Anyone interested in photography is invited to attend the monthly meetings. Organizer Mr. Alex Knight is president.
Hospitalized
Eversley school chums of 13-year-old Peter Roots sent games and treats to him in hospital, where he is confined for six weeks after breaking a leg.
When he was helping his father, Mr. Stan Roots make oil deliveries, Peter slipped and fell on level ground. While convalescing he is trying to continue with his entrance class studies. When he returns home he expects to have his leg in a cast another six weeks.
Before the accident Peter had been back to school for one day after missing two weeks with the mumps.

Shower
Mrs. Robert Walker, William St., entertained at a stark shower in honor of Mrs. Vic Doner, who received a bathinette filled with gifts from 21 friends.
Among those attending the party were Mrs. Doner's mother, Mrs. George Walker, Mrs. Ross Walker, Mrs. L. D. Bryan and Mrs. James Bryan of Aurora; Mrs. Bob Berwick, Mrs. Stan Roots, Miss Lillie Anderson, Mrs. Alex Currie, Mrs. Glen Urquhart, Mrs. D. G. Anderson, Mrs. Harry McBride, Mrs. E. J. Munroe, Mrs. William Cluine and Mrs. Harold Kirby.
It pays to have a nice slim waistline. Slender housewives will pay less for their token aprons purchased from the Girl Guides' Local Association, usually known

as the Guides' and Brownies' Mothers' Auxiliary.
At last week's meeting, members decided to make and sell token aprons, the sale price according to the customer's waist measurement. President Mrs. Geo. Meadows has started the sewing and would like to hear from mothers who would undertake making a few aprons.
Proceeds will be used toward camp equipment for guides holidaying with their leader, Mrs. Harry Goulding.
Sixty dozen boxes have been ordered for sale on cookie day, for which further plans will be made at the April 7 meeting.

Pass Tests
Linda Cane and Deenie Jarvis have successfully passed tests as Second Class Guides.
Earn Awards
In Seconee Cub Pack, Gordon Henshaw has earned his collector's badge and Danny Brooks, his second star.
Pancake Supper
More than 100 attended the annual pancake supper last week at All Saints' Anglican Church, sponsored by the Afternoon Branch of the W.A.

President Mrs. A. E. Jarvis, Mrs. Gordon Wells and Mrs. John Grew convened the event. Members of the Evening Branch prepared salads and assisted in serving the dinner, consisting of ham, salads, escalloped potatoes, pancakes and maple syrup and coffee.
Open Meeting
The W.M.S. of St. Andrew's Presbyterian Church is holding an open meeting March 24 and inviting other organizations to be their guests.
Rev. Gordon Agar of St. Andrew's will show slides and speak about India, where he was stationed.
Christening
Rev. E. H. Coetigan conducted the baptism of Yvonne Mary Abbott, five-month-old daughter of Mr. and Mrs. W. B. Abbott of Forde Crescent, in All Saints' Church. The baby was the first to wear her white christening gown and matching bonnet.
Mr. and Mrs. C. D. Hadfield of Toronto acted as godparents. Other guests at the christening tea, which followed at the Abbott home in Valentine Acres, were Mr. and Mrs. Michael Pearson, Mr. and Mrs. A. Quale, Mrs. Bernice Wagner and son, Terry Wagner, and Mr. Dennis Gorney, all of Toronto.

**To Seek Approval
New Church Site**
When York Presbytery meets in Aurora on March 22 one of the business items on the agenda will be approving the choice of King City United Church congregation of land for their new church.
Rev. Martin Jenkinson told The Liberal the approval by Presbytery is usually a formality and there isn't likely to be any reason for opposing the congregation's decision.
At the United Church meeting last week of over 100 members slightly over 85 per cent agreed to accept the generous offer of three lots by Clearview Gardens Limited, and to purchase approximately one and a quarter acres of adjoining land from Mr. Gordon Orr for \$2,500 for a parking area.
Mr. Jenkinson opened the meeting with prayer and a hymn, then turned the program over to Mr. William Heaslip, chairman of the Building Committee for open discussion. Among the points considered were that increased Sunday School attendance taxed present accommodation, parking space is insufficient and no land is available on either side of the church grounds to permit further building.
Long-time members of the congregation discussed sentimental attachment to the building, which has served the community since 1872 and was remodelled in 1929. The majority voted to accept three 75-foot lots on Elizabeth Grove in Clearview Gardens, the gift of church members Mr. Alfred McBride and his sisters, Mrs. Pearl Wilson and Miss Annie McBride of King City and Mrs. William Thomson of Toronto.
The lots a few hundred feet east of Keele St. provide 225 feet of frontage and 210 feet of depth on a newly-opened road not yet lined with residences. The acre and a quarter of land allowing for parking is at the rear of the Elizabeth Grove lots and forms the south part of Mr. Orr's property off Keele St.
Mr. George Ness, a lawyer representing property owners east of the village limits, showed proposed building plans to indicate how the area was expected to be more heavily populated in the next few years.
Little discussion was made of the actual building or proposed costs. Next step is for the building committee to examine different plans for a church, then to present suggestions to the congregation. Working with Chairman Mr. Heaslip are Dr. Glenn Sawyer, Mr. Irving L. Scott and Mr. John Dew.

AURORA: "Last man out" in the recent snow storm was Reeve William Hodgson of King. It was Monday before his road could be plowed out.

Warden Clark Officiates Opens Willows New Wing

by Mrs. E. Orton
The Willows Rest Home, on Yonge Street, Oak Ridges, had a special ceremony on Tuesday, March 1, to mark the official opening of the new wing. The home is operated by Mrs. Fay Harper, Reg. N., wife of Dr. J. W. Harper. Mrs. Harper has been giving care to the aged and ill for approximately three and a half years.
Among the many guests who were present during the afternoon were Rev. H. Parr and Mrs. Parr of Glebe United Church, Toronto; Pastor Martin Reif and Mrs. Reif of Assoc. Gospel Churches, Lake Wilcox; Rev. J. F. G. Morris, Aurora; Reeve James Haggart and Mrs. Haggart, Richmond Hill; former Reeve of Whitechurch, P. S. Legge; Dr. James and Dr. Betty Knowles, Aurora; and York County Warden, Wm. Clark. Reeve of Markham Township.
Mrs. Elsie Gibbs, former councillor of Whitechurch Township was Mistress of Ceremonies and spoke of Mrs. Harper and her staff in their endeavour to make all patients as happy and comfortable as possible. Mrs. Gibbs then called on Rev. Harold Parr to dedicate the new wing. Mr. Parr asked all present to join in saying the 123rd Psalm. Pastor Nasti gave the prayer of dedication. The traditional white satin ribbon was snipped by Warden Clark, thus making the new wing officially open.
The entire ceremony was relayed to the main lounge by a public address system.
The new wing, a block structure, is built to accommodate four private patients and one three-bed room. Tastefully decorated in neutral shades, with gay floral accessories, each room was the ultimate in furnishings with soft warm carpeting over tiled floors. All rooms have a true picture window, having a beautiful view of the trees from which the home earns its name also the spacious grounds. Truly a "home" for some of our senior citizens.
After the ceremonies, refreshments were served in the main lounge, amid beautiful blooms, some of which were adorning the new wing, all donated by friends and tastefully arranged by Mrs. Wm. Houting of Dutch Gardens. All guests were taken on a tour of the new wing during the afternoon.

Oak Ridges, Lake Wilcox Socials
Promoter "Red" Garner has decided to let "old man winter" have his way for the next week or so. The wrestling matches were well attended last Thursday at the Legion Hall, but all the wrestlers have not been able to attend due to travelling difficulties. We hope to see them back very soon. Meanwhile, the teenage dances are swinging right along on Saturday afternoons.
A meeting will be held tonight (Thursday) to form a boys' club, boys aged 8 to 18 years. Director Jack Flecke is organizing at the Brethren in Christ Church, Aubrey Ave., at 7 p.m. all boys interested — hobbies, contests, etc. Plan to attend.
Mrs. Alee Gallacher was the guest speaker at Temperanceville United Church last Friday for the World Day of Prayer. Neighbouring churches attended.
The Young People's Group from the Assoc. Gospel Church, Lake Wilcox, had their usual meeting last Saturday evening and enjoyed a religious film taken from the TV series "This Is Your Life." This coming Saturday night will be Bible Quiz night. Pastor Martin Reif is very pleased with the upward swing in Sunday School attendance at the church. Mr. Reif and Elder Stan Williams are attending a minister's conference at Toronto this week. The ladies of the church are meeting tonight (Thursday) at the home of Mrs. Martin Reif, George St. for their monthly meeting. All ladies are welcome.
Education Project
The grade 8 class of Lake Wilcox Public School under the direction of Mr. J. Shearer, has composed a newspaper for Education Week.
Entitled "Martian Post", the edition was reported and edited by the pupils of Grade 8, each pupil contributing something to the paper. It covers all school news, sports, hobbies — and of course jokes, and boasts a crossword puzzle the solution of which if correct can mean a free soft drink for the lucky winner.

The Junior Sunday School gave an offering of \$1.40 toward visitors when Mrs. Fred Hare visited them on Sunday. The mission enjoyed by these little ones was about a little half starved and motherless girl who took her baby brother to the mission.
Those who have offered their services as teachers in the senior group are much appreciated by the members of the staff and pupils alike. We are very happy that the boys and girls are attending so regularly.

PROGRESS IN VAUGHAN DEPENDS ON YOUR VOTE

These facts deserve serious consideration by every resident and taxpayer:

New Assessment
The development of motel and other tourist facilities on 400 highway depends on a favourable decision by the electors on March 19. The development of these facilities will provide substantial tax revenue and will be a factor in bringing other commercial and industrial enterprises to Vaughan Township.

Revenue From Licences
The township will be entitled to 20 per cent of all gallonage and liquor taxes paid by clubs, hotels, and other licensees.

Employment
Many new opportunities for employment will open up for local people in these new enterprises and expansion of present facilities.

Retail Outlets
An affirmative vote will permit retail liquor stores and Brewers' Retail stores in Vaughan. It should not be necessary for township residents to visit Metropolitan areas to make their purchases.

Entertaining Friends
Local residents will be able to entertain their friends graciously and nearer home rather than having to travel to the metropolitan area.

Banquet Permits
Local organizations will be able to obtain banquet permits for public gatherings and other social events.

Controlled Sale
A favourable vote will help to control drinking and restrict it to adults. No one under 21 can be served in LEGAL outlets.

The group supporting the vote is definitely not asking for the establishment of beverage rooms and would not support this particular question.

The sponsors of the vote would like to see legitimate clubs and other institutions placed on a legal basis. As many are saying, "Let's get the bottles out from under the table."

The sponsoring group consists, among others, of local golf clubs, restaurants, the Canadian Legion, and a company which is prepared to establish a large motor hotel with all facilities in the vicinity of Highway 400.

The participants already have substantial investments in Vaughan and they are seeking to advance the progress and prosperity of the Township as a whole.

IMPORTANT
It should be strongly stressed that all three ballots must be marked on March 19. To vote for repeal of local option, place a plain X on each ballot in the top space beside the YES.
