Pre-Christmas Service Held At St. Matthew's

The congregation of St. Matthew's filled the church on Sunday evening, December 6th to witness the presentation of the Christmas Pageant. The story of the birth of Jesus was very effectively presented under the direction of Mr. Harold Middle. The costuming was noteworthy, and for this thanks must go to a committee of ladies under the leadership of Mrs. R. E. Brocklehurst. The lighting effects which were also outstanding were in the capable hands of Mr. Ron Joyce.

The Christmas story from the foretelling of the coming of the Christ to the presentation of gifts by the wise men was read by narrator Mr. Klaus Haessler, and as the story unfolded the events were interpreted by a procession of angels, Holy Family, shepherds, wise men, Herod and his court before the eyes of the worshippers. The story was punctuated by selection of well chosen carols, sung or led by the choir from the back of the church.

Sunday evening last the Vesper services were continued in a C. G. I. T. Candle Lighting Ceremony. The service was held at 7.00, and conducted by Ingrid Haessler, President of the local C.G.I.T. group. She was assisted in the service by Donna Fleming, President of the younger group of girls, the Explorers. The message was given by the minister of the church the Rev. William Patterson. He spoke on the text

Luke 2:52. "And Jesus increased in wisdom and stature, and in favour with God and man," and applied it particularly to the group of girls before him. The choir supported the service with music. Following the message the girls conducted the service of lighting candles in recognition of Christ's coming as the Light of the World, and went out in procession singing "Follow the Gleam." Mrs. Uneeta Joyce was assisted in the leadership of this part by Mrs. Val Scudis and Mrs. Bunny Stoneman. The church was well filled with an appreciative congregation in which parents of the girls concerned took a very large place.

At the regular Sunday morning service this week the music was led by the Junior Choir under the direction of Mr. Robt. Madeley, with Miss Carol Gooding presiding at the organ. This is the first time that the junior choir has sung during the current season, and they gave a splendid performance.

Christmas celebrations are already in the air; many of the homes have their out-door lights up, changing our area into a well-lit fairy-land.

On Saturday, Mr. and Mrs. M. Robert Warner played host to the "neighbourhood" children at a Christmas party in their home on Denham Dr. The children arrived at 3.30 p.m. and were entertained with sound movies, after which Santa Claus appeared to give out presents to the 31 children there and left 4 for those who were unable to attend, because of illness.

Refreshments followed and a merry afternoon was enjoyed.

Christmas Party
The 2nd Richvale Brownie and Guide Mothers held their Christmas Party on Wednesday, December 9 at the home of Mrs. E. Sand, Maryvale Crescent.

During the business meeting it was announced that the Guides were looking after a family for Christmas, who were unable to provide for their children. Money was voted to be given to the leaders for the Guides to buy warm jackets for two of the children.

After the business meeting, games were played and carols sung under the direction of Mrs. H. Martin. Refreshments were served and then Santa arrived with gifts for all.

There will be no meeting in January, so the first Wednesday of February will be the next meeting, at the home of Mrs. H. Martin.

Soloist in Carol Service
At St. Andrew's College on Saturday and Sunday evenings, December 12 and 13, Jim Shaw, son of Mr. and Mrs. J. Shaw, Maryvale Crescent, sang a beautiful and different arrangement of "Away in the Manger."

Herbert Gerard, Roosevelt Dr. sang in the choir, both he and Jimmy Shaw will be home on Wednesday for three full weeks vacation.

The ice storm which we experienced Saturday night, transformed our trees and fields and inspired many visitors from the city to take pictures, also inspired one young boy to write - The Crystal Fairyland.

The trees are in their winter dress, Covered with diamonds and all the rest.

The ground is strewn with a blanket of white.

With wires all iced and sparkling bright.

The shining roof-tops, swaying trees, split

And crackle with a cool gentle breeze.

CHRISTMAS IS THE TIME TO BE EXTRA CAREFUL

Every year, from a few days before Christmas to the week following new Year's a plague of fires rages up and down the country. Many of these fires result from the extra hazards which exist only during the holiday season and from carelessness that would not be tolerated at any other time.

THE TREE

Place the freshly cut tree trunk in water and check on the water level once a day. Support the tree well. Don't put it near sources of heat (fireplace, radiators, etc.)

LIGHTING

Do not use candles on the tree. Check all lighting sets before using, for frayed wires, loose connections and broken sockets. Be sure the fuse on the electrical circuit is not over 15 amperes.

DECORATIONS AND WRAPPINGS

Don't let Christmas wrappings accumulate in the home; place them in your metal covered trash barrel or burn them in your incinerator as soon as possible.

GIFTS

Don't set up electric trains or spirit-fueled toys under a Christmas tree. Look for the Underwriters' Laboratories label when buying electrical toys.

AND DON'T FORGET

Don't allow smoking near the tree, keep matches, lighters and candles away from tiny hands. Have a bucket of water or your garden hose connected to a faucet, within reach of the tree. If fire should strike, first get everyone out of the house and then call the fire department immediately before attempting to fight the fire yourself.
