Football has finally given way to King Hockey. The Grey Cup game may not have been a real wide open, spine tingling game from a spectator point of view, but it was good, orthodox football all the way.

This game really put the foot back into football as nine of Winnipeg's points were scored on kicks while Hamilton kicked for six points and scored the other one on a blocked Winnipeg punt. Fifteen points of the 28 point total came on kicks.

It looks as though next year's Grey Cup may be played in Vancouver, but no matter where the game is played it would be nice if Argos could once more get into the finals. Argonaut supporters have had too many lean, hungry years.

The Richmond Hill Majorette Corps took part in the Grey Cup Parade, but the CBC television commentator referred to them as a group from Forest Hill Collegiate. It may be relatively unimportant in the universal scheme of things but it always seems as if the Grey Cup parade in Toronto is always full of snafus and such. Maybe Eatons should put on the parade as the Santa Claus parade runs much more smoothly and efficiently and is generally a much larger production. No matter what any CBC announcer says we refuse to change the name of the town to Forest Hill.

Stan. Ransom, Dynes Baseball coach, and his good wife Betty, have a brand new baby daughter as an early Christmas present. This evens things up nicely at the Ransom menage at two boys and two girls. Congratulations, Ransoms, from all of us.

SPORT SPOTS

Most people in and around Richmond Hill don't realize that we have a basketball team representing the town in the Intermediate "B" division of the Ontario Basketball Association. They are in a six team league comprised of the following teams: Richmond Hill Redmen, Port Credit Unicorns, Metro Toronto Police, Ryerson, Central Y Lats, and Canadian Oils.

At the present time the team has only nine players — C. Dedlow, T. Berry, R. Soderberg, Don Vallance, Dave Vallance, T. Hawkins, J. Kingston, L. Jackman and K.K. Dimmick. The team's great need at the moment is a good competent coach who could turn the team into a good basketball machine.

All home games are played in the High School gymnasium, so if you enjoy basketball, why not go around and watch the boys perform? A little spectator interest would help the team considerably.

Young Mr. Richard Tapo who lives on Palmer Ave., had quite an experience last Friday night. Richard was minding his own business, sitting on the players' bench when a high, hard shot came over the board and clipped his right eye. Doctor Cowan did a fine job of hemstitching on the injured optic and Richard is secretly quite pleased with his first shiner and first stitches. Richard should be back in hockey action at the end of this week, none the worse for his experience.

SPORT SPOTS

The heartening thing about the hockey this year is the large numbers of parents who are out watching their offspring perform. Families seem to be coming out together as mother, father, younger brothers and sisters (and some older ones too) are watching THEIR favourite player perform. There is still lots of room for you and you and you as well, so come on and cheer your boy on.

Special Wrestling Night At Thornhill Market

Bank nite for the wrestling aficionados at Thornhill Market next Tuesday Dec. 8 when matchmaker Joe Greenfield presents a championship match, a special Judo and Greco Roman match as well as two other really good bouts. Wildcat Ron Osborne has challenged Gori Mangotich to a three fall special bout, not a two out of three fall match, but a three fall match which will be as follows:

In the first fall both grapplers will wear the appropriate Japanese Judo outfits and will go at it for 20 minutes. Mangotich should be a past master at judo but we hear tell that Osborne has a bro. who is a judo expert on the police force and has been coaching the wild one along.

The second fall will also be a 20 min. limit and will be in the Greco-Roman style of wrestling which does not allow any holds below the waist, rather dull unless you happen to be a real smart fan and appreciate the finer points in the game.

The third and last 20 minutes will be the modern style, catch as catch can with all the variations one would expect in a sport with a name like catch as catch can.

Work is proceeding rapidly on Richmond Hill's new Curling Rink and the official opening is planned for December 12th. Activities however will not await the official opening and curling will be under way next week.

There will be free curling and free instruction the week of December 10th and beginners are invited to get started in the game. The curling picture for December will be as follows:

Th last half kept up the torrid pace but Redmen were unable to close the gap and lost by two

baskets. The return match in Richmond Hill Promises some thrilling action.

Monday, November 23

Metro Toronto Police 55 - Richmond Hill Redmen 43. This was the first home game of the season for the Redmen as they entertained the Police aggregation.

This game was a defensive battle with both teams featuring some great defensive plays.

At the end of the first quarter the police team were out in front nine to eight and at the half were leading twenty three to seventeen. The third quarter saw the Richmond Hill quintet cut the Police lead to four points but the Police team played a strong fourth quarter to win going away 55 to 43.

Clark Dedlow led the scoring parade for the Redmen and netted twenty seven points for a fine evening's performance. Mac Eachern with thirteen, Ridding with twelve and Harris with eleven lead the police team to victory.

Thursday, November 26

The Sterling Drug team from Aurora played host to the Redmen in an exhibition tilt at the Aurora High School gym and soundly trounced the visitors 77 to 44.

The game was a hard fast one with both sides committing numerous fouls. Aurora lead by one point at the end of the first quarter and with some fine outside shooting and fast breaking plays were pulling away at half time.

Monday, November 30

Richmond Hill Rams 2

Unionville 1

Wick Mills' Richmond Hill Rams played their first game of the season at Richmond Hill and came out on the long end of a two to one score. All the scoring action was crammed into the first nine minutes of the first period as both teams opened with a furious burst of speed.

Unionville drew first blood with Bill Johnston banging a hot one past Red Bowen with the assist going to Ken Beckett at 2:30 of the first period. The game was tied up at the six minute mark with the goal going to Brian Atkinson assisted by Pal Greenfield.

Jim Rushlow scored the winning goal at 8:30 of the first period on a nice solo effort. Both teams seemed to settle down and played serious hockey and there was no further scoring.

The Richmond Hill team is suffering a player lack due to High School Examinations. Only 10 players were on hand for last night's game and a Thursday night game with Nobleton at the Nobleton arena had to be postponed due to examination pressure.

The goal tending job is wide open this year as Coach Wally Stothers and Manager "Doc" Atkinson have three good goal tenders vying for the job. Harry Goodmakers, Bob Lovell and Red Bowen are three better than average goal keepers and the team seems assured of some really fine net minding.

Home games go every Monday night and start at 9:30 p.m. How about some of you parents planning to attend and bring along a friend? The boy you get to know may be your own. Seriously all kids deserve parental support because if parents aren't interested then who is?

These games are full of fast and furious hockey action and a real hockey fan will enjoy every minute of the furious pace. See you there next Monday.

Local Majorettes In Grey Cup Parade

Richmond Hill's award-winning Majorettes participating in the Grey Cup Parade through the streets of Toronto.

RICHMOND HILL'S JUNIOR CHAMBER OF COMMERCE Director Les Buckler with Constable Sider of Richmond Hill's Police Force, lined up a long convoy of Jaycee cars last Saturday to take the award winning Richmond Hill Majorettes and Richmond Hill High School Cheer Leaders and football team to Toronto to participate in the Grey Cup Parade which is always organized by the Toronto Junior Chamber of Commerce whenever the cup match is played in the metropolis.

Local Contingent in Forefront

Neither the cold weather which prevailed nor the snow conditions kept those away who were participating and good crowds gathered everywhere along the route.

The contingent from Richmond Hill obtained a leading position in the parade and they made an impressive showing (see picture).

These brave young girls from Richmond Hill had to appear in their thin summer outfits because winter uniforms have not yet been obtained. Winter uniforms will cost twenty dollars apiece and this is a concession price which has been offered to them.

With twenty-five girls requiring uniforms this totals five hundred dollars which is the sum required so that the majorettes may be outfitted smartly in winter uniforms.

Contributions Welcome
Any individual or business or local industry which would like to contribute to this cost are invited to remit direct to the Richmond Hill Police indicating that their contribution is "onated for this purpose. Lists of contributions will be published later in "The Liberal."

Stylish Display
Although it must have been so cold for the girls themselves — their smart white uniforms and appearance generally attracted considerable attention while complimentary cheers and comments greeted the stylish display of ston whirling which they gave.

The appreciation and approval of the crowds along the route and the bands of professional and amateur photographers who battled for position to snap the majorettes indicated the popularity of their appearance which was a credit to the town of Richmond Hill.

Colourful Parade

The cheer leaders and High School team following the majorettes wore their school colours of white and green adding to the colourful parade.

The Richmond Hill Jaycees played an important part in the success of the parade by its organization and in providing transport and co-operated with photographers and press to ensure maximum publicity for the town and its contingent.

Honour of Town

This was an occasion which clearly demonstrated again the value of the majoretts and it is sincerely hoped that the money will be forthcoming to enable the girls to fulfill other winter engagements to the honour of Richmond Hill. Send your contribution today. Thank you.
