Home and School
The Gormley Home and School held its October meeting on Tuesday evening of last week. The theme of the program was "Safety" and was very ably presented by P.C. Donald Dukes of the Markham Township Police Force. He gave a short talk on Highway Safety Rules, followed by two safety films. The highlight of the evening came with the presentation to the school of the Elmer Safety Flag. Mr. Richardson, senior member of the school board received the flag and spoke to the children, encouraging them to take extreme care on the highways, to respect the police force and assist them to keep the public safe from highway accidents.

A delicious lunch was served by grade 1 and 2 mothers with Mrs. Russell Heise in charge.

On Wednesday afternoon P.C. Dukes and Mr. Richardson arrived at the school and with the children conducted a brief ceremony for the raising of the Elmer Safety Flag. Now it is up to each and every child to keep that flag flying, for if a child has an accident on its way to and from school, Elmer must come down for 30 days.
