Mr. John A. Munroe, father of Trackster Marian Munroe, has donated a trophy to Richmond Hill High School. The trophy, to be known as the John A. Munroe Trophy, was made by Mr. Munroe and the engraving on the trophy is also his handiwork.

The award is to be made to the young lady adjudged to be the most outstanding athlete at Richmond Hill High School and the trophy will be formally presented to the school at the athletic assembly in the Spring. The trophy is being donated by Mr. Munroe to encourage girls' athletics and also as a token of appreciation of the many pleasant things that have happened to the Munroe clan in their association with the school.

### SPORT SPOTS

Seems as though once you get launched on the subject of trophies and athletic awards it becomes difficult to break away. Another trophy for competition is sadly needed for high school soccer competition. The word "another" is probably an extremely bad choice of word as there just isn't any sort of soccer trophy at the present time. The Richmond Hill High School Junior Soccer Team just concluded an unbeaten season and scored 83 goals against any and all opposition while yielding only three goals to opponents. There certainly is high interest in soccer at the school and a trophy would not be amiss for annual competition. If you'd like your name to be carried on a trophy or would merely like to encourage kids why not contact the local school board?

### SPORT SPOTS

Stan. Thornington, good Richvale baseball player and umpire bairer par excellence has joined the ranks of law and order and is now refereeing games in the Little N.H.L. series, or rather in the Richmond Hill Hockey Association Minor League set-up. "Stosh" could get an umpire's dander up without half trying and it will be interesting to see if his sojourn as an official will change his own approach to officialdom in a blue shirt and spikes. All kidding aside, Stan and many others like him are doing a good job for the youngsters and giving up a lot of time to do it. It may interest you to know that in these days of crass commercialism ALL officers and officials of the R.H.H.A. work for nothing and even manage to spend a fair bit of their own money to boot.

### SPORT SPOTS

Last Thursday morning at the unearthly hour of 6 a.m., yours truly drove No. 1 Son to a practice at the Arena. Team had no goalkeeper, so Dad stuck out his fat neck and donned the pads. The kids are awfully good or the old man awfully bad (or both).

The liniment index on the market quotations took a big jump as these kids handed me bruise on top of bruise. — Who was the character who said, "Be a pal to your son?" This boy had nine daughters and didn't know from whence he spoke. Ask me next week when these lumps have gone down — I'll probably accept the job again.

### LITTLES OFF TO FLYING START

Little Fords downed Champs Birrells Chevs 2-0 last Friday night to put them on a two game winning streak. Pal Greenfield was the big gun for Littles with two goals, David Agg and Ernie Dubkowski assisted on both goals. Trev Moore, the bad man of the league sat in the sin bin for six minutes for crimes committed. Birrells' old faithfuls, Hartley Jansen and Peter Crack turned in stellar performances for a

losing cause. Both teams played short handed because of a tea party put on by one of the local belles. Standings of teams in the Minor Hockey League to date.

## Tennis Court Project Is Apparently Delayed

It seems unlikely that Richmond Hill will have any Municipal tennis courts available for use during the coming year. Land was to be purchased by the town, from householders on the south side of Centre St., West of the Lawn Bowling Club, and apparently verbal agreements were arrived at, but the deals as such were never completed.

The hope was that work would be started on the courts this winter and that they would be available for play early in the summer. With no land yet purchased and elections in the offing it would seem that any plan will be postponed until too late for any action to be taken to provide facilities for next year's play.

A group of some fifty citizens indicated their willingness to pay a ten dollar fee each to have

made available tennis courts in their name. These citizens signed their name to a petition which was presented to the Recreation Commission on Friday last. As it now stands the Recreation Commission has no land available to them on which tennis courts could be built.

There were municipal tennis courts on the site of what is now the new Richmond Hill Library, but the courts were allowed to fall into a state of disrepair, and were finally demolished as the ground was broken for the new library. The reason given for the destruction of the tennis was a lack of interest in tennis on the part of Richmond Hill's citizens. It now appears that interest in the sport is very high indeed and surely what council taketh away, council should also give.

There were fifty names on the petition for the tennis courts but from all indications another fifty would easily be forthcoming and produced if necessary. It is the earnest hope of all the petitioners that the lack of site problem can be taken care of at an early opportunity and that somehow or other tennis WILL be on the agenda for next year.

## Richmond Hill High School Sports News

Athletic Night, sponsored by the Boys' Athletic Society, was a success both as an entertainment and at the box office with a profit of roughly \$65.00 going into the books.

To start proceedings the Wonder Five laced horns with the Senior Basketball Team and defeated them 48-44. Prior to the game the seniors had offered to spot the five 20 points, but at the end of the third quarter, the Wonder Five were in the lead and waived the 20 point margin. This is the first time in at least eight years that the staff members have won against the school team. Tony Berry, a Richmond Hill old boy, handled the refereeing chore and kept the game under control at all times.

The Wonder Five played rugged, aggressive basketball as 14 fouls were called against them while the seniors committed only two fouls. Could it be that the OLD men have more desire than the younger team?

All members of the senior team saw action in this game and acquitted themselves well. The opposition was loaded as Jim Harrison was on a Canadian University National Championship Team and Mr. Babeck and others are no slouches either.

The wrestling bout between Barry Hopper and Wayne Rich-

ardson had to be called off as Barry was cut in the scalp in the afternoon and is now wearing stitches. The Masked Marvel substituted for Barry Hopper and defeated Wayne Richardson with a hip toss and body press at 9.56 of the lot. That Masked Marvel looked a bit like Mr. Bill Babcock and it was good of him to fill in on such short notice.

A team from the men's phys. ed class played an exhibition volleyball game against a team picked from the phys. ed class at the school. After a fierce tussle the men emerged on top with a 16-14 score. The high school boys gave a good account of themselves and the older team was forced to the limit for the win.

Twenty candidates for the Mid-grade basketball team gave an exhibition of basketball and were coached by Doug Madill and Bob Lake. Midgrades are under 15 years of age but two team hopefuls go over the six foot mark, one boy being six feet, one inch while another hits six feet, three inches. Some midgrades!

These athletic nights are open to public admission and there will be four more nights during the current school year. A good evening's entertainment is guaranteed and the money goes to a good cause.

## Hockey Results Week Ending November 14th

Action has been fast and furious in all three minor leagues with the teams in all leagues being fairly closely bunched. The one thing missing at most games is parents. When your boy is playing how about coming along and cheering on his team's effort. The kids really enjoy parental interest in their hockey endeavours and the game played may not be the most scientific in the world but it surely is an enthusiastic one. See you at the next game.

**Junior "A" Results**  
 Consumers Gas Marlboros 2  
 Jones Building Flyers 2  
 Marlies finally hit the score sheet with Bill Huke scoring the first Marlies goal of the present season. Bill hit for two fast goals to give his team a split with the Flyers. Gary Churcher was the marksman for Flyers as he scored both goals for his team.

**Mills & Hadwin Biltmores 5**  
**Rumble Transport Petes 0**  
 David Broderick lead the scoring parade for Bills by banging in two goals while singletons fell to mark Dobbs, Wayne Harrington and Harvey Gordon. Mike Leishman played good defensive hockey for Petes but his effort was not enough to stem the tide.

**JUNIOR "A"**  
 Paris Electric Tiger Cubs 5  
 Don Thurston Tee Pees 1  
 Mark Reynolds and Jim Wilson paced the Cubs to victory with two goals each with David Huffy adding a singleton. Dave Hilly went well for the teeps and produced his Team's lone tally.

**A. H. L. RESULTS**  
 Superior Sand & Gravel Canadiens 2  
 Declant's & Rice Bisons 1  
 David Loftus was the triggerman for Canadiens as he blasted in both goals for his team. Wayne Richards played well for Bisons and was rewarded by scoring the lone Bison goal.

**Loren Gordon Barons 2**  
**Quality Utilities Reds 1**  
 David Smith and Doug Acomb produced the goals that lead Barons to victory. Billy Strugnell scored the only Red's goal although the team as a whole played well.

**AI's Cycle & Sport Bears 2**  
**Young's Service Station Mike's 1**

Bears were good value for the win over the gas station boys with George Anderson and Ian McAllister each scoring once. Mike Orpen scored the only goal for St. Mike's.

**N. H. L. RESULTS**  
 Halliday Fuels Leafs 2  
 Rotary Club Rangers 1

Leafs were lucky to win this game as some fine net minding by their goalkeeper, Doug Bursley combined with erratic Ranger shooting kept their one goal margin intact. Don Gibson scored both leaf goals while pen Carlisle registered for Rangers.

**James MacKay Redwings 4**  
**Firefighters Canadiens 1**  
 Steve Saunders got three goals and the hat trick for wings with Jackie Dubkowski getting the fourth goal. Jerry Rice was the lone Canadian goal scorer.

**Butler & Baird Bruins 3**  
**Griffin Construction Maroons 2**  
 Bruins scoring was well-shaped as goals were scored by Terry Maddeux, Wayne Haviland and Frank St. Louis. Richard Newton-Smith scored on for Maroons as did team mate George Anderson. Town & Country Americans 4  
 Dunes Jewellers Black Hawks 1

Doug Nichols scored two goals as Keith Prosser and Craig Ellis scored once each. Bill Stone played well for the Jewellers and scored the teams lone goal.

## Thornhill Sports Notes

**Thornhill 2, Orillia 0**  
 Thornhill's Junior Football Team defeated Orillia in Orillia to win the Georgian Bay Championship. The game was played under very adverse conditions as rain, snow, wind and mud all combined to make a play as difficult as possible.

Thornhill had the first half advantage during the first half but a combination of bad breaks and missed blocks kept them off the score sheet but for the two singles kicked by Bob Howes in the second quarter. The Orillia team came to life after the half and made things hot for the Thornhill team who had to fight desperately to make the two points hold up until the end of the game.

This Saturday at 2 p.m. the Thornhill team will be playing on their own field against either Trenton or Peterborough for the C.O.S.S.A. Championship. The game should be a good one so if you can get to Thornhill High School grounds on Saturday, you'll see real amateur football teams in action with both sides giving it the big, big try.

**Quinte Secondary School 19, Thornhill Seniors 1**

On a miserable, cold, rain-swept field, the Thornhill Seniors Team went down to defeat for the first time this year. Until this game the Thornhill Seniors were unbeaten and unscored upon but a good football team and the elements combined not only to score on them but to outscore them.

The Thornhill team had a 1-0 lead at half time, but the continual soaking, dropping temperature and high winds took their toll as the players were so cold and shaky that the glue that has held the team together just came unstuck. The Quinte team seemed to be just a little better prepared for the cold conditions and carried on to win the game.

Cliff Nuttall was moved from end to a half-back position as Brian McGee was out of action with an ankle injury. Cliff performed competently at his half position and was injured by some piling on after having been tackled. Cliff was taken to Belleville Hospital where X-rays indicated that his back was not injured as at first feared and that he was suffering a slight concussion. Nuttall was kept in hospital overnight but returned home on Sunday.

The school's hopes now ride on the Junior squad so, you students, don't forget to go out and holler for your favorite team this Saturday. Could be your vocal support could help bring a C.O.S.S.A. Championship to YOUR school.

## Wrestling Bout Thornhill Market

Wildcat Osborne, that sensational grappler has signed to meet rugged Gori Mangotich undefeated Slavic mat star Tuesday night, November 24 at Thornhill Market. These two men are enemies from away back and will charge at each other in a two out of three falls match with a 60 min. time limit match. Both are fast and clever, with Osborne having an edge in the speed dept. and Mangotich having about a 12 lb. advantage in weight.

The fans feel that The Wildcats speed will more than offset the heavier advantage of the Slav. Now Mangotich has made the boast and there is no wrestler in Canada at 190 lbs. or less, that can beat him, but we are of the opinion that Osborne's speed and agility will be more than enough to get the nod over the surly Slav.

Billy Foster Canadian champion will be on the card against an opponent yet to be named as will Wolf Jennings, Sudbury ace. Freddy Labelle popular French Canadian star has asked for a match with the stary Jennings but as yet nothing has been settled. Also seeking a place on this card will be Hans De Groot giant dutchman who spread Cowboy Sullivan last time out in less than ten min. If Gori Mangotich continues to mow down the opposition and gets past Wild Cat Osborne this week, matchmaker Joe Greenfield will attempt to get Roger Vallee here for him in the near future.
