Renowned Psychologist Lynn Surette, St. Luke's Area Oratorical Winner

Mrs. Frances L. Johnson, M. A., Supervisor of Parent Education, Institute of Child Study, University of Toronto will address the Walter Scott Home and School Association next Thursday evening, November 19th, at 8:00 p.m. in the school Auditorium. Mrs. Johnson's topic will be "Discipline for a Democratic Society" - outlining a plan of discipline designed for guiding to make their own decisions, to teach them how to think, rather than what to think, as preparation for living in a rapidly changing world.

Mrs. Johnson was born and educated in Toronto and is married and has two sons and five grandchildren. Shortly after her elder son was enrolled in the Nursery School she joined the staff of the Institute of Child Study as a lecturer in Parent Education. Parent Education was at this time in the pioneering stage. After being sent to several centres in the U. S. A. which had Parent Education programmes, she realized she needed more education to do an efficient job of helping parents and returned to study at the University and while still continuing her job at the Institute,

obtained her M. A. Degree in Psychology.

Mrs. Johnson was chosen to plan and carry out a province-wide Lay Leader project in Parent Education, sponsored by Community Programmes Branch, Ontario Dept. of Education. She was loaned by the Institute for five years to do this work. She returned to the Institute as Supervisor of Parent Education, a position she now occupies. This entails leading Parent Education groups and training leaders at a professional level as Parent Educators.

Appointed to the Clinic Committee of the Institute when it opened in 1958, Mrs. Johnson is acting as consultant to parents in dealing with the everyday problems of living with children. She has travelled widely in the British Isles and on the continent.

The Walter Scott Home and School Association feels that the speaker and the topic is of wide interest and cordially invites all parents in the Richmond Hill school area to attend this very informative programme. There will be a question period and refreshments.

Edgeley Farm Forum Held Opening Meeting

(By Mrs. R. Stuart)

The twentieth season of Farm Radio Forum opened on November 2 with a special hour and a half broadcast from the annual meeting of the Ontario Federation of Agriculture. The first topic, "The Small Farm - A Special Case" dealt with many issues affecting the small farmer.

The Edgeley Forum, which was held at the home of Mr. and Mrs. Roland Keffer, concluded that the trend will continue in this area toward operating larger farm areas, giving the continuing farmers a chance to increase their operations. And they do not think there is much chance to change this trend to fewer and larger farms.

The theme of this season is "Adjustment - Key to Farming's Future." To quote Dr. H. H. Hannan, President of the Canadian Federation of Agriculture, "Agriculture today is in the throes of a technological revolution that has many social and economic implications. These are implications that will affect the lives of everyone of Canada's farmers, regardless of his size of operation or geographic location. The problem of financing, the availability and proper use of Farm Credit, the relationship of farm production to available markets, the ways and means of marketing farm products to a better advantage, are all important to our farmers. These are the themes of the Forum topics selected for the November to March discussions."

4 Month Old Baby Dies In Car Crash

A tragic accident, involving three cars, occurred on No. 11 Highway near Elgin Mills on Wednesday, November 5 around mid-night, resulting in the death of Kim Marie Avison, 4 months and the hospitalization of her parents, Mr. and Mrs. Howard Avison, Roosevelt Dr. Richvale.

Mr. Avison was released from York County Hospital, Newmarket on Saturday, November 7 after being treated for lacerations and shock. Mrs. Avison regained consciousness on Sunday, November 8 having received head injuries and a broken leg. Mrs. Avison is the daughter of Mr. and Mrs. Alec Baird, Roosevelt Dr.

A private funeral for the baby was held Saturday morning from Wright and Taylors, Richmond Hill.

Honour Memory Late Henry Hall

At last Sunday's Armistice Day service in Richmond Hill a wreath was placed on the cenotaph by Jack Sanders in memory of Henry Hall who passed away Tuesday, Nov. 3rd at Sunnybrook Hospital.

The late Mr. Hall who was in his 83rd year was a retired TTC employee, and had been for many years a highly esteemed resident of this community. He is survived by his widow and one son Harold of Toronto. The funeral was held last Friday afternoon and interment was in St. John's cemetery, Norway. A veteran of World War I he served overseas with the 15th Battalion.

TOWN OF RICHMOND HILL

RUSSELL LYNETT, CLERK

Criticize Aurora P.O.

The post office department came in for strong criticism from Aurora town council on Monday night. The mayor of the town, James Murray said, "Whatever is said about the postal department in Aurora, I'll double it, and double it again, it is a disgrace."

Deputy-reeve Keith Nisbet listed several complaints:

(1) There isn't even a mail pick-up box in Regency Acres.

(2) Newcomers to town who are commuters cannot get to the post office in Aurora from Toronto before it closes evenings - and have little chance of collecting their mail.

He urged door to door mail delivery but added, "with no election coming, it will probably take a long time to get it."

Mayor Murray said he has already written the postmaster-general asking that the post office stay open until 6:30 p.m.; he has also written regarding changes in the present building, at variance with town by-laws, but "they haven't even the courtesy to answer my letter."

Canada's Mr. Fixit Guest Speaker

The Annual Banquet of the Richmond Hill Horticultural Society, will be held in the Hall of the Richmond Hill Presbyterian Church - November 26th at 6:30 p.m. The programme committee is delighted to present as guest speaker, Mr. Peter Whittall - "Canada's Mr. Fixit." Mr. Whittall, a colourful figure on Television and Radio and in Magazines and Newspaper, needs no introduction to the community of Richmond Hill. He has been a resident here for the past four years, residing on Leisure Lane in Pleasantville. His home, a beehive of activity, is constantly a source of interest to neighbors and friends as he devises and assembles, "do it yourself" projects in his workshop. Witty and genial, Mr. Whittall will indeed give an evening to remember.

NEWMARKET - A local curling club in Newmarket has been having some difficulty in evenly freezing town water - salts and chlorine hinder the making of keen ice.
