School News

Powell Road Home and School Association are holding their annual graduation banquet and dance for the Powell Road School graduates of Grade 8, 1958-59, on Friday evening, October 30th at 6:30 p.m. Mrs. Leonard Young and Mrs. T. Bradbeer are convenors for the evening and they are looking forward to a successful evening for their 10th anniversary. The dinner and dance are to be held at St. Patrick's Anglican Church, 11111 St. Patrick Street and parents have been invited to accompany the graduates.

Henderson Avenue Home and School Association held their annual Fun Fair on Saturday, October 24th at the school. Despite the dreadful weather conditions, there was a very good attendance of children and adults and the Fair was quite successful.

Mrs. Gage, President of Home and School introduced Mrs. Calder, Assistant Principal of Henderson Avenue School, who officially opened the Fun Fair.

Due to the rain and lack of entrants, the decorated bicycle and doll carriage contest was held but may be held at a later date.

The children enjoyed several movies for only 5c, while munching on popcorn and hot dogs. The home-made candy was soon sold out and the home baking room was also a very popular spot. The rummage sale made a fair profit and the element of intrigue enticed the children in the "touch and take" room.

A very delicious tea was served in the Auditorium for only 35c. Mrs. McCowan, Grade 3 teacher and Mrs. Burke, Kindergarten teacher poured tea from lovely silver tea services. The small tables were very attractive, covered with luncheon cloths of daffodil yellow, waffle plique, edged in white lace, (loaned by the Doncaster Community Ladies Association) with a delicate bouquet of fresh chrysanthemums in the centre. The senior school girls waited on tables, wearing dainty yellow aprons that matched the luncheon cloths. A very generous portion of tasty sandwiches and cookies were served with the tea.

W. A. News

The first meeting of the season, of the Highland Park Women's Association was held on Tuesday evening, October 20th at the home of Mrs. D. Darley. As there was no business arising from the minutes of the last meeting, new business was immediately brought forward. It was brought to the attention of the meeting that Mr. and Mrs. James of Grandview Avenue could not reach the police due to a busy switchboard at the Municipal Office, when they had a fire in their basement. After a lengthy discussion, it was decided that the Association should go after the Township for a direct telephone line to the Police Department for Fire and other emergencies.

The other item discussed was the alarming number of cases of pinworm infection among the children of the neighbourhood and mothers are being asked to check their children and have the proper tests made through their doctor. If there is any doubt, so that this uncomfortable infection may be brought under control. The meeting adjourned and coffee was served. The next meeting is planned for the third Tuesday in November at the home of Mrs. Marion Frey, Guides.

On Wednesday, October 21st, the school children were dismissed at 2.45 p.m. as the teachers attended their monthly area meeting. The Girl Guides and Brownies met at Henderson Avenue School at 3.00 p.m. for the purpose of planting tulip bulbs.

The Girl Guides Association was incorporated in Canada in January, 1910 in St. Catharines, Ontario. Next year, 1960, will be the 50th Anniversary of this incorporation in Canada. To commemorate this Golden Anniversary, Guides and Brownies, throughout Canada, are planting Golden Yellow Tulip Bulbs this fall, at churches and schools where they hold their meetings and also at some public places.

In a bitterly cold east wind, on Wednesday afternoon, the Guides and Brownies of this area, under the direction of Mrs. Jewitt, Mrs. Oliver and Mrs. Stubble, planted 100 Yellow Golden Jubilee Tulip bulbs from Hollands Golden Harvest. These tulips were especially grown and packed for the Jubilee Committee of the Girl Guides Association incorporated, by the Holland Bulb Gardens, Horticultural Specialists since 1868. These golden bulbs will brighten the front of the school next spring when they nod their heads in celebration for 50 years of Guiding in Canada.

Scouts The Boy Scouts will be collecting newspapers, pop bottles and fruit baskets on Saturday, October 31st and residents are asked to have the papers bundled and placed on the front porches, ready for the boys.

Church News

The Thornhill Presbyterian Couples Club is having a monthly paper drive beginning Saturday, October 24th and to be held on the second Saturday of each month thereafter. The funds raised from the sale of these papers are to help purchase two pews for their new Church on No. 7 Highway, just west of Yonge Street. Your co-operation would be greatly appreciated by the Couples Club and they will pick up your papers if you will call Mrs. Arnot, Av. 5-3567 or Mrs. Boyle, Av. 5-4245.

The Thornhill United Church Women's Auxiliary have great plans in store for a bazaar to be held at the Church on Saturday, November 7th. A special room is being prepared just for the kiddies. A do-nut making machine will be featured and fresh donuts will be available on the premises.

Home baking and hand made articles will also maintain their popularity at the bazaar.

Neighbourhood Notes We are sorry to lose two good neighbours who have moved from Highland Park, Mr. and Mrs. Knowles and Mr. and Mrs. J. Ariss.

Dr. Irene McGillicuddy is back in practice again after a long absence. Mrs. McGillicuddy enjoyed a five week visit with her daughter in Las Vegas, Nevada. A couple of days before her return, however, the car which Mrs. McGillicuddy was driving was smashed from the rear by a large truck. She was quite badly shaken up but was able to fly home on schedule. Mrs. McGillicuddy has been laid up at home for three weeks, however, recovering from her accident and has just returned to her practice.

Welcome home to seven year old Rainer Wolfe, who has just returned from visiting with relatives in Germany. Rainer went to Germany with his grandmother in June but returned to his parents last week via aircraft by himself. This was a thrilling experience that he will always remember.

Congratulations to Mr. and Mrs. W. Nicmans on the birth of their daughter Ingrid Dianne. She was born on Wednesday, October 21st, weighing 7 lb. 234 oz. at Toronto General Hospital. Brother Bruce, who has just started kindergarten, is quite happy with his new sister.

The next regular meeting of the Doncaster Community Ladies Club will be held at the home of Mrs. Edgar, 1 Sprucewood Dr., on Monday, November 2.

The highest score of the Doncaster Community Ladies Club euchre marathon for the first week was submitted by Mrs. Tutt and Mrs. P. Morrison, an 87.
