Dance and Presentation
The Couples Club held a very enjoyable dance in the Victoria Square Community Hall on Friday evening of last week. During the intermission a presentation was held for Mr. and Mrs. Bob Meakes and family who are moving to Stouffville shortly. They were presented with a coffee-table and two end tables from the community. We wish them every success in their new surroundings.

Church News
A film strip on the life of Samu, an African boy, was shown in Sunday School on Sunday. Mrs. Earl Emington was the narrator. It was very much enjoyed by all.

The annual Anniversary services of the Victoria Square United Church were held on Sunday, October 25. At the 11 a.m. service the guest speaker was the Rev. Clayton Searle, Associate Secretary of the Missionary and Maintenance Department of the United Church of Canada. His sermon subject was, "The Business of Living." Special music was furnished by the Victoria Square United Church choir. The two anthems, "If Ye Love Me" and "Lift Up Your Heads, O Ye Gates" were very much enjoyed.

At the evening service at 7:30 p.m. the guest speaker was the Rev. Emerson G. Knowles of Bolton United Church. His sermon subject was, "Our Fathers Worshipped in this place." Special music was given by the Bolton Community Choir under the leadership of Mrs. William Addison. They sang the anthems, "Break Forth, O Beauty of Heavenly Light," by Bach, and "The Lord Is My Shepherd" by Crimond, and the "Gloria" by Mozart. A duet sang, "So Thou Lifest Thy Divine Petition" which were very enjoyed. A large attendance was present for both services.

On Sunday, November 1st, Rev. A. F. Binnington will be assisted by Mr. Tom Phillips, 1st Year Theology student from Emmanuel College, Toronto. Mr. Phillips will preach at Victoria Square at 11:30 a.m. Everyone welcome.

Guide Notes

The Central Area Training Conference which was held at the Lions Centre, Bowmanville, on Saturday, October 17th, 1959, was well and enthusiastically received.

Mrs. E. A. Collins of Oshawa, Area Commissioner, welcomed the delegates and brought to their attention the fact that their Area was so large, including as it does, part of York, Ontario, Durham, Northumberland, Victoria and Haliburton Counties, that it was necessary to divide it into nine Divisions known as York North, York Central, Shoreline, Oshawa, Durham, Scugog, Victoria, Ganaraska and Haliburton.

Mrs. Collins said the prime purpose of the Training Conference was to create an opportunity to introduce the members of the Area Council to all levels of Guiding. She was pleased to see that there were Brown, Blue, Ranger Guides and Local Association members numbering 115. Mrs. Collins then turned the meeting over to the area training chairman, Mrs. G. H. Linton of Orono.

Mrs. Linton introduced the members of the area council in such a way as to show how the council was set up. A demonstration area council meeting then was held and questions of great interest to all levels were posed and answered by the council.

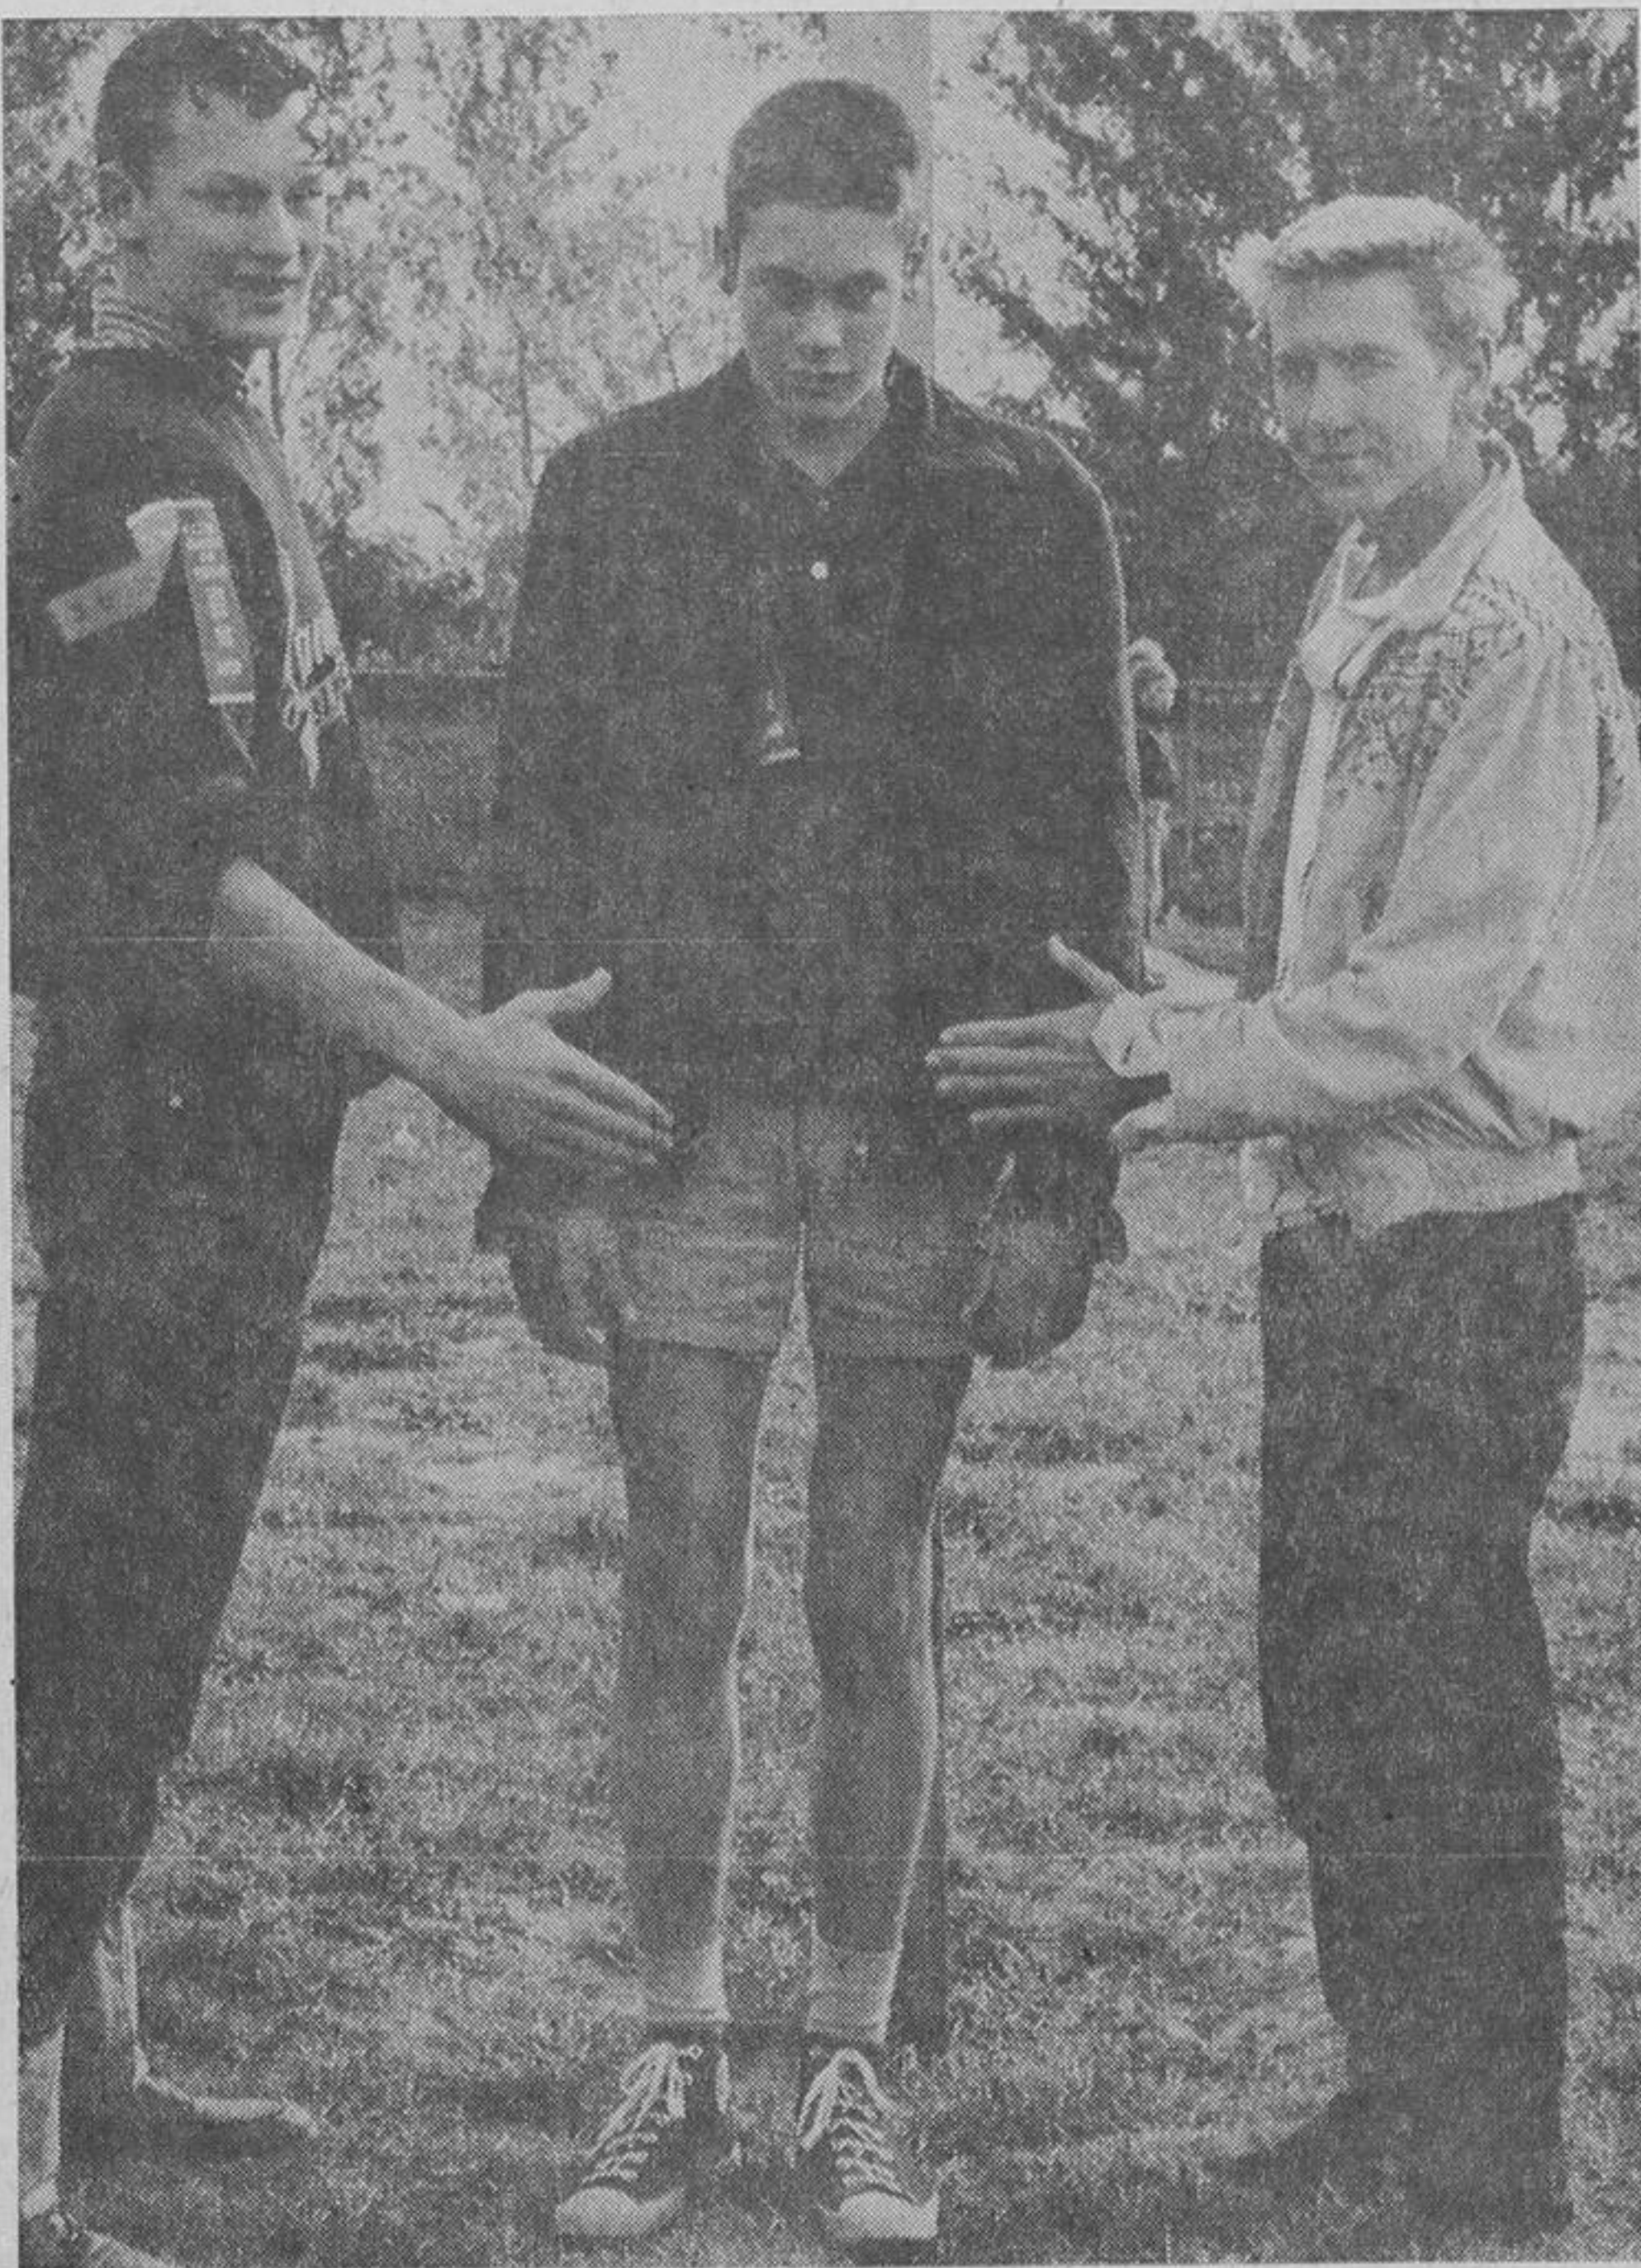

Next, there was a clever skit showing Parliamentary Procedure, the value of red tape and many other knotty problems which were solved to the satisfaction of all. The local associations got a good briefing on badge work, their relation to guide companies and their place in Guiding.

Two highlights of the afternoon session were — first, an explanation of the present set-up of the Gold Cord Challenge Committee and its approach to testing for Gold Cords. Second an excellent Fashion Show, demonstrating all types of uniform and how to wear them correctly.

There were interesting talks also on camping, bookkeeping, a question box and much informal discussion among the delegates.

Durham Division were official hosts to the conference and took generous care of our coffee needs for the day.

School Area Winners

The two runners-up in the Boys' Senior Running High Jump in the School Area No. 1 Markham-Vaughan competition congratulate winner George Neeland of Thornhill School. The annual field day was held Tuesday afternoon of last week at the Thornlea School.
Left is George Juhl of Langstaff School who came in second and right is Art Chomiak of Henderson Avenue School who was third.

NOW... '60 CHEVROLET STURDI-BILT TRUCKS
WITH REVOLUTIONARY TORSION-SPRING SUSPENSION THAT GIVES ASTONISHING NEW SHOCKPROOF ACTION!!!!

Chevy's done the next best thing to paving every road in Canada!

First they threw out the front axle and put in torsion-spring independent suspension. Then they built coil rear springs into most light-duty models, variable-rate leaf springs into heavies. That made it a ride you have to feel to believe. A ride that lets you move faster to get more work done in a day.

Brawnier bulldozer build!

They're tougher than any Chevy trucks ever made. Frames are stronger, cabs 67% more rigid. Front wheels and tires are precision-balanced. And that new suspension cushions jars and road shock that used to spell slow death for sheet metal.

More comfortable cabs!

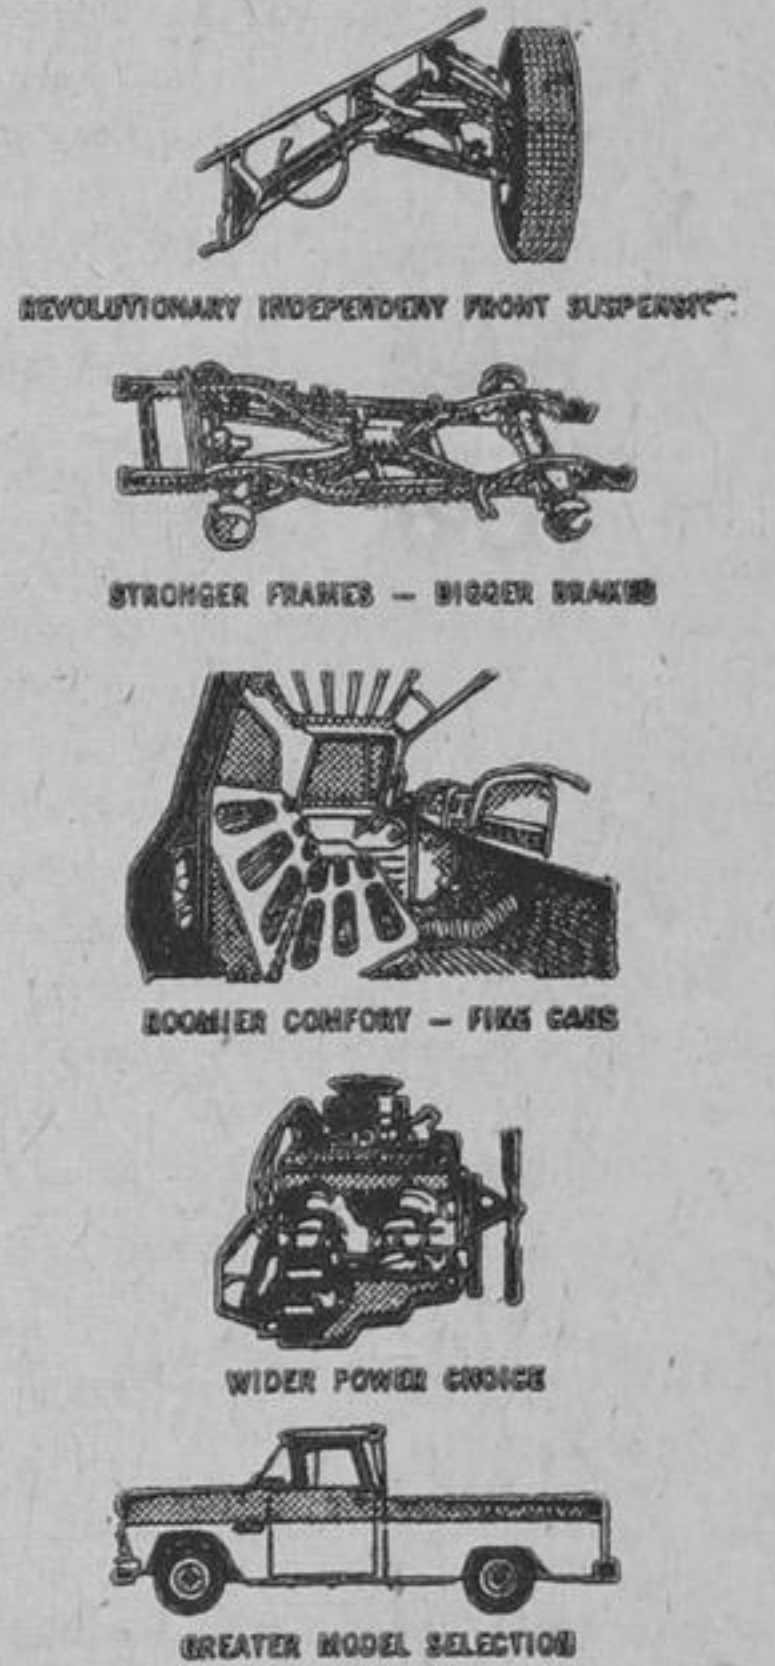

Easier to hop in and out of too. Many models are a whole 7 inches lower outside. Yet there's more head room inside, plus more width for shoulders and hips.

Big in the power department!

With the industry's most advanced gas-saving 6's. With high-torque Workmaster V8 performance in heavyweights. With new 6-cylinder or V8 power available in new L.C.F. models.

More models than ever!

New 4-wheel-drive models, tandems and high-styled Suburban Carryalls. It's the handsomest, hardest Chevy fleet ever to report for duty. See your dealer for the whole story, and be sure to take a ride!

Anything less is an old-fashioned truck!
