Church News
Rev. H. MacDonald was in charge of the service at Carrville United Church and held an induction service for the elders and stewards last Sunday. The minister presented crosses to Nancy Middleton, Gretta Middleton and Mark Kirk for completing a year of Sunday School attendance. Penny Houston and Margaret Williams received their silver pins and Barbara McLaren received her gunmetal pin.

On Sunday, February 21, Rev. Bill Armitage of Haliburton will take the service at Carrville and he is also to preach the anniversary service at Thornhill United Church. Rev. MacDonald also announced a special training class for Stewards and Elders especially to be held at Asbury West, United Church on Saturday, February 27.

Rev. MacDonald also asked that anyone wishing to join the church by letter or profession of faith at the Easter Communion would contact him at the church office. The phone number is AV. 5-2131.

Young Peoples
The young people met at the church on Wednesday evening and decided to disband their organization for the present. It was stated that at a later date a Hi-C may be formed.

There is quite an age range in the young people's group, some have joined at Thornhill, others have other interests, so any of the younger ones will have to wait and see what will happen later on.

The young people had \$125 in the band, so made gifts of \$80 to missions and \$60 to the local church.

A number of years ago, the cross on the communion table was given to the church by the Carrville Girls' Group. The young

people plan to have it re-lacquered. Much help and guidance has been given this group during the past by Mrs. J. McEwen and Dr. Brock Walker. Their work should not go unmentioned, and we know the young people are very grateful to them for their help.

Congregational Fellowship
On Friday evening about 30 people enjoyed a very pleasant evening in the church hall. Rev. MacDonald was chairman. Films were shown, one an Eskimo film, "The Living Stone," and another on living called "Hot Hickory."

Mr. Jack Barton was elected treasurer to the fellowship meetings. The next meeting will be held on Friday evening, March 25 and the committee is Bert Middleton, Jimmie Williams and Beverley Bushell. The ladies who were responsible for this pleasant evening were Mrs. J. Pearson, Mrs. J. Williams and Mrs. G. Read. They were assisted by Mrs. E. Bone, Mrs. R. Kirk and Beverley Bushell.

Congratulations
On Friday night to Beverley Bushell who obtained 96 per cent in her grade 2 theory, really an excellent mark. Mr. and Mrs. J. Bushell must be very pleased.

Birthdays
On February 14, Mrs. J. McEwen and Mrs. Gordon Read celebrated birthdays we hope they had a very pleasant day.

Mrs. J. Clement, Mr. Stanley Wood and Mr. and Mrs. George Wood attended the christening of the twin sons of Mr. and Mrs. John Wood, David and Blair, at the Presbyterian Church, Richmond Hill on February 7, and were entertained by Mr. and Mrs. John Wood at lunch after.

Mr. and Mrs. Leonard Kirk and Mark Kirk visited with Mr. and Mrs. Bowes at Minden this past weekend and report Mrs. Bowes is to have the cast removed soon and is doing nicely.

We were sorry to hear Mrs. Mildred Lilley, a former Carrville resident is in Toronto General Hospital to undergo an operation. We hope that she will come along fine and her stay be of short duration.

Miss Teetzel and Mrs. Tyndall of Teachers' College, Toronto, are at Carrville School this week.

On February 24, the Carrville school children go to Eaton's auditorium to take their part in the Kiwanis Music Festival.

The children didn't have a Valentine party but gave out Valentines at the close of school on Friday, which we guess was almost as good as a party

Religion In Schools Discussion Subject St. Mary's Men's Club

A very encouraging attendance marked the first meeting in 1960 of the Men's Club of St. Mary's Anglican Church when they met in Wrixon Hall on Thursday evening of last week. This was in the form of a "Supper Meeting," and it was heartening to note that many sons accompanied their fathers.

Those present at the head table were President Herb Montgomery, guest speaker Rev. Horace C. Burkholder, Rev. J. F. O'Neil, Churchwarden, Mr. L. T. Wainwright and Mr. G. L. Lewis, Warden Emeritus Mr. H. Stanford, Treasurer Mr. J. Goodier. Following the dinner, Chairman Montgomery briefly commented on the activities of the club during the past year, also on the projects for 1960. Reports were submitted by the secretary and the treasurer.

Introduced by Mr. Roy Packer, the guest speaker, the Rev. Burkholder, whose topic was "Religion Education in our Schools,"

described the workings of the Ontario Council of Christian Churches, of which he is secretary. In the relation of education and religion, education must provide for all the normal human capacities and as the capacity for religion is a normal human capacity, therefore religion must be provided for, in all true education.

The speaker briefly described the contents of a number of books of interest and value to members of school boards, teachers and parents. A lively and informative discussion period followed — with a surprising amount of "for and against" opinions from his listeners. Mr. Munro Ashkanase proposed a vote of thanks to the Rev. Burkholder, and Mr. W. Lennox thanked the convenor, Mrs. B. J. Blaney and the ladies of the Evening Guild for providing and serving the delicious supper. Prayer for the Rector, the Rev. J. F. O'Neil concluded the Rev. J. F. O'Neil enjoyed the meeting of the Men's Club.

White Cross Volunteers Visit Ontario Hospital

The Ontario Hospital at Queen Street, Toronto, played host to 52 White Cross volunteers from York County last Wednesday afternoon, February 10. The program included a discussion by doctors and social workers of present day trends in the treatment of the mentally ill. There was also a tour of a number of wards of the hospital and extra services such as industrial therapy, gym, library, physiotherapy and occupational therapy. Refreshments were served.

Dr. Hagan, the Medical Superintendent, commented on the excellent job that was being done by the White Cross volunteer visitors of the York County Branch, Canadian Mental Health Association, who are visiting in the approved homes in this county. Miss Oliver, a social worker, said that volunteer visitors could fill a very important need in the life of a patient — that of a friend — a need that professional

staff, for reason of their status as staff members, could never fill.

Mrs. Townshend-Carter, the Chairman of Volunteers for York County, stressed that volunteer visitors were the link with the community for patients who had suffered from mental illness. By friendship and understanding some could again return to the community as healthy, happy and useful citizens.

White Cross volunteers were organized just a year ago as a service of the Canadian Mental Health Association's York County Branch. There are now 65 volunteers visiting seven approved homes in York County. But there are 17 approved homes and the men and women willing to be a "foster" friend for one evening a month. Enquiries may be directed to Mrs. Townshend-Carter in Thornhill or to P. O. Box 1, Richmond Hill.

Sun Life Shows Record Insurance Sales 1959

Sun Life Assurance Company of Canada sold more than one billion dollars Life insurance last year, a record for a Canadian company. Mr. A. D. Adamson, manager of the Sun Life Branch in Willowdale announced here, following the company's 89th annual meeting in Montreal.

Mr. Adamson said the record year and increased earnings will result this spring in adoption of increased dividends to the holders of the most classes of participating policies. About \$38,700,000 will be paid in policy dividends in 1960.

The Sun Life sold \$1,041 million of life insurance in 1959, 5.2 per cent more than in 1958, bringing total insurance in force with the company to \$8,938 million. Group life insurance accounts for \$3,319 million of the total and new group life insurance sold in 1959 was \$312 million.

Payments of Sun Life policyholders and beneficiaries totalled \$179 million in 1959 — \$705,000 for each working day — an increase of \$20 million over 1958 payments.

Income from all sources was \$372 million. Mr. Adamson said the Sun Life continued its policy during the

year of investing funds in community projects, such as housing developments, shopping centres, industrial plants and public works. Residential mortgages comprised an important part of new investments by Sun Life in 1959. Assets at year end amounted to \$2,307 million — \$92 million more than a year ago — of which \$551 million was in mortgages.

At the company's annual meeting in Montreal, President George W. Bourke spoke about the "double duty" dollars of life insurance.

The phrase, he said, draws attention to the fact that policyholders' dollars, "besides providing protection for families and savings for old age, aid the economy when invested by the company in thousands of community projects. These dollars earn interest which is paid to policyholders in dividends, and to both policyholders and beneficiaries in policy benefits.

A country's rate of growth, he added, must be determined by the ability and the willingness of its people to save. Savings, more over, benefit both the saver and the economy as a whole — the twin goals of life insurance itself.

By Billy Reoch, Grade 6 Langstaff School
On February 9, Langstaff Public School hockey team met Powell Road and for the second time this year we came up with a victory.

The first line consisted of Ron Willey at centre, Allan Reoch at right wing and Alfred Beatty at left wing.

They started off with great promise, skating, stick handling and shooting like real professionals and an extra special play by Ron Willey pulled the crowd up on their toes as he zoomed in.

Neighbourhood Notes
When Mr. and Mrs. George Clarke Jr. dropped in to visit relatives in Florida recently they were surprised to find Mr. and Mrs. E. Walton sharing the same apartment.

Joy Fuller was a happy girl last week when her new electric organ was installed in the Fuller home.

Ken and Connie Stephenson spent an anxious hour early last Thursday evening when their four-month-old baby girl suffered a choking spell. Markham Township police brought an inhalator and after a short time the baby recovered, we are happy to say.

Friends were sorry to learn that Mr. Douglas Hood (Pat) was taken to Branson Hospital on Thursday of last week after suffering a severe heart attack. We wish for him a rapid recovery. During Mr. Hood's illness Don and Dorothy Reesor are staying at the Hood farm with Mrs. Hood.

Congratulations to Mr. and Mrs. Rae Donaldson (nee Betty Snider; whose son, John Rae, arrived at the Branson Hospital on Friday morning, February 12, and to new grandparents, Mr. and Mrs. John Donaldson, and a brand new auntie — Mary Lynn Snider. Nice to know Mr. Ken Stots is able to be back to work after several weeks' struggle with a back ailment.

When Ryerson students hold a fashion show this week one of the models will be Beverley Burr. A household economics student, Beverley will model a gold brocade evening gown of her own making.

John Rodick was home from Pickering College to spend a long week-end with his parents, Mr. and Mrs. Wm. Rodick. The building committee of the Brown's Corners United Church, headed by Mr. Hank Coleman is busily engaged in checking plans and requirements for an early start on a new addition to the present church.

John Craig is home on a two weeks' leave before being posted to new R.C.N. duty. John has spent the past five or six months stationed at H.M.C.S. Cornwallis, Dartmouth.
