Christmas Trees — And Children

FOR THE FIFTH CONSECUTIVE YEAR the Richmond Hill Rotary Club will again sell Christmas Trees. Two sales lots will be used, one at Loblaws Parking Lot on Richmond Heights, and the other at Dufferin and Yonge Streets opposite the Municipal Offices.

Two Sales Lots
Rotary Club Members are in attendance at the lots between the dinner hour and nine-thirty at night on weekdays and all day Saturdays. The service commenced yesterday.

Proceeds — Children's School
This year the proceeds of the sale of Christmas trees are to be donated to finance the furnishing of two of the four rooms at Thornhaven School for retarded children.

Purchasers will do themselves as well as the retarded children a good turn by buying one of

these trees because they are excellent trees available in all sizes and at a standard low price.

Scotch Pine and Spruce
Fresh cut Scotch Pine and Spruce will be available at both locations and all of them of excellent quality. Where absolutely necessary and on request, Rotary Club members will be willing to make delivery of trees to homes but naturally will prefer that purchasers make their own collection and so save the load on the members already giving so much of their time in this worthwhile annual endeavour.

TO THE CITIZENS of RICHMOND HILL

Last week I outlined some of the work which was undertaken and accomplished by your Council in 1959 and below present my platform for the coming year.

1. To complete the Markham Road scheme, Crosby Avenue widening and drainage, and the Beverley Acres drainage scheme.
2. To continue to clean up the older streets in town, improving drainage, roads and defining intersections.
3. To provide further Off-Street parking facilities and to acquire service roads to the rear of commercial properties on Yonge Street as far as is practical.
4. To study the question of the local transportation system further and to hold a referendum on this question as soon as possible in 1960.
5. To provide effective by-law enforcement with particular regard to multi-family dwellings.
6. To complete the revision of the zoning by-laws, continue the planning of the town with respect to adjoining areas and study our present commercial and residential development on Yonge Street.
7. To provide further parklands of a size suitable for organized sport and complete the grading and cleaning up of existing lands.
8. To complete the servicing of industrial land within the town, continue the study of future industrial growth and try to establish some control on land costs.

With your help I will work for the fulfillment of this program.

Thornhill & District Hockey League

Thornhill and District Hockey Club after a number of futile attempts to produce an All Ontario Hockey Championship Team for this area, has formed a house league program for rebuilding purposes.

In the 55-56 season, the club's midget team finished in the quarter finals, losing out in the last few seconds in a game at Marmora, Ont.

In the house league, established last year, all boys from 6 to 14 years are trained to play hockey. Many start from scratch, to others it means added polish. The club is planning to adopt

the famous Carnegie system of training to develop good hockey players at a faster rate.

A large number of boys are needed to man the eight teams established last year, so an extension to the deadline for applications has been given. Applications will be accepted until Saturday, December 5.

Ice time for the training period has been secured at nearby Nobleton arena, starting on Sunday, December 6, and continuing for four consecutive weeks. Time 7 to 8 a.m. The schedule will begin as planned, shortly after Christmas.

Police Court

Arrest of a suspect by Grand Bend police has cleared up the mystery surrounding the identity of the "Vagabond King" — so nicknamed because of his aristocratic tastes, breaking into the "better" cottages and stealing only the finer foods and liquors.

Police say that 36 "better" summer cottages have been broken into and the suspect was arrested by Constables John Chamberlain and J. Eagleton.

William Lorne Rupy, aged 34 of Richmond Hill was charged in Magistrate's Court, Sarnia on four counts of breaking, entering, and theft. The accused was remanded for sentence.

Arrested by Richmond Hill police for being drunk on Yonge Street on November 28th, John Wesley Hope of Newmarket was fined \$20.00 and costs, when he appeared before Magistrate O. S. Hollinrake, at Magistrate's Court, Newmarket, November 30th.

On the same date, Emmerson Mitchell aged 16, of Richmond Hill received a six months suspended sentence, and was placed on probation by Magistrate O. S. Hollinrake — on a reduced charge of joy riding.

MacKillop H. & S. Honeymooners Win Tickets For Grey Cup

McKillop Home and School Association, on Nov. 25 was well attended by interested parents and teachers. Mr. Smithies, the President, expressed his pleasure at the fine turnout, and asked for continued support. To aid in returning lost clothing, parents were asked to name tag mitts, hats, boots, etc. The group was interested to hear that the film, which they saw at the October meeting, "The Broken Doll," had won a Safety Council Award.

Two sets of the Golden Book Encyclopedia have been purchased for the library, through the Library Fund, operated by the Home and School. The following candidates for school board spoke briefly, Mr. L. D. Clement, Mr. Lewin, Mr. Sanderson, and Mrs. Irene Worrell.

Mrs. N. Roy Clifton asked support for the High School Library Club which is sponsoring a Theatre Night on December 9 and 10. This project may be a stepping stone toward the formation of a local Film Society devoted to the betterment of locally shown films. Two films will be shown, *Cranes are Flying*, and *Privates Progress*.

Dr. Ralph McCaw, Psychologist with the Dept. of Ed. was introduced as the speaker of the evening. Dr. McCaw immediately showed the film "Social Sixes to Noisy Nines." Here we saw a family of five with the normal problems such as fighting between two boys, eight and nine years old; stealing by the eight-year-old; short interest span by the six year old; and the inevitable untidy bedroom, failure to carry out routine chores; and how each problem was solved by patience and understanding on the part of the parents. Dr. McCaw then divided the audience into small groups, each with a question to ponder for ten minutes. A spokesman from each group reported back to the assembly after which there was further discussion under Mr. McCaw's leadership. Questions such:

How much independence should 6 to 9 year olds be given?
Is stealing normal at this age?
How should it be handled?
Are friendship problems at this age an irritation to adults?
Should allowances be taken away when chores are not done?
What chores can a 6 to 9 year old do?

These were capably answered by the various spokesmen. In summing-up the film, Dr. McCaw pointed out that there is a real need for patience in the home, and a need for a genuine understanding and agreement between the parents. There should be a development of friendship between the parent and child and the child and friends while each must learn to respect the other as an individual.

The home needs the co-operation and working-together of all members.

Mr. Smithies thanked Dr. McCaw for his interesting and inspiring method of handling the topic of the evening, "The Social Sixes to the Noisy Nines."

Young Woman Attacked & Robbed

A twenty-year old girl, Miss Freda MacIntosh of Thornhill, was attacked by a man, knocked down and robbed of her purse containing \$60, around 8 o'clock Tuesday night; but although badly frightened Freda was not injured — and Markham Township police recovered the abandoned purse still containing \$30, on Wednesday morning as they continued their search for her attacker.

Miss MacIntosh had got off the T. T. C. bus and was walking down Kirk Drive when a man ran out of the Catholic Cemetery grounds and grabbed her. After he had stolen her purse he ran back into the cemetery while she ran to phone the police. Five cruisers, from Markham and Vaughan Townships, responded; they searched the cemetery and a mile of the flats surrounding it, until 3 a.m.

Going back to the scene again this morning they discovered where the man had crawled under a fence, piling up the snow around his exit afterwards. It was there they discovered the purse and the remaining money. Markham Township police are continuing the investigation.
