Town Council Meeting Commissioner Langford Recommends Annexation To The North For The Industrial Development Of The Town

Council Praises Commissioner For Work Of The Year

Eighteen new industrial operations have located in Richmond Hill in the past twelve months and at least three operations are scheduled for early next summer. This was a summary of industrial progress in the report presented to Town Council Monday night by Industrial Commissioner R. G. Langford.

The Industrial Commissioner recommended consideration of a plan whereby the municipality would annex, acquire and service an industrial area north of Elgin Mills sideroad to be under a commission or committee of council.

The Mayor pointed out that one difficulty in securing new industry is the lack of available land and he suggested that council at an early date should give consideration to going outside the present town limits to acquire land for industrial development.

Councillor Bradstock said if Richmond Hill is going to stay in the race we should acquire more industrial land which would be readily available to prospects at a fixed price.

The Mayor said the budget for the Industrial Commissioner's office this year was \$14,000. In answer to a question by Councillor Ross the commissioner stated available industrial land in the town now totalled 110 acres.

"We've got to get more industrial land," said Reeve Perkins. The commissioner's report stated that during the past year his office had contact with 65 firms. He said in some cases the land requirement could not be met and in others the land price was in excess of their estimates.

Mr. Miller, owner of the new industrial building erected on Centre Street east requested installation of sanitary sewers, but gave a definite refusal to council's request that he convey to the municipality a depth of 16 feet of land for necessary widening of the street.

Mayor Tomlin urged all citizens to take an interest in our industrial development. "Our people can do a great deal by talking up Richmond Hill and its many advantages," he said.

Lest We Forget

Richmond Hill Annual Service Of Remembrance Sunday Afternoon

On Sunday next the Town of Richmond Hill will in the midst of its progress and development pause to pay its tribute to those of its young men who by giving of their lives allowed us the right to grow and prosper in a democratic way of life, that could not have been possible had the dictators of the world seized and ravaged this fair and prosperous land.

At 2.30 p.m. Sunday afternoon their Comrades will meet at the north end of the town to commence the MARCH OF REMEMBRANCE to the Memorial where at 3 p.m. the Service of Remembrance will be held.

The guest speaker will be one who every day and night is constantly reminded of the terrible price of war in pain and suffering. Major the Rev. J. Y. Fraser, Senior Chaplain of Canada's largest veterans' hospital, will bring a message to remind us of the great debt we owe to our boys — which will not be paid in this generation.

Veterans will be here from all sections of York County, The Canadian Legion, The Sappers' Association of Toronto who will be led by the Pipe Band of The Royal Canadian Engineers, the Girl Guides, the Boy Scouts of York Summit, the children from the Loyal True Blue and Orange Home and all unattached veterans who have recently moved into the district.
