CORRESPONDENT: MRS. MILTON WELLS, R. R. 3 KING  
Phone PR. 3-5239

The W.A. and W.M.S. meeting of the Temperanceville United Church was held at the home of Mrs. Ray Jennings.

In the treasurer's report \$37.50 was received from the Lions Supper held Tuesday, November 17. \$308.00 is clear from the turkey supper. \$623.59 on hand.

Mrs. F. Wilson, Mrs. F. Boys and Mrs. Milton Wells were appointed to prepare the slate of officers for 1960.

The W.M.S. opening theme was read by the president, Mrs. J. Macklin. In October the Thanksgiving offering amounted to \$10.55. The holiday bags will be brought into the December meeting which will be held a week earlier on December 10. Mrs. J. Macklin who attended the executive meeting of the W.M.S. Presbytery told of a request that something be done by the government for the re-adjustment of girls who have spent time in jail.

Next year the allocation of \$16,200 for the Presbytery will be raised to \$17,500. This extra money will be used for finances for the retirement of missionaries now on the mission field, for mission work and overseas relief. An all day annual meeting will be held January 28 in Stouffville United Church. A youth rally will be held later perhaps around Easter.

The president gave an interesting synopsis on a book by Dr. Ross who first went to Africa in 1912 and returned in 1958 to prepare material for his book "Africa Disturbed". In that period from no academic education the Africans now have seven universities. Changes have come too rapidly for the people to adjust themselves thus they are disturbed emotionally, religiously and educationally. The older people have no education, the youngsters are receiving a formal education. However the missionaries work is appreciated and is helping these disturbed people of Africa.

Mrs. A. Beynon, supply secretary, read a letter requesting all kinds of new as well as used clothing especially in large sizes. The sacrament of the Lords

**"MY BANK"**  
TO 2 MILLION CANADIANS

**Reporting** FOR THE YEAR ENDED OCTOBER 31st, 1959

**THE FACTS BEHIND THE FIGURES**

WHAT THE B of M HAS TO MEET ITS OBLIGATIONS:	WHAT THE B of M OWES TO OTHERS:
<b>CASH:</b> The B of M has cash in its vaults and money on deposit with the Bank of Canada and other banks amounting to . . . . .	<b>DEPOSITS:</b> While many business firms, manufacturers, merchants, farmers and people in every type of business have substantial deposits with the B of M, well over half of the money on deposit with the Bank is the personal savings of more than two million private citizens. The total of all deposits is . . . . .
<b>CHEQUES</b> and other items in transit — representing the net amount of the moneys moving between branches of the Bank and into the B of M from other banks on account of customers' transactions . . . . .	<b>OTHER LIABILITIES:</b> Miscellaneous items, representing mainly commitments undertaken by the Bank on behalf of customers in their foreign and domestic trade transactions . . . . .
<b>INVESTMENTS:</b> The B of M maintains a strong liquid position through investments in high-grade government bonds which have a ready market. Listed on the Bank's books at amortized value, they amount to . . . . .	<b>TOTAL OF WHAT THE B of M OWES ITS DEPOSITORS AND OTHERS . . . . .</b>
The B of M has other investments — including a diversified list of high-quality short-term issues. These investments are carried at . . . . .	<b>TO PAY ALL IT OWES, THE B of M HAS TOTAL RESOURCES, AS SHOWN ON THE LEFT SIDE OF THIS STATEMENT, AMOUNTING TO . . . . .</b>
<b>CALL LOANS:</b> The B of M has call loans which are fully protected by quickly saleable securities. These loans amount to . . . . .	<b>WHICH MEANS THAT THE B of M HAS RESOURCES, OVER AND ABOVE WHAT IT OWES, AMOUNTING TO . . . . .</b>
<b>QUICKLY AVAILABLE RESOURCES:</b> The resources listed above cover 51.6% of all that the Bank owes to the public. These "quick assets" amount to . . . . .	
<b>LOANS:</b> During the year, many millions of dollars have been lent to business and industrial enterprises for production of every kind — to farmers, fishermen, oilmen, miners, lumbermen and ranchers — to citizens in all walks of life, and to Provincial and Municipal Governments and School Districts. These loans amount to . . . . .	
<b>MORTGAGES</b> and hypothecs insured under the National Housing Act, 1954 — representing advances to homebuilders . . . . .	
<b>BANK BUILDINGS:</b> In hamlets, villages, towns and large cities from coast to coast the B of M serves its customers at 800 offices. The value of the buildings owned by the Bank, together with furniture and equipment, is shown on its books at . . . . .	
<b>OTHER ASSETS:</b> These chiefly represent liabilities of customers for commitments made by the Bank on their behalf, covering foreign and domestic trade transactions . . . . .	
<b>TOTAL RESOURCES WHICH THE B of M HAS TO MEET ITS OBLIGATIONS . . . . .</b>	

This figure of \$201,350,731 is made up of money subscribed by the shareholders and, to some extent, of earnings which have from time to time been ploughed back into the business to broaden the Bank's services and to give added protection for the depositors.
