HAVE YOU HEARD THIS ONE?

A kangaroo walked into a flashy New York night club and ordered scotch and soda. "That'll be \$2.00," the bartender said.

The kangaroo downed his drink and was stinking off in a huff when the bartender caught up to him: "Hope there's nothing wrong, sir... I mean... that is we don't get many kangaroos in here."

"Well, believe me," the kangaroo shot back, "at two bucks a drink you won't get many more I can tell you."

You can hardly blame the bartender for being surprised... but not half as surprised as you'll be when you let us dry clean your garments for you. Why not gather up your garments for dry cleaning now... and hop down and see?

Inaugural Meeting, Markham

(Continued from page 1)
 nexation plans to task stating, "It is quite apparent the township to the south of us is envious of our financial position. They would like to benefit from proposed Highway 407 and the railway, in the future."

He asked, "Are we prepared to take on any of the expenses of the expansion of Metro?" Then he issued a warning to the ratepayers: "If we should be annexed by Metro with an offer of receiving better services, we should also consider the other side of the question, are we prepared to assume the responsibilities for any part of the subway, the expressways, widening of Toronto streets, the cost of the expansion of their transportation system, their re-habilitation area — and their city hall and civic centres?"

He warned that if Russia dropped one of their new type bombs on Toronto it would destroy all the services for miles around... and he suggested the newly proposed rail line should not be put in its presently proposed location, but, "as a defense measure", be further north.

The deputy-reeve predicted that the salary schedule for township employees would be under review this year, bringing them into line with other municipalities. "Their salaries would be taken out of politics," he said.

Concluding, he reiterated his election speech by saying he would do all within his power to help the reeve bring honour to the township as County Warden for 1960.

Councillors Lawson Mumberson, John MacNeil and S. B. Watson all thanked the township employees for their co-operation and teamwork in 1959 and looked forward to further progress in the township.

Councillor Watson predicted that certain recommendations of last year regarding the clean-up of township abandoned cemeteries would be started in 1960.

Regarding a fire hall for the Thornhill area he said, "I think it's high time we had some of our own fire fighting equipment in the township."

Standing Committees
 Reeve Clark then named the Standing Committees for 1960. The name of the chairman of each committee is given first: Finance, W. Dean, John MacNeil; Roads, L. Mumberson, S. B. Watson, J. MacNeil; Police, Mumberson, MacNeil; Fire, Watson, Dean; Water and Sanitation, MacNeil, Dean, Mumberson; Property and Parks, Dean, Watson.

ever, council thanked the insurance agent for bringing the problem to light. The present township plan, government annuities, does not give the employee the right to take his savings with him when he terminates his employment — it remains in the annuities savings until he has reached pension age.

The Roads Committee will look into a request for construction of Thornhill Road in the Selkirk Subdivision, on advice of the reeve.

Metro Planning Board Rep.
 Council agreed that it was not advisable to add to the 13 present representatives on the Metro Planning Board, following a letter received from Richmond Hill stating they wished to have another member on the Metro Board.

Stouffville, Markham Village, Markham and Richmond Hill have, until now, had one representative between them, with Councillor W. Anstey of Vaughan acting for them in an emergency.

Councillor Mumberson stated, "Let's keep Mr. Laurin as our representative and let Richmond Hill do what it wants."

Reeve Clark: "As a matter of courtesy let's arrange a meeting regarding this."
 Councillor Mumberson: "Why can't we just nominate our man and let Richmond Hill look after their own interests?"

He suggested council send in its resolution regarding Mr. Laurin, stating, "If one municipality holds it up there will be no representation at all." Reeve Clark said he thought they had better get Metro's reaction. It was then resolved to make Mr. Laurin, Markham Township's representative and send a copy of the resolution to the other municipalities.

Grants For Community Halls
 Councillor Mumberson moved that the reeve, clerk and township solicitor draw up a resolution regarding grants for community halls and recreation centres, following the reading of a request, in the form of a letter from Tilbury council. The Municipality of Tilbury is calling for a review of community building and arena grants by the provincial government, and stated in its letter that "the Prime Minister be petitioned to revise grants for the above."

Reeve Clark said he would want to study the resolution further. Solicitor Lucas present at the meeting said, "They haven't got their facts right. Some communities have got grants for the same buildings from the Provincial and Federal governments. This isn't a new thing, such requests for revision of grants for community centres has been pending for some time. This takes considerable study."

Reeve Clark said that very often communities are led into a building program which they cannot maintain. "They forget the maintenance afterwards is more than the recreation centre cost. It requires a lot of thought," he repeated.

Jaycees' New Year Meeting

Mayor Ken Tomlin Will Take On Barrie Mayor In Ice-Fishing Contest

THE RICHMOND HILL JAYCEES had their first dinner meeting of 1960 on January 7, at the Summit View Restaurant. Guests were welcomed and Bob Scott, a Kitchener Jaycee, recently moved to Richmond Hill to teach at Our Lady Help of Christians School, was also welcomed as a new member.

Jaycee of the Month
 At the end of the meal, the Chairman, Jaycee Art Frank, introduced the Head Table which for this meeting constituted the executive of the Chamber including the new treasurer Jaycee Cec Bolton. The "Jaycee of the Month" award was presented to John Turner for his work on the Anniversary Night which was fully reported in the last issue of The Liberal.

Going To Florida
 Jaycee Brian Longbottom a charter member and elected treasurer for 1959-60 was presented with a Jaycee pen for outstanding work in the Chamber. He has recently been promoted by his firm to a position in Tampa, Florida, and said his association with the Richmond Hill Jaycees has been one of the happiest of his life, and that he and his wife Hazel—President of the Jayceettes—will take with them many fond memories.

Presentation
 Jaycee Glen Gandy was also presented with a Jaycee pen for his work as chairman on the Town Hall Tonight Jaycee Radio Program.

Comprehensive Report
 The speaker for the evening was Jaycee President, Murray McLeod who gave a report on the Chamber's activities for 1959 and the future prospects. In 1959, he reported, several committee projects had been started, and some already successfully completed, such as, "Shop Locally Drive," and "Radio Auction"; the "Get Out to Vote" campaign, the "Christmas Lighting" contest, the "Grey Cup Parade," and the organization of the Richmond Hill Safety Council which originated through Jaycee Chairman Frank Da Costa. With activities in progress within the Chamber itself, such as the Public Speaking Course, the Business Management course, the Membership and Personnel Committee, the Program Committee, etc. etc., obviously much of the Chamber's work had already been successfully accomplished and President Murray McLeod said he and his executive looked forward to the further co-operation of every member to make a success of future Community Betterment Projects, such as, the Teen Age Road-E-O, Beautification Industrial Development and Youth Development Projects, and the internal courses in Effective Letter Writing, Rapid Reading, Chairman Training and Parliamentary Procedure.

Talk on "Credit"
 Jaycee Kieth Jean Marie thanked the speaker on behalf of Chamber of Commerce members. John Turner had a sing song before the meeting adjourned to the Effective Speaking Course and a Business Administration lecture on "Credit" by Jaycee George Nablo of the Canadian Bureau of Collections.

Hockey Match
 Announcements at the meeting were:—A thank you to Dick Pillar for organizing the Hockey Match with the local Lions Club. The next meeting to be in the form of a "Robbie Burns" night. The Ice Fishing trip for Feb. 14 will start at 7 o'clock in the morning and will be held near Barrie.

Mayors Contest
 Honorary Jaycee President Mayor Ken Tomlin has consented to attend and the Mayor of Barrie has been challenged to a fish catching match with him.

Theatre Party
 Jaycees Dick Pillar and Norm Bregant have agreed to organize a theatre party for the Canadian Premiere of "Caravan in Russia," at the Richmond Theatre, Richmond Hill, which they will attend in numbers with their wives.

ed to offer eight scholarships of \$500 each to male students attending Provincial Teachers' College, Loans bearing only 2% interest are also available for student teachers.

Chairman of the various sessions was Robert L. Ship of South Orpington. New President-elect for 1960 is David G. Dewar, Scarborough. Vice Presidents are George H. Waldrum, Guelph, and Garnet L. McDiarmid, Richmond Hill.

Elected to the Provincial Executive and Board of Governors of the Ontario Teachers' Federation were Thomas E. Bedford, Toronto; Howard E. Gillies, St. Catharines; E. Cecil Longmuir, Toronto; Sylvio S. Saurio, Etobicoke, and W. Earl Sparks, Simcoe.

Federation members also decided to set up their own credit union on a provincial basis, and to investigate establishing their own medical program.

McConaghy School Principal Is Vice Pres. Teachers' Federation

Delegates to the annual Christmas Assembly of the Ontario Public Schools Men Teachers' Federation were told it was time they wrested control of the standards of the teacher from the hands of the Government.

The three day assembly concluded Wednesday evening in Toronto. Guest speaker at the annual dinner was Arnold Edinborough, television panelist on Fighting Words, and Editor of Saturday Night.

"The Government controls you," he told the delegates, "and tells you what standards you must have to be a teacher. I commend to you to do some real house cleaning to bring true professionalism to your organization."

Some 155 men gave up half their Christmas holidays to represent 7,000 fellow men teachers and discuss educational matters of vital concern for the pupils and schools of the province of Ontario.

Representing the local area were Peter Ross of Pleasantville School, Richmond Hill, and Ross Brethour of Welles St. School, Aurora.

In an effort to raise the standard of the teaching profession, the Federation voted to continue holding In-Service Programs in various parts of the province. Teachers in rural districts are to be given special assistance.
