SURE IT'S GOOD! I HELPED MAKE IT

beams five year-old Cheryl Hampton of Montreal as she takes a huge mouthful of the two tons of Christmas pudding Canadian National Railways has prepared this year for more than 19,000 servings on dining cars across the country. Cheryl dropped into the commissary kitchen in Montreal one day, donned her own special chef's hat and apron and went right to work mixing, dumping, and stirring nuts, raisins, spices and a host of other ingredients.

Chef Omer Gareau gives her a few pointers on filling some of the 3200 tins with the pudding. The tins are steamed and sealed and then sent to dining cars to be served piping hot with a hard sauce prepared just before the serving.

FEUDALISM IN ONTARIO
One of the most remarkable characters in the early settlement of Ontario was the Irish soldier and benevolent despot, Colonel Thomas Talbot. He served as Governor Simcoe's secretary from 1794 to 1796, then later returned to Canada to found the Talbot Settlement along the Lake Erie shore. There he lived amongst his tenants as their ruler for nearly 50 years.

My Get Up & Go Has Got Up & Went

How do I know that my youth is all spent? Well, my get up and go has got up and went. But, in spite of it all, I am able to grin. When I recall where my get up has been.

Old age is golden, so I've heard it said, But sometimes I wonder when I get into bed, With my ears in a drawer and my teeth in a cup. My eyes on the table until I wake up.

Ere my sleep dims my eyes I say to myself Is there anything else I should lay on the shelf? And I'm happy to say as I close my door, My friends are the same, perhaps even more.

When I was young my slippers were red. I could kick up my heels right over my head. When I grew older my slippers were blue, But still I could dance the whole night through.

Now I am old, my slippers are black. I walk to the store and puff my way back. The reason I know my youth is all spent, My get up and go has got up and went.

But I really don't mind, when I think with a grin Of all the grand places my get up has been. Since I retired from life's competition, I busy myself with complete repetition.

I get up each morning, dust off my wits, Pick up the paper and read the "Obits". If my name is missing, I know I'm not dead, So I eat a good breakfast, and go back to bed.
