

New Red & White

Thornhill Store

GRAND OPENING OF THE NEW RED & WHITE STORE AT UPLANDS GARDENS, Yonge Street, Thornhill, occurs today.

Owner of the store is popular George Jaggs who was born at Inglewood, Ontario. He received his education in Inglewood and at Orangeville. His first job after leaving school was in a grocery store in his home town of Inglewood. It was in the local Dominion Store.

Long Service

George has since spent 19 years of his working life in the employment of the Dominion chain stores working his way up from the floor to manager. His employment with this company carried him to appointments over a wide area including the far north.

Tried Men's Wear

At one stage he left the grocery trade to try men's wear store-keeping but was soon back with his old love, groceries.

Married - Two Children

He met his wife in one Dominion store in which he was employed. He and his wife Ena were married in 1928 in Georgetown. They have two children, Ken who is now 30 and an Anglican priest in Brussels, Ontario, and Bernice now 28 and married, who lives in Winnipeg and has made George a grandfather by delivering a son, David now aged a year and a half.

Church Activities

George's interests have centred in his church and masonic life. He was most active in the Anglican church in Kitchener. He is currently taking a special course in Theology which will eventually qualify him on its completion as an Anglican Deacon.

Other hobbies include fishing which was his great favourite during the times he lived in the far north, and curling and lawn bowling, which he still practices whenever possible.

Many Free Gifts

George is now taking over the new Red & White Market on Yonge Street at Thornhill and promises his customers the best possible service. Many free gifts are being given away to customers during the three days of the Grand Opening celebration today, tomorrow and Saturday and everybody is welcome to make a call.

York County Council Hold Final Session '59

By Mona Robertson

It was a time for nostalgia at the final session of the 1959 York County Council last Friday afternoon — and for some it could mean farewell . . . and goodbye . . . since members of each year's sessions are made up of municipal reeves and deputy-reeves, who may or may not be re-elected this December — or may withdraw from office altogether at this time. At least three members present on Friday will be back for sure next year, Deputy-reeve Caroline Ion of Newmarket who was acclaimed at a nomination meeting last week, and Reeve John Perry of Vaughan Township who is serving under a two-year term until the end of 1960. The 1959 Warden of the County William Hodgson will be present, "at least at the January session", he told "The Liberal", "since it is my duty to install the new warden for 1960." Warden Hodgson (Reeve of King Township) has not stated officially, as yet, whether he will stand for re-election. Deputy-reeve S. Tinker of Richmond Hill was also acclaimed for the year 1960.

The Warden's commissioners, Reeve J. H. Anderson of Georgina and Reeve J. V. Fry of Markham Village were each presented with framed certificates "on behalf of the councillors of York County", by County Clerk J. Smith following which Warden Hodgson said, "I have enjoyed working with the two commissioners this year and am pleased they have been presented with these certificates."

The Warden also complimented the Finance Committee: Reeve W. L. Clark, Markham Township, chairman; Keith Nisbet, Wm. Sellers, John Perry, F. D. Armstrong, John Luck, George Richardson, Floyd Perkins, Garland Lehman, Sheldon Walker and R. J. Pollock, stating, "We are well within the budget set by you."

High School Appointees

Mr. Nathan Hicks was re-appointed to serve on the York Central District High School Board for 1960 and Dr. Williams is the county's representative on the Aurora High School Board.

Warden Hodgson remarked that "King pays 54% of the costs for the area. Aurora has four representatives, King only two, Whitchurch one. In all respect to Dr. Williams I'm going along with this nomination — but if I'm back on County Council next year I will put forward another King candidate."

Reeve C. F. Davis of Aurora said, "Aurora backs the debentures." Warden Hodgson: "I'm glad to hear that — with new debentures coming up this year. I'm not against Dr. Williams, it's a case of where the bill is paid there should be more representation."

Reeve Floyd Perkins of Richmond Hill moved Nathan Hicks' re-appointment, saying, "I have known Mr. Hicks for a number of years and he has served on the board of School Area No. 1 Markham-Vaughan for some years and has done a splendid job."

Mr. Wm. J. Spears was re-appointed as the county representative for Markham District High School. Gordon Ratcliff was also re-appointed to the Stouffville High School Board. For Newmarket-Sutton District High School Mrs. Lloyd Kay will be the appointee.

One reading was given to a by-law to divide the Newmarket-Sutton High School District, the reeves of Gwillimbury and Newmarket asking for consideration on this question before the second and third reading of the by-law to dissolve the district section.

York Manor Farm

Reeve Davis, chairman of the York Manor Commission and his committee, William Hodgson, warden; W. J. Rate, F. D. Armstrong and J. L. Smith, secretary, reported that an intensive study of the county farm situation has been made and the committee recommended the farm be con-

Grand Opening Friday Maple Variety Store

Maple is getting set for its first Variety Store to open Friday, December 27. Just what does "Variety" take in? Well according to Mrs. Winifred Adcock it's a store made up of their own ideas "probably like nothing on earth!" Pre-school clothes, school supplies, gifts, hardware, drugs, greeting cards or what would you like? In fact the Adcocks hope that you would like to have them stock in their store for your convenience — you name it, they will get it for you if at all possible.

This is a completely new venture for Eric and Winifred Adcock. From 1931-45 Mr. Adcock ran a service station on No. 7 Highway, west of Woodbridge and for the following eight years he was employed at Avro — now they are both trying their hand at being store owners.

Our best wishes are with them as the Big Day approaches and having had a peek inside where we found Mr. Adcock repainting some white shelves a bright yellow because he thought the white too colourless, we are most anxiously to see it with its wraps off ready to meet the public.

Speaking of colour — there is colour galore, just browsing around in the store would brighten your day and give you a lift, yellows, pinks, blues etc., with black adding the sophisticated touches.

The decor is modern and the merchandise up to the minute — so take yourselves along for the

opening where there will be lucky draws and all the excitement of something brand new in our neighborhood that will benefit our daily living.

Having lived in Woodbridge previously, Mr. and Mrs. Adcock are welcome newcomers to our community. Their daughter Pauline (Connie) is still employed in Woodbridge and commutes daily. Their two married sons, Ken, who lives in Huttonville, is roads inspector for Peel County, and Harvey, living in Brockville is assistant manager for the Walker Store (probably can give you some good pointers there.)

Maple Variety Store aims to please you the public in handling what you want, — so make your wishes known, the owners — the Adcocks are nice people to know and to do business with. Make them welcome by attending their opening tomorrow, Friday, November 27, 1959.

HOW TO PLAN

YOUR CHRISTMAS MAIL

- Buy your stamps now and avoid the Christmas rush. 2 and 5 cent stamps are available in handy dollar packages for your convenience.
- Check your mailing list for correct postal addresses. When mailing to Vancouver, Winnipeg, Toronto, Ottawa, Montreal and Quebec, be sure to include the Postal Zone Number.
- Use your out-of-town mail and local mail in separate bundles. Attach the labels that the Post Office supplies. This speeds delivery. Be sure to put your return address on the envelopes.
- Parcels should be wrapped well and tied with strong cord. Print the address. And put your return address outside and inside the parcel. Have parcels weighed at your neighbourhood Post Office.
- Mail early. Nothing is so disappointing as Christmas mail that arrives too late. A Post Office leaflet will be delivered to your home giving suggested mailing dates.

Infant Emergencies

Difficult Breathing on the part of a baby or small child is an occasion for prompt action on the part of the parent or other adult.

1. Audible and slightly laboured breathing often responds to the use of a steam kettle or vaporizer in the room.
2. If breathing becomes increasingly laboured and accompanied by a barking cough, and you are unable to contact your doctor within a few minutes, take the baby to the hospital for further treatment but guard against frosty air en route.
3. A sudden increase in distress accompanied by a "cav- ing in" of the abdomen on "breathing in" requires immediate medical care.
