About 70 or 80 students went by chartered bus each day, and digging in five foot squares, unearthed many pieces of pottery, arrow heads, etc., valuable in assessing the type of people the ancient Indians were. During the past summer 23 burial pits were found at the site, which is unique, being only one or two in all Ontario. It is believed to be 1,000 years old and bridges the gap between the ancient Indian and the Iroquois who were here when the white man settled in Ontario.

## TESTON NEWS

CORRESPONDENT: MISS JOAN PELLETIER  
Phone Maple 4R12

The Eighty Seventh Anniversary of Teston United Church was celebrated Sunday. Many friends from neighbouring congregations joined in these special services. At the morning service Rev. Martin Jenkinson spoke of God's great gifts to be found around us and of the importance of the little everyday happenings as emphasized by Jesus' teachings in the parables. The Junior Choir of King City under the dedicated leadership of Mrs. Harold Gilbert with Mrs. Adam Davidson at the organ rendered several numbers. After the service the Teston choir served lunch to the thirty five young people of the King Choir.

At the evening service the guest speaker the Rev. W. W. Patterson, of St. Matthew's United Church, Richmond Hill chose as his text "Ye are the Light of the World" and urged that the church needs a "hot nucleus" of vital Christians at its core who will defend the faith against the invasion of materialism and many another

"isms" which crowds our world today. The choir of Victoria Square United Church led by Mrs. C. B. Barker sang "If Ye Love Me" and "Lift up Your Heads."

The building of the addition to the church at Teston is progressing well. The block work for the basement is completed and with fine weather the frame work will soon be up.

We are pleased to report that Mr. Garnet Dickey is out of the cast for his broken leg and learning to walk with crutches. At the time of writing he is in hospital but hopes to be home again this week.

Glad to hear that Mr. Norman McKinnon is also out of his cast and gradually gaining strength.

We extend our sincere sympathy to Mrs. John Gray in the loss last week of a niece, Mrs. Joseph McCarthy of Hamilton.

We are pleased to hear that Mrs. Ab Richards is home from hospital and feeling much better.

These words of gratitude can be uttered by any father or mother with a normal youngster. The fact is, a mentally retarded child can be born to anyone... regardless of economic status, educational background, race, colour or religion. There are at least 70 known or suspected reasons for this condition that can occur before or during birth—or in early childhood. In Canada alone, 34 mentally retarded children are born every day. Give thanks that your child is normal by helping a great cause.
