by Ron Craine

Two ex-students of Richmond Hill High School received national recognition for their athletic achievements during this past year.

This award is not given lightly nor without great deliberation and Marian can be justifiably proud of having been chosen as a very worthy recipient.

Congratulations to you Marian, and to your family also, as they have helped and encouraged you every step of the way.

John Passmore, another Richmond Hill athlete was also honoured with a national award last week, when he was awarded the Dr. Fred Tees Memorial Trophy as the outstanding Canadian University Track and Field athlete of the year.

Bill Babcock, Richmond Hill High School Phys. Ed. teacher can be justly proud of these awards. Both these nationally recognized track stars got their initial start and coaching under Bill's guidance.

The amusing or perhaps amazing part of the deal is that we don't have any sort of running track in Richmond Hill. If Bill Babcock can achieve results like these sans track what could we not expect with proper facilities?

#### SPORT SPOTS

A group of public spirited citizens are donating their time to officiating at all the hockey games at the Richmond Hill Arena. The officials are working absolutely free, gratis and for nothing, and cannot be too highly commended on the manner in which games have been handled.

The referees want good, fast, CLEAN hockey from the players and are going to see that rules are adhered to. There is just no excuse for dirty tactics on the part of players and if team directors can't or won't get this across to their young charges, the referees will. Any hockey player who leads the league in penalties NEVER leads in the scoring.

#### SPORT SPOTS

The Richmond Hill Indians were eliminated from further football competition by Northwestern Ghosts last Saturday afternoon.

At times they were outplayed, but never, on any occasion, outthought. The team was riddled with injuries but every man gave it all he had and more. This was Bill Points last day as head coach, and while a win would have been a fitting way to retire, the game must have done his heart good.

The Richmond Hill Badminton Club is now a full fledged, mature organization. An election of officers has been held and the club now has a full slate of officers.

A call to Mr. George Fraser at TU. 4-1379 will give details of the club to interested parties. This club seems to be going to be a really big success, so if you like badminton, why not investigate?

#### SPORT SPOTS

There is a game for us old timers that can be a real riot. The game is broomball - no skates worn and hockey rules used while a volleyball takes the place of a puck and a worn out kitchen broom for a stick.

### Hockey Scores

#### RICHMOND HILL BANTAMS 5 AURORA 0

Last Friday night the Richmond Hill Bantam Team, sponsored by Canada Coal, played an exhibition game at Aurora. The individual star of the game for the Bantams was net-minder Bob Ritchie who was very steady, earning his shut-out. Young Ritchie improves every time out and makes difficult saves look easy.

Marksmen for the Bantams were Mike Howard, Anthony Crack, Paul Jackson, Ricky Bradshaw and John Harvey. Bob Munroe drew praise from Coach Jimmy Pollard for his fine defensive performance.

Bantam home games are played Thursday nights. This Thursday, the Bantams are playing host to the Brampton Club, so if you can possibly make it, come on out and see what's doing.

### Aurora Midgets Down Locals 4-0

Aurora Midget "A" Hockey team came to town last Thursday and assaulted the local Blue liners with might and main and dumped them by a four to nothing score. The locals showed flashes of hockey ability but not enough to cope with the fast skating Aurora Club.

### Thornhill Sports Notes

Thornhill High Sports Notes The big interest in Thornhill these days centers around the schools' two very fine football teams. The teams seem to have whipped up a real school spirit as witness the fact that some 120 Thornhill students went to Barrie a week ago Wednesday and watched in a pouring rain as the senior team beat Barrie North 13-0 to win the Georgian Bay title.

The senior team is still enjoying a perfect season and have yet to be scored on this year. Dave Voigt and Richie Charles were the T. D. getters for the victorious Thornhill crew. The field was more like a pond than a football field and the weather conducive to Duck Hunting so the team can really go-wet or dry.

On November 14th Bill McVicar's seniors squad will be playing either Peterborough, Whitby or Belleville for the C.O.S.S.A. Championship. The site of the game is not yet definite but keep your plans and your ears open as the game should prove thrilling.

A week ago Monday the fine Junior team walloped St. Andrews 19-0 in three inches of snow. On Friday they clobbered Aurora 4-0 to wind up their regular schedule. This Friday the team goes to Orillia to play for the Georgian Bay title. A win would put both senior and junior teams in the C.O.S.S.A. finals.

Coach Charlie Seath is confident that his Junior team has what it takes to win and by past performance a high standard of play is to be expected of the team. Good luck and good hunting to both Thornhill teams.

### Gentleman 'Tiger' Jensen To Meet Gori Mangotich

Well the wrestling fans at Thornhill Market will be happy with the card lined up by Joe Greenfield for Tuesday, November 17. It appears that Alex "Tiger" Jensen that shy unassuming exponent of the "clutch and grab" game has signed to meet Gori Mangotich of Ryding in the main event. Gori undefeated so far this fall semester has in turn defeated Red Garner, Karl Mueller, Rocky Bowley and had a draw with Jack Diamond, claims he is not worried about his match with Jensen, and figures to take Jensen like all the rest. We think he is making a big mistake, because Jensen like Mangotich has jostled with the best all over the country and makes this business his entire source of income, and as a business man he knows he has to produce or else. This one has a no time limit on it which will enable the two gladiators to finish each other off without the danger of the bout ending before a winner is declared.

### Ontario Minor Hockey Association Meeting

The largest hockey meeting of its kind was held last Saturday as some 400 O.M.H.A. delegates descended on the King Edward Hotel, The Richmond Hill Association was represented by Messrs. Tubby Barrow, John Gropp, Jim Grainger, Fred Walters, Bob Pimm and Jim Pollard. The consensus of opinion among the delegates is that the Richmond Hill Hockey set-up is as good as the very best and far superior to the majority of minor league operations. To cite one example of superiority, the local league is one of the very few operations that gets consistent refereeing by having a referee-in-chief, Mr. Jim Grainger. Mr. Grainger holds meetings with his referees to ensure that each official calls games in the same manner and that rules are adhered to. A school was conducted for the referees with Al Promaine, one of the best known referees in the O.H.A. on hand to interpret rules and answer questions pertaining to the game.

The young Hockey hopefuls in Richmond Hill are fortunate to have several public spirited citizens, who love hockey, to act as referees. It developed at the O.M.H.A. meeting that most operations are hampered by a serious lack of competent officials. Any league is only as successful as its officials make it and the Hill operation is definitely a success.

The very next time you go to the arena to watch the youngsters perform, give credit where it is due - to the team coaches - to league officials - and please to that most maligned man, the referee. Remember he's working for nothing and without him, hockey is just plain shiny.

### Richmond Hill High School Sports News

The Richmond Hill High School Junior Soccer Team enjoyed an undefeated season as the Aurora team defaulted to Richmond Hill in the last game of the season. The game will go into the books as a 1-0 win for Richmond Hill.

The boys had a most enviable record as they scored 83 goals against the opposition while only having three scored against them. At Aurora they played a pickup game against a packed Aurora senior team reinforced by five foot ball players. The kids lost three to nothing but when you pit 12 year olds against sixteen and seventeen year olds the low score is absolutely amazing. Congratulations to all members of the Soccer team.

The Re-vamped Richmond Hill High School Football team defeated Newmarket 13-0 last Friday night to wind up their football activity for this year. Big guns for the Hill were Bob Owen and Vic Suzuki who tallied one T. D. each.

This team was so shaken up with serious injuries to key players only a month ago that a complete reshuffle was necessary. The strong finish shows how much desire the kids possess and just what dedicated, inspired coaching can do.

A week ago last Monday night the school senior basketball team played host to the Richmond Hill Grads. The Grads are the local entry in the O. A. B. A. Intermediate series and got some-

thing of a shellacking from the school boys as the senior team defeated grads 118 to 62. Bob Lake was the high scorer for the school, netting 32 points while team mate Jim Smith racked up 29 points. Six members of the High School Team tallied 15 points or better.

Borden Ball competition is drawing to a close. The senior competition is already over while the junior section will have decided a winner this week. The Red Team, captained by Bob Lake won the Senior Borden Ball Competition. Bob seems to be a success at whatever Athletic endeavour he undertakes.
