Former Maple Operators Entertain In Honour Of "Maggie" Ball

Last Sunday evening the operators of Maple's now defunct Bell Telephone Switchboard met at the Summit View Restaurant to reminisce and toast their supervisor and chief operator, Miss Margaret (Maggie) Ball, while enjoying a delicious dinner.

Miss Ball was presented with a lovely corsage and as a memento of the many hours they had worked together, the girls gave her an engraved jewelled evening bag.

Maple Notes

What's That?
Now we have another means of identification for our dwelling place - a bright red fire hydrant has been placed in our front yard.

It was the Junior Auxiliary Party!
We are always learning something new and this week we found out that it was the J. A. of St. Stephen's that helped cater for their Hallowe'en Party, not the G. A. So sorry.

St. Stephen's G. A.
Sunday evening St. Stephen's Girl's Auxiliary met with the group at Christ Church in Woodbridge for the annual G. A. Evening Service where the Girl's Auxiliary and diocese meet.

Home Sweet Home:
After sharing accommodation with Eric Brice and family for over three years, the Weidenfelder family moved into their new home at 47 Clemson Cres. in Maple's new subdivision.

Testing the Hospital
Carrie Wismer is on the home stretch after having her tonsils out and having a little extra uncalled for return visits to the hospital.

1st Maple Cubs:
Saturday, November 7, some of the sixers and seconds from A & B packs, attended the York Summit District Annual Sixers Council, at Markham.

Community and School Club:
On the evening of November 4th at the George Bailey Public School, we noted with interest, the many new faces and the most welcome male visitors.

Vaughan Council Normaple Owner Wants Money Back

AT A MEETING OF THE VAUGHAN TOWNSHIP COUNCIL Monday Council covered a variety of subjects with speed and dispatch.

Several ratepayers were present to complain about the state of drainage in the Boyle Drive, Langstaff area. One woman, Mrs. Richards, said that everybody in the area knew of the trouble she was having and that the drainage was in a terrible state.

Mr. Follitt had an appropriately decorated cake for the occasion and presented the table roses to the girls at the end of their dinner.

Miss Ball invited "her operators" back to her apartment for coffee and there they opened their gifts they had exchanged with each other.

The party ended with all the retiring switchboard operators agreeing to make this get together an annual affair.

Maple Notes

that they were at the meeting they showed a definite interest in their child and his school life.

Speaking on how we could help the failing child, Mr. Outram listed some possible reasons for a child falling in school.

Another delegation complained about water which drained into and built up in the vicinity of Vaughan Driveaway.

Council agreed to have this matter investigated also. Reeve Perry asked the Clerk "Are there any indications that there are more people unemployed?"

The Reeve then said that the CNR must be going to have to employ considerable labour and suggested "Why don't we get together with CNR about it" he added.

Easement Difficulties
The matter of some land bought by a Mr. Smith came up for brief discussion.

School Board Nominations
Councillor Ralph asked that it be made clear and asked the press to co-operate to make it generally known and understood that the forthcoming School Board Trustee Nomination Meeting was an open meeting for the public and everybody was welcome to attend and to participate.

Local President On T.V.
Jim Stephenson appeared on Tabloid recently as a member of the "Glad Hatter's Club."

More and more we hear of new neighbours moving into Maple. Being new to the district the Liberal can be of great assistance in helping locate the many and varied requirements a new householder runs up against in completing his new home.

The ideal way to be properly serviced and to get to know the activities of your new community is to have our local newspaper, The Liberal, delivered right to your door each Thursday.

Sounds a splendid idea! Sure does, so call the lad responsible for this service to you, Michael Weir at Alpine 7-1513, and he will see that you get prompt and courteous delivery.

Concord Socials

Happy Birthday

Congratulations to Maureen Bone who celebrated her 10th birthday, November 5. Maureen's mother gave her a party and the guests were Tina Voigt, Danelle Day, Diane Smith, Monica Jendrasch, Darlene Williamson, Susan Taylor, Susan Keffer, Alison Fraser, Rosemary Wilson, Lynette Wilson and Valerie Simmons.

Ratepayers' Meeting

Thursday evening, November 5, the Concord Community Ratepayers Association held its monthly meeting at the school. Only about 25 members were present to hear some of the candidates for school board present their platforms for the coming election November 23.

Mr. Warren Baile of Concord gave a very complete and interesting speech on what he felt would be problems that the new board will have to face.

Another candidate, Mrs. Mona Robertson of "The Liberal", also spoke a few words in respect to the new area school board.

My apologies to the association for getting the date of the meeting wrong, but I was honestly misled by a couple of the association's members.

My apologies also to Mr. and Mrs. Roy Witty (although it was not my doing). They have celebrated their 13th anniversary, not their 30th.

The Brownsies, Scouts and Cubs of Concord held a church parade on Sunday, November 8 at the Maple United Church.

Our condolences to the girls' volleyball team who lost in the finals to Woodbridge. The games were played at Kleinburg last Friday.

Although Hallowe'en is nearly two weeks past, I feel that the young people in Concord are to be congratulated on their behaviour. Having read accounts of other centres, Concord looks pretty civilized.

The Reeve and Councillors said they did not approve and when Mr. Grant stated that conditions had changed since the initial arrangements had been made.

It was a dirty trick. The Reeve and Councillors said they did not approve and when Mr. Grant stated that conditions had changed since the initial arrangements had been made.

Young Canada's Book Week 14-21

We would draw your attention to the fact that November 14-21 is Young Canada's Book Week. This is a week set aside to emphasize the importance of reading for the junior members of the community.

Urge your child to become a member of the library if he has not already done so. A world of knowledge and adventure will be opened up to him, and reading will help him get more out of his work at school.

Our librarian, Mrs. Kinsburgh, is most anxious to help young people select books that are suitable for their age. The library has a large selection of books for school-age children as well as pre-school children.

Help your child by discussing his reading with him and explaining to him what he does not understand. You will not only be helping him intellectually but will also be establishing a bond between you and your child.

Each year there is an increasing number of children's books with Canadian settings, written by Canadians. Young Canada's Book Week might be a good time for your child to begin exploring this channel in literature.

STEEL STRIKE OVER!

PROMPT DELIVERY ON MOST 1960 FORD PRODUCTS

During the recent steel strike there was a lot of talk about new car shortages. Some car manufacturers found themselves in a much better position than others. Ford Motor Company was one of the more fortunate and as a result we are able to offer immediate delivery on some 1960 models and require only a week or ten days on most other models.

We think that dealers who hold out for higher prices because of the steel situation are very shortsighted as any shortage is only temporary. So if you are not getting the deal or the car you want drop in to see US today. Nine chances out of ten we will be able to give you both.
