Editor Margot Crack

Displayed in their Yonge Street showrooms along with many fine examples of leading manufacturers, the Powell Furniture Warehouse Sales are proud to include the latest products of Peppier and Kaufman of Collingwood, for whom they have just been appointed exclusive representatives for this area.

Judging by the many comments we receive this column is read with great interest by hundreds of Richmond Hill readers, not to mention many in other parts of Canada and the world. If you have any personal items or news of social events, please send them by mail or phone our office, TU. 4-1105, and we will be pleased to include it in "Life in the Hill."

Mrs. Jack Seaton who is at present in the Isolation Hospital, Toronto, suffering from an attack of poliomyelitis, is still making satisfactory progress and is now allowed out of the lung for two hours a day. "The Liberal" joins with her many friends in wishing her continued good progress, and hope her stay in hospital will not be of a lengthy duration.

The Senior Choir of the Anglican Church of St. Gabriel, held a meeting to discuss choir robes. They have changed. It was amusing to see choir gowns of other days modelled by Mrs. G. Shaw, Mrs. G. Taylor and Mr. R. Weller. Games of table tennis, euchre and whist were enjoyed by all. Serving at the smorgasbord were the rector Rev. W. Newton-Smith and the organist, Mrs. E. Collier.

Next Sunday evening at St. Mary's Anglican Church the Youth Forum will assist with the service and meet afterwards in the Parish Hall. The guest preacher for the occasion will be the Rev. Richard Jones of the Canadian Council of Christians and Jews. Mr. Jones is a well known leader in the cause of Brotherhood and will speak to the Youth Forum afterwards. All young people of the parish are especially invited.

The 1st and 2nd Companies of Richmond Hill West Girl Guide District are planning a delightful bazaar at Wrixon Hall on Wednesday evening, December 2nd. Their colourful array of toys and decorations will make it worthwhile not only for friends of guiding, but also for the general public to drop in and pick up small Christmas gifts both for young fry and old.

Over one hundred teenagers danced to the top 300 records at the opening dance of the newly formed Mark 1 Klub, last Saturday night. Door prizes and lucky spot dance prizes were kindly donated by Fred Gardner of Richmond Hill Billiards and Wights Pharmacy. The dance was a tremendous success and a good time was had by all. It is planned to hold these dances every Friday and Saturday evening.

With the new Richmond Hill Curling Rink still in the final building stages, some of the female members of the local group are not marking time when it comes to actual broom and stone play. A rink has been entered and accepted in a one day bonspiel in Unionville on Monday, November 30. They will be skiped by Mrs. B.A. Garrett, the new ladies' president. The other members are Mrs. C. F. W. Burns, Mrs. Roy Chandler, and Mrs. E. A. Hooper. We wish them good luck in their first venture representing the club.

Farewells are being said this week to Mr. and Mrs. Kenneth Lee and daughters Christine and Penny, of 841 Paliser Crescent South, who are returning to Southern Ireland after living here in the Hill for nearly three years. Mrs. Lee has been a local Avon representative since coming to Richmond Hill and has been active in the Walter Scott Home and School Association. Mr. Lee has been an employee of The Hamilton Plumbing Co. and is returning to a business in Ireland. Several parties have been held for members of the family where friends have gathered to say farewell and wish them the luck of the Irish.

St. Gabriel's Anglican Church held the first of a series of Sunday School parties which are going to be held throughout the year, on Friday, November 20. The party was for the Grade 2 and Grade 3 children. They competed in team games and relays during the evening, the winning team being awarded prizes. Refreshments were provided at the end of the evening. Judging by the smiles and happy voices of the children, the party was a great success.

The W. A. of St. Gabriel's Anglican Church held its meeting, Tuesday, November 24th in the Parish Hall. The meeting opened with prayer and new members were welcomed. During the business meeting it was decided that, with the proceeds from the recent bazaar, the kitchen furnishings would be increased, additional church furnishings purchased and diocesan charities aided. A Christmas party was announced for December 8th at 8 p.m. at the Parish Hall.

The November meeting of the Beverley Acres Home & School Association was held Thursday evening of last week, at which 142 people were present. Following the business session, President Mrs. B. Lustin introduced Miss Joan Robbins, school nurse, who delivered a very valuable and enlightening talk—outlining the school health program and contributing factors. Miss Robbins also spoke on the work of the York County Health Unit, and the piles of medical booklets brought along quickly vanished. The fine gymnastic display by Grades 7 and 8, presented by physical director, Mr. Jim Morrison, demonstrated the art of movement and new technique in physical education. The precision drill was followed by the Virginia reel, in which 36 of the students participated, and received a fine ovation at the conclusion. Mrs. T. Cambay and the ladies of the committee upheld their reputation in providing refreshments for all present that concluded a very happy evening for the members of the Beverley Acres Home & School Association.

"The Knowledge College", TV weekly program on Sunday afternoon from Hamilton over channel 11, featured two high school contesting teams—one from the Niagara district and one from Richmond Hill. Robin Wood, Jeffrey Burton, and David Gibson represented the Student Council of Richmond Hill High School. Though the Richmond Hill trio trailed the Niagara group, who had previous experience in questioning, and facing the camera, they excelled in the theology and physics questions, and were able to bring home some cash to augment the Student Council funds. Everything considered, the local boys "made good", their school may feel justly proud of their efforts. Jeffrey's answer to the M.C. was, "We could have answered the questions given to our opposition, but drew a blank on our own questions."

As spokesman for the trio, Jeffrey Burton presented his account of Richmond Hill High School, its activities and Student Council, in a very favourable light. Further questioning by the M.C. revealed that Jeffrey intends to specialize in science, mathematics and physics. David Gibson indicated that he was interested in science, and also photography as a hobby. Robin Wood undoubtedly impressed the viewing audience with his views concerning his future, stating that he took part in Inter-school Christian Fellowship, and expects to follow through in the ministry of the United Church.

On Wednesday evening last Mr. Floyd Perkins, on behalf of the 1959 council members, presented the Town Employees Mixed Bowling League with a handsome silver trophy to be used for competition.

A double christening took place last Sunday when Ann Martha and David Arthur, children of Mr. and Mrs. Thomas Beattie, Deamaine Crescent, were baptized at St. Matthew's United Church. Out of town guests included the grandparents, Mr. and Mrs. A. Gibson and Miss Martha Beattie from Toronto. Following the ceremony, at which the Rev. W. W. Patterson officiated, a family dinner party was held at the home of the parents, Mr. and Mrs. Beattie.

Among those attending Workshop No. 1, for District 12 of the Canadian Cancer Society from this area were: Mrs. S. Ingmundson, Mrs. G. Purves, Mrs. Chris Hopper, Mrs. Doris Stoddart, Mrs. C. C. Walker, Mrs. Y. T. Lambert, Mrs. C. R. Williams, Mrs. B. Kelly, Mrs. W. G. McDougall and Mrs. Ross Fleming.

The November meeting of St. Matthew's United Church Men's Club was well attended on Tuesday evening with President R. P. Robbins in the chair. The guest speaker, Mr. Douglas Boyd presented a very interesting and informative talk on "Silversmithing" - its art and history. The usual recreational period, social get-together and refreshments concluded a very pleasant evening. The December meeting will feature a "Pot Luck Supper" plus the showing of a very interesting film.

At the Women's Institute Area Convention held at the Royal York Hotel early this month the theme "The Status of Citizenship brings Responsibility" brought out some ideas that are worth considering. Citizenship is the status of a person who gives allegiance to the government, returns for political rights and privileges but the obligation of citizenship does not end with taxes and voting. A good citizen votes regularly and intelligently. Good citizenship requires more than mere knowledge of the headlines in the current events. They must be able to form intelligent opinions by collecting various views on events or movements.

A good citizen is co-operative, unselfish, friendly and courteous. Too many accept the privilege and neglect the responsibility. A good citizen has an obligation to his or her family, to God and the community.

Historical facts put in a history will preserve them but will not keep them alive. They should be told to the community and shared with the New Canadians so they may realize our rich heritage. Mrs. E. Armstrong was presented with a beautiful purse in recognition of her faithful work as area chairman for the past three years.

A wonderful afternoon and evening was enjoyed by all those who attended the Richmond Hill United Church Christmas Fair and viewed the gaily decorated rooms and the beautiful crafts, flowers and candies on sale. The smiling faces of the "small fry" as they came from the Fish Pond or on their way out of the movies was a joy to see. The nursery was filled to capacity most of the day, giving mother a chance to have a leisurely cup of afternoon tea and pick up some pastries at the Bake Sale.

Four hundred or more delicious meat pie and spaghetti suppers were served, and the children just loved the hot dogs. Clarke Dedlow is now the proud possessor of a red ribbon he won as top "baker" in the Men's Cake Baking Contest. It looked scrumptious and so did the others, as they were auctioned off. Everyone relaxed as the Men's Club took over in the evening with games for the children, and thoroughly enjoyed watching the thrilling Danish dance steps of the Village Folk Dancers.

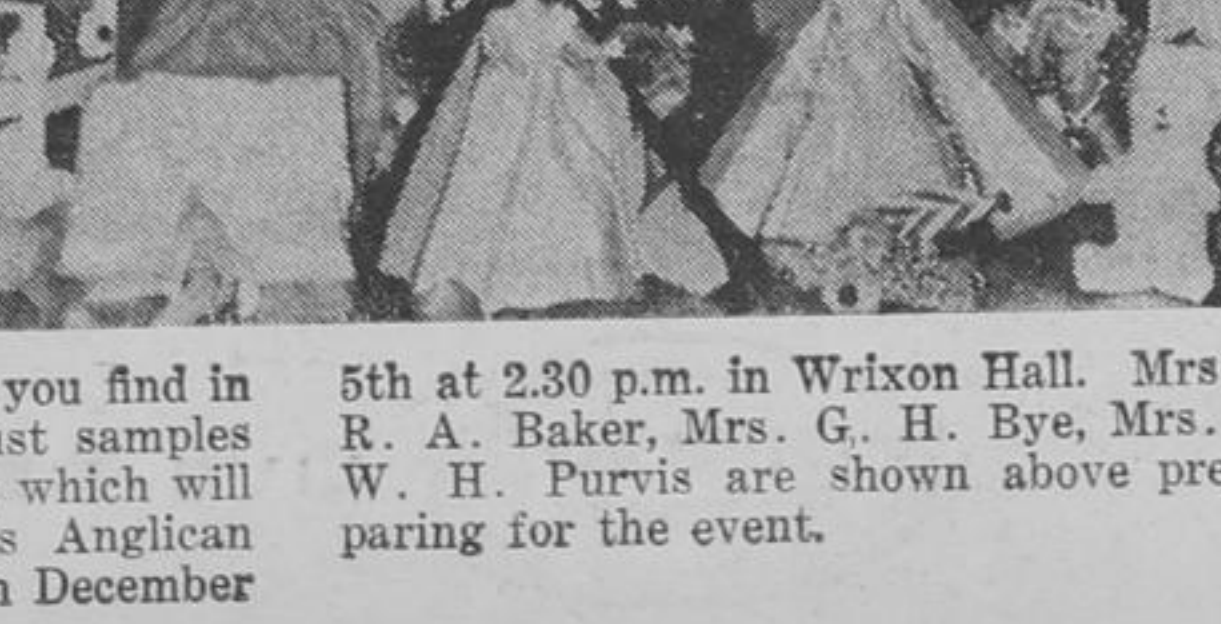

A very sincere word of thanks to the hard working convenors, Ruth Miller and Mable Fenwick and to all committee members and friends who made this such a successful Christmas Fair.

Mr. and Mrs. E. P. Leno wish to thank their many friends and neighbours for the lovely flowers, cards and presents they received on their sixtieth wedding anniversary on November 15th. clw22

MRS. BRUCE GARRETT

The Richmond Hill Curling Club, Ladies Section, has been most fortunate in the election of Mrs. Bruce Garrett as its first president. Mrs. Garrett, born in Killarney, Manitoba, began curling when she was in high school and has been an enthusiastic and competitive curler ever since. She and her husband were married in 1946. Next year will mark Bruce Garrett's twenty-fifth year with the Kimberly Clark Company where he is their tabulating supervisor. It was in this connection that Mr. Garrett was moved to Richmond Hill in August, 1959 from Niagara Falls where they had been members of the St. Catherine's Curling Club for three years. Prior to this and when she joined the newly-formed Niagara Falls Club, she was elected its first Ladies President, holding this office for three years but on the Club's executive a total of five years.

She is anxious to see the Richmond Hill Curling Club stand out among the other Ontario clubs and to take its part in the many bonspiels and Tankard Playdowns that are held annually. She has already been out several times to local area curling clubs to instruct beginners in the game. The Garretts have two daughters, 8 and 10, who attend the Walter Scott Public School.

The Allencourt Ratepayers Association wish to announce that in place of the December General Meeting there will be a social evening of Bingo, on Wednesday, December 2nd at the Walter Scott School, from 8.30 to 11.30 p.m. Everyone invited to bring friends.

Mr. and Mrs. Bruce Pyle and Mr. and Mrs. A. Pyle left on Wednesday for Parry Sound to attend the funeral of Mrs. Bruce Pyle's father, Mr. Gordon Phillips. The sympathy of the community is extended to Mrs. Pyle in her tragic loss.

Recent visitors at the home of Mrs. W. H. Totten, Elizabeth St., were Mr. and Mrs. W. Locke, their son Roy and his wife from Toronto. Also visiting were her son, Dr. H. J. Totten and family from Dundas, Mr. and Mrs. Kenneth Fleury and daughter Sharon from Port Credit and Mr. and Mrs. Ray Fleury of Stouffville.

The Richmond Hill Jaycees held their first men's night on Saturday, November 14, to which they invited the Jaycees and their wives. It started with bowling after which they returned to the home of Norma Hogarth for a chilly snack and dancing. The turn out was excellent and everyone enjoyed what proved to be a very successful evening.

The meeting of the Women's Conservative Association was held at the home of Mrs. H. E. Richards, Allencourt Cres. Several guests were present and Mayor Tomlin and Reeve Perkins spoke briefly. Mr. John Graves and Mr. Reynolds supported Mr. Perkins for re-election in the coming Municipal elections. Mrs. Price introduced Mrs. Worell who will be a candidate for school board trustee. Mr. George Sweeney invited the members to attend the official opening of the school for Retarded Children and appealed for their financial aid. Mrs. Connie Mathews and Mrs. Price gave a graphic account of the recent Progressive Conservative convention they attended in Toronto. Plans were made for the dinner to be held January 19th at the Pagoda Restaurant. Mrs. Norman Bone and Mrs. W. E. Morris are in charge of tickets which are now available.
