Maple Notes

It's always interesting to follow up on any request that was made for assistance towards a project and just see how successful it was. So we called Mrs. Margaret Martin and asked how the Christmas Gift Project turned out.

Here is her report: "The York County Branch of the Canadian Mental Health Association thanks the citizens of Maple Community for their warm response to the recent appeal. Because of your generosity and that of hundreds of other York County citizens no patient was overlooked this Christmas. Gifts were distributed at special parties arranged by White Cross Volunteers of the Canadian Mental Health Association or by hospital staffs. These gifts have brought hope, encouragement and cheer to many."

This association is grateful for the interest you have shown in this way. If you would like to learn more about mental health or if you would like to help in the fight against mental illness, you are invited to join the York County Branch of the Canadian Mental Health Association. A donation of one dollar or more entitles you to membership. For further information, call Mrs. John Martin, AL. 7-1384 or send enquiries to the Secretary, at P. O. Box 1, Richmond Hill."

The following new officers for 1960 were elected by the St. Stephen's G. A.: Pres. Joan Hodgson; vice president Vicki Reeds; secretary, Mary Ellen Hamilton; treasurer, Lynne Jackson.

The girls are preparing for the Churchmanship Badge and are completing the practical requirements — that of making altar linens and purifiers.

The G.A. meets at St. Stephen's Church every Tuesday from 7.30 to 9 p.m. and girls 12 years and over are welcome. Mrs. John Martin is leader and assistant leaders are Misses Joan Foden and Betty Prentice.

Edgely Socials
Mrs. C. A. Peelar was the hostess for the January meeting of the Edgely Women's Institute when the roll was answered by naming "My Grandfather's Occupation."

Michelle (continued)
Mrs. Roy Keffer showed some delightful pictures that she and Mr. Keffer took while on their trip to Western Canada last summer.

Mrs. B. Cook and Mrs. R. J. Darlington were the social committee. Celebrating their birthday recently were Mr. Ewart Burns and his daughter-in-law, Mrs. Jack Burns, January 1; Miss Joanne Mains, January 2; Jerry Darlington, January 4; Mr. George Mains, January 9 and Mr. R. J. Darlington, January 10. Many happy returns of the day to you all.

The regular meeting of the Edgely W. A. will be held at the home of Mrs. Bert Peelar at 2 o'clock, on Thursday afternoon, January 21. Mrs. Fred Hendry will convene the meeting at which the program for the coming year will be planned. Mrs. C. H. Boake and Mrs. Eldon Fierheller will be the social committee.

Come one, come all — you are assured of a good time and every-thing is mds directing (around) and by so doing you will set yourselves up for an evening of enjoyment.

Hey, How About That?
Got around to glancing over the Sports page of "The Liberal" the other day and several lines just seemed to jump out at me. In case you missed it, it bears repeating —

"Harry Goodmakers from Maple covered himself with glory in a recent game between Richmond Hill Juniors and Aurora Juniors. The young netminder turned in a brilliant exhibition of goal tending to allow the Aurora team one goal as his teammates scored three in the Aurora net."

Now that the waterworks department is directing (around) about in Maple) quantities of that stuff that makes for good rinks when frozen — maybe before too long we can have a hockey team of our own. Then perhaps Harry could lend his experience and play under Maple colours. Let's hope a rink will be in the not too distant future, we have a long list of hockey enthusiasts biding their time.

Equestrians All
That horse set above the tracks has added another stable mate for Belle and Sparky in Mac Hamilton's barn. Mary Ellen's and Stan Downey's horses have offered hours of pleasant trails via horseback over fields and such and as of last week-end Peter White has officially joined the group with the addition of his beautiful More Bess (or is it to be Beth?) he has just purchased. Keep us posted when the jumping sessions get going.

Sunday Afternoons
If you've wondered about the line of traffic leaving Maple around 3 p.m. of a Sunday afternoon in the Woodbridge direction, just fall in and join us.

Each week more and more of all age groups are taking advantage of the Sunday afternoon skating facilities at our neighbors along No. 7.

Car pools are more or less organized so if you or your youngsters are interested, maybe we can point you in the right direction and you can take your turn as chauffeur and enjoy the pleasant and invigorating afternoon of skating.

Edgely Farm Forum
With all this skating interest around town, don't you think we should have a skate exchange?

Re A Christmas Card
Upon opening the many, many Christmas cards (aren't they rough with that season yet?) — some always stand out and are remembered more clearly. One such card was received from Dr. and Mrs. Ramsay Armitage of St. Stephen's. It had a penciled sketch of St. Stephen's Anglican Church, here in Maple, done, I was told, by their son. In black and white it was in detail and most effective — and much appreciated.

By Mrs. R. Stuart
Adjustments in the number of farms in Canada, was the first topic in the special series on adjustment in farming, to be discussed by the Forums. This broadcast, which was presented on January 4, dealt with the questions, do farmers produce too much or too little? Does part-time off-farm employment benefit Agriculture and what effects does it have? Do you think farmers would favour increasing direction and control of farm business by the farm organizations or government in order to help plan the Agriculture of the future?

The Edgely Farm Forum was held at the home of Mr. and Mrs. G. Wilfred Keffer, Maple. In reply to the first question, a substantial number of Forums said it was their opinion that most farmers are producing too much. Some went on to say they were producing too much for the market but too little to make an adequate living. Others said they were producing what was necessary to make a living for themselves and their families. The Edgely Forum stated that they did not think that farmers produce too much or too little.

In January, approximately 5,000 High School students and teachers in 8 York County High Schools will be offered a simple skin-test for tuberculosis to determine whether the student has been infected at any time during his life with T. B. germs. The project is part of an effort to discover early cases of tuberculosis infection by a simple and convenient skin-test process.

Concord News
The Cub and Scout Group Committee will hold its January meeting Thursday, January 14, at the home of the Vice-Chairman, Mr. Fred Orr, 30 Rockview Gardens.

Doncaster
The result of an alleged impaired driver was produced before Jim Butler of Morgan Ave., and his father-in-law, Mr. Laurie Rose of Richvale, when he plowed his speeding car into Jim's truck. The truck was being towed out of the driveway and was hit broadside. Fortunately there were no injuries to speak of, however the offending car driver was not insured.

Maple Notes (continued)
Just Enquiring
When is Maple Road, Maple Road and when is it Richmond Street? Several people have been asking and it seems most confusing.

Edgely Farm Forum (continued)
Please let it be known that from now on Maple's favorite cat photographer is going to use his own name under his pictures! We have persuaded him he has used enough test cases up to now so in the future when you see a picture taken in the Maple locale, you can be sure it's by — White, it is by TOM WHITE and none other. (Perhaps last week when those two wonderful ice storm pictures were credited to a "John White" — it was no doubt those gremlins were back in operation again.)

Edgely Farm Forum (continued)
When asked if they would favour direction or control, approximately 75% of the Forum said they would favour some direction and went on to say they preferred this to be done by farm organizations rather than a government agency. The Edgely Forum members felt, though, that the government should advise the producers as to the agriculture forecast for the future so they could plan their output.

Edgely Farm Forum (continued)
The Monday Nighters spent a very pleasant evening at the home of Lorna Kerwin this week. Winners of the evening were Nellie Bell, Norma Jackson, Jane Williams and Dorothy Cracknell. Mr. and Mrs. E. Sprague have returned home after spending the holiday weeks in New York visiting Mrs. Sprague's sister and niece, Mrs. Davidson and Miss Audrey Davidson. They had a very enjoyable holiday.

Edgely Farm Forum (continued)
The January meeting of the Evening Branch of St. John's W. A. will be held in the Parish Hall tonight.

Edgely Farm Forum (continued)
A Fireside Service was held in the upstairs lounge of St. John's Anglican Church last Sunday evening and a very pleasant evening was enjoyed by all. There was a very good attendance comprised mostly of young people.

Edgely Farm Forum (continued)
A congregational dinner will be held at St. John's on January 27th at 7 p.m. Please keep this date in mind.

Edgely Farm Forum (continued)
The January meeting of the Mother's Auxiliary will be held in the school on January 19th. All members and friends are invited to attend.

Concord News

The Girl Guides are conducting a bottle drive on Saturday, January 16. Please have all your soft drink, milk and any other beverage bottles ready to be picked up.

PICKERING — "It's the future that counts. 1959 is now 'F'ory," Deputy-reeve H. R. Hawthorne of Pickering Township stated at the inaugural meeting for 1960. Reeve J. S. Scott predicted that 1960 would be an eventful year.

DONCASTER

Correspondent:
David Barbour
Henderson Ave.
Phone AV. 5-5205

Friends and neighbours of Michael Noon, of Clarke Ave., wish him a speedy recovery from his recent operation to have his tonsils removed. After being there one day, he returned from the Branson Hospital on Thursday, January 6.

An unlucky day for David Barbour, 24 Henderson Ave., was Sunday, January 3. Participating in a hockey game between two groups of MacLean Hunter employees and guests, Dave, playing goal, was struck in the face by a flying puck twice. The first caused a minor cut over the right eye. This was quickly patched up and he returned to action only to be taken out permanently by a hard shot that smashed in his front teeth, breaking off two of them. The members of the group have organized a collection to offset the medical-dental expense.

The result of an alleged impaired driver was produced before Jim Butler of Morgan Ave., and his father-in-law, Mr. Laurie Rose of Richvale, when he plowed his speeding car into Jim's truck. The truck was being towed out of the driveway and was hit broadside. Fortunately there were no injuries to speak of, however the offending car driver was not insured.

Mrs. Ian Brown, 93 Clarke Ave. and son are home from the hospital. The Doncaster Community Ladies Club announce that their first euchre marathon of 1960 will get underway about February 1. Proceeds will go to the Girl Guide and Brownie troops. You may enter the marathon by calling Mrs. J. M. Barbour at AV. 5-5205.

Birthday greetings to Lawrence Mickle whose birthday falls on January 15th, to Catherine Miller on January 16th, to Lynn Cecilia Snell on January 17th and belated greetings to Karen Greig on January 1st and Bruce Dodson on January 7th and to Coleen Boyle who celebrated her 1st birthday on January 3rd.
