Church Notes
Rev. A. E. Baker, in charge of the service at Carrville United Church, and the congregation were very pleased to have fourteen members and friends of the Thornhill L. O. L. 91 in attendance at the service last Sunday morning. The full membership of the choir nine girls were all in attendance and sang "Mighty Arm of the Young" exceptionally well. Rev. Baker announced that next Sunday will be celebrated as Armistice Sunday, he will have a suitable message and in general the service will be appropriate to the occasion. He also said that Rev. Hugh R. MacDonald will be in the vestry on Tuesday, November 10, for interviews. Then on Friday, November 13, the induction service for Rev. MacDonald will be held at Thornhill United Church. On Sunday, November 15 he will take the service at Carrville United Church and commence his pastoral work here. We have enjoyed the services of the Rev. A. E. Baker of Toronto since the middle of September, his ministry was very much appreciated and it has been a real pleasure to have had him and Mrs. Baker at Carrville as our supply.

Then in Sunday School Class, Mrs. Gordon Read presented three hymnaries for learning tickets and had obtained the required amount and they were, Gail Melnic, Nancy Middleton and Mark Kirk.

The teachers would like to again express the fact that the award buttons can only be had for perfect attendance, not for coming just now and then, and would appreciate the co-operation of the parents to the fullest extent.

This Can Be Your Experience!

TO WISH IS TO HAVE WITH A WELL STOCKED FREEZER, says Mrs. Michael Wilson of 434 Marybay Crescent, Richmond Hill, who is another proud owner of a beautiful home freezer.

Mrs. Wilson and her husband came to Richmond Hill to settle just a year ago. Michael is an electrician while Mrs. Wilson is secretary to General Tire & Rubber Company in their General Sales Office at Willowdale. Running this office keeps her busy but she still has to run the home also and they have a 13 year old son, Michael Junior, who attends Beverley Acres Public School. Mrs. Wilson says she has an automatic stove and she takes the joint or whatever is decided upon for dinner out of the freezer and puts it in the cooker, sets the dials, returns from work to find the meal cooked and ready. She says it is really wonderful to have the freezer because it makes life so much easier. And it saves lots of shopping expeditions which is certainly a blessing in inclement weather. Mrs. Wilson also confirms that the family enjoy much better cuts and infinitely finer products at lower cost than they would have without the freezer. "We do eat better and including payments on the freezer cost of living is no more expensive than it was before", said Mrs. Wilson.

The Wilsons bought their freezer only two months ago after reading the many testimonials which have appeared in this weekly feature in "The Liberal" which every week since July, has presented the story of another family which is happy with its home freezer.

Free Christmas Dinner Is Yours For A Guess!

TERRIFIC INTEREST was created on Richmond Heights Plaza during the three dollar days last week, when TOWN & COUNTRY MARKETERS of Markham Road, Richmond Hill, placed some of their beautiful new freezers on display at the shopping centre.

Huge Hindquarter - Prize!
With the freezers was displayed a huge hindquarter of beef which looked as if it had been cut from a giant size prize winning cow.

Huge banners invited the public to fill up an entry form on which they could enter their estimate of the weight of the hindquarter. More than a hundred entries were received. There was a crowd around the freezers as people tried to figure out the weight of the beef, continuously, and Sales Manager Hugh Kerr with Bob Reid and his colleagues were kept busy answering questions. The hindquarter goes to the person most nearly accurate in guessing its weight and there will also be six consolation prizes.

The contest is to continue until November 13 next week when the draw for the lucky winner will be made. And what a prize. Just right for Christmas. The winning family will really be able to go to town and invite all the neighbours to a wonderful roast and still have some left over. The weight you have to guess but the value can be stated. The hindquarter is worth from \$75 to \$80, so there is no doubt it is well worth winning.

Exhibition - Markham Road
The hindquarter is now hung in the plant of Town & Country Marketeters on Markham Road, Richmond Hill and Mr. Fred Wise the popular Managing Director told "The Liberal" that he "will be glad to receive the public any time to see the hindquarter and entry forms are available on the premises. There is nothing to buy and no entry fee." "We will be glad to throw in a free tour of the factory for any body who is interested to see how such a plant operates," added Mr. Wise.

Results - November 13
The results will be announced at the plant on Markham Road on Friday, November 13, at 8 p.m., stated Mr. Wise. All entrants should attend and the winners will be presented with the prizes immediately if they are present," added Fred and he also promised that the staff would cut and wrap and deep freeze the hindquarter and would deliver free of charge to the winner's home at the lucky winner's convenience. A famous TV personality will officiate at the presentation.

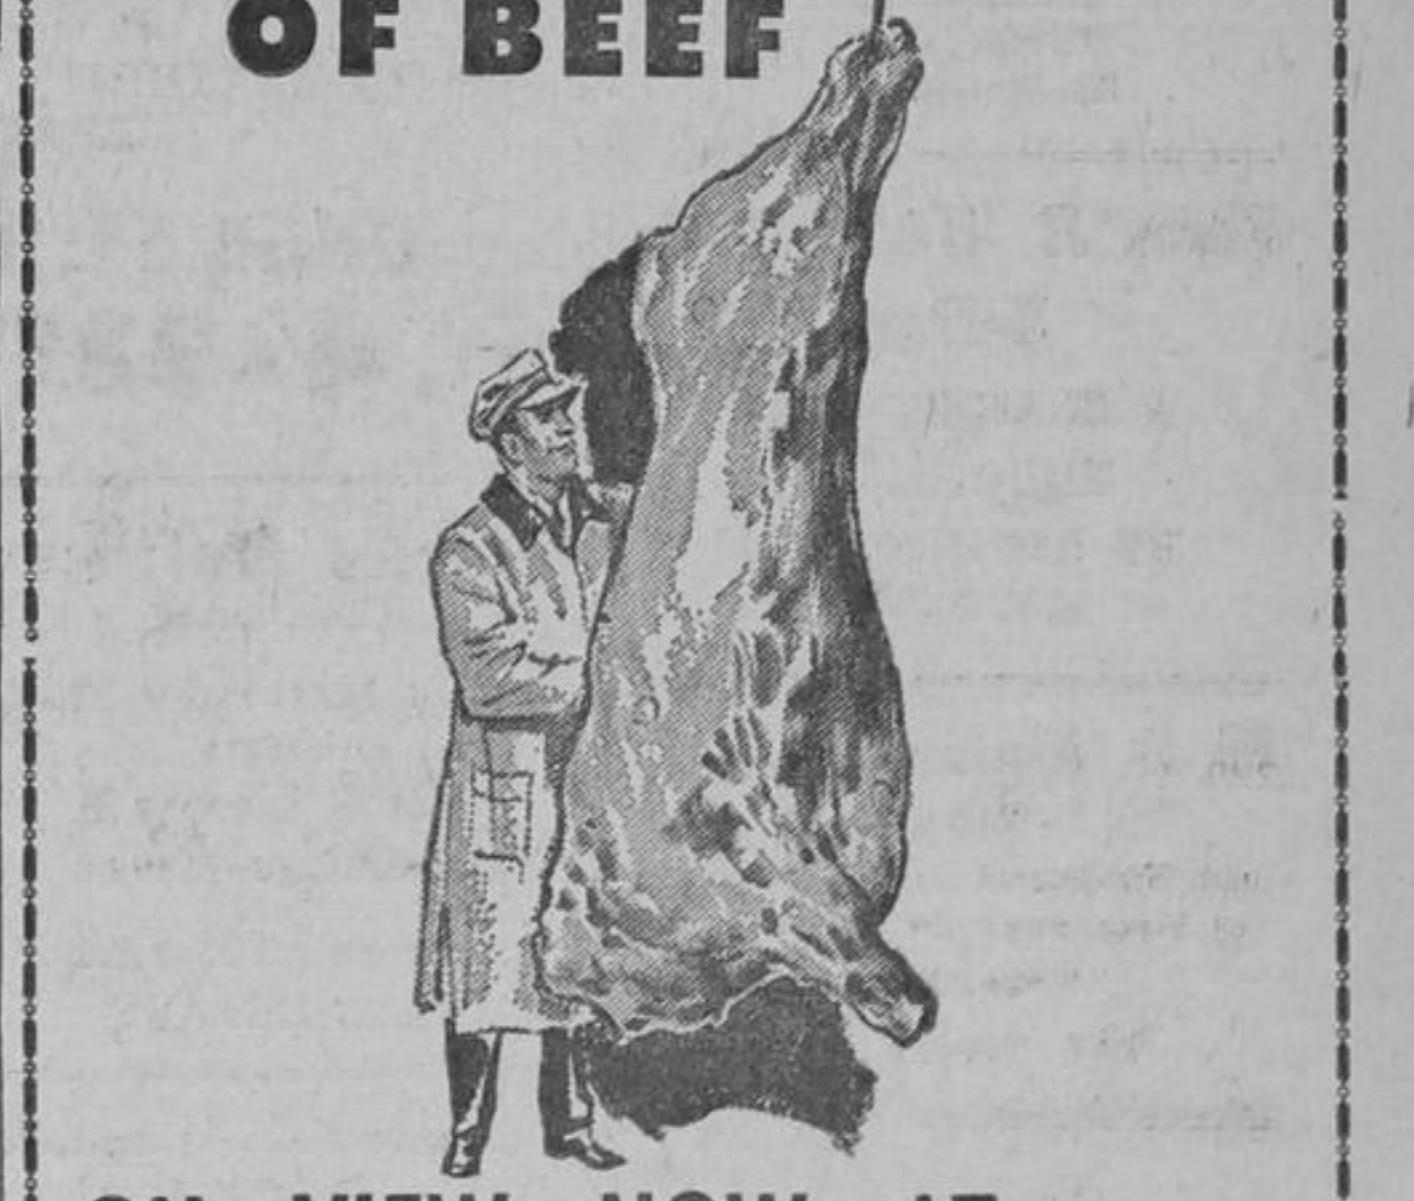

It will only take a few minutes for the family to tour round to Markham Road and look at the hindquarter and to enter the contest. Here is a wonderful opportunity to stock up for Christmas absolutely free of charge. Someone always does win and this time it might be YOU!

Bring The Family
As stated there is absolutely nothing to buy and no entry fee. Mr. Wise says "Come along today at any time to suit your convenience. Bring the family and let them all have a try - junior too, if accompanied by parents. The picture of the lucky family with their prize will appear in "The Liberal" issue dated November 19. If you come along and enter, it may well be your picture that appears." And should you win, Mr. Wise assures you some wonderful meals. "We age all our beef," he said, "so that the consumer can enjoy a truly tender joint." "This particular hindquarter will be in excellent condition at the time it is delivered and tender enough to make the mouth even of a connoisseur water in anticipation," concluded Mr. Wise. Just to show you how useful a home freezer can be, Town & Country are displaying one special type freezer filled with a variety of exciting and exotic foods. The plant is worth a visit to see this alone.
