings on her feet is still in training for the Olympic Trials. The fleet miss is now going to school in Toronto and will someday be a school marm. The way this girl works, she should be a really good teacher, if past performance means anything at all.

The Richmond Hill Bantam Team has already had two or more practice sessions and should be a good little club. Coach Jim Pollard has some really good material to work with, and Jim himself is a better than average coach.

McConaghy Home and School Association is running a skate and ski boot exchange this Saturday in the Scout Hall next door to the arena. A charge of 25c will be made for selling your old boots or skates and you name your own price. This is a good chance to clean house and get boots or skates that fit properly without taking on another mortgage. Sale opens at 10 a.m. and goes until 4 p.m. So come one, come all.

Eighteen Players Turn Out For Badminton Club

Mrs. Sue Fraser reports that the local badminton club got away to a fine start Wednesday night of last week, with 18 badminton

players in action. About 18 more players are expected to be out for the next session on Wednesday night at 7.30 p.m.

There were three members from the original Richmond Hill Badminton Club on hand while other former members have indicated that they will be coming out. There were four brand new players out and after a little instruction they were able to play quite creditably. At the present time no fees have been set but members are paying 50c per night to defray the cost of birds while visitors for an evening's play pay 75c.

Additional players and members are very welcome so if you aspire to have a real winter's fun, contact Mrs. Fraser at TU. 4-1379. She will be glad to hear from you.

Richmond Hill High School Sports News

NEWMARKET 7 — RICHMOND HILL 6

This was a really tough game to lose in more ways than one. In the first quarter, Richmond Hill took the lead as a terrific pass interception was cashed in as a touchdown with the conversion attempt being no good. Early in the second quarter, Quarterback Bruce Walker was lost to the team for the remainder of the season with a broken ankle. Doug Lovell, a good defensive half went into the quarterback slot and did a good job until he went out with torn hip muscles in the fourth quarter and is through for the season.

Newmarket clinched the game by booting a single in the fourth quarter, after an unconverted T.D. in the third. Richmond Hill High School kicked a single but the point was disallowed as the head linesman ruled a no-yards penalty.

Richmond Hill Soccer Team 15 — Aurora 1

The junior whiz kids kept on the winning trail by clobbering Aurora 15 to 1. Just to test their mettle the boys will play Aurora Settles at Richmond Hill High School at 4.00 p.m. on Friday afternoon. The team will be up against their toughest competition to date and the game should be a good one.

Cross - Country Results

On Saturday, October 17, the Passmore Farm was the site of some furious activity as runners from seven schools churned over a mile and three quarter route.

About twenty boys took part in the senior romp with Ron Brice of Richmond Hill High coming in first in a time of 7 minutes 18 seconds. Brice was closely followed by Axel Molema, of Woodbridge, who made a real race of it.

Orillia High School won the team award as they placed runners in the third, sixth, ninth and tenth spots. Richmond Hill High placed second in the team standing, two points behind Orillia.

In the junior event over the same course Ed Jay of Thornhill High was the winner although Thornhill finished last in the team standings. Orillia High won the Junior team award with Richmond Hill again coming in second place.

This Saturday the Richmond Hill Cross Country team will be competing in the All-Ontario meet at High Park, the meet starts at 11 a.m. and the course is two and one half miles. The local school placed third in this meet last year and with five of last year's team back the local crew expect to make a good showing.

Rugged German Karl Mueller To Tackle Gori Mangotich

Karl Mueller rugged German grappler will test the skill of Gori Mangotich this Tuesday Oct. 27 at Thornhill Market. Mueller has never been called on to wrestle this European style of wrestling before in his whole career and many fans are wondering if the square head can really wrestle, as a general rule Mueller uses any tactics at all to win a match and has created several almost rigged style of mat work. Now he will have to wrestle with Mangotich and will be forced to omit the rough stuff. Mangotich a master wrestler will be forced to be on his toes at all times as Mueller is a real tricky operator, and capable of anything. Many fans have asked to see this match because it should be very interesting to

see two explosive men like the Slav and the German go at it in earnest and still try to keep the match clean. The midget mat men will be back at the market on this card and there will be a one fall bout with Farmer Pete 96 lbs. of Kentucky taking on Pee Wee Rogers. This one is billed as the special bout and should provide a contrast to the other matches on the card. Orro Morro, dusky Hawaiian grappler will charge at Al Orlando the Italian star in a two out of three falls affair and Big Jim Kroechter the pride of Aurora will take on Hans De Groot a real live Dutch wrestler who comes here with a great reputation and a great size as well, being six ft. six inches and tips the scale at a mere 260 lbs.

Braves Suffer Severe Defeat As Lakeshore Team Wins 51-0

The Braves were hopelessly outclassed by the Lakeshore Boys as at the end of the first quarter the score was 21 to nothing and hand writing on the wall. This was one Thanksgiving Day game for which the Braves were not in the least thankful.

Wayne Richardson and Ke. Tonner had to leave the game at half time due to injuries but it is hoped that they will be back in action this Saturday. The whole game was a comedy of errors as far as the local club were concerned and some of the plays that they used were scripted by Wayne and Schuster.

Despite the terrific shellacking the team still has a chance to make the Playoffs with their next game in town being against Neil McNeil Training School next Sunday at 2.00 p.m. The players realize themselves that they will have to pull up their socks to live down the last Fiasco and will be out to avenge their record.

This game promises to be a good one so come out and have a look this Sunday. The fresh air will do you good.

Town League Hockey Players

Hugh Kerr, genial sales manager for Town and Country Foods is sending out the call for hockey players for the town league. In this league, hockey is played for fun, so if you're over 18 and under 80 and feel like playing hockey come right along.

Phone Dalt Hicks at TU. 4-1764 or Ron Bailey at TU. 4-2466 to get all the details as to time and place. There are to be four teams in the league so come on along while there is still an opening.

Curling Club Plans December Opening

The new Curling Club building is rapidly nearing a state of completion, with the roof now in place. It is expected that the building will be completely closed in by this week-end and then the freezing plant will take approximately three weeks to install. Ice for curling should be available by the first week in December.

The Show Piece of the new rink is to be the Lounge. A seven-ton foot stone fireplace is the dominant feature of the room with cantilevered stone steps leading from the Foyer to the Lounge. A beamed ceiling with draperies along with tasteful modern furniture should make the Lounge a very spectacular room.

The club has hired Mr. Hubert Allen as Secretary Manager and Mr. Allen comes to Richmond Hill with a wealth of experience. For the past few years Mr. Allen has been manager at the Boulevard Club and is a qualified curling instructor. Curling instruction is to be free for club members.

The club will also feature a well run kitchen and snack bar and it is hoped that members will be able to drop in for luncheon. The intention is that the club will have its social as well as Athletic side.

The stones for curling arrived in Richmond Hill this week from Scotland where they were made. There is nothing synthetic about equipment in this curling club. The first four hundred men to join the club will be debenture holders and their debentures will be redeemable and will bear interest. So that eventually the money paid out will be redeemed. Anyone joining after the initial four hundred will have to wait for one of the original four hundred to leave the club and the newcomer will be a straight member, not a debenture holder. Ladies membership is to be limited to two hundred members.

The club directors have devised a new method of financing a membership — it is now possible for a prospective member to deposit \$50.00 and sign a note for the balance payable over a three

East York Swamps Locals 35-0, Sat.

Last Saturday was the day when the Richmond Hill Indians could do nothing right. They intercepted four passes and recovered five East York fumbles and still couldn't buy a point. They were swamped 35-0.

The defensive unit of the Indians came up with a big try in the first half but weakened badly as the Yorkers started to roll. The team is now in third place in the league standings and plays Rosedale Roughriders in Greenwood Park this coming Saturday at 2 p.m.

Halfback Jerry McCowan is back in action as his broken collarbone is now well mended. Wayne Bailey is now in action at offensive centre and his old leg injury seems to be completely cured.

NEWMARKET — Total value of 87 building permits for dwellings issued during September was \$796,075. For the first nine months of the year 1959 value of permits is over the \$6 million mark.

NEWMARKET — Town and the police association have reached an agreement on salary increases. Police will receive a \$200 per annum raise across the board, which is up from the four per cent increase offered earlier by the town, and in turn the police have dropped their demand for accumulated sick leave allowance.
