Land Value Up Not Down Says Court Of Revision

Two hundred appeals were heard by Markham Township's five-member Court of Revision from Monday, November 2, to Monday of this week. Members hearing appeals were Mr. C. J. Russell, chairman; Dr. Fred Mulholland, Mr. Frank Robb, Mr. Archie Little and Mrs. Kathleen James.

Most of the appeals were from Ward 1 (Thornhill, Highland Park and Doncaster), the area affected to the greatest degree by the proposed bypass of Thornhill.

Mr. George Dohson of Highland Park appealed his assessment stating the market in houses has considerably decreased and when the railway is built few will want to live there.

Assessment Commissioner Archie Fleming said that instead of land dropping in value in that area it had risen and quoted figures to prove his statement.

Mr. George Dohson of Highland Park appealed his assessment stating the market in houses has considerably decreased and when the railway is built few will want to live there.

HIGHLAND PARK NEWS CORRESPONDENT: MRS. D. R. DARLEY, 84 Highland Park Blvd. - AV. 5-2719

Church News St. Patrick's Anglican Church Women's Auxiliary held a very successful bazaar on Saturday, November 7th at 2 p.m. in the Church Parish Hall on Lillian Street. Delicious homemade baked goods and delicatessen made a hit and many lovely aprons and knitted goods were also good sellers.

The Thornhill Presbyterian Couples Club will be collecting old newspapers and magazines again on Saturday, November 14th. There are papers for new news for their new Church. If you have any papers to give, kindly phone AV. 5-3567 or AV. 5-4245.

The Thornhill United Church Women's Auxiliary held a huge Bazaar on Saturday afternoon, November 7th in the Church Auditorium. This was a tremendous success with extremely good proceeds. As in all bazaars, a great deal of effort had been expended in the preparation and the results were pleasantly gratifying.

Guides Three girls from the Highland Park Girl Guides group earned their Hostess Badges at a Halloween Party held at their Tuesday night meeting. Sharon Debney, Julian Dempster and Cheryl Leonard, acted as Hostesses for the evening. The costumes were all homemade and very original. Mrs. J. Ferguson and her daughter Joan examined the girls and passed them on their good work.

Mary Gage, a senior guide, has been absent from her group while assisting the organization of a Guide group at Powell Road School. Mary will be helping them until Christmas.

Scouts The Scouts had a dry and sunny day on Saturday, November 7th for their collection of papers, bottles and baskets. The Scouts were thanked with their results and thank all those who donated.

W. A. The Highland Park Womens Association will be holding their monthly meeting on Tuesday, November 17th at 8.15 p.m. at the home of Mrs. Carla Pregel, 15 Woodward Avenue. All those interested in the welfare of the subdivision are urged to come and bring their complaints and suggestions as the case may be.

School News The School Fun Fair reports a good profit this year. Around \$400.00 was the amount which the affair brought in and I am sure this will be put to good use. Mrs. Gage, President of the Home and School Association thanks all those who participated and helped to make it a success.

The voluntary contributions in the UNICEF boxes at Halloween were very generous and the committee are pleased and wish to thank everyone for their kind response. The total amount received has not yet been reported but we expect to have the results by the end of this week.

The Henderson Avenue Home and School Association held their monthly meeting in the school auditorium on Monday evening, November 9th. The meeting opened with the reading of the Home and School Creed. After the minutes were read, the treasurer gave a report showing a bank balance of over \$500.00.

The Junior choir under the direction of Mr. Westlake, of the Henderson Avenue School Staff, was scheduled to sing a few selections at the meeting but due to unavoidable circumstances, was unable to do so at this time. However, we had the pleasure of hearing the three winners of the Annual Public Speaking Contest, Veronica Alnone, third, spoke on Education in Peru; Carolyn Winter, second, spoke on Education of the Blind; and Suzanne Morse, first, spoke of the Education of Man. These speeches were of excellent calibre. The girl's delivery was quite outstanding. Suzanne Morse represented the school in the Area Public Speaking Competition which was held at Charles Howitt Public School on Thursday evening, November 5th, at 8:00 p.m. Suzanne did a very good job and came third in this competition.

The president, Mrs. Gage received some child safety posters during the week and pleaded with parents, whose prime responsibility it is, to be sure their children know the safety rules and follow them. On a graph shown on these posters, the greatest killer of children is accidents with a percentage of 55. Too much stress cannot be placed on the children, especially preschool ages, on the rules of walking and playing in the streets and crossing roads.

Mr. A. Hayes gave a report on the progress of the ice rink. He thanked the six men for their assistance last Saturday in helping nail up the old boards around the rink. A motion was passed to spend another \$50.00 for new lumber to finish the fence. A smaller rink is planned this year for younger children and those not playing hockey. Mr. Hayes is calling for more volunteers on Saturday, November 14th at 2 p.m. to help complete the fence. More help is urgently needed and if you are able to assist, please call Mr. Hayes at AV. 5-2969.

Mrs. Peggy Robinson introduced the speaker for the evening, Mr. Albert Colucci. Mr. Colucci was born in New York, studied Art in Munich and the Ontario College of Art. He was a cataloguer at Fort York Museum before attaining his position as curator of the Dalziel Pioneer Museum. Mr. Colucci is an enthusiastic student of the history of early Ontario. His talk was illustrated with interesting colored slides of displays at the Museum.

The Dalziel Museum is owned and operated by the Conservation Authority. It was established in 1954 with the valuable assistance of Mrs. Nell who is a very talented, well informed lady about museums. Although the purchasing budget for the Museum was only \$300.00 to begin with, about 95% of the articles were acquired through kind donations. All articles are from South Central Ontario and were made before 1867.

In 1957 there were 7,000 visitors, in 1958, 18,000 and attendance in 1959 to date the attendance has been 32,000. This is very encouraging to the Museum directors and shows that it is acceptable to the public and the community.

Mr. Colucci canvasses 600 schools each year and touring appointments are soon filled up. One hundred and ten classes attended last year and the children enjoyed the displays and asked very intelligent questions which shows that museums are good visual education.

The museum is now working on the restoration of a Pioneer Village which will be opened in May, 1960. So far they have a 130 year old barn a two storey log house built in 1816, a smoke house, woodshed and pigery.

Mr. Leacock thanked Mr. Colucci for his interesting discourse and slide illustrations. The meeting was adjourned and coffee was enjoyed.

There will be a general meeting to organize a Home and School Association for the new Clark-Elgin school on Thursday, November 26th in Thornhill United Church. Mrs. Kojola, president of the York Simcoe Council, and Mrs. Toogood, District Organizer of the York Simcoe Council will be present. All parents who have children who will attend the new school are urged to attend this meeting.

Thornhill High School gave Barrie High a run for their money on Wednesday afternoon, November 4th at Barrie, when Thornhill beat Barrie 13 to 1 in their football game. Many of the pupils returned gleefully but literally "all wet" from the game. Neighbourhood Notes We offer our sympathy to Mr. and Mrs. H. Pachel of 22 Grandview Avenue for the recent loss of Mrs. Pachel's brother, Clarence Boescal. Mr. Boescal lived with his sister and was killed in a construction accident by high tension wires.

People are like steel - when they lose their temper, they're worthless.
