Maple Notes

The Irish along with the non-Irish had business as usual even though it was St. Patrick's Day when the executive of the Maple Branch of the Canadian Cancer Society met at the home of Marjorie Wells, March 17.

The president, Mrs. Hilda Miller (fresh from her Florida jaunt) brought the business up to date. This was the first meeting held since the passing of Mr. Willis MacLachlan, and Mrs. Miller, after giving a brief outline of the part he had played in our Branch, asked the members present to stand for one minute of silence in memory of the man who had been such a staunch supporter and inspiration to our Society over the past four years.

Mr. Jas. McDonald is chairman of the Cancer Campaign that gets under way April 1.

On Saturday, April 9, members of the executive are preparing and serving supper for the patients in the hostel connected with the Princess Margaret Hospital.

Rae Spencer (fresh from her Florida trip) outlined details for the Daffodil tea and fashion show with Lil Smart as co-convenor.

Refreshments were served by Marj Willis (fresh from her Florida jaunt) as for the rest of the executive — maybe our turn to have a Florida jaunt, will come.

Campaign Send-Off

That's at the Daffodil Tea, of course. Time - March 26, this Saturday afternoon at 2 p.m. Place - Maple Community Hall on Keele Street. Featuring - a Fashion Show of teen-age and ladies' lingerie and sportswear. Added Feature - Our Maple junior miss, Sheena McDonald will twirl and swirl to the piper's tune in Highland costume. Models - more junior misses and young matrons of our town. Refreshments - tables will be set up across the floor where you will be invited to sit to watch the show and enjoy pleasing refreshments with a cup of tea. (Please note — will the ladies responsible for the tables, be at the hall by 1.15 p.m. and get them set up, thanks).

Aim of Tea - to acquaint you with the members of the Maple Branch Cancer Society who have aimed at offering you a pleasant afternoon with a showing of fashions, near and dear to every woman's heart and introduce Jim McDonald, who is campaign chairman for Maple Branch. He will acquaint the canvassers with their duties and outline the objective, money-wise, we have been asked to meet.

Admission - you are our guests and as such we trust you enjoy what we have to offer in the line of fashions and refreshments. However - should Mr. McDonald move you to realize the enormity of the task before us in reaching our goal and the duty we have towards ourselves, our family and our community by supporting research in this field — collection plates will be in readiness so you may feel you have a part in combating this disease, by giving a token donation to the Cancer Society.

The campaign starts on April 1, so let's have a large turnout March 26, to show those responsible for the campaign that we are with them and will support them by being prepared when the canvasser calls in the days to follow.

who worked to make it possible. The topic for the evening was divided into three parts and discussed. The first "Changing Ways of Life in Africa" taken by Mrs. E. Magee. Second, "The Task of the Churches" taken by Mrs. E. Brice and Mrs. D. Sinclair took the third part "Larger Christian Responsibility."

At the close of the meeting Mrs. Magee and Mrs. Brice conducted a few contests followed by a lively sing-song of old Irish tunes. Mrs. Jarrett and her committee served a tasty lunch.

Metropolitan Silver Band Fan

Was most interested to note in last week's "Liberal" a picture of the Metropolitan Silver Band with a write up on its history — when formed and the many awards it had won.

We won't go back as to actual dates but for a time my sister and I were among the most ardent fans of this band. We had just moved to Toronto from boarding school and as strangers in the big city, we, one Sunday, passed by the church hall and heard music. Seeing the sign — "P.S.A." — all welcome to come in and enjoy a pleasant Sunday afternoon of friendship and good music played by the Metropolitan Silver Band — we slipped inside.

So it was that each Sunday afternoon for many many Sundays and more, we became a part of a most friendly group and met many more in just such lonely circumstances, who appreciated listening to good music.

When the band performed at special concerts, or on Music Day at the Ex — where they invariably took top honors — we enjoyed sharing in the applause.

As a fan still, we would like to tell you (since some folks may be don't get past Maple Page!) in case you missed it, the Metropolitan Silver Band — with a few changes in members no doubt — will be presenting a concert tomorrow night, Friday, March 25, at the Richmond Hill United Church Auditorium at 8.30 p.m. If you enjoy good band music — from the classics to Broadway show musicals — played by a top band — this is for you.

For many "P.S.A.'s" — thanks.

Successful Service

Sunday at 4 p.m., March 20, the G.A. and J.A. (Girls' Auxiliary and Junior Auxiliary) of St. Stephen's Anglican Church held their annual church service.

These girls dressed in a uniform of a white long-sleeved blouse, navy blue skirt, tie and tam with their emblem on it, looked very attractive indeed.

The service of worship was led by the G.A. president, Joan Hodgson and Barbara Baker, J. A. president.

Vicki Reeds and Sandra Bourke each read a scripture lesson. Sandra had stepped in when Cynthia McClelland unfortunately was taken ill.

Lynda Reeds led in the saying of the "Apostles' Creed".

The girls and their leaders, Mrs. Margaret Martin and Mrs. Norma Baker appreciated the attendance of the parents and several visitors.

The C.G.I.T. from Maple United Church were most welcome guests and they too were most attractive in their uniforms. These in turn were welcomed at the door and given programs by Joan Earnshaw and Lynne Jackson.

The offering was taken by Mary Ellen Hamilton and Shelley James.

The auxiliaries provided the special music and sang their own "How Great Thou Art".

Dr. R. Armitage brought the message and spoke about the girls' work in general and their training.

This has been a detailed report of this annual meeting and in so doing we hoped to show how these young girls, through their training, are such a credit to their church and community. For girls 12 and over - G.A. is held each Tuesday at 7.30 at St. Stephen's and the J.A. is held each Wednesday at 4 p.m. for girls 7-12 years.

C.M.H.A. Reminder

March 30 your support would be much appreciated if you would pick up a friend or neighbor and attend the coffee party preceding the second annual meeting of the Canadian Mental Health Association, York County Branch at Wrixon Hall, St. Mary's Anglican Church Richmond Hill at 8.30 p.m.

The White Cross Volunteers are to be honored and guest speaker is Dr. W. H. Henderson, Ontario Director of Community Mental Health Service. Music by the "Yorkers" and election of officers for 1960-61. See Coming Events for details.

Idea To Pass On

When the Maple Community and School Club social conveners were faced with a shortage of cups — rather than put out considerable funds for them — the suggestion was made and accepted, for each member to root around their kitchen and bring at least one cup and saucer that could be spared, to the next meeting, April 6, and leave in the club's cupboard. Most shelves sport such an item — not cracked or chipped — thus a problem was solved and the bank account undented.

New Teenagers

It seems a goodly number of our younger generation has reached that charmed circle of teenagers this past month. Here are a couple more: On March 18 Robin Brock entered his teens and with his brother Kirby set forth on their own to explore and enjoy the "Sportsmen's Show".

Carol Saigeon followed suit on March 19 and celebrated her 13th birthday.

Remember to call Michael Weir for regular delivery of your "Liberal". Phone AL. 7-1513.

The March meeting of the Maple United Church W.M.S. was held Tuesday evening in the church parlor.

Mrs. T. P. Jackson presided and welcomed the C.G.I.T. (Canadian Girls in Training) and Explorer Groups, along with their leaders, mothers and friends.

Misses Diane Fierheller, Lynda Rose and Donna Reid of C.G.I.T. were in charge of the worship period. Mrs. G. Watson was pianist. "The Copperbelt Calling", a coloured film was shown. This told how the Christian Church is helping the African people to adjust themselves from their primitive surroundings to their improved present living conditions.

A number of songs were sung from the C.G.I.T. song sheet led by Miss Donna Reid.

For the Re-Affiliation Service of C.G.I.T. and Explorers' Groups, the W.M.S. president Mrs. Jackson and Mrs. H. Davies, representing W.M.S. Presbyterian, led in the service. Miss Betty Jackson presented the C.G.I.T. members with their Friendship insignias.

Refreshments were served by the W.M.S. ladies. Forming a circle, the meeting closed with the Explorers' Prayer and the C.G.I.T. closing hymn.

Once again we would pass on this information, these girls' groups are sponsored by the United Church but they are inter-denominational. This means that if

you are new in Maple and would like to join one of these groups, you need not be a member of or attend the United Church. The senior group, the C.G.I.T. meets at 7.15 each Monday night in the church and the 7 to 12 age group, the Explorers, meet each Wednesday night at 6.30 p.m.

They are instructed in household handicrafts, etc., by Christian leaders who teach the girls the Christian fundamentals. Perhaps this is the kind of association you would enjoy. Come out and give it a try.

United W.A. Announcements

Having received announcements for forthcoming United W.A. meetings, through the mail, we thought we would like to comment on the freshness of approach given in these notices.

A quotation or appropriate poem heads the typed page and serves to give a receptive mind to the reader at once — the proposed programmes are most interesting, instructive and timely and the president Doris Payne and her executive are to be complimented. (Sometimes a bow to a hard working group, now and then, helps them realize their efforts are not in vain.)

TO THE VOTERS OF VAUGHAN TOWNSHIP

We would like to thank everyone who took an interest in the recent Plebiscite and especially those who supported the affirmative side of the question.

In the absence of the president, Mrs. J. Kingsburgh, vice-president Mrs. Ross Robson presided at the meeting. Mrs. A. Snider and Mrs. E. Brice led in devotional.

Don't Call It Nervous Breakdown Blame Your Habits Of Adjustment

The Maple W.I. March meeting was held at Mrs. H. Jennings', the topic was Citizenship and Education and convenor in charge was Mrs. T. Jackson, who gave a most interesting paper on "Citizenship."

"A good citizen obeys the laws, keeps up to date on civic affairs, learns to live with others and himself. The whole drama of life springs out of four basic 'I want's' (1) I want to live. (2) I want a feeling of importance. (3) I want love. (4) I want a little variety — change." Mrs. Jackson said.

Everyone has heard of the term nervous breakdown, the speaker said. "Did you know there is no such thing as nervous breakdown? Nerves never, never break down, what are weak are not your nerves—but your habits of adjustment.

People continually turn fears and conflicts into physical aches and pains."

Here are 10 questions to indicate how well adjusted you may be:

- 1—Are you happy?
- 2—Are you ambitious for life?
- 3—Are you socially adjusted?
- 4—Do you have unity and balance?
- 5—Do you give attention to the present?
- 6—Do you have insight into your

own conduct?

- 7—Do you have a confidential relationship with someone?
- 8—Do you have a sense of the ridiculous?
- 9—Are you engaged in satisfying work?
- 10—Do you attack your problems promptly and intelligently?

Never forget that happiness is like a butterfly, the more you chase it, the more it eludes you. But sit down quietly and turn your attention to other things and it comes softly and sits on your shoulder.

Business Notes

There have been three replies from the aprons sent to A.C.W.W., Finland, North Carolina, India. A letter was read from the Link Institute at St. Margaret's, Swinden, England, by Mrs. D. Allan, correspondent.

The ladies who joined the project group "Focus on Finishes" are busy working on their garments to be displayed at summary day at Newmarket on April 6. Contest prepared by Mrs. Allan was won by Mrs. G. Watson and Mrs. Cook. Mrs. H. Jackson was appointed to attend the officers conference at Guelph in May. Next month is election of officers, please remember to have your reports ready for this meeting.

CANADA AND CHINA...

Canada has been a nation for not quite a hundred years. In that time Canadians have earned a way of life unequalled outside North America and not even approached by countries whose histories go back thousands of years... countries such as China.

Part of Canada's success comes from her ability to produce steel. Canada, with a population under 18,000,000, produced 660 pounds of steel per person last year. China, with a population of 600,000,000, turned out 25 pounds per person.

This higher productivity comes from the factories Canadians have built. For example, The Steel Company of Canada, Limited has invested more than \$300,000,000 in its plants and equipment since 1940.

Canadians produce more mainly because Canadian companies are continually improving their plants and equipment.

SOW ND SENSE

----- SWINE NUTRITION STARTS WITH THE SOW

Litters start growing as soon as the sow is serviced. How many develop and how they grow mainly depends on two things -----

THE ABILITY OF THE SOW AND THE WAY SHE IS FED

Good breeding and time will determine the sow's ability but ONLY YOU CAN DECIDE HER FEEDING. Though you can see no young pigs, the pregnant sow is carrying a full load and they must be given every chance to fully develop. Only by proper and complete nutrition of the sow is this possible. Only by ensuring that the Sow is fed a balanced SHUR-GAIN Sow Feed, all the time she is carrying and feeding her litter, will the young pigs grow to give maximum performance.
