Well, kiddies, the prize bust of the year award was won by Toronto Argonauts for the third year in a row. We're not sure just whether or not this gives them permanent possession of the Big Four cellar, but on the last public appearance of the team they surely proved that they have earned the honour. How a team with so much highly touted, highly paid help can fall so flat is a mystery, but believe me, these boys hit bottom with a resounding crash.

The usual pill is now being offered to loyal fans in the form of the "wait 'til next year" routine. How long, O Lord, how long?

SPORT SPOTS

The prize for the nicest gesture of the year goes without doubt to the proprietors of Jones Building Supplies. The Jones firm was already committed to sponsor the Flyers in the Junior "A" Series of the R.H.H.A. when they found that the Orange Home wanted a team in the league. The team will now belong to the Orange Home and some of the boys from the home will be playing on the team as the building supply firm stepped graciously aside in favour of the home. The kicker is that Jones Building Supplies will be paying the financial shot for the team just the same. If anyone has heard of a more generous act I'd sure like to hear of it.

SPORT SPOTS

The rivalry between Richmond Hill High and Thornhill High is a very keen and real thing, albeit a healthy rivalry. Thornhill Junior Football Team had not been scored on all year, but in the last game, the Richmond Hill team scored 14 points against the Thornhill squad. Thornhill eventually won the game 19-14, but the Richmond Hill gang scored a moral victory and were quite happy with the result.

SPORT SPOTS

Bill Points has announced his retirement as head coach of the local team after a seven year tenure. Business and personal affairs make it virtually impossible to carry on in his head coaching capacity although he has indicated that he will be available when needed. Del Madely and Charlie Dunn will be the coaching staff next year and both these boys know their way around a football field. The game will miss Bill and Bill will miss the game but five gets you ten, he won't miss seeing a game next year.

Week's Hockey Results

Action was the keyword as once again King Hockey reigns in Richmond Hill. League play is now launched on all fronts and battle lines that give promise of some real action to come have been drawn. If you haven't yet attended a session at the arena, do it real soon, won't you.

Last Friday night, the Kinsmen sponsored Peepees got a real hockey lesson from the Fiats, who were last year's T.H.L. Atom Champs. The Fiats are a highly touted Peepee team and by their performance last Friday are worthy of their advance publicity.

The game ended with the Fiats wrapping up a very nifty 7-1 win and this doesn't begin to represent just how superior the visiting team really was. David Southwell, in goal for the Peepee Hornets was brilliant throughout the two periods that he played and was the only reason that the score didn't reach double figures. Time and again, Dave stopped shots that seemed to have him beaten. But the amount of rubber thrown in his direction was amazing and some of it was bound to go in the net.

Gary Charity was the lone marksman for the Hornets and rated with the best players on the ice on either side. The difference in the passing department was very apparent. As a member of the Fiat team picked up control of the puck, he LOOK-ED and passed properly to a team mate and did not just shoot blindly. The Fiat defence was almost flawless as they broke up plays at the blue line time after time.

Coaches John Gropp and Roy Ogilvie were expecting just such a result and have hopes that the Hornet team learned some valuable lessons from the one sided game. Now that the kids know just how tough competition is in this class it might well be that they will go to work in earnest and have a really fine team to ice by Christmas.

JUNIOR "A" RESULTS

Mills & Hadwin Biltmores 1

Don Thurston's Tee Pees 0

Consumers Gas Marlboros 0

Rod Loftus, in goal for the Cubs had a well earned shutout as his team mates proceeded to register four tallies. The fuel men just about burned down the Griffin Construction shack as they went on a scoring rampage. Doug Carter scored two goals on breakaways and assisted on another scoring play. Bob Hornet led the Amerks to victory by scoring two goals while Keith Prosser poked in one. Geo. Lusignan and Rice were the best of the Canadian team and played outstanding hockey.

These two teams battled vainly for the 40 minutes of hockey as Bob Ritchie in the net for the Hawks and Ted Collier in the Ranger goal were unbeatable.

Butler & Baird Bruins 4

James MacKay Red Wings 2

Terry Maddeaux scored three goals for Bruins as he seemed to be playing just as well as at the end of last season. Doug Buckley scored the other Bruin goal. Jackie Dubkowski was in good form for Wings as he got one goal and an assist while Steve Sanders scored the second Wings goal.

Mercantile Scores Tuesday's Games

The opening game of the Mercantile Hockey League was held Tuesday night with over 400 tickets sold.

In the first game of the double header, Allencourt Centre won over Bob's 6-4. Thornington got 1st and 3rd Goals for Bob's; Dale Watts scored the 2nd goal and Paterson chucked up the 4th goal for his team.

For Allencourt Jim Wells rang in three goals in the 1st, 3rd and 4th; Mat Kinnari copped a 2nd and 5th and Stan Foster slid the 6th goal into the net. There were nine penalties.

In the second game between Pop's Restaurant and Stevenson Construction, the score was slightly tighter with 4 to 3 in favor of Pop's.

Pop's opening goal was scored by Dale Hicks, Jim Neal and Jim Stunden scored the 2nd and 3rd with just five minutes to go. Hugh Kerr popped in the 4th and winning goal.

Scoring for Stevenson's was Fox with the first goal, Duke Knox 2nd and Ron Guy came a-long with a third.

Penalties for this game totalled 14 - of which Duke Knox (in fine form) lead the field with three.

Blueliners Open Season 3-All Tie

Richmond Hill Blueliners, the local entry in Minor A competition opened up the '59-'60 season with a three all tie against the power packed North York Leafs.

Without the services of centre Bruce Walker and John Moorhead the locals showed plenty of class and a fast goal by Richie Elliott opened the scoring. Then Glass of the Leafs put the York Team in the running. Jackson of North York got one at the four minute mark of the second period to put his team up again and when along came Paul Hackett with one for the Blueliners to tie it up again. In the third period the boys began to get a little chippy and two penalties were called to stop the rough play before it got started. George Potter of the visiting team put the Leafs ahead again at the 5 minute mark and Johnny Mitchell of the Richmond Hill outfit made it up with a fine solo effort at 12 minutes of this period to end the scoring for this game. It was a clean hard fought game, except for the little action in the third period and the Blueliners looked a little ragged in spots, with Richie Elliot and Johnny Mitchell being the best by far for the locals.

Badminton Club Has Big Evening

Last Wednesday night the Badminton Club had thirty-two players and prospective members out to play their favourite winter game. The club seems to be growing by leaps and bounds and by all indications is headed for a very successful winter season.

The petition for the construction of tennis courts is due to go before the town council on the 13th of November. All you ardent and not so ardent tennis players, contact Mrs. Sue Fraser at TU, 4-1379 for details pertaining to the signing of this very important petition.

The monthly meeting of the Henderson Avenue Home and School Association will be held on Monday night, November 9, at 8 p.m. at the school. The guest speaker at that time will be Mr. Albert Colucci, Curator of the Dalziel Pioneer Museum and he will speak on the Importance of Museums in Education. The Dalziel Museum may not be too familiar to many. It is located at Steeles Avenue and Jane Street and is a project supported by Metropolitan Toronto and Region Conservation Authority.

The Henderson Avenue Junior School Choir, under the direction of Mr. James Westlake, are practising songs of Stephen Foster. This is an extra curricular effort on the part of Mr. Westlake and some volunteer pupils of Grades 4 to 6. Contemporary composers are represented by a few of the bright sparkling melodies of Rogers and Hammerstein. Attention will soon be given to Christmas, sacred and secular music.

The volleyball league for girls is well underway. The boys have formed teams for touch rugby and excitement runs high. School crests will be given to the winning teams. Captains of the girls volley ball teams are Trudy Johnson, Pat Wren and JoAnne Bragan.

The annual public speaking contest for senior pupils of Henderson Avenue School took place at 11:30 a.m. on Monday, November 2 in the school auditorium. The judges were Rev. P. Buck, Dr. E. Lueschner "Local Yokel" Says "Tiger" Jensen

Alex Jensen long absent from the local "rassling" scene will make his first appearance in more than a year and will test the ability of Ronnie Lueschner of Richmond Hill. Jensen, long on the public hate list and his usual modest self has this to say about the so called clean wrestling at Thornhill Market every Tuesday. "I Tiger Jensen am positively the best man to ever hit these parts, all the fans who have seen me beat, Garner, Mangotich, Orlando and the rest know this is true," and furthermore this shy retiring chap claims "I Tiger Jensen am also the very best wrestler to ever come to Thornhill, why I'll show you holds you have never seen yet, and I will squeeze that local yokel Lueschner like a grape."

Well that is a pretty strong statement and it might be true. But Brother Jensen isn't going to have any picnic with Lueschner, this local boy is fast and strong and we feel he is as good as they come. At any rate next Tuesday will tell the tale and we hope it comes out right side up for Ron Lueschner.

Jack Diamond and Mangotich will have another go at each other on this card as well as Orlando vs "Basher" Billy Foster Canadian Middleweight champion and Paul Lachance will charge at Grant Wylder, Erstwhile referee.

Thornhill High School Sport News

Thornhill's Junior Football Team defeated St. Andrews College by a 32 to 0 margin to keep their unscored on record intact, but then came the game against Richmond Hill. The Hill crew hit hard and fast and at half-time were leading the previously unscored on Thornhill Team by a 14-0 score.

The Thornhill Boys came out of their state of shock at the half-time period and roared back to win by a 10-14 score but the dream of a perfect season was shattered. Pete Donkersley was outstanding on offence for Thornhill and he came up with the winning T. D. on a beautiful twenty yard romp right through center. He looked to be stopped on several occasions but with some great fakery he went all the way to score standing up.

This win was a costly one for Thornhill as speedy backfielder John Moorehead acquired a badly sprained ankle in the third quarter. It is hoped that John will be all set for the playoffs next week as the team has a good chance of going all the way to the finals.

Thornhill seniors kept their record intact by clobbering Aurora seniors 52-0. The team is now in the Georgian Bay finals and is expected to give a good account of itself.

The Thornhill invitation cross country meet was won by Hill Park School of Hamilton for the third year in a row. Thornhill proved to be very good hosts as they managed to finish second to last. Oh well, nice guys finish last, they say.
