We Lost Our Hearts!

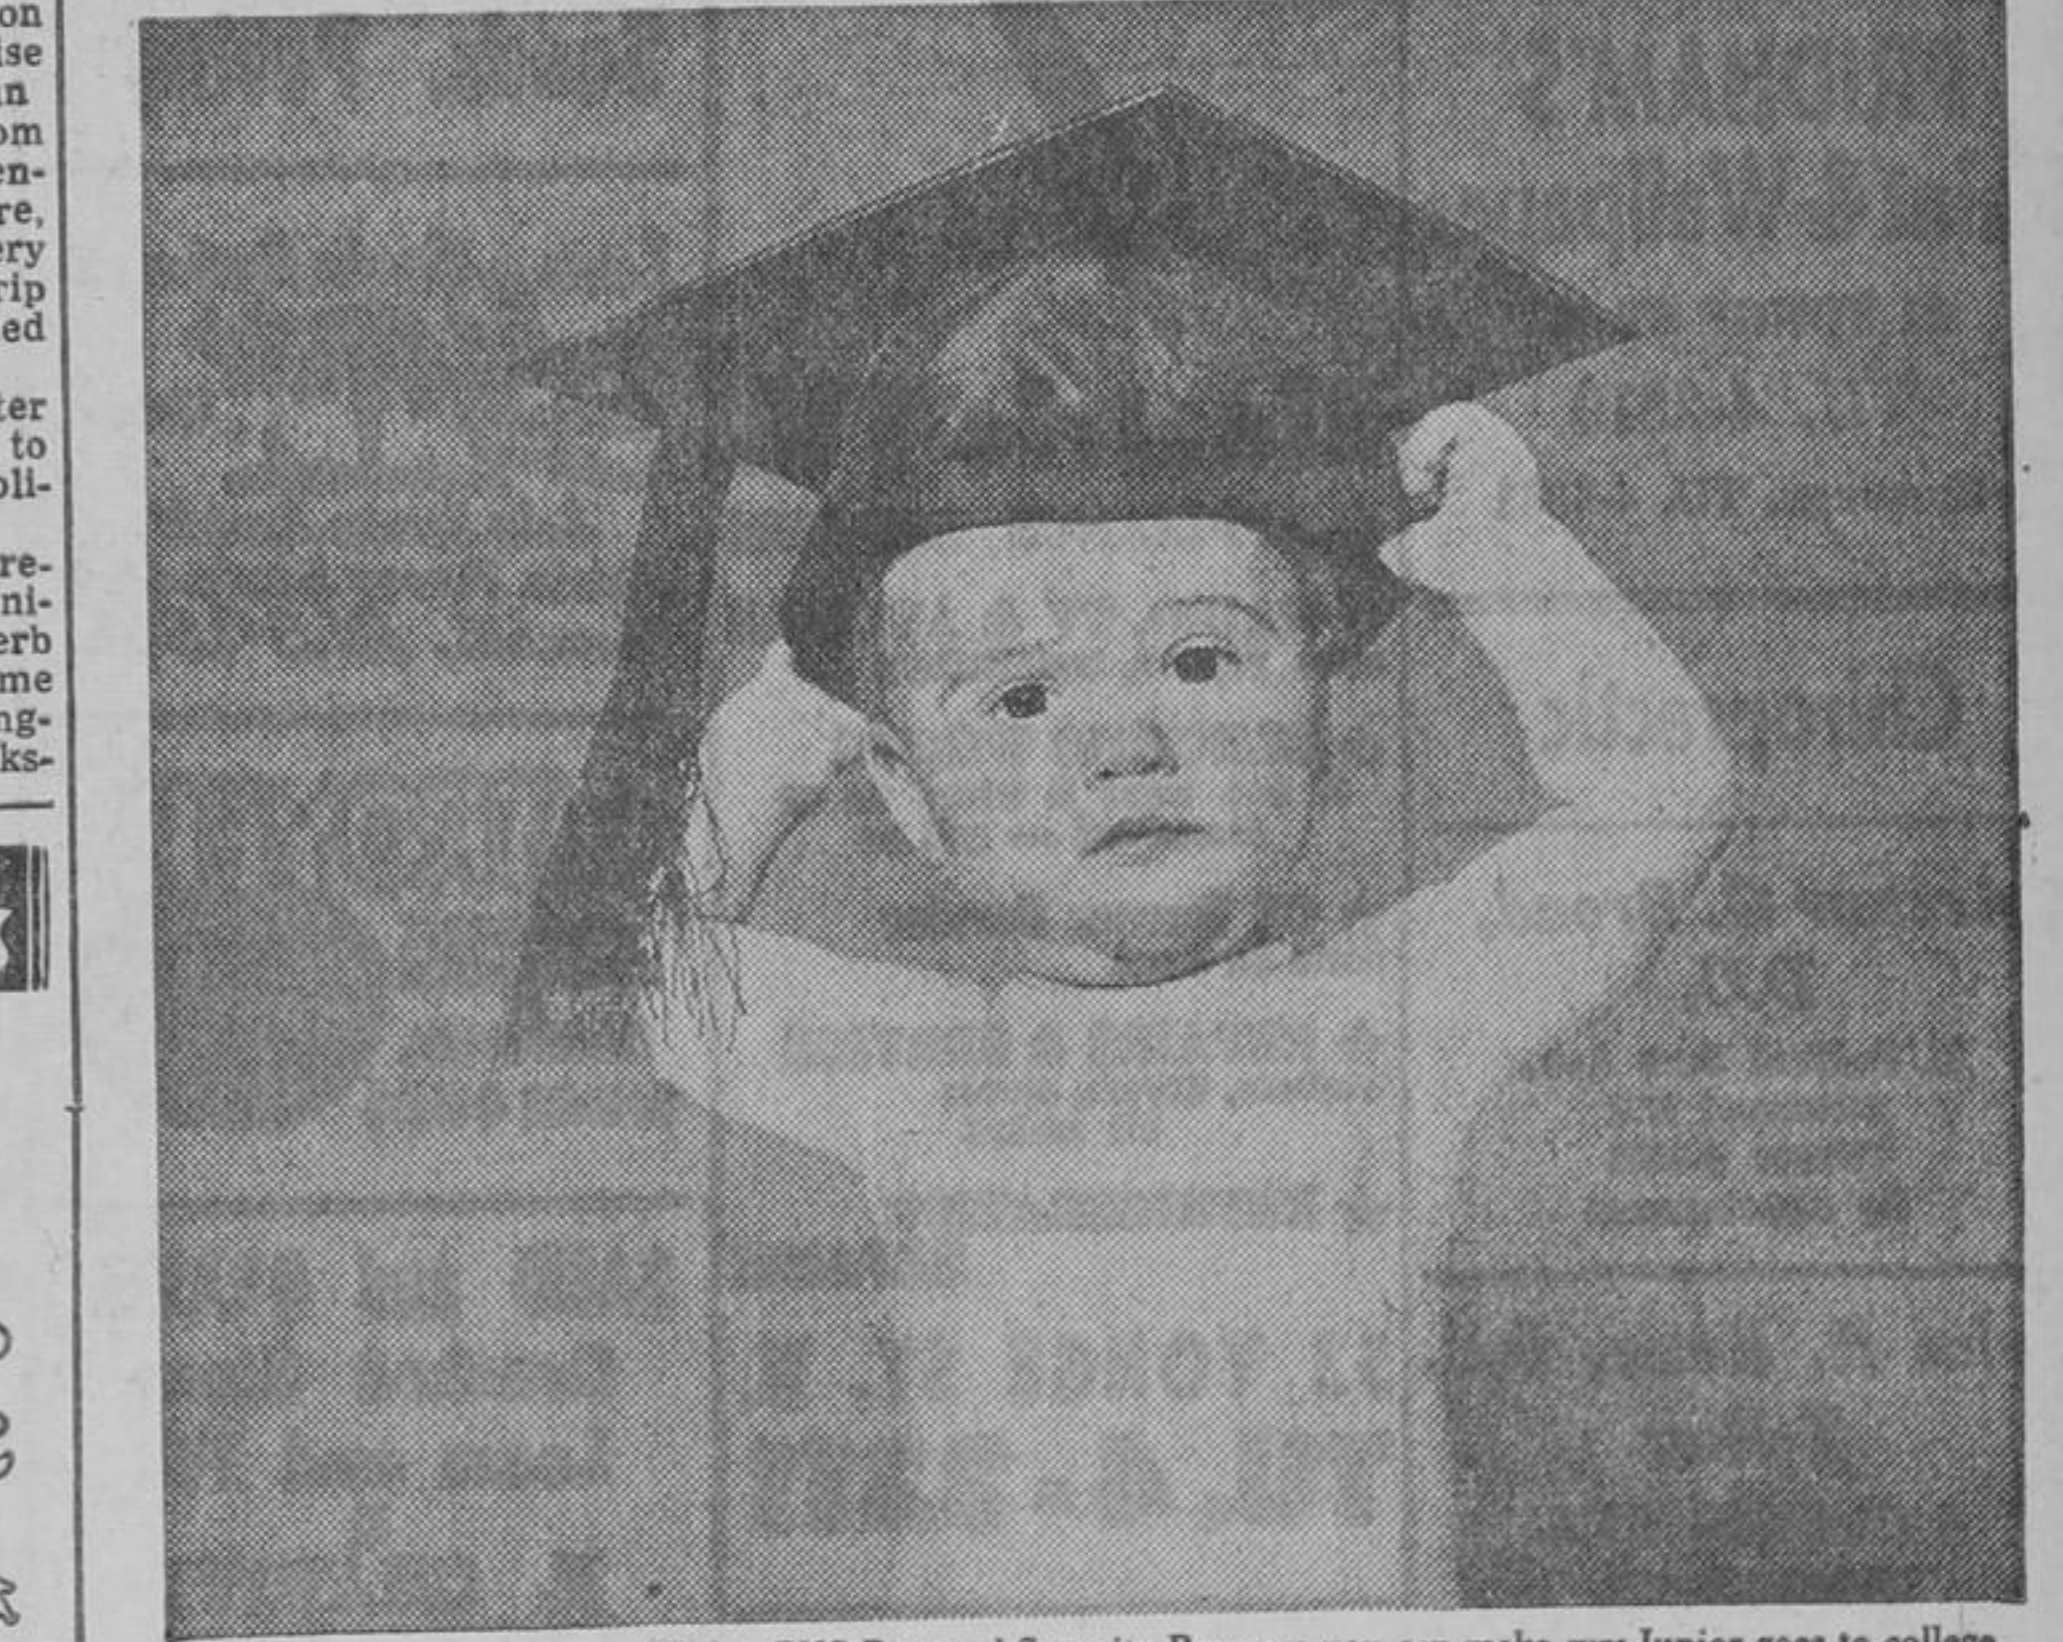

TO WISH IS TO HAVE WITH A WELL STOCKED FREEZER
Mr. and Mrs. James Henry Walker live at 236 Demaine Crescent, Richmond Hill. They have two children, Johnny aged 4 years and Julie aged two years. They moved into Richmond Hill about two years ago and like the town very much. Mr. Walker is an accountant with the International Harvester Company.

The family bought the freezer which they now proudly own some few months ago. They are more than satisfied with the investment. "It's a real boon," says Mrs. Walker. "I'm finding it lives up to the financial claims which the company makes too," she added. "We really are eating better without any increase in the cost of monthly expenditure on food so that the freezer is paid for out of savings". Mrs. Walker also said that "it is such a convenience, not having to go out so often to the stores for food, when Town & Country bring our order for a whole month at a time".

Yes, it is a fact that hundreds and hundreds of satisfied customers like Mr. and Mrs. Walker throughout Ontario are being served by Town & Country's expanding organization. "We have lost our hearts to it," say the Walkers, and many other folk too, in describing their home freezer. Friends see it and also want one. Have YOU a home freezer yet? The cold winter months are fast creeping up on us. With a home freezer you can stock up for a month and reduce the number of times you have to face the elements while you shop for food. Your order can be selected and ordered by mail. Mass buying enables us to provide your needs at less cost. We deliver and pack in your home freezer. You can stock out of season items with which to surprise your guests. You can eliminate all waste. You SAVE and SAVE and SAVE and SAVE all the time. The freezer, as Mrs. Walker confirms, actually is bought out of savings, with no reduction in the quality or quantity of your family eating. So why wait another day? Join the happy hundreds NOW!
